Fire & Blood George R. R. Martin 2021-08-24 #1 NEW YORK TIMES BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO's Game of Thrones prequel series House of the Dragon "The thrill of Fire & Blood is the thrill of all Martin's fantasy work: familiar myths debunked, the whole trope table flipped."—Entertainment Weekly Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. Fire & Blood begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel. Readers have glimpsed small parts of this narrative in such volumes as The World of Ice & Fire, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and

grandeur of Gibbon's The History of the Decline and Fall of the Roman Empire, Fire & Blood is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for Fire & Blood "A masterpiece of popular historical fiction."—The Sunday Times "The saga is a rich and dark one, full of both the title's promised elements. . . . It's hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should 'bend the knee,' 'take the black' and join the Night's Watch, or simply meet an inventive and horrible end."—The Guardian

War Stories Jeremy Bowen 2012-09-27 Having joined the BBC as a trainee in 1984, Jeremy Bowen first became a foreign correspondent four years later. He had witnessed violence already, both at home and abroad, but it wasn't until he covered his first war -- in El Salvador -- that he felt he had arrived. Armed with the fearlessness of youth he lived for the job, was in love with it, aware of the dangers but assuming the bullets and bombs were meant for others. In 2000, however, after eleven years in some of the world's most dangerous places, the bullets came too close for comfort, and a close friend was killed in Lebanon. This, and then the birth of his first child, began a process of reassessment that culminated in the end of the affair. Now, in his extraordinarily gripping and thought-

provoking new book, he charts his progress from keen young novice whose first reaction to the sound of gunfire was to run towards it to the more circumspect veteran he is today. It will also discuss the changes that have taken place in the ways in which wars are reported over the course of his career, from the Gulf War to Bosnia, Afghanistan to Rwanda.

A Million Shakespeares Gregg Glory 2004-04 FIRST STATEMENT TO THE AUDIENCE I stand naked in front of you. I can't lie to you for one second. This is my story you will see. I see it as one of redemption, Justice. But how you will see it, my thousand eyes transfixing this darkness, I do not know, and I cannot say. I only know that you have entered it, my story. You will feel it in my blood as I feel it. I do not accept that any distance can exist between us. Not any distance in space. Not any distance in culture. Not any distance in time. Not any distance in language. Not in blood. Not in hope. You are me, in this. Who you will be afterward even you do not know. I stand naked in front of you. I can't lie to you for one second. Oh, my thousand eyes, my thousand eyes... from ULTRA

The Book of Daniel Larry Richards 2007-06-17 Be Inspired. Be Informed. Be Prepared. The Book of Daniel is really two books in one as you'll discover in The Smart Guide to the Bible: The Book of Daniel. You'll be inspired by Daniel's integrity in part one. As a young man in Babylonian captivity, Daniel's faith and courage led him to famously interpret the King's dream and to survive being cast in a furnace. And, you'll be amazed by Daniel's God-given prophecies in part two. Many of these events have already taken place or are now unfolding exactly as predicted. This Smart Guide will help you understand-and be prepared for-God's triumphant plan. Be Smart About: Obeying God Priorities Prophecies & Prophets Trusting God Spiritual Warfare God's Sovereignty End-of-the-Age Powers And More! Smart Guides Are for Everyone! The Bible is loaded with valuable insights for every area of your life. The Smart Guides to the Bible let you easily uncover them all-even the

passages you once thought were hard to understand. Whether you're new to the Bible, a long-time student of Scripture or somewhere in between, you'll appreciate the many ways the relevant helps on each page lead you to get the most out of God's Word.

