The Iconic Works of U. G. Krishnamurti U. G. Krishnamurti

2022-01-04 Musaicum Books present to you the collected works of U. G. Krishnamurti: The Mystique of Enlightenment Courage to Stand Alone Mind is a Myth No Way Out Thought is Your Enemy The Natural State Uppaluri Gopala Krishnamurti (1918-2007), better known as U.G., was an Indian speaker who questioned the state of enlightenment as a real thing. Instead of using the word "enlightenment", he used "calamity" and "natural state" to describe an event in his life. He claimed that the return to the natural state is a rare, a causal, biological occurrence, an event which he referred to in his own life as "the calamity". Because of this, he discouraged people from pursuing the "natural state" as a spiritual goal. He rejected the very basis of thought and in doing so negated all systems of thought and knowledge. Hence he explained his assertions were experiential and not speculative - "Tell them that there is nothing to understand."

The Sunset Route Carrot Quinn 2021-07-06 The unforgettable story of one woman who leaves behind her hardscrabble childhood in Alaska to travel the country via freight train—a beautiful memoir about forgiveness, self-discovery, and the redemptive power of nature, perfect for fans of *Wild* or *Educated*. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE PHILADELPHIA INQUIRER • “An urgent read. A courageous life. Quinn’s story burns through us and bleeds beauty on every page.”—Noé Álvarez, author of *Spirit Run: A 6,000-Mile Marathon Through North America’s Stolen Land* After a childhood marked by neglect, poverty, and periods of homelessness, with a mother who believed herself to be the reincarnation of the Virgin Mary, Carrot Quinn moved out on her own. She found a sense of belonging among straight-edge anarchists who taught her how to traverse the country by freight trains, sleep in fields under the stars, and feed herself by foraging in dumpsters. Her new life was one of thrilling adventure and freedom, but still she was haunted by the ghosts of her lonely and traumatic childhood. The *Sunset Route* is a powerful and brazenly honest adventure memoir set in the unseen corners of the United States—in the Alaskan cold, on trains rattling through forests and deserts, as well as in low-income apartments and crowded punk houses—following a remarkable protagonist who has witnessed more tragedy than she thought she could ever endure and who must learn to heal her own heart. Ultimately, it is a meditation on the natural world as a spiritual anchor, and on the ways that forgiveness can set us free.

Between Sunset and Sunrise There Exists a Broken Heart These Are Its Words M. Adonis Layne 2015-01-16 This book of poems is about heartbreak, the heartbreak of being in love with someone whose love was just out of reach. It made no difference if we were on opposite sides of the earth or sitting across from each other at a candlelit table; her love was always just out of reach. You ask yourself why he would torture himself in such a way. My answer would be, if you knew her like I did, that question would never even enter your mind. Add to the mix that she never knew how much I loved her and there you have a recipe for a poetry book of brokenhearted poems.

24 and the Unspoken Word Ada Kinder 2022-11-25 Because this is a collection of letters, many of the conventions of narrative nonfiction writing do not apply. After all, the two principal characters were writing for one another, not for a general audience. Understood within this context, the writing is strong. Both writers are insightful people with distinctive voices and rich emotional experiences, and readers will be glad to have this window into their lives.

How Do I Photograph A Sunset? Chris Gatcum 2021-09-30 How do we learn? We learn by asking questions. But what if we don't know what questions we should be asking? Thanks to the digital revolution, photography has never been so popular, and whether you shoot on a phone or a top-spec DSLR or CSC camera, the urge to improve is relentless. In this book, author Chris Gatcum asks the questions that every photographer will have in mind at some point in their image-making journey, and then answers them in a clear, concise, straightforward and inspirational manner. Laid out in intuitive sections, this book tackles the questions that are on every photographer's mind, as well as those that they haven't thought of yet. And with a clear progression through each chapter, from the simple to more complex, the book asks - and answers - questions to satisfy the complete novice as well as the advanced practitioner.

Santorini Sunsets Anita Hughes 2016-08-02 Brigit Palmer is thrilled to be on the Greek Island of Santorini. She's here for her wedding to Hollywood heart-throb Blake Crawford, one of America's most eligible bachelors. Brigit's parents have rented a villa, and soon guests will arrive from all over the world for the intimate ceremony. Brigit is a New York socialite, and she's just given up her position at a Manhattan law firm to run her father's philanthropic foundation. Things are finally falling into place. Love, career, family. Everything is going so well...until she steps into the garden and sees her ex-husband Nathaniel hiding in the rose bushes. Nathaniel, a failed novelist, announces that Blake sold the rights to the wedding to HELLO! Magazine for two million dollars (donated to charity), and he is the reporter assigned to write the story. Everyone expects Brigit to have her happily ever after, her mother who taught her how to lead the perfect lifestyle, her younger sister Daisy who impatiently wishes for her own love story, and of course her fiancée. Things are supposed to work out for them. But when Brigit discovers an unsettling secret about Blake, she questions everything she's ever believed about love, and wonders if she's not better off alone. Told in Anita Hughes' spectacularly descriptive prose, *Santorini Sunsets* is a story about family bonds, first loves, and the question of when to let go and when to hang on as tight as you can.

