Art of Love William Shakespeare 2009 The beauty and meaning behind his poetry and prose has meant that Shakespeare's work has lived on throughout history long after his death. We still fall in love and become passionate, or jealous, or dim-witted, or melancholy, or dreamy, or vengeful, or courageous on behalf of a loved one. We still use language with outlandish imagery or moving simplicity of expression to attempt the impossible - that is, distil the essence of love into words. Shakespeare achieved this alchemy of the imagination as no other writer before or since. Here, in a beautiful volume to treasure, we offer wonderful words on love in all its moods, in verse and prose, from the poetry and the plays - with a brilliantly illuminating introduction and commentary from a Shakespeare scholar. From the star-crossed Romeo and Juliet, and the witty Benedick and Beatrice, to the broody passion of Othello and the Dark Lady of the sonnets, there is so much here to admire, enjoy and be moved by

Critical Companion to William Shakespeare Charles Boyce 2005-01 More than three thousand entries provide information on Shakespeare's life

and works.

The Life of William Shakespeare Lois Potter 2012-03-07 The Life of William Shakespeare is a fascinating and wide-ranging exploration of Shakespeare's life and works focusing on often neglected literary and historical contexts: what Shakespeare read, who he worked with as an author and an actor, and how these various collaborations may have affected his writing. Written by an eminent Shakespearean scholar and experienced theatre reviewer Pays particular attention to Shakespeare's theatrical contemporaries and the ways in which they influenced his writing Offers an intriguing account of the life and work of the great poet-dramatist structured around the idea of memory Explores often neglected literary and historical contexts that illuminate Shakespeare's life and works

William Shakespeare & the Globe Aliko 2000-08-08 From Hamlet to Romeo and Juliet to A Midsummer Night's Dream, Shakespeare's celebrated works have touched people around the world. Aliko combines literature, history, biography, archaeology, and architecture in this richly detailed and meticulously researched introduction to Shakespeare's world-his life in Elizabethan times, the theater world, and the Globe, for which he wrote his plays. Then she brings history full circle to the present-day reconstruction of the Globe theater. Ages 8+

The Dramatic Works of William Shakespeare William Shakespeare 1851

Shakespeare H. N. Hudson 2015-06-04 Shakespeare, by general suffrage, is the greatest name in literature. There can be no extravagance in saying, that to all who speak the English language his genius has made the world better worth living in, and life a nobler and diviner thing. And even among those who do not "speak the tongue that Shakespeare spake," large numbers are studying the English language mainly for the purpose of being at home with him.

A Life of William Shakespeare (Classic Reprint) Sidney Lee 2017-09-16 Excerpt from A Life of William Shakespeare I cannot promise 'my readers any startling revelations. But my researches have enabled me to remove some ambiguities which puzzled my predecessors, and to throw light on one or two topics that have hitherto obscured the course of Shakespeare's career. Particulars that have not been before incorporated in Shakespeare's biography will be found in my treatment of the following subjects: the conditions under which Love's Labour's Lost and the Mer. Bard of Avon Diane Stanley 1998-08-27 William Shakespeare was the son of a glovemaker, a small-town boy with a grammar school education. Yet he grew up to become the greatest English-speaking playwright in the world. *Bard of Avon: The Story of William Shakespeare* is both his story and that of a great art rediscovered in the modern world. Drama had been forgotten since the days of ancient Greece, but it reemerged in Elizabethan London with the building of the first modern theater. Its impact can still be imagined today. There were the theaters, open to the weather and featuring neither sets nor curtains, but equipped with dramatic special effects. There were the companies of actors--the leading men, the comedians, the boys who played women's roles--and the playwrights who gave them all lines to say. Best of all, there was William Shakespeare, who rubbed shoulders with noblemen and royalty as well as with the rowdy crowds at the foot of the stage. He was suspected of involvement in a treasonous rebellion, and his last play literally brought down the house when cannon effects set fire to the famous Globe theater and it burned to the ground. Award-winning collaborators Diane Stanley and Peter Vennema have once again created a feast of words and pictures to celebrate the life of a remarkable person from the pages of history: William Shakespeare, a man for all time."

