Doctrine That Dances Robert Smith 2008-01-01 Preaching magazine's 2008 Book of the Year! The theme of doctrinal preaching and teaching comes to life through the enthusiastic and inspired writing of professor Robert Smith in *Doctrine That Dances*. Advance Praise: "At a time when so much of the conversation on preaching deals with presentation, Robert Smith has reminded us that effective teaching must also take the theological task seriously. He makes his case so well that his book, *Doctrine that Dances*, is our Preaching Book of the Year." Michael Dudit, editor, Preaching magazine "Away with dull doctrinal sermons! Using the metaphor of music, the author shows us how to blend cogitation and celebration—mind and heart—in our preaching of Bible doctrine. You can benefit from his wide knowledge and experience in traditional western homiletics as well as African American preaching. We have much to learn from each other, and this book is a valuable contribution to the current conversation." Warren W. Wiersbe, former pastor of Moody Church, general director of Back to the Bible, and coauthor of *Preaching in Black & White* "A masterful preacher and teacher himself, Smith provides direction for students, young pastors and veteran preachers alike. Pulpits across the land will be strengthened as

preachers implement the guidance offered in this volume. *Doctrine That Dances* will become mandatory reading for a new generation of preachers. It is a joy to recommend this marvelous work." David Dockery, president, Union University "Dr. Robert Smith, Jr. is one of the most compelling voices in American preaching today . . . *Doctrine That Dances* describes the preacher's task in a way that is at once personal, passionate, and provocative. This book describes the kind of preaching that is at the heart of the awakening that must come." Timothy George, founding dean of Beeson Divinity School and a senior editor at Christianity Today

The Holy Spirit & Preaching James Forbes 2010-09-01 Describes what it means to be anointed with the Spirit so that one can preach "to raise the dead." In *The Holy Spirit and Preaching*, James A. Forbes, Jr.--widely hailed as one of the nation's foremost preachers--offers four dynamic lectures originally delivered as the Lyman Beecher Lectures at Yale University, the most prestigious annual preaching event in the United States. In each of the lectures, Forbes focuses on the Holy Spirit as it relates to preaching. He traces the Holy Spirit's activity in Jesus' ministry and looks at the impact of being anointed by the Holy Spirit. Forbes demonstrates how the Holy Spirit works with the pastor in the

preparation and delivery of a sermon. The Holy Spirit and Preaching concludes by focusing on the need for anointed preaching, and the way anointed preaching happens today.

The Company of Preachers Richard Lischer 2002-08-30 This unique volume draws on the wisdom of Christian thinkers and preachers from across the ages to present a warm and informative collection of insights on the art of preaching. Gathering the writing of figures as diverse as Augustine, John Chrysostom, Jonathan Edwards, Gardner C. Taylor, and Barbara Brown Taylor, *The Company of Preachers* provides experienced advice on effective preaching, direct from the pens of those who have known it best. The book is arranged in seven divisions, each covering a central component of the preaching task. Editor Richard Lischer, himself a distinguished preacher and teacher, gives a brief introduction to each selection. Aptly presenting a theological and historical cross-section of the church's homiletics, this volume will be invaluable to preachers, students preparing for ministry, and others seeking models of powerful Christian speech. Features insights on preaching from: Augustine Karl Barth Dietrich Bonhoeffer Walter Brueggemann Rudolf Bultmann Horace Bushnell David Buttrick John Calvin John Cassian John Chrysostom Fred B. Craddock C. H. Dodd Jarena Lee Jonathan Edwards Charles Grandison Finney P. T. Forsyth Harry Emerson Fosdick Gregory the Great George Herbert Martin Luther Henry H. The Best of Will Willimon William H. Willimon 2012-03-01 Take the best preacher you've ever heard; add in the teacher who first opened your eyes to the excitement and meaning of your favorite subject in school; combine these with that member of the family to whom you could always turn for the best advice; stir them all together, and you'll get a flavor of the writing of Ellsworth Kalas. And now the very best thoughts and reflections of this wise teacher and guide are available together in one volume. Across his career Ellsworth Kalas has worn many hats: pastor, professor, seminary president. Through all of them, however, he

has remained first and foremost an interpreter of God's Word. His most potent skill is to open up new insights and meanings in even the most familiar biblical stories. Gathered here are some Kalas's most humorous, touching, and enlightening writings, drawn from his own experience of finding God in Scripture.

