Join author Wayne Stiles as he walks in the steps of Jesus: through Bethlehem, Samaria, Jerusalem, Nazareth, Galilee, and beyond. Entering the Holy Land through the settings, sights, and sounds of Stiles's engaging travelogue, readers will not only discover more about these sacred places, but also learn practical lessons that will find their way into their hearts. And ultimately, prepare them for their own encounter with Christ.

The Big Deal of Taking Small Steps to Move Closer to God Vashti McKenzie 2017-05-16 THE BIG DEAL... shows how to develop a stronger relationship with God and more effective spiritual lifestyle by taking small steps that lead to big changes. Been running for Jesus a long time (I'm not tired yet) Been singing for Jesus a long time (I'm not tired yet) Been running by day and praying by night (I'm not tired yet) I've gotta get going, it's a mighty hard fight (No...I'm not tired yet) I've been serving God a long time (I'm not tired yet) I've been living for God a long time (I'm not tired yet) I've been praying to the Lord a long time (I'm not tired yet) It's an uphill journey but all I've got to say is (I'm not tired yet) The old spiritual song lifts you, but you are tired. Or maybe you're bored. You're still going to church. You're still praying. You're still serving. You're still giving. Deep within you, faith remains. But you feel a longing. You're not seeking fireworks. You're not a pew-sitter, safe in some spiritual comfort zone, looking for a thrill from the Lord. Your trust in God is secure. But you feel a longing for something more, deeper, fresher. If you've ignored these innermost feelings thinking they're no big deal, this basic yet dynamic program that Bishop Vashti McKenzie has implemented in more than two hundred churches with astounding results is for you. Individuals who have had many years of Christian life discovered a renewed sense of calling and purpose. Even new believers were invigorated in their faith-building process. Bishop McKenzie prescribes very small changes—such as adding a mere thirty seconds of prayer daily—that lead to radical closeness to God. And building an enjoyable, meaningful relationship with the Almighty doesn't mean striving for perfection. Small steps—but meaningful steps—collectively evolve into intimacy with God. And the big deal result is greater ability to biblically address life challenges. The big deal is that you're even more available to serve family, church, and community: truly in "no ways tired." Increasing spirituality is incremental, not monumental. Mustard-seed-like increases in positive actions (and corresponding decreases in negative ones) yield mountain-moving growth!

To Follow in Jesus' Steps C. Wayne Zunkel 1991

I Will FOLLOW You JESUS Bob Benoit 2020-02-14 What exactly does it mean to follow Jesus today? This study will involve reading all of the scriptures where Jesus, and the words "follow" or "come to Me" appear in the gospels. How many times does the word "follow" appear? I count eighty-three, excluding repeats in the gospels. These are the first fifty. Each lesson herein is a paragraph or two of scripture. They're organized in chronological order, in context, and followed by six questions. The

scripture and questions remind us to know, love and follow Jesus Christ a little bit better than before. Included is a One Minute Facilitation Guide to help homegroup and bible study leaders host interactive meetings. Appendix A near the back has some Sample Answers. And Appendix B has The Gospel Message. Ready to get to know and understand what it means to follow Jesus according to the Master Himself? Let's pray that He opens the eyes of our understanding, our hearts and minds, to hear the Word of God, and do it! Let's put the Word of God on our hearts, so that if anyone asks us what it means to follow Jesus, out of our heart will flow rivers of living water. The follow up to this study is called, I will FOLLOW You JESUS (Part 2). It's a continuation of all the "follow" scriptures. Many passages are the private conversations between Jesus Christ and His disciples. Christ reveals so much about Himself in this time, and what it means to be a true follower (disciple) of Jesus Christ. For all you songwriters interested in worship song content, consider the songwriter version of this booklet I will FOLLOW You JESUS (Songwriters' Edition). The scriptures are the same ones that are in this book, but are followed by different questions and some helpful hints to inspire the writing of upwardly focused worship songs. For those interested in a rich and deep understanding of the gospel message, consider the bible study called PREACH the GOSPEL of JESUS CHRIST. Thank you for following Jesus!

Following the Master Michael J. Wilkins 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years, clergy, and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ. What should a disciple of Jesus look and act like today? What is the relationship between discipleship and salvation, between discipleship and sanctification, between discipleship and ministry? How were disciples of Jesus different from other disciples in the ancient world? How did the early church carry out Jesus' agenda in "making disciples of all the nations"? In *Following the Master*, Michael J. Wilkins addresses these and many other questions that perplex the church today— not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship. *Following the Master* compares other forms of master-disciple relationships in existence in the ancient Judaism and Greco-Roman world, traces Jesus' steps as he called and developed disciples, and Mediterranean world as it followed Jesus' command to make disciples. *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church, on the mission field, and in parachurch ministries. It is essential reading for all pastors, students, and Christian workers.

Steps To Jesus Ellen G White 2020-05-03 *Steps to Jesus* is an adaptation of Ellen G. White's most popular book *Steps to Christ*. The original book has been translated into more than 160 languages and is been read by millions of people throughout the world. This adaptation enables the book's uplifting message to reach a wider audience, particularly the youth. It retains the author's thoughts but it restates 19th-century expressions in today's language, simplifies the vocabulary, and shortens long sentences, following carefully established guidelines. With only a few exceptions, Scripture passages from the Today's English Version of the Bible have replaced text from the King James Version. Bible texts credited to RSV are from the Revised Standard Version and passages marked TLB are taken from *The Living Bible*. Although this adaptation of *Steps to Christ* is now available, the original book remains the standard work. It is our prayer that *Steps to Jesus* will bring a blessing to readers throughout the world. May its message lead many to accept Jesus and to follow Him always as Lord and Saviour.

