**Praying with God's Heart** James W. Goll 2018-10-02 What if there was a key that made every prayer more effective--something that would bring all prayers into agreement with the heart of God every single time? This type of praying does exist, says bestselling author and prophetic leader James W. Goll, and it's called prophetic intercession. It is the humble act of holding the needs of people before God while leaning into God's heart for them. There is nothing mystical or elite about this kind of praying, and it's for the new Christian and the most seasoned prayer warrior. All you need is to learn to lean into your heavenly Father and pray what you see and hear in alignment with his heart, empowered by the Holy Spirit. God wants you to align your heart with his. He wants you to pray more effectively in these turbulent times, and he wants you to help usher in the fullness of his purposes on the earth. Are you ready?

**The Art of Intercession** Zacharias T. Fomum 1988-12-01

**The Practice of Intercession** Zacharias Tane Fomum 2016-12-11 DON'T GET ON YOUR KNEES WITHOUT IT! This book is the sequel and companion to The Art of Intercession. The current volume, as its title suggests, focuses on the more practical aspects of intercession: the use of time, discipline, goals, fasting, resisting the devil, the use of the Bible and knowledge of facts. From the practical, Professor Fomum leads us through the levels of intercession - from the beginner to the advanced. He goes on to give practical lessons on high level spiritual warfare against principalities and powers - for those who are called. There are sections on intercessory prayer chains and a full-time ministry of intercession. All this from the pen of one who has himself advanced through the school of calloused knees. If God is calling you to be an intercessor, this is the single best, most practical manual to get you started or advancing on your knees.

**The Art of Intercession** Zacharias Tane Fomum 2016-01-13 "The people of the land practice extortion and commit robbery; they oppress the poor and ill-treat the alien, denying them justice. I looked for man among them who would build up the wall and stand before me in the gap on behalf of the land so that I would not destroy it, but I found none." Ezekiel 22: 29-30. An intercessor is a person (or group of people) who takes on himself someone else's sin, who fully identifies with the sin and with the sinner and began to work with God until the guilty party is forgiven. They are needed because they stand in the gap between God and man, pushing God to bless the man or to inflict him the deserved punishment. Although intercessors are im- portant, the tragedy is that there is a shortage of intercessors, God himself complained of their scarcity. The judgment of God has come and is about to come into the world, not only because the world has sinned, but because there is a shortage of intercessors. Does it ring a bell? God has not changed. What he did in the past, he will do today. The sinful condition of man has not changed. His judgment will come. It is imminent. When it will come, it will be devastating. Does this matter to you that multitudes are going to perish soon? If this worries you, are you going to do something about it?

**Travailing Intercession** Natasha Grbich 2019-08-27 Both our Lord and the devil know there isn't anyone on earth more powerful than a travailing intercessor who truly knows how to pray effectively. God stands ready to open heaven to those believers who learn the art of intercession. Angels await divine instructions that will cause the darkness over our families, our nations and the world to be pierced by marvellous breakthrough. On the other hand, the enemy is absolutely terrified at the thought this could happen. He knows it would release God's best for us and for our families. Marriages would be healed and financials

fortunes reversed. Nations would be changed and set free. It is for this reason that he has done everything he can to discredit the intercessory prayer ministry and cause so much misunderstanding to surround it. Apostle Natasha has done an remarkable job in teaching us how to explore these exciting new dimensions of prayer and intimacy with God. She does so in a way that is wonderfully helpful to us by breaking down this mysterious aspect of prayer into practical steps any believer can follow and come to love. Reading this book will leave you feeling as though you have opened a door and taken a step into another world, marvellous and life-changing, that previously was only understood and accessible to a select and chosen few. I should point out this book isn't about theory or hypotheticals. Natasha leads an incredible group of intercessors who have for years been journeying through these extraordinary realms of life changing territory. I have prayed with them on many occasions and been blessed by them. You not only need this book, it needs to sit beside your Bible and be picked up and referred to often. It will help change who you have been in prayer into the incredible and powerful world changer you were created to be by God. Dr. R. Heard, PhD. Christian Tabernacle Houston, Texas

**Lost Art of Intercession Expanded Edition** James W. Goll 2007-04-28 Over two hundred and fifty years ago, this verse was burned into the hearts of Moravian refugees in the tiny community of Herrnhut in eastern Germany. Their commitment to restore the Watch of the Lord, through 24 hours of unbroken prayer and intercession continued for more than 100 years. God is calling His warriors once again to mount the Watch of the Lord. **Back to Prayer** Cyril Opoku 2015-06-01 There are two evils that plague this generation, and both have to do with prayerlessness. The first is the prayerlessness that comes from failing to pray, and the second is the prayerlessness that comes from failing to pray in prayer.---Cyril Opoku See what sad things prayerlessness has done! The Church that is, is not the Church that was. And the difference is one: PRAYER. They were uneducated men, and far from being experts in the Torah. They were not privileged with the many

seminaries that have pampered this generation. Beautiful cathedrals were only existent in their dreams of heaven. They did not have the sophisticated methods and technology with which we do "ministry" today. The Early Church only knew how to do one thing well, and that was PRAYER. If there ever was a time when the Church in these last days ought to return to the rock from whence it was hewn-even to the rock of prayer-it is now! Every pastor and teacher, every apostle and prophet, every bishop and overseer, ought to call a solemn assembly and stand between the porch and the altar, and sound out a trumpet call to his congregation, a call to return to the old-yet ever renewing-art of true prayer and intercession. In "BACK TO PRAYER", the author, Cyril Opoku, draws timeless truths from biblical accounts of prayer that will stir up your heart and revive in you the art of true prayer and intercession. It comes under many guises-schemes, betrayal, sickness, addiction. What can we do? The Mantle of Esther presents a challenge to enter that place of intercession where the enemy in our midst must yield to the authority and power of the King of kings. Book jacket.