His Sunrise My Sunset Jan Hurst 2016-05-12 Jan Hurst is a widow, mother, and retired executive, who built a business career over 30 very eclectic years in multiple business disciplines. She and her husband, Steve, were married 44 years, the first 24 years following his Air Force career. They had two daughters, who both became accomplished professional women and dedicated wives and mothers. Jan enjoyed her early marriage as a homemaker, until their younger daughter started school. As returning adult students, Jan and Steve both completed college while working and supporting a family. Once Steve retired from the Air Force, Jan began her career, no longer having the interruptions of moving and job hopping. She continued her education to earn an MBA and PhD in Business Administration Management. Jan focused on a personal ministry in business to lead organizations and share management approaches to incorporate Christian values. Having grown up as an Air Force dependent, her passion was to show people that clicks and good ol' boy approaches are not as productive or rewarding. She and her husband were both passionate about helping others and worked to live as they believed. They shared a special respect and admiration for each other up until the day they were parted. Jan is a witness willing to share her faith, love of God, and story. Losing her husband did not diminish her faith. Her faith has strengthened."

Sunrise at Sunset Jaz Primo 2010-10 "We vampires are focused and tend to shape our own realities." My name is Katrina Rawlings, and I am a vampire. I declare that with neither pride nor ego. I am simply nature's most dangerous predator. On occasion, it's a very helpful quality. It helped me protect Caleb Taylor one day when he was very young. But that single, traumatic day is behind him now; wiped from his memory, or so I hope. He has finally matured into a rather striking young man, and believe me, I like what I see. I'm feeling hopeful for our future together, in fact. But an adversary from my past has returned to haunt me, and she's trying to get back at me through Caleb. That was her first...and last...mistake. I'll protect my Caleb at all costs, and I'll make her regret the day she was born. So, I suppose that I'm not just a vampire. I'm about to become someone's worst nightmare.

Goodnight Port! Jeff Stone 2021-11-25 Welcome to my book

"GOODNIGHT PORT!" I wanted to share my love of sunsets in book form - and what better way than to provide photos showcasing Port's best asset, the waterfront and its sunsets. Yes, this book consists of pretty pictures, but also provides a look at the ever-changing and unique sunsets of Manhasset Bay. As I say, God provides the sunset canvas. I capture and enhance it to bring out its best qualities for all to enjoy. I captured over 3,000 sunsets, day after day, season after season, for over 10 years and photographed four times as many sunset pictures during COVID than the previous five years combined. What else do you do during lockdown? You walk, eat, or take photos of anything and everything, which for me was photographing the magnificent sunsets of Manhasset Bay. My hope is that all of you enjoy these sunset photos of Manhasset Bay as much as I loved taking them. Whenever or wherever you find yourself during the day, take time to capture a photographic scene that provides you with a sense of peace and serenity. Now, get out there and start taking your own sunset photos from your favorite spot.

Sunset to Sunset: God's Sabbath Rest United Church of God

2010-08-20 Overwhelmed? Need a day off... a break? Maybe it's time to learn the truth about the Sabbath. Everyone, it seems, lives his or her life at a breakneck pace, constantly rushing here and there to get everything done. Technological advances that once promised more leisure time now seem only to push us further behind, making it ever more difficult to catch up. So we frantically scramble. We feel out of touch—out of touch with our spouse, out of touch with our families, out of touch with the world around us and, perhaps most of all, out of touch with God. Is there a way to get back in touch? In the Bible, God gives us a solution written within the Ten Commandments. It's a commandment that gives us time for a welcome, refreshing rest from our weekly labors, a time during which we must no longer be absorbed in our ordinary daily cares and concerns—a time for spiritual rejuvenation. Inside the ebook, "Sunset to Sunset: God's Sabbath Rest", you will read why God commanded a day of rest and the purpose for it. You will discover the answers to which day is the Sabbath, why the Sabbath is relevant for all of us today and why this day of rest makes sense in today's world. Join us for a journey through the Bible to discover the importance of God's Sabbath rest. Chapters in this ebook: -- The Sabbath: In the Beginning -- When Is the Sabbath Day to Be Kept? -- Which Day Is the Sabbath? -- Names for Saturday in Many Languages Prove Which Day Is the True Sabbath -- Jesus Christ and the Sabbath -- Just What is Legalism? -- Was the Sabbath Changed in the New Testament? -- Was Sunday the New Testament Day of Worship? -- Was God's Law Abolished in the New Testament? -- Why is the Sabbath Commandment Not Repeated in the New Testament? -- Surprising Admissions About the Sabbath and Sunday -- "There Remains a Sabbath-Rest for the People of God" -- A Sign of God's People -- God's Sabbath in Today's World -- The Sabbath in the Age to Come -- What is True Worship? -- Our Appointment With God -- A Test for You? Inside this Bible Study Aid ebook: "God, Creator of the Sabbath, determines when the day begins and ends, and it was observed from sunset to sunset throughout the Bible. His Sabbath begins Friday evening at sunset and ends Saturday evening at sunset." "Jesus Himself clearly denied that He intended to change or abolish the Sabbath or any part of God's law. "Do not think that I came to destroy the Law or the Prophets," He said. "I did not come to destroy but to fulfill" (Matthew 5:17)." "Many who argue that the Sabbath was abolished in the New Testament point to the apostle Paul's writings to justify their view. But is this opinion correct? They commonly cite three passages to support that claim—Romans 14:5-6, Colossians 2:16-17 and Galatians 4:9-10." "Here we see God's true intent for the Sabbath: It is part of a proper, loving relationship with Him. It is a matter of honoring God."