The Secret Life of William Shakespeare Jude Morgan 2014-04-01 Named One of Kirkus Reviews Best Fiction Books of 2014 There are so few established facts about how the son of a glove maker from Warwickshire became one of the greatest writers of all time that some people doubt he could really have written so many astonishing plays. We know that he married Anne Hathaway, who was pregnant and six years older than he, at the age of eighteen, and that one of their children died of the plague. We know that he left Stratford to seek his fortune in London, and eventually succeeded. He was clearly an unwilling craftsman, ambitious actor, resentful son, almost good-enough husband. But when and how did he also become a genius? *The Secret Life of William Shakespeare* pulls back the curtain to imagine what it might have really been like to be Shakespeare before a seemingly ordinary man became a legend. In the hands of acclaimed historical novelist Jude Morgan, this is a brilliantly convincing story of unforgettable richness, warmth, and immediacy.

The Life of William Shakespeare James Orchard Halliwell 2015-07-20 Excerpt from *The Life of William Shakespeare: Including Many Particulars Respecting the Poet and His Family Never Before Published* The tide of public curiosity in matters of Shakespearian enquiry has of late years set almost exclusively in the direction of biography; the minutest facts respecting the personal history of the World's Poet receiving more attention, and creating wider discussion, than the happiest illustrations of the great works on which his reputation is established. It is not difficult to assign a reason for this preference, for, although the higher branches of criticism are undoubtedly more important, perhaps, even, when fully understood, more interesting and attractive, biographical disquisitions have the advantage of being readily appreciated by all; and, as Shakespeare was the most eminent genius the world has ever produced, it is not surprising that details of his existence, information of his reality when he lived and moved as one of ourselves,

should be sought for with so much avidity. We should also recollect that minute historical researches never appear to so great advantage, nor are they productive of so much utility, as when they tend to unfold the private actions and characters of those great men whose deeds or works have exercised beneficial influences on the progress of mankind. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The Play's the Thing Ruth Turk 2011-08-01 The year was 1569 And The place was Stratford-on-Avon. A little boy watched a company of traveling actors perform on a makeshift stage. No one could have known that the child, whose name was William Shakespeare, would one day become the most famous playwright in history. This is the story of the man who wrote Hamlet, Macbeth, Romeo and Juliet, and many other plays that have been performed and enjoyed again and again for more than four hundred years.

Memoirs of the Life of William Shakespeare Richard Grant White 2017-12-15 Excerpt from *Memoirs of the Life of William Shakespeare: With an Essay Toward the Expression of His Genius, and an Account of the Rise and Progress of the English Drama* Collier's later work upon those subjects, by its fulness and its systematic arrangement, supersedes all others, either for the use of the dramatic student, or as a book of reference for the occasional inquirer. Yet the account of the English drama given in the following pages will be found to be something more, as well as something less, than an abridgment of Mr. Collier's three octavo volumes. These remarks apply only to the first and last divisions of this volume. The second, the *Essay toward an Expression of Shakespeare's Genius*, is the endeavor of one who, having read the poet much and his critics little, has thought his own thoughts and trusted his own judgment upon this subject, until, with a mingling of confidence and diffidence which it would be difficult to explain, he now ventures to offer his conclusions as hints and aids to others; conscious the while that those who can judge them best are those who need them least. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Soul of the Age Jonathan Bate 2009-04-07 "One man in his time plays many parts, His acts being seven ages." In this illuminating, innovative biography, Jonathan Bate, one of today's most accomplished Shakespearean scholars, has found a fascinating new way to tell the story of the great dramatist. Using the Bard's own immortal list of a man's seven ages in *As You Like It*, Bate deduces the crucial events of Shakespeare's life and connects them to his world and work as never before. Here is the author as an infant, born into a world of plague and syphilis, diseases with which he became closely familiar; as a schoolboy, a position he portrayed in *The Merry Wives of Windsor*, in which a clever, cheeky lad named William learns Latin grammar; as a lover, married at eighteen to an older woman already pregnant, perhaps presaging Bassanio, who in *The Merchant of Venice* won a wife who could save him from financial ruin. Here, too, is Shakespeare as a soldier, writing Henry the Fifth's St. Crispin's Day speech, with a nod to his own monarch Elizabeth I's passionate addresses; as a justice, revealing his possible legal training in his precise use of the law in plays from *Hamlet* to *Macbeth*; and as a pantaloon, an early retiree because of, Bate postulates, either illness or a scandal. Finally, Shakespeare enters oblivion, with sonnets that suggest he actively sought immortality through his art and secretly helped shape his posthumous image more than anyone ever knew. Equal parts masterly detective story, brilliant literary analysis, and insightful world history, *Soul of the Age* is more than a superb new recounting of Shakespeare's experiences; it is a bold and entertaining work of scholarship and speculation, one that shifts

from past to present, reality to the imagination, to reveal how this unsurpassed artist came to be.

