*St. Ignace Car Culture* Edward K. Reavie 2010 St. Ignace hosted its first car show in 1976 as part of the bicentennial celebration. Over the years, the annual gathering has grown into one of the largest collector-vehicle events in the country. This lakeside community overlooking the mighty Mackinac Bridge and historic Mackinac Island boasts a spectacular waterfront--the perfect backdrop for a stunning array of eye-catching vehicles. In the early years, media referred to this show as "dessert." As the numbers of participants and attendees grew, it became known as the "main course." For teenagers growing up in the 1950s it was all new--cruisin', drive-ins, drag strips, the country's intense love affair with the automobile, and the birth of rock 'n roll. Over 34 years, the St. Ignace Car Show has brought hundreds of automotive legends to town, and car-show traffic set crossing records on the Mackinac Bridge that are unlikely ever to be broken. So fire up the hot rod and cruise back to a simpler time . . . all these cars and still no traffic light!

**The Automobile in American History and Culture** Michael L. Berger 2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social, economic, and political history. Covering the complete history of the automobile to date, twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts. This work includes general histories of the automobile, the industry it spawned and labor-management relations, as well as biographies of famous automotive personalities. Focusing on books concerned with various social aspects, chapters discuss such issues as the car's influence on family life, youth, women, the elderly, minorities, literature, and leisure and recreation. Berger has also included works that investigate the government's role in aiding and regulating the automobile, with sections on roads and highways, safety, and pollution. The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections. The Automobile in American History and Culture provides a resource with which to examine the entire field and its structure. Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference. Cross-referenced throughout, it will serve as a valuable research tool.

**Electric Railways** Michael C. Duffy 2003-02-11 Electric Railways 1880-1990 explores the history of the integration of both electric and diesel-electric railway systems and identifies the crucial role that diesel-electric traction played in the development of wireless electrification. The evolution of electrical technology and the modern railway produced innovations in engineering that were integral to the development of traction, power and signalling systems. This book presents a thorough survey of electric railway development from the earliest days of the London Underground to modern electrified main line trains. The distinction between 'enforced electrification' and 'economic electrification' is also discussed and the pioneering role of J.J. Heilmann assessed.

**The Big Book of Car Culture** Jim Hinckley 2005 With the powerful, rhythmic sounds of Aboriginal English and Kokatha language woven through the narrative, Mazin Grace is the inspirational story of a feisty girl who refuses to be told who she is, determined to uncover the truth for herself. Growing up on the Mission isn't easy for clever Grace Oldman. When her classmates tease her for not having a father, she doesn't know what to say. Pappa Neddy says her dad is the Lord God in Heaven, but that doesn't help when the Mission kids call her a bastard. As Grace slowly pieces together clues that might lead to answers, she struggles to find a place in a community that rejects her for reasons she doesn't understand. In this novel, author Dylan Coleman fictionalizes her mother's childhood at the Koonibba Lutheran Mission in South Australia in the 1940s and 1950s.