Haus- und Familienbibel ... nach der deutschen Uebersetzung D. Martin Luthers. Beste Prachtausgabe mit sechs und dreissig Kupfern. Zweite Auflage 1831

Africa39 Ellah Wakatama Allfrey 2014-09-25 Africa has produced some of the best writing of the twentieth century from Chinua Achebe, Ayi Kwei Armah, Ngugi wa Thiong'o, and the Nobel Laureates Wole Soyinka, Nadine Gordimer, J.M. Coetzee and Doris Lessing, to more recent talents like Nuruddin Farah, Ben Okri, Aminatta Forna and Brian Chikwava. Who will be the next generation? Following the successful launch of Bogotá39, which identified many of the most interesting upcoming Latin American talents, including Daniel Alarcon, Junot Diaz (Pulitzer Prize), Santiago Roncagliolo (Independent Foreign Fiction Prize) and Juan Gabriel Vásquez (short-listed for the IFFP), and Beirut39 which published Randa Jarrar, Rabee Jaber, Joumana Haddad, Abdellah Taia and Samar Yazbek, Africa39 will bring to worldwide attention the best work from Africa and its diaspora. The judges will select from up to 200 submissions researched by Binyavanga Wainaina, the founding editor of the acclaimed Nairobi-based literary magazine Kwani?, and the writers' names will be unveiled in Port Harcourt and at the London Book Fair in April 2014. Africa39 will be published in English throughout the world by Bloomsbury. Africa39 is a Hay Festival and Rainbow Book Club project which aims to select and celebrate 39 of the best young African writers from south of the Sahara. It will be launched at the PH Book Festival in UNESCO's World Book Capital, Port Harcourt, Nigeria, in October 2014. The three judges are: Margaret Busby (UK - publisher, broadcaster and reviewer, chair of the Commonwealth Prize and editor of the anthology Daughters of Africa) Elechi Amadi (Nigeria - author of plays, memoir and novels, including The Slave, Estrangement and The Woman of Calabar) Osonye Tess Onwueme (Nigeria/USA - playwright, poet and scholar, whose works include Riot in Heaven and What Mama Said)

In Convent Walls: the Story of the Despensers Emily Sarah Holt 1888

The Olive Grove Deborah Rohan 2012-01-16 The Moghrabis have lived in Palestine for centuries. Near the end of the First World War, Ottoman soldier Kamal Moghrabi is imprisoned by his Turkish masters. Reunited with his family after being freed by British soldiers, he marries his childhood friend Haniya. But their happiness is short-lived as their homeland is ravaged by violence between the local Arab population and Jewish immigrants fleeing Europe. Any hope of an independent Palestine is shattered and the Moghrabis are forced to flee their home with its cherished olive groves. Based on a true story, this family saga is a universal depiction of Palestinian life and culture with a warm and engaging love story at its heart. 'Beautifully written ... insights behind the Palestinian conflict are gained in reading this heart-wrenching yet endearing tale of one family's journey.' -- Polly Bacca, former special assistant to President Bill Clinton

Moments in Time Paul T Kidd 2014-05-03 *Moments in Time*, a novel about time and that which is timeless and that which is not, tells the story of Benjamin Woodward, an engineer, an icon of the modern world, who, believing that he creates order out of disorder, and that, the risks can be managed, discovers, to his cost, that neither is true. Accidentally discovering a portal that leads from the early 21st century to 1750, he finds himself in a Britain on the cusp of the industrial revolution, and the dawning of the age of the industrial engineer. With growing but misplaced confidence, he sets about living life in two ages separated by over 250 years, but he encounters a mysterious voice that persistently warns him about the folly of his actions, but which he constantly ignores; as he does also the self-evident unexpected consequences of his actions. Gradually however, the universe begins to teach Benjamin important lessons, which allows him in the end, after he has destroyed everything that he values in both eras, to understand that he should have taken note of what the voice was telling him. And upon reaching the edge of doom, Benjamin realises what he needs to do to save himself, from himself. *Moments in Time* is a tale that comments upon the damaging values and beliefs of scientists, engineers and technologists, who, with their

collective delusions, Darwinist perspectives, fragmented minds, vested interests, and their reductionist and mechanistic world-view, bear a significant responsibility for creating the madness of the modern world; insanities that threaten to condemn future generations to a bleak existence. The clear significance of the book is that it shows that it is possible to walk a different path if people are prepared to think and behave differently; a very timely message indeed.

