Library Journal 2000

Autographs Beckett Publications (Firm) 1999 Primarily a price guide for sports autographs, but also includes a section on other celebrity autographs.

**All Sport Autograph Guide** Mark Allen Baker 1994 Everything a sports collector needs to know to start collecting autographs of current baseball, basketball, football and hockey personalities. Reveals which autographs are most desirable, how to get them, and where to contact the teams. Includes pricing of many autographs.

**Beckett Autographs Price Guide** Beckett Media 2013-08-01 Beckett's Autograph Price Guide is a must have for any serious autograph collector. With autograph photo examples of almost every Hall of Famer from every major US sport this guide is the most comprehensive photo reference guide on the market for sports autographs.

50 Most Forged Sports Autographs - Autograph Reference Guide

Autograph Reference 2012-12-30 Introduction Every day, uneducated buyers spend good money on non-authentic autographs. Most thinking they are getting a great deal or "nobody else must know about this!" Sadly, most educated buyers do and watch in wonderment why someone would spend hundreds (even thousands) of dollars on a worthless item. This can be seen at local live auctions, online auctions/sales and even retail stores. That is the core reason why we spent the time and effort on creating this guide. Although there are only 50 profiles within this book, we feel it covers a large magnitude of the most common forgeries currently available to buyers. How to Use This Guide The purpose of the guide is to help educate and show buyers, collectors and dealers what to look for when reviewing an autograph and to make a better decision on whether or not to buy. Although this guide is very comprehensive and has an in depth view of what's good and bad, it shouldn't be viewed as the "final authority" for authenticating autographs. An educated buyer is a smart buyer, but we encourage you to use authentication services when purchasing your valuable collectibles. We hope this information will help you avoid bad purchases and make wiser buying decisions. Autograph Examples Each profile will have a variety of different examples on different items such as: Balls, Jerseys, Bats/Sticks, Helmets, Gloves, Flats (Photos, Index Cards, Postcards), etc. Our attempt was to get high resolution examples for both authentic and non-authentic signatures - in some cases that was difficult (mainly forgeries). As for authenticity, we used certified authentic examples and the non-authentic examples are, in our opinion, not authentic. All authentic signatures will have a black border framing the image, the non-authentic will have a grey border.

Beckett Guide Coll Autographs and Comprehensive Price Guide Beckett Media Staff 2008-08-01 For the first time in almost 10 years, Beckett Media, the most trusted source in collecting, produces a definitive guide

to collecting and pricing sports autographs. Not only will this book offer insightful tips on how to collect autographs, it will provide a comprehensive (and industry-standard) Price Guide to help readers value their precious mementos.

American Book Publishing Record 1996

Everything Collectibles Nicholas Nigro 2002-04-01 Today's collectibles universe is a multi-billion-dollar industry. Broken down by sport, the book provides prices for a variety of items from each player, including signed balls, photos, and premium items such as jerseys and bats. Offers side-by-side pricing for items in two categories: authenticated by today's modern methods and non-authenticated autographs from the past. More than 800 photos of genuine autographs allow collectors to compare their items to guard against fraud. New to this edition are hundreds of current players, including the hottest rookies. Also new is a special section featuring advice from experts who have received thousands of autographs by mail. -- Complete pricing of autographed items from thousands of sports players -- Photographs of authentic signatures for comparison and analysis -- Side-by-side pricing for authenticated and non-authenticated items

*New Book List for Bookbuyers, Librarians and Booksellers* 1897

*Standard Catalog of Basketball Cards, 2001 Price Guide* Editors of Sports Collectors 2000-10 Nobody hoops it up like basketball card collectors. They're rabid about their b-ball and even more so when it comes to their cards. The newly updated and completely revised edition, loaded with more than 125,000 cards from 900 NBA, WNBA, CBA, regional, Olympic, international, college and high school issues from 1948 to present. New for the edition is an autograph price guide, a certified card price guide and updated pricing on Kenner Starting Lineup and other figurines. Every set includes a brief historical description of set name, number of cards, dimensions and other helpful identifying tips to go along with the more than 1500 card front and back photos. Topps, Fleer, SkyBox, Hoops, Upper Deck, Pacific, Press Pass, Pinnacle, Score Board, Collector's Edge, Star Co. and many more are included.