Shakespeare: His Life, Art, and Characters Henry Norman Hudson 1882

William Shakspeare Charles Knight 2018-01-31 William Shakspeare is a biography of perhaps the world's most famous playwright, better known as William Shakespeare. A mysterious and sometimes controversial figure, who used several different spellings of his own name throughout his life (including Shakspeare) the actor and playwright is well worth taking the time to study. The book opens with a brief preface from the author, in which Knight openly states that information about the life of William Shakespeare is relatively scant. Thus, Knight states his work, "has been endeavoured to associate Shakspeare with the circumstances around him, in a manner which may fix them in the mind of the reader by exciting interest." The work proceeds in a fashion that informs the reader as much about Shakespeare's environment as about the man himself. The text is divided into two "books," with book one dealing primarily with the poet's early years and book two discussing Shakespeare at maturity and some of his great works. Much of the work is conjecture, with entire chapters devoted to the author offering his opinion on certain questions about Shakespeare's life. *William Shakspeare: A Biography* is an entertaining book. It is a noble early approach to documenting the life of a man whose history remains muddled to this day. The book is exhaustive and at more than five hundred pages it touches on a wide range of topics. While some of the biographical details presented by Knight have since been called into question, the overall picture the book provides remains in line with more modern sketches of the man. *William Shakspeare: A Biography* is a title that will appeal to fans of The Bard's work and anybody interested in biographical writings. It is a detailed examination of one of the world's great artists. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

William Shakespeare Hourly History 2017-11-22 William Shakespeare William Shakespeare is one of the most recognizable names in the world. Regardless of country, language, age, or gender, people are familiar with the Bard's work and his contributions to literature, theatre, art, and music. Inside you will read about... - A Legend is Born - The Lost Years - Early Career - The Golden Years - Poetic Works - The Death of William Shakespeare And much more! From his humble birth to his sudden death, William Shakespeare's life is traced through the theatrical legacy he left behind.

Shakespeare: His Life, Art, and Characters Henry Norman Hudson 1872

Sacred Art of Shakespeare Martin Lings 1998-11-01 Revised and Expanded Edition of *The Secret of Shakespeare Reveals* the full scope of Shakespeare's plays as sacred visionary dramas, illuminating the bard's greatest works and the man behind them • Reveals how, through the use of esoteric symbol and form, Shakespeare's plays mirror the inner drama of the journey of all souls • Conveys a heightened understanding of the plays through examining the theatrical rendering of their texts Through his study of such plays as *Hamlet*, *Othello*, *MacBeth*, and *King Lear*, Lings supplies expert and inspiring guidance to the beautifully wrought words and worlds of William Shakespeare. Lings's particular genius lies in his ability to convey, as perhaps no one else has ever done, the theatrical renderings of these texts, leaving readers with deep and lasting impressions not only of these masterpieces of dramatic artistry, but of the extraordinary man behind them as well.

William Shakespeare Ari Berk 2010 Describes Shakespeare's experiences in London and his retirement to the country in a fictional account that includes excerpts from his works.

A Year in the Life of William Shakespeare James Shapiro 2009-10-13 Winner of the Baillie Gifford Prize's 25th Anniversary Winner of Winners award What accounts for Shakespeare's transformation from talented poet and playwright to one of the greatest writers who ever lived? In this gripping account, James Shapiro sets out to answer this question, "succeed[ing] where others have fallen short." (Boston Globe) 1599 was an epochal year for Shakespeare and England. During that year,

Shakespeare wrote four of his most famous plays: *Henry the Fifth*, *Julius Caesar*, *As You Like It*, and, most remarkably, *Hamlet*; Elizabethans sent off an army to crush an Irish rebellion, weathered an Armada threat from Spain, gambled on a fledgling East India Company, and waited to see who would succeed their aging and childless queen. James Shapiro illuminates both Shakespeare's staggering achievement and what Elizabethans experienced in the course of 1599, bringing together the news and the intrigue of the times with a wonderful evocation of how Shakespeare worked as an actor, businessman, and playwright. The result is an exceptionally immediate and gripping account of an inspiring moment in history.