In Convent Walls Emily Sarah Holt 2021-01-19

Hope Over Fate Scott MacMillan 2022-08-01 Nicholas Kristof of The New York Times called him "one of the unsung heroes of modern times." Fazle Hasan Abed was a mild-mannered accountant who may be the most influential man most people have never even heard of. As the founder of BRAC, his work had a profound impact on the lives of millions. A former finance executive with almost no experience in relief aid, he founded BRAC, originally the Bangladesh Rehabilitation Assistance Committee, in 1972, aiming to help a few thousand war refugees. A half century later, BRAC is by many measures the largest nongovernmental organization in the world—and by many accounts, the most effective anti-poverty program ever. BRAC seems to stand apart from countless failed development ventures. Its scale is massive, with 100,000 employees reaching more than 100 million people in Asia and Africa. In Bangladesh, where it began, Abed's work gave rise to "some of the biggest gains in the basic condition of people's lives ever seen anywhere," according to The Economist. His methods changed the way global policymakers think about poverty. By the time of his death at eighty-three in December 2019, he was revered in international development circles. Yet among the wider public he remained largely unknown. His story has never been told—until now. Abed avoided the limelight. He thought his own story was of little consequence compared to the millions of women who rose from poverty with BRAC's help, bending the arc of history through their own tenacity and grit. The challenges he faced often seemed insurmountable. Abed's personal life was a tapestry of love and grief—a lover's suicide, a wife who died in his arms. He was a taciturn man with a short temper that erupted on rare occasions. Many of his ventures failed,

but Abed persevered. This book is also the biography of an idea—the idea that hope itself has the power to overcome poverty. “For too long, people thought poverty was something ordained by a higher power, as immutable as the sun and the moon,” Abed wrote in 2018. His life’s mission was to put that myth to rest. This is the story of a man who lived a life of complexity, blemishes and all, driven by the conviction that in the dominion of human lives, hope will ultimately triumph over fate.

The Capablanca Variation Douglas Quinn 2010-10 When Jennifer Ellis’ twin brother, Theo, is arrested and held in a federal prison for his purported involvement with an eco-terrorist group, she is offered the opportunity to complete a mission for the U. S. Government with Theo Ellis’ release as the quid pro quo. The mission? Put herself in harm’s way to lure out the second most wanted terrorist in the world, the man who masterminded the Madrid commuter train bombings, Tariq ibn Ziyad. When the mission goes wrong, Jennie becomes the sacrificial lamb. Enter, her friends from *The Spanish Game*, Remei Savall and Blair Fontaine, who take on both the Moroccan Brotherhood and Slaughterhouse Five, the CIA covert ops team who was supposed to protect Jennie.

Lives beyond Borders Ina C. Seethaler 2021-11-01 Examines how contemporary US migrant women's life writing adapts autobiographical genres to call for social change benefiting minoritized communities.

The Hijack Duncan Falconer 2010-09-02 Two hundred miles south of the Devon coastline, Palestinian freedom fighter Abed Abu Omar and twenty men prepare for their most daring mission yet - the hijack of a supertanker, a five-storey superstructure laden with oil. Meanwhile, in an Elizabethan country house, SBS operative Stratton has been seconded to bodyguard work and is bored by the lack of challenge. Not for long. With the helter-skelter pace that defined Duncan Falconer's brilliant debut *THE HOSTAGE*, Stratton has been whisked away by helicopter to assist in a daring rescue. *THE HIJACK* ranges from London to the Gaza Strip, from Riga in Latvia to Jerusalem. With a rich cast of characters from Russian secret service operatives to Al Qaeda terrorists and the Israeli military, the authentic detail and heartstopping narrative will

propel Duncan Falconer to the highest class of adventure writers.