You Can Change Tim Chester 2010-03-04 It's about heart change, not behavior change. That's the conviction of Tim Chester as he seeks to help everyday Christians "connect the truth about God with our Monday-morning struggles." This interactive book, laid out in workbook fashion, is for newer Christians struggling with sin and for more mature Christians who have plateaued in their faith as they seek to find victory over sin in their lives. With a conviction that sanctification is God's work and the journey to holiness is joyful, Chester guides readers through a "change project"-beginning with the selection of one area of life they would like to modify. Each chapter includes a question (e.g., Why would you like to change? What truths do you need to turn to?) to guide readers as they deal with a specific sin or struggle, truths from God's word, and a reflection guide to help readers through their change project.

To Follow Jesus James Morgan 2009-10-22 Whether you have recently made a decision to follow Jesus, or just want to know what Christian discipleship is all about; this study will help you to understand what it means to commit your life to Jesus and how to develop a committed relationship with Him.

The Way to Follow the Way Don Little 2012-08-02 When Jesus wasn't ministering to people, He was teaching the disciples how to do what He did. "The Way to Follow the Way" is a step by step instruction manual in learning to follow Jesus who is the Way, using the same methods He used to teach His disciples. • Why do people struggle with their old sinful nature? • What actually changes when you're born again? • How do you receive everything you need for life and godliness? • What were the final instructions of Jesus? These questions and many more will be answered with clear, concise and detailed information. It begins with why we believe in the God of creation, quickly explains the knowledge explosion Daniel prophesied would happen in the last days, then proceeds to the first steps a Christian takes and continues all the way through with how to make more disciples the same way Jesus did. After Jesus ascended back to Heaven and the disciples started to spread the Gospel, they went about praising God and enjoying the goodwill of all the people. And each day the Lord added to their fellowship those who were being saved. Wouldn't you like to have the ability to positively influence the people where you live? www.omega-ministries.com

How to Follow Jesus Craig Springer 2020-02-18 Millions of people want to follow Jesus, but don't know how. Upon becoming Christians, new believers often end up paralyzed. They become overwhelmed trying to master complicated doctrines, frustrated by a large list of rules for policing their lives, and bewildered by a new (and strange) vocabulary. Even worse, there are few books offering simple and clear advice to guide a Christian's first spiritual steps that are written in common, contemporary language. Until now. In *How to Follow Jesus*, Craig Springer, executive director of Alpha USA, one of America's most effective evangelism movements, explodes numerous myths surrounding the Christian faith that create unnecessary obstacles to growth, including: illustrating that sin and temptation are not the greatest threat to a flourishing faith, forgiveness means going through rather than around our feelings, and how disappointment in the church may be the essential step in growing a foundation for life-changing community. Sharing personal stories from his own journey to a mature faith, Springer

sets readers at ease and offers them practical, easy-to-implement advice for following Jesus. Destined to become a timeless classic, *How to Follow Jesus* is a must read for new and returning Christians.

Upward, Inward, Outward Daniel Fusco 2017-10-10 This book is about discovering together how to understand and live the Greatest Commandment. We're not after the "art of thinking about God a little differently." We're here to uncover the needs God created within us—needs for meaning, intimacy, honesty, humility, justice, compassion, and more—and how he designed us to find those needs fulfilled in him. This is the art of living Jesus' spirituality. God gives us the key in the Greatest Commandment, but we've got to do this stuff in the right order. Imagine I invite you to my sweet cabin by the lake. To start hanging out in that cabin, you need to get the key from me, pack your car, follow the GPS, and so on. There's a natural order to it. It's the same with the Greatest Commandment. We begin upward, with loving God. The God. God of the Old Testament, God of the New Testament. God the Trinity—Father, Son, Holy Spirit. We continue inward, with understanding our true identities in Jesus. And when we get those things right, God's Spirit sends us outward, on mission into the world. These three movements—upward, inward, and outward—mirror the Greatest Commandment and help us learn the art of living harmoniously together in a chaotic world.

In His Steps Charles Sheldon 2013-05-17 In His Steps is the dramatic story of a pastor and a small group of Christians who determined in their hearts to react in every situation as they thought Jesus would. Set against the hypocrisy and social upheavals of the 1890s, it provides delightful color and style, and depicts the same sordid plight of churches and Christians today. Founded upon God's Word, its focus is the verse in 1 Peter: "For even hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow his steps." Because of a sudden and upsetting incident which disrupted the Sunday morning worship service of a small congregation, the world has been set aglow for Christ. Souls have been challenged to find the perfect will of God for their lives, to follow the steps of the Saviour wherever they should lead and despite persecution or crucifixion that might follow--just to know the joy of walking In His Steps.

The Man Christ Jesus Bruce A. Ware 2012-11-30 Liberal attacks on the doctrine of the divinity of Christ have led evangelicals to rightly affirm the centrality of Jesus's divine nature for his person and work. At times, however, this defense of orthodoxy has led some to neglect Christ's full humanity. To counteract this oversight, theologian Bruce Ware takes readers back to the biblical text, where we meet a profoundly human Jesus who struggled with many of the same difficulties and limitations we face today. Like us, he grew in faith and wisdom, tested by every temptation common to man. And like us, he too received power for godliness through the Holy Spirit, and thus serves not only as the divine Lord to be worshiped, but also the supreme Human to be followed.
