American Book Publishing Record 2000-07

The Lost Quilter Jennifer Chiaverini 2009-03-31 Master Quilter Sylvia Bergstrom Compson treasures an antique quilt called by three names -- Birds in the Air, after its pattern; the Runaway Quilt, after the woman who sewed it; and the Elm Creek Quilt, after the place to which its maker longed to return. That quilter was Joanna, a fugitive slave who traveled by the Underground Railroad to reach safe haven in 1859 at Elm Creek Farm. Though Joanna's freedom proved short-lived -- she was forcibly returned by slave catchers to Josiah Chester's plantation in Virginia -- she left the Bergstrom family a most precious gift, her son. Hans and Anneke Bergstrom, along with maiden aunt Gerda, raised the boy as their own, and the secret of his identity died with their generation. Now it falls to Sylvia -- drawing upon Gerda's diary and Joanna's quilt -- to connect Joanna's past to present-day Elm Creek Manor. Just as Joanna could not have foreseen that, generations later, her quilt would become the subject of so much speculation and wonder, Sylvia and her friends

never could have imagined the events Joanna witnessed in her lifetime. Punished for her escape by being sold off to her master's brother in Edisto Island, South Carolina, Joanna grieves over the loss of her son and resolves to run again, to reunite with him someday in the free North. Farther south than she has ever been, she nevertheless finds allies, friends, and even love in the slave quarter of Oak Grove, a cotton plantation where her skill with needle and thread soon becomes highly prized. Through hardship and deprivation, Joanna dreams of freedom and returning to Elm Creek Farm. Determined to remember each landmark on the route north, Joanna pieces a quilt of scraps left over from the household sewing, concealing clues within the meticulous stitches. Later, in service as a seamstress to the new bride of a Confederate officer, Joanna moves on to Charleston, where secrets she keeps will affect the fate of a nation, and her abilities and courage enable her to aid the country and the people she loves most. The knowledge that scraps can be pieced and sewn into simple lines -- beautiful both in and of themselves and also for what they represent and what they can accomplish -- carries Joanna through dark days. Sustaining herself and her family through ingenuity and art during the Civil War and into Reconstruction, Joanna leaves behind a remarkable artistic legacy that, at last, allows Sylvia to

discover the fate of the long-lost quilter.

Shifra Stein's Day Trips from Phoenix, Tucson and Flagstaff Pam Hait 1994-02

Bibliographic Guide to North American History 1986

The Great Southwest of the Fred Harvey Company and the Santa Fe Railway Heard Museum 1996 The papers in this volume were prepared

for a February 1996 symposium held in conjunction with the exhibit "Inventing the Southwest: The Fred Harvey Company and Native American Art," organized at the Heard Museum in Phoenix, Arizona. The essays describe the Harvey/Santa Fe partnership, detailing the effects of the collaboration on tourism in the American Southwest, and showing how the lives of Native American artists and their communities were transformed by the massive scale on which the Fred Harvey Company bought, sold, and popularized American Indian art. Illustrated with small b & w historical photos.

Phoenix Bradford Luckingham 1995-08-01 More than half of all Arizonans live in Phoenix, the center of one of the most urbanized states in the nation. This history of the Sunbelt metropolis traces its growth from its founding in 1867 to its present status as one of the ten largest cities in the United States. Drawing on a wide variety of archival materials, oral accounts, promotional literature, and urban historical studies, Bradford Luckingham presents an urban biography of a thriving city that for more than a century has been an oasis of civilization in the desert Southwest. First homesteaded by pioneers bent on seeing a new agricultural empire rise phoenix-like from ancient Hohokam Indian irrigation ditches and farming settlements, Phoenix became an agricultural oasis in the desert during the late 1800s. With the coming of the railroads and the transfer of the territorial capital to Phoenix, local boosters were already proclaiming it the new commercial center of Arizona. As the city also came to be recognized as a health and tourist mecca, thanks to its favorable climate, the concept of "the good life" became the centerpiece of the city's promotional efforts. Luckingham follows these trends through rapid expansion, the Depression, and the postwar boom years, and shows how economic growth and quality of life have come into conflict in recent times.

Abkhasians: the Long-living People of the Caucasus Sula Benet 1974

Book Talk 1994

Books in Series 1985 Vols. for 1980- issued in three parts: Series, Authors, and Titles.

Shifra Stein's Day Trips from Greater Phoenix, Tucson, and Flagstaff Pam Hait 1986-05-01
