**No Shortcut to Success** Matt Rhodes  
2021-12-28 Avoid "Get-Rich-Quick" Missions  
Strategies and Invest in Effective, Long-Term  
Ministry Trendy new missions strategies are a  
dime a dozen, promising missionaries

monumental results in record time. These  
strategies report explosive movements of people  
turning to Christ, but their claims are often  
dubious and they do little to ensure the health of  
believers or churches that remain. How can  
churches and missionaries address the urgent

need to reach unreached people without falling for quick fixes? In *No Shortcut to Success*, author and missionary Matt Rhodes implores Christians to stop chasing silver-bullet strategies and short-term missions, and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship—the same ones used by historic figures such as William Carey and Adoniram Judson. These great missionaries didn't rush evangelism; they spent time studying Scripture, mastering foreign languages, and building long-term relationships. Rhodes explains that modern missionaries' emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help. He also warns against underestimating the value of individual skill and effort—under the guise of “getting out of the Lord's way”—and empowers Christians with practical, biblical steps to proactively engage unreached groups.

**In Trouble and in Joy** Sharon James  
2003-01-01 Margaret Baxter (1639-1681) was a rebellious, glamorous teenager, who married a Puritan minister twice her age. Although prone to anxiety and fear, she was devoted to evangelism and had a deep compassion for the poor. Sarah Edwards (1710-1758) had an extraordinary sense of the love of God. Her recorded spiritual experience during a time of revival is one of the profoundest known. Anne Steele (1717-1778) refused several offers of marriage. She had a consistent gratitude for God's goodness; many of her poems and hymns capture her sense of the presence of God. Anne's life included submission to suffering, which, she believed, brought her closer to God. Frances Ridley Havergal (1836-1879) was one of the best-known Christians in Victorian England through her many hymns, tracts and devotionals. Her hymn, *Take my life and let it be*, is one of the most popular of all time. - Publisher.  
Spurgeon Arnold A. Dallimore 1985 This book

will meet the need of those completely ignorant of Spurgeon and his vast achievements, but will stir also the interest of all who value his unique ministry.

Democratic Religion Gregory A. Wills  
2003-03-13 No American denomination identified itself more closely with the nation's democratic ideal than the Baptists. Most antebellum southern Baptist churches allowed women and slaves to vote on membership matters and preferred populists preachers who addressed their appeals to the common person. Paradoxically no denomination could wield religious authority as zealously as the Baptists. Between 1785 and 1860 they ritually excommunicated forty to fifty thousand church members in Georgia alone. Wills demonstrates how a denomination of freedom-loving individualists came to embrace an exclusivist spirituality--a spirituality that continues to shape Southern Baptist churches in contemporary conflicts between moderates who urge tolerance

and conservatives who require belief in scriptural inerrancy. Wills's analysis advances our understanding of the interaction between democracy and religious authority, and will appeal to scholars of American religion, culture, and history, as well as to Baptist observers.

**A Survey of World Missions** Robin Hadaway  
2020-05-01 Reflecting thorough scholarship and decades of ministry experience, Robin Hadaway's *A Survey of World Missions* examines the biblical, theological, and historical foundations of missions, as well as issues of culture and worldview, contextualization, philosophy, and mission strategy. The book is designed to assist pastors, students, missionaries, and theologians in developing sound theory and praxis for both the international and North American mission field.

Through his use of field illustrations and key questions, Hadaway achieves a conversational tone, making this textbook ideal for use in both academic and lay settings.

My Heart in His Hands Sharon James 1998 In October 1810 a twenty-year-old girl in the quiet New England town of Bradford wrote the following words in her journal: 'If nothing in providence appears to prevent, I must spend my days in a heathen land. I am a creature of God, and he has an undoubted right to do with me, as seems good in his sight...He has my heart in his hands, and when I am called to face danger, to pass through scenes of terror and distress, he can inspire me with fortitude, and enable me to trust in him. Jesus is faithful; his promises are precious. Were it not for these considerations, I should sink down with despair. Ann Hasseltine had received a proposal of marriage from Adoniram Judson, who was shortly to leave for Asia as one of America's first overseas missionaries. And thus commenced one of the

great dramas of church history--a saga of love, courage, suffering and perseverance.

**To the Golden Shore** Courtney Anderson 1987 This book tells how the 'golden shore' bought bitter hardships, imprisonment, and family tragedy.

Living Water Brother Yun 2008-09-23 In The Heavenly Man, you learned the story of how God took a young half-starved boy from Henan Province and enabled him to stand strong on the frontlines for Jesus Christ, braving horrific opposition and impossible odds. Living Water is a collection of Brother Yun's dynamic teachings that evolved from his life experiences of persecution and revival in China. Brother Yun shares how the grace of God sustained him during his darkest hours and how that darkness transformed into the infectious joy and zeal for the Lord that are the hallmark of his ministry today. *A Heart for Missions* Andrew Fuller 2005-05 A prominent characteristic of Pearce's life was a passion for the salvation of his fellow human beings. He was vitally involved in the formation in 1792 of what became the Baptist Missionary Society. Although he offered to go to India with the first missionary team sent by the Baptist Missionary Society, the executive committee decided Pearce could best serve the cause of missions at home in England. From 1794 until his death in 1799, he expended much of his energy going around the country preaching the cause of foreign missions and raising support for the work in India. - Introduction.