**A GUIDE TO AUTHENTICATING U.S. PRESIDENTIAL AUTOGRAPHS** Jol 2021-06-09 When I first started collecting autographs in the 50s, I searched for books that would be of immediate help in authenticating signatures. I really didn't have the time or ambition to read through chapters of unrelated or disjointed material. I wanted a one, two, three step list that I could quickly look at to determine if a piece was worth the chance of investment. The only works that I could find on the market were long dissertations either to show how "intelligent" the author was, or to raise the prices and worth of his/her inventory; or photo books of very ornate objects that could only be afforded by the most affluent. Over the years I've purchased literally dozens of reference books and have read one thousand fold more in journals, magazines, and autograph catalogs. No one work has yet met my needs when it comes to authenticating American presidential autographs at a momentary look. So, I decided to write a book just for my personal use. I wanted the reference to contain, what I term, quick-glance information; something that could be used on the spot when I was confronted with a potential purchase, yet replete with information for accurate determination. Here now is presented my guidebook for collecting the American presidents.

*Baseball* Edward J. Rielly 2005-01-01 *Baseball: An Encyclopedia of*

*Popular Culture* looks at American society through the prism of its favorite pastime, discussing not only the game itself but a variety of topics with significance beyond the diamond. Its 269 entries, which vary in length from two hundred to twenty-five hundred words, explore the game's intersection with race, gender, art, drug abuse, entertainment, business, gambling, movies, and the shift from rural to urban society. Filled with larger-than-life characters, baseball legends, sports facts and firsts, important milestones, and observations about daily life and popular culture, this encyclopedia is not only an excellent reference source but also an enjoyable book to browse.

*2002 Standard Catalog of Basketball Cards Sports Collectors Digest* Editors 2001-10 Presents listings and prices for virtually every known basketball card from 1948 to 2001. Special sections feature graded cards, figurines and autographs. More than 2,000 photos and 150,000 cards cover the NBA, WNBA, CBA, regional, Olympic, international, college, and high school issues.

*The Official Price Guide to Movie Autographs and Memorabilia* Daniel Cohen 2004 With the help of this official price guide, collectors will know just what their movie autographs and collectibles are worth.

**Manuscripts** 2001

**The Baseball Bibliography** Myron J. Smith 2006 "With over 57,000 entries, this two-volume set is the most comprehensive non-electronic, non-database, print bibliography on any American sport. Represented here are books and monographs, scholarly papers, government documents, doctoral dissertations, masters' theses, poetry and fiction, novels, pro team yearbooks, college and professional All-Star Game and

World Series programs, commercially produced yearbooks, and periodical and journal articles"--Provided by publisher.

**The Saturday Review of Politics, Literature, Science and Art** 1905  
**Ulysses S. Grant** Marie Ellen Kelsey 2005-09-30 In Ulysses S. Grant: A Bibliography, Dr. Kelsey has created an invaluable resource for Grant scholars. The bibliography consists of twenty chapters covering Grant's early life, his careers both as soldier and as president, his associations with various individuals, his post-presidency activities, the role alcohol played in his life, his battle with throat cancer, and ultimately, his tragic death. What makes this book truly special is that Kelsey cites not only the usual books and journals but also a wide variety of nontraditional materials ranging from manuscripts to musical scores. Additionally, she has created a list of cited journals with OCLC numbers, making precise identification of old and obscure journals easy for researchers. Kelsey's sources are varied and multidimensional: she includes scholarly, popular, and ephemeral works to present the fullest possible picture of the legendary president. Kelsey also lists many obscure sources on not only Grant but also his associates, including all his cabinet members. The work includes citations about Julia Dent Grant, other Grant family members, Grant's cabinet members, John Rawlins, William Tecumseh Sherman, Ely Parker, Abraham Lincoln. Libraries of all types could benefit from including this resource in the reference collection. The text might get the most use in historical society libraries, as well as in the libraries of colleges and universities. Public libraries and private individuals interested in Grant and the Civil War would also appreciate the book's comprehensive nature.

*The Sanders Price Guide to Autographs* George Sanders 1999-05 The world's leading authority on autograph prices. Find out what your autographs are worth, you might be richer than you think! Over 80,000 prices are featured, as well as extensive advice on autograph collecting by experts in the field. A massive book
