A Case for Christianity William Golson Jr. 2016-12-15 Becoming a Christian is easy, in the sense that there is no application to be completed, no rigorous training program, no requirement to matriculate through a series of classes, or any certifications to obtain. However, in the simplicity of becoming a Christian we often fail to understand some of the basics. The believers basic tool, guide for living, is the Bible; the Word of God. It is the foundation of our faith and therefore we should understand: how it was written, the spiritual personalities it speaks of, what kind of life it calls us to, and the confidence we can have in a commitment to live according to its precepts. We will attempt to make A Case for Christianity; that is, to present evidence that will hopefully affirm our belief and strengthen our faith as Christians.