Preaching the Whole Bible as Christian Scripture Graeme Goldsworthy 2000-06-26 While strong, gospel-centered preaching abounds, many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament. This practical handbook offers help. Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ-centered way. Goldsworthy first examines the Bible, biblical theology, and preaching and shows how they relate in the preparation of Christ-centered sermons. He then applies the biblical-theological method to the various types of literature found in the Bible, drawing out their contributions to expository preaching focused on the person and work of Christ. Clear, complete, and immediately applicable, this volume will become a fundamental text for teachers, pastors, and students preparing for ministry.

Preaching Gospel Charles L. Campbell 2016-08-30 Teaching preaching, like preaching itself, is a noble endeavor. After nearly four decades of teaching, Richard Lischer has sent legions of preachers across the world to preach gospel. This volume pays tribute to his faith-filled life of preaching and teaching. The contributors, some of whom were taught by Lischer, have received many laurels themselves, so readers will find in these pages wisdom for preaching from many quarters. Some authors include sermons with helpful commentary about the preaching exercise; some offer essays to illuminate the task of sermon writing; all acknowledge the influence of Richard Lischer on their preaching and teaching endeavors.

Conversations with Barth on Preaching William H. Willimon 2010-09-01 One of today's greatest preacher-theologians engages one of the twentieth century's greatest teacher-theologians on the meaning of preaching. Readers of William H. Willimon's many books have long found

there the influence of Karl Barth, probably the most significant theologian of the twentieth century. In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems, glories and grandeur of preaching the Word of God. The Swiss theologian, says the author, expressed one of the highest theologies of preaching of any of the great theologians of the church. Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other, sometimes obscure, sources. Willimon brings this material to light, introducing the reader to Barth's thought, not just on the meaning, but the practice of preaching as well.

Preaching Liberation James H. Harris 1995 For all preachers who take seriously the church's role as a catalyst of social and spiritual transformation, James Harris advocates the salient features of liberation preaching, especially as exemplified in black-church settings.

The living voice of the gospel Johan Cilliers 2004 Preaching - described here in Johan Cilliers's groundbreaking new book as the heart and soul of the church - requires both constant revision and fidelity to principles. Hence this book's subtitle: "Revisiting the basic principles of preaching". From various theoretical and practical viewpoints, Cilliers critically examines the state and future of preaching and deals boldly with contentious issues such as the validity of legalistic and moralistic preaching.

Preaching as a Social Act Arthur Van Seters 1988 An excellent set of essays each exploring the sociological nature of preaching. Setting the sermon and the congregation each within the larger social frame, many of the essays cover the relationship of discourse: rhetor/audience, speaking/feedback, language/action.

The Treasury; a Magazine of Religious and Current Thought for Pastor and People 1884

Folly, Grace, and Power John Koessler 2011-09-20 When you stand before your congregation, what do you hope to accomplish when you preach the Word? If people have Bibles and the freedom to read and pray on their own—why do they need you? In short, what do you bring to the table? Author, pastor, and professor John Koessler answers those

questions and many more. Why does one sermon have a powerful effect on the audience while another falls flat? Why should listeners heed what the preacher says? Is human language adequate for facilitating an encounter with God? What is the point of preaching a sermon? Folly, Grace, and Power is a must-read for pastors, seminarians, and lay leaders charged with the task of preaching God's word. This essential book is both a stern reminder of the sacredness of the awesome "job" of being a preacher, as well as a how-to that reveals the key to speaking powerfully on God's behalf.

The Glory of Preaching Darrell W. Johnson 2010-01-04 Darrell Johnson's book is for any pastor or student who wants to cultivate a deeper pulpit approach, one that participates in the transforming mystery of God working through our less-than-perfect proclamation. Here is a solid foundation for preaching the good news as if God was living, Jesus was resurrected and the Holy Spirit was faithfully at work among us.