Six Seasons and a Movie Chris Barsanti 2023-10-01 Audacious, weird, and icily ironic, *Community* was a kind of geek alt-comedy portal, packed with science fiction references, in-jokes that quickly metastasized into their own alternate universe, dark conspiracy-tinged humor, and a sharp yet loving deconstructions of the sitcom genre. At the same time, it also turned into a thoughtful and heartfelt rumination on loneliness, identity, and purpose. The story of *Community* is the story of the evolution of American comedy. Its creator, Dan Harmon, was an improv comic with a hyperbolically rapid-fire and angrily geeky style. After getting his shot with *Community*, Harmon poured everything he had into a visionary series about a group of mismatched friends finding solace in their community-college study group. *Six Seasons and a Movie: How Community Broke Television* is an episode-by-episode deep-dive that excavates a central cultural artifact: a six-season show that rewrote the rules for TV sitcoms and presaged the self-aware, metafictional sensibility so common now in the streaming universe. Pop culture experts Chris Barsanti, Jeff Massey, and Brian Cogan explore its influences and the long tail left by its creators and stars, including Donald Glover’s experiments in music (as rapper Childish Gambino) and TV drama (*Atlanta*); producers-directors Anthony and Joseph Russo’s emergence as pillars of the Marvel universe (*Captain America: Civil War* and *Avengers: Infinity War*); and Harmon’s subsequent success with the anarchic sci-fi cartoon *Rick and Morty*. Covering everything from the corporate politics that Harmon and his team endured at NBC to the Easter eggs they embedded in countless episodes, *Community: The Show that Broke Television* is a rich and heartfelt look at a series that broke the mold of TV sitcoms.

Fire & Blood (HBO Tie-in Edition) George R. R. Martin 2022-07-12 #1 NEW YORK TIMES BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO’s *Game of Thrones* prequel series *House of the Dragon* “The thrill of *Fire & Blood* is the thrill of all Martin’s fantasy work: familiar myths debunked, the whole trope table flipped.”—Entertainment Weekly

Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. Minutes to Die (Homeland Heroes Book #2) Susan Sleeman

2020-08-04 It's the intel every agent fears--terrorists have been smuggled into the country, intent on unleashing the most deadly attack since 9/11. With the threat imminent, FBI Agent Kiley Dawson and ICE Agent Evan Bowers are charged with taking down this terrorist cell. The only problem is Kiley blames Evan for the death of her former partner,

and she can barely be in a room with him. But with millions of lives on the line, she has no choice. If it wasn't for a bad call Evan made, Kiley's former partner would still be alive, and Evan has to live with that guilt for the rest of his life. When he starts falling for her, the agent's death seems an impossible obstacle--but it's also the last thing he needs to think about. As the terrorist plot targets Kiley's family, the two are pushed to the breaking point in a race to save countless lives.

The Throwback Tom Sharpe 2011-05-26 When Lockhart Flawse is catapulted out of his upper-class and rapunzel-esque life with the curmudgeonly Flawse Senior, he must enter the world of suburbia, and marriage. Rendered an absolute twit in modern society by his medieval upbringing, Lockhart must resort to drastic tactics in his attempt to return to Flawse House. Faced with the horrors of suburbia, he must either terrorise, blackmail and potentially kill an entire street of his tenants, or attempt to find his unknown and elusive father in order to inherit the estate. However, with the belief that he was dropped into his mother's arms by a stork, killing a street of people may be the wiser option for the socially inept young man. He is also under mounting pressure, as it may all be in vain if his gold-digging mother-in-law has her way. Now the wife of Flawse Senior, she has decided that if Lockhart's wealthy grandfather can't have the decency to die on his own, she will take matters into her own hands.

Conversations with Abed Hani Soubra 2012-08-06 Sam and Abed are a summary of situations we had encountered in our daily lives. These situations are either personal - relating to the anxieties, frustrations, romance, love, and heroism of the individual - or social, which relate to society and the empty taboos and meaningless slogans around us.

Sugar Daddy's Lover Rosemarie Owino 1975

Aftermath Nir Rosen 2010-10-26 Examines the effects of the Iraq War on the Middle East as a whole, looking at refugees displaced by the violence; the radicalization of the Sunni Muslims of Egypt, Jordan and elsewhere; and more. By the author of In the Belly of the Green Bird.

Brothers Khan Dr Mohsen El-Guindy 2017-07-31 In olden time, in the land of Punjab, lived a widowed wealthy man by the name of Misra in his

