Welcome to Orphans Asylum by Mike Krecioch. The author has experienced orphanage life and now has written his story. How the author and his two siblings wind up in a large orphanagewhile both parents are aliveis the central issue of the story. You will be transported back to the early 1950s to experience the orphanage life with all its smells, sounds, and tastes. What was it truly like to live within the confines of an orphanage with all the daily routines? This is a story about another time and place, told with grace and honesty. Saint

Hedwig Orphanage (1911-1961), located in Niles, Illinois, at Harlem and Touhy avenues, was more than an orphanage to more than seven thousand children. It was a family of predominantly Polish children. Some were true orphans; others were children of broken homes. Under the direction of Monsignor Francis S. Rusch (1884-1959), the task of parenting and educating the children was entrusted to the Felician Sisters. The site of Saint Hedwig Orphanage, is now comprised of modern multifamily condominiums. But to those who attended Saint Hedwig, their time there will never be forgotten. All the children who called Saint Hedwig their home from 1911 to 1961 will always be remembered. Saint Hedwig alumni and their families continue to keep in touch through a newsletter entitled The Hedwigian II, which is published three times a year. When Saint Hedwig Orphanage was established, it consisted of one building. On July 12, 1911, sixty-three Polish children were transferred from Saint Josephs Orphanage to Saint Hedwig. Further construction took place, and ultimately, Saint Hedwig consisted of ten buildings on more than forty acres of land. These buildings remained the orphanage home up until 1961, when the buildings were renovated to become the junior college department of University of Saint Mary of the Lake Seminary. In 1968, the school became a four-year college and was

renamed Niles College of Loyola University. The Archdiocese of Chicago ultimately sold the site to developers, who razed the orphanage buildings and constructed multifamily condominiums. For those who would like to find out what orphanage life was like during those times, you must read *Orphans Asylum*.

**The Emigrants** W. G. Sebald 2016-11-08 A masterwork of W. G. Sebald, now with a gorgeous new cover by the famed designer Peter Mendelsund The four long narratives in *The Emigrants* appear at first to be the straightforward biographies of four Germans in exile. Sebald reconstructs the lives of a painter, a doctor, an elementary-school teacher, and Great Uncle Ambrose. Following (literally) in their footsteps, the narrator retraces routes of exile which lead from Lithuania to London, from Munich to Manchester, from the South German provinces to Switzerland, France, New York, Constantinople, and Jerusalem. Along with memories, documents, and diaries of the Holocaust, he collects photographs—the enigmatic snapshots which stud *The Emigrants* and bring to mind family photo albums. Sebald combines precise documentary with fictional motifs, and as he puts the question to realism, the four stories merge into one unfathomable requiem.

*Niles* Thomas E. Ferraro 2012 Explore the fascinating history of Niles, Illinois with more than 200 vintage photographs and anecdotes from the locals who experienced it. The village of Niles began during the Black Hawk War of 1832 as the pioneer settlement of Dutchman's Point on the North Branch of the Chicago River. Incorporated in 1899, the new village's thriving business district was established along Milwaukee Avenue. During Prohibition, Niles was the gateway to rural bohemia, the roadhouse district of suburban speakeasies and resorts north of Chicago. Niles's Tam O'Shanter Country Club, arguably the birthplace of modern professional golf, rose to international prominence during the Great Depression and continued to host the sport's most exclusive tournaments long after World War II. Behind the village's colorful past, another Niles existed, grounded by strong agrarian values and a deep sense of community pride--the truck farms of Maine and Niles Townships. These gentleman farmers and their families formed the backbone of local culture, and their influence is still felt today.