**A Supreme Desire to Please Him** E.D. Burns 2016-12-09 Adoniram Judson was not only a historic figurehead in the first wave of foreign missionaries from the United States and a hero in his own day, but his story still wins the admiration of Christians even today. Though numerous biographies have been written to retell his life story in every ensuing generation, until now no single volume has sought to comprehensively synthesize and analyze the features of his theology and spiritual life. His vision of spirituality and religion certainly contained degrees of classic evangelical piety, yet his spirituality was fundamentally rooted in and ruled by a mixture of asceticism and New

Divinity theology. Judson's renowned fortitude emerged out of a peculiar missionary spirituality that was bibliocentric, ascetic, heavenly minded, and Christocentric. The center of Adoniram Judson's spirituality was a heavenly minded, self-denying submission to the sovereign will of God, motivated by an affectionate desire to please Christ through obedience to his final command revealed in the Scriptures. Unveiling the heart of his missionary spirituality, Judson himself asked, "What, then, is the prominent, all-constraining impulse that should urge us to make sacrifices in this cause?" And he answered thus: "A supreme desire to please him is the grand motive that should animate Christians in their missionary efforts."

*The Bonjour Effect* Julie Barlow 2016-04-19  
Jean-Benoît Nadeau and Julie Barlow spent a decade traveling back and forth to Paris as well as living there. Yet one important lesson never seemed to sink in: how to communicate comfortably with the French, even when you speak their language. In *The Bonjour Effect* Jean-Benoît and Julie chronicle the lessons they learned after they returned to France to live, for a year, with

their twin daughters. They offer up all the lessons they learned and explain, in a book as fizzy as a bottle of the finest French champagne, the most important aspect of all: the French don't communicate, they converse. To understand and speak French well, one must understand that French conversation runs on a set of rules that go to the heart of French culture. Why do the French like talking about "the decline of France"? Why does broaching a subject like money end all discussion? Why do the French become so aroused debating the merits and qualities of their own language? Through encounters with school principals, city hall civil servants, gas company employees, old friends and business acquaintances, Julie and Jean-Benoît explain why, culturally and historically, conversation with the French is not about communicating or being nice. It's about being interesting. After reading *The Bonjour Effect*, even readers with a modicum of French language ability will be able to hold their own

the next time they step into a bistro on the Left Bank.

*The Life and Diary of David Brainerd* David Brainerd 2006 "He was one of distinguished natural abilities, as all are sensible who had acquaintance with him. As a minister of the gospel, he was called to unusual services in that work; and his ministry was attended by very remarkable and unusual events ... He had a peculiar opportunity of acquaintance with the false appearances and counterfeits of religion; was the instrument of a most remarkable awakening ...In the following account, the reader

will have an opportunity to see not only what were the external circumstances and remarkable incidents of the life of this person, and how he spent his time from day to day, as to his external behavior; but also what passed in his own heart." --Jonathan Edwards David Brainerd, an early missionary to the American Indians in New York, New Jersey, and eastern Pennsylvania, died in 1747 at the age of twenty-nine at the home of his long-time friend and supporter, the eminent Puritan theologian and preacher Jonathan Edwards. It is thanks to Edwards' careful preservation and thoughtful editing of his friend's Diary and Journal that Brainerd has influenced Christians all over the world for over 250 years. As he labored in what was still the untamed American frontier to bring the Gospel to the Indians, Brainerd faced many challenges, including depression, loneliness, and physical illness. Yet his genuine piety and single-minded devotion to God, both in heart and in practice, form a consistent backdrop to his turbulent

inner world. This compilation offers a rare glimpse into the life of a man compelled by God to share His love with others in the most difficult of circumstances.

Lives of the Three Mrs. Judsons Arabella W. Stuart 2017-03-10 And it seems peculiarly appropriate that woman, who doubtless owes to Christianity most of the domestic consideration and social advantages, which in enlightened countries she regards as her birthright, should be the bearer of these blessings to her less favored sisters in heathen lands. If the Christian religion was a Gospel to the poor, it was no less emphatically so to woman, whom it redeemed

from social inferiority and degradation, the fruit for ages of that transgression which -brought death into the world, and all our wo.- Never until on the morning of the resurrection -she came early unto the sepulchre,- was she made one in Christ Jesus (in whom -there is neither in male nor female-) with him who had hitherto been her superior and her master. Nor does she seem then to have misunderstood her high mission, or to have been wanting to it. The 'sisters' in the infant churches rivalled the brethren in attachment and fidelity to the cause, and to their -ministry- the new religion was indebted in no small degree for its unparalleled success.

**John and Betty Stam** Vance Christie 2008-09-20 While students at Moody Bible Institute, John and Betty Stam felt God's call to the mission field of China, where within a few years they were arrested by hostile Communist soldiers, held for ransom, and then beheaded. Ernest C. Reisinger Geoff Thomas 2002-01-01 Ernest C. Reisinger, builder, pastor and author, has been described as an 'unsung hero of the twentieth-century renaissance in Reformed theology'. This new biography will open a window into the life and character of a remarkable man. Reisinger's early life, his conversion, war service in the U.S. Navy, business success and call to the pastoral ministry are all described. **Adoniram Judson** Jason G. Duesing 2012-10-01 On February 19, 1812, Adoniram Judson, his wife Ann, and a few others set sail for the Far East from their American homeland. The launching of these missionaries by a newly formed outreach society marked the beginning of Americans formally joining the modern missions movement. With the advent of 2012 comes recognition of the bicentennial of Judson's departure and official start of the American

missionary enterprise. This volume seeks to honor the life and mission of Judson while retelling his story for a new generation. With the occasion of the 200-year anniversary of Judson's departure as a fitting context for such a presentation, the historians, theologians, and missiologists writing here under the guidance of editor Jason G. Duesing have endeavored not only to serve as Judson's biographers of past events, but also as his interpreters of what they hope will take place in the present and future. Contributors include Paige Patterson, Michael A. G. Haykin, Robert Caldwell, Nathan A. Finn, Candi Finch, Keith E. Eitel, Gregory A. Wills, and Daniel L. Akin.