vast farm with his three daughters Mahudri, Ashwaria and Sonam. The farm was run by a loyal farmer called Abed Khan. Abed lived with his wife and his three sons Sharu, Salman and Fawad in a nearby village. They all lived in a small mud-brick cottage. Each season after harvest Abed drove the wagons to the market to sell the crops. In one of these trips to the market, the bandit Agni and his brother Ramesh with their gang attacked the convoy and killed Abed and the farmers driving the other wagons. Abed's sons swore to avenge their father's death. The three brothers replaced their father and took care of the farm. They fell in love with Misra's daughters. Brothers Khan asked Misra for his daughters hand in marriage but he refused claiming that they were poor and his daughters must marry rich men of their high status. Mahudri the big sister was coerced to marry a sadist drunkard who belonged to a big family in the region. He tortured her physically and mentally and ruined her life. The two other sisters rejected arranged marriage and opposed their father because they loved Sharu's brothers. Fearing his daughters might run away with their lovers and marry men of lower status, Misra kicked the brothers out of the farm. The brothers left the farm and lived in their clay hut in their village. Agni the bandit and his brother Ramesh raided the farm. The farm was burned to the ground. Farmers were killed and women abducted and raped. Mahudri's vicious husband was killed during the rade. Misra's two daughters Sonam and Ashwaria were abducted by Agni and Ramesh. The girls were taken to the bandits' hideout home where they were beaten and raped. Misra ran to brothers Khan asking for help. They came to his rescue. They saved the two girls and returned them safe home. They rebuilt the ruined farm, then launched a terrible war against the bandits, killed Agni and Ramesh, and restored peace. The brothers Khan married the three girls and all lived happily ever after.

[George R. R. Martin's A Game of Thrones 5-Book Boxed Set \(Song of Ice and Fire Series\)](#) George R. R. Martin 2012-09-10 For the first time, all five novels in the epic fantasy series that inspired HBO's Game of Thrones are together in one eBook bundle. An immersive entertainment experience unlike any other, A Song of Ice and Fire has earned George R.

R. Martin—dubbed “the American Tolkien” by Time magazine—international acclaim and millions of loyal readers. Now this bundle collects the entire monumental cycle in the most convenient format available: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS A DANCE WITH DRAGONS “One of the best series in the history of fantasy.”—Los Angeles Times Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—The New York Times

We Chose to Speak of War and Strife John Simpson 2016-10-06 In corners of the globe where fault-lines seethe into bloodshed and civil

war, foreign correspondents have, for hundreds of years, been engaged in uncovering the latest news and – despite obstacles bureaucratic, political, violent – reporting it by whatever means available. It's a working life that is difficult, exciting and undeniably glamorous. We Chose to Speak of War and Strife brings us pivotal moments in our history – from the Crimean War to Vietnam; the siege of Sarajevo to the fall of Baghdad – through the eyes of those who risked life and limb to witness them first hand, and the astonishing tales of what it took to report them. These stories celebrate an endangered tradition. Where once despatches were trusted to the hands of a willing sea-captain, telegraph operator or stranger in an airport queue prepared to spirit a can of undeveloped film back to London, today the digital realm has transformed the relaying of the news – even if the work of gathering it in the field has changed little. Weaving the tales of the greats of yesterday and today, such as Martha Gellhorn, Ernest Hemingway, Don McCullin and Marie Colvin, with extraordinary accounts from his own lifetime on the frontlines, this is a deeply personal book from a master of the profession, the most distinguished foreign correspondent of our time.

The Search Shaheen Akhtar 2012-06-25 A quarter-century after the war that was meant to bring liberation to Bangladesh, Mukti, a young researcher, comes into Mariam's life, armed with a set of questions that have no easy answers. How did Mariam, and women like her – Biranganas, the raped women, touted as the new nation's 'honour' but treated quite otherwise by their families and society – survive the war? Why did Mariam send her young brother away but stay on herself in Dhaka as the city became increasingly unsafe? How did the Pakistani army deal with the women they found in homes, in offices, in colleges? Did the Muktiyoddhas, the freedom fighters, protect 'their' women? For Mariam, these questions are almost irrelevant. Instead, she is haunted by different demons: she tried so hard to save Montu, yet the war swallowed him up even before he could fully understand its meaning. How did this happen? What happened to the men in her life: Jashimul Haque, Abed Jahangir, Ishtiaque I and II – where did they all go? What does freedom and independence mean? Is there any place for her and women like her

in the new nation? Shaheen Akhtar's mesmerizing and moving novel, set against the background of the Bangladesh war of independence, skilfully explores the violence done to women, their courage and heartbreak, their search for love and their betrayal. Akhtar's is one of the younger voices to explore this hitherto hidden dimension of the history of Bangladesh. The Search (Taalash) was awarded the Prothom Alo Literary Prize in Bangladesh in 2004. Published by Zubaan.