Help My Unbelief Rutledge 2004-06-17 Powerful reflections on faith and doubt by a leading contemporary evangelist. Fleming Rutledge's first book, "The Bible and the New York Times, has been hailed for its up-to-the-minute relevance to contemporary life. With this new volume Rutledge speaks directly to readers who are plagued by doubts and uncertainties about Christian faith. Among the host of challenging questions she addresses are: Doesn't everyone have their own idea of God? What if I'm not very religious? Can we still believe in the Resurrection today? Rutledge's approach has been described as a combination of pastoral warmth and intellectual fearlessness. She aligns herself with the struggling questioner as she faces the most penetrating theological challenges of our day. At the same time, she entrusts herself as a preacher in this new millennium to the explosive force of God's Word. Duke University chaplain William H. Willimon, in choosing one word to characterize her, selected biblical. Provocative, learned, and displaying the elegance of expression for which Rutledge is well known, "Help My Unbelief offers satisfying answers for those struggling with faith and doubt in our modern world.

A Chorus of Witnesses Thomas G. Long 1994 In the interest of providing exemplary models of sermons, the editors have compiled examples that display excellence in form, aim, style, and content. Developed and delivered by renowned pastors, theologians, and homileticians, the thirty-six entries in this volume include sermons that make artful use of sources, pursue classic aims, and exhibit particular homiletic forms.

Preaching as the Word of God Sam Chan 2016-07-12 According to the Reformers, preaching is the word of God. As the word of God, preaching is a foundation for the church. It is also vital for the personal growth of a Christian. But Christians are poorly equipped to understand how preaching is the word of God. Some Christians look for preaching that closely reproduces the text in the Bible. Other Christians look for preaching that creates maximal emotional and existential impact. And there is a lot of name-calling with Christians accusing preachers of "not preaching the word." But what type of preaching is the word of God? The purpose of this book is to equip Christians to understand how preaching can be God speaking. It accomplishes this with a survey of the problem in the history of the church, a detailed overview of key biblical texts, and finally the application of the contemporary philosophical tool of speech act theory.

Preaching God's Compassion LeRoy Aden 2001-12-01 Centering on five particular situations of suffering--loss, illness, violence, fear, and failure--this book suggests ways in which a pastor can preach to parishioners who are experiencing trauma. Three sample sermons illustrate how to preach on God's gracious activity, while avoiding "psychologizing the text" and reducing the gospel to cheap therapy for individual problems.

Homiletic Review 1880

The Early Preaching of Karl Barth Karl Barth 2009-01-01 Westminster John Knox Press is proud to present this special collection of fourteen of Karl Barth's World War I-era sermons--the only English language collection of Barth's sermons preached between 1917 and 1920 when he was a parish pastor in Safenwil, Switzerland. This volume offers a

fascinating glimpse into Barth's interpretation of Scripture during a time of great historical significance. Renowned preacher William H. Willimon provides expert commentary on the theological and homiletical substance of each selection and points to the many ways in which Barth's early preaching can enrich the work of preachers today.

To Stand and Speak for Christ Joseph Fichtner 1981-01-01

Yale Lectures on Preaching Henry Ward Beecher 1881

The Freedom of the Preacher William Pierson Merrill 1922

Spirit-Led Preaching Greg Heisler 2007-02-01 In the words of author Greg Heisler, "Spirit-Led Preaching is a call issued to preachers, pastors, and teachers of homiletics to recover the Holy Spirit for expository preaching in the same way we have recovered the biblical text. . . . My plan for doing this is to recover the doctrine of pneumatology (the study of spiritual beings/phenomena) for our theology of preaching, resulting in a renewed emphasis on the powerful combination of Word and Spirit working together as the catalyst for powerful expository preaching." Heisler thoroughly examines how the Holy Spirit illuminates and empowers the preacher, opens the hearts of the hearers, and applies the message to their lives. Indeed, to ignore the Holy Spirit's role in sermon preparation and delivery would be a considerable oversight.

Making Good Preaching Better Alvin C. Rueter 1997 This step-by-step guide to Scripture-based, people-centered preaching is good news for preacher and parishioner. It is written by a seasoned pastor and professor of homiletics and is accessible to all.