The Life of the Author: William Shakespeare Anna Beer 2021-04-26

Discover an invigorating new perspective on the life and work of William Shakespeare *The Life of the Author: William Shakespeare* delivers a fresh and exciting new take on the life of William Shakespeare, offering readers a biography that brings to the foreground his working life as a poet, playwright, and actor. It also explores the nature of his relationships with his friends, colleagues, and family, and asks important questions about the stories we tell about Shakespeare based on the evidence we actually have about the man himself. The book is written using scholarly citations and references, but with an approachable style suitable for readers with little or no background knowledge of Shakespeare or the era in which he lived. *The Life of the Author: William Shakespeare* asks provocative questions about the playwright-poet's preoccupation with gender roles and sexuality, and explores why it is so challenging to ascertain his political and religious allegiances.

Conservative or radical? Misogynist or proto-feminist? A lover of men or women or both? Patriot or xenophobe? This introduction to Shakespeare's life and works offers no simple answers, but recognizes a man intensely responsive to the world around him, a playwright willing and able to collaborate with others and able to collaborate with others, and, of course, his exceptional, perhaps unique, contribution to literature in English. The book covers the entirety of William Shakespeare's life (1564-1616), taking him from his childhood in Stratford-upon-Avon to his success in the theatre world of London and then back to his home town and comfortable retirement. *The Life of the Author: William Shakespeare* sets his achievement as a writer within the dangerous, vibrant cultural world that was Elizabethan and Jacobean England, revealing a writer's life of frequent collaboration, occasional crisis, but always of profound creativity. Perfect for undergraduate students in Literature, Drama, Theatre Studies, History, and Cultural Studies courses, *The Life of the Author: William Shakespeare* will also earn a place in the libraries of students interested in Gender Studies and Creative Writing.

The Art and Life of William Shakespeare Hazelton Spencer 1970

Shakespeare S Life And Art Peter Alexander 2023-07-18 Who was William Shakespeare, and what made him one of the greatest writers in history? This comprehensive survey explores the life and works of the Bard of Avon, from his humble beginnings in Stratford-upon-Avon to his meteoric rise to fame in London's theatrical world. With in-depth analysis of his plays and poems, as well as a wealth of historical context, this is an essential guide for anyone interested in the work and legacy of this literary icon. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Sir Sidney Lee's New Edition of a Life of William Shakespeare

George Greenwood 2015-08-05 Excerpt from Sir Sidney Lee's New Edition of a Life of William Shakespeare: Some Words of Criticism Whereunto I would crave leave to suggest, in the first place, that any question of this kind, if such there be, must be decided not by "authority" but by evidence and argument. But, secondly, may not the "sceptics" fairly retort that there are certain literary writers who, though they undertake to instruct us concerning Shakespeare's knowledge of law, "lack the required" legal "training to give their work on the subject any genuine authority"? Upon this latter point I would ask permission to say a few words. "Lord Campbell," writes Sir Sidney Lee, "who greatly exaggerated Shakespeare's legal knowledge in his *Shakespeare's Legal Acquirements* (1859), was the first writer to insist on Shakespeare's personal connection with the law." Now Lord Campbell, as everybody

knows, was Lord Chief Justice of the Queen's Bench, and, subsequently, Lord Chancellor. Whether or not he "greatly exaggerated Shakespeare's legal knowledge" is, I venture to suggest, a question which can hardly be decided with "any genuine authority" by a literary man without legal training. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Much Ado about Shakespeare Donovan Bixley 2016 There's never been a period when Shakespeare was out of fashion. In his lifetime he was incredibly successful, and soon after his death his works were published to the world. Within these pages you'll find a new interpretation of Shakespeare's stages, a play on words, which sheds light on the colorful and exuberant world of Shakespeare's life and times. You won't find the sainted genius--solemn with quill and ink-stained hand. High of brow he may have been, but never high-brow. Never the snooty artist, locked away from the world, Shakespeare was in the thick of it. Much Ado About Shakespeare brings you the highs and lows, the tongue in cheek, the truth and imagination . . . the fantastical world of William Shakespeare in his own words and through the magnificent art of Donovan Bixley.