Brothers Khan Mohsen El-Guindy 2020-12-17 In olden time, in the land of Punjab, lived a widowed wealthy man by the name of Misra in his vast farm with his three daughters Mahudri, Ashwaria and Sonam. The farm was run by a loyal farmer called Abed Khan. Abed lived with his wife and his three sons Sharu, Salman and Fawad in a nearby village. They all lived in a small mud-brick cottage. The girls were taken to the bandits' hideout home where they were beaten and raped. Misra ran to brothers Khan asking for help. They came to his rescue. They saved the two girls and returned

them safe home. They rebuilt the ruined farm, then launched a terrible war against the bandits, killed Agni and Ramesh, and restored peace. The brothers Khan married the three girls and all lived happily ever after.

The Neo-Mandaic Dialect of Khorramshahr Charles Häberl 2009 Neo-Mandaic is the only surviving dialect of Aramaic to be recognized as a direct descendant of any of the classical dialects of Late Antiquity. The Mandaean who speak it are adherents of a pre-Islamic Gnostic sect, the only such sect to survive to the present day. As such, Mandaic may be considered as both a living language of the modern Middle East and also the vehicle of one of the great religious traditions of that region, along with Hebrew, Arabic, and Persian. Unfortunately, Neo-Mandaic is severely endangered, and all signs indicate that the current generation of speakers is likely to be the last. As a description of an endangered language, this work addresses one of the chief concerns of linguists in the 21st century, namely the impending loss of the majority of the world's languages and the immense threat to both linguistic and cultural diversity that it represents. This grammar is the first account of a previously undocumented dialect of Neo-Mandaic, and most thorough description of any Neo-Mandaic dialect. In addition to a description of its phonology, inflectional paradigms, and morphosyntax, it includes a collection of ten texts, transcribed and translated, as well as a concise lexicon of the vocabulary found within these texts.

In Your Eyes a Sandstorm Arthur Neslen 2011-10-17 Who are the Palestinians? In this compelling book of interviews, Arthur Neslen reaches beyond journalistic clichés to let a wide variety of Palestinians answer the question for themselves. Beginning in the present with Bisan and Abud, two traumatized children from Jenin's refugee camp, the book's narrative arcs backwards through the generations to come full circle with two elderly refugees from villages that the children were named after. Along the way, Neslen recounts a history of land, resistance, exile, and trauma that begins to explain Abud's wish to become a martyr and Bisan's dream of a Palestine empty of Jews. Senior Fatah and Hamas figures relate key events of the Palestinian

experience—the Second Intifada, Oslo Process, First Intifada, Thawra, 1967 War, the Naqba, and the Great Arab Revolt of 1936—in their own words. The extraordinary voices of women, children, farmers, fighters, drug dealers, policeman, doctors, and others, spanning the political divide from Salafi Jihadists to Israeli soldiers, bring the Palestinian story to life even as their words sow seeds of hope in the scorched Palestinian earth.

The Last Journals of David Livingstone in Central Africa, from 1865 to His Death David Livingstone 1874

The Winter King M. H. Woodscourt 2021-02-06 Magic is waking. War has begun. Down with the king. Fifteen months ago, Gwyn discovered he's the rightful king of Simaerin, last of the ancient line of Wintervale. Now he leads an army against the tyrannical Crow King. But first, Gwyn and his ragged army of tradesmen, peasants, and escaped slaves must brave the cruel winter months without proper supplies or shelter while trying to rescue the residents of a port city sentenced to death and avoid the menacing mercenary forces of Hesh-Kasal. On top of that, Gwyn has to balance politics among his generals, defend against a dragon assault, and seize a keep filled with vile magic and a terrible history. Confronted with true loyalty and bitter betrayal in turns, Gwyn wrestles against his own doubts to find the line between trust and wisdom. As the death toll rises, and Gwyn struggles with the horrors and sacrifices of war, he comes to understand why the Crow King has fallen, and now Gwyn must face the same path and the same choice.