Confessing Jesus Christ David J. Lose 2003-03-04 With its relentless insistence that there is no reality beyond that which we construct, postmodern thought questions the presuppositions of many disciplines, including homiletics. Offering a lively description of the postmodern worldview and its implications for Christian faith, *Confessing Jesus Christ* by David Lose teaches preachers how to rise to the challenges posed by our postmodern world. Few if any books on preaching offer such a comprehensive investigation of postmodern thought or yield such a wealth of insights for relevant Christian proclamation. Significantly, Lose sees postmodernism not primarily as an obstacle to the church but

as an opportunity for it to stand once again on faith alone rather than on attempts to prove the faith. According to Lose, preaching that seeks to be both faithful to the Christian tradition and responsive to our pluralistic, postmodern context is best understood as the public practice of confessing faith in Jesus Christ. He explores the practical implications of a confessional homiletic for preaching and also provides concrete methods for preparing sermons that meaningfully bridge biblical texts and contemporary congregations.

Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

Heart to Heart Tanner G. Turley 2014-03-12 Over the course of nearly forty-five years of pastoral ministry, Octavius Winslow (1808-1878) effectively demonstrated the practice of applying doctrine to life through his experimental preaching. In *Heart to Heart: Octavius Winslow's Experimental Preaching*, Tanner G. Turley surveys Winslow's life and ministry and demonstrates how a strong theology of preaching provided the foundation for his preaching methodology. Turley highlights the doctrinal precision and Christological focus of Winslow's preaching, revealing an aim at holistic change in hearers through the use of application, discrimination, inquiry, illustration, exhortation, and persuasion. By introducing us to this influential preacher of the past, this study shows the significance of Winslow's homiletic for the church of today. Table of Contents: 1. Life and Ministry 2. Theology and Method of Preaching 3. Preaching Grounded in Doctrine 4. Preaching Centered in Christ 5. Theory and Practice 6. Preachers Dare William H. Willimon 2020-10-06 *Preachers Dare* is adapted from Will Willimon's *Lyman Beecher Lectures on Preaching at Yale* and is inspired by a quote from the great theologian Karl Barth. In a world in which sermons too often become hackneyed conventional

wisdom or tame common sense, preachers dare to speak about the God who speaks to us as Jesus Christ. Willimon draws upon his decades of preaching, as well as his many books on the practice of homiletics, to present a bold theology of preaching. This work emphasizes preaching as a distinctively theological endeavor that begins with and is enabled by God. God speaks, preachers dare to speak the speech of God, and the church dares to listen. By moving from the biblical text to the contemporary context, preachers dare to speak up for God so that God might speak today. With fresh biblical insights, creativity and pointed humor, Willimon gives today's preachers and congregations encouragement to speak with the God who has so graciously and effusively spoken to us.

Preaching Jesus Christ David G. Buttrick 2002-09-18 This book focuses on the life, message, death, and resurrection of Christ, as well as the problems of preaching Christology to the mind of our age, the homiletic shape of Christology, and the presence of Christ. Buttrick urges that preachers declare the present-tense reality of God's New Order--The Kingdom.

Preaching the Story Edmund A. Steimle 2003-04-24

The Collected Sermons of Fred B. Craddock Fred B. Craddock

2011-04-04 This collection of more than fifty of Fred Craddock's sermons provides a glimpse of a master preacher at work. Amazingly, only one of the sermons was preached from a manuscript written in advance, as Craddock considered a sermon to be an event in the world of sound. As a result, the selections here wonderfully reflect and preserve Craddock's "voice" and engage readers with all the immediacy of the spoken word.

Preaching to Teach Richard Voelz 2019-08-06 *Preaching to Teach* merges the related functions of preaching and teaching, and equips the reader to accomplish both. Preachers stand up to speak each week in challenging times to unsettled congregations. Each week seems to bring a new difficult subject: mass shootings and other forms of violence; hard conversations around race, ethnicity, and multi-religious contexts; immigration; poverty; climate change; foreign and domestic terrorism; and bickering about it all on social media. Preachers are hungry for ways

to envision the work of preaching in these times, as well as for tools that will help them speak to difficult and contentious topics. In a divided and weary world, preachers struggle with the choice of any number of "images" to describe their preaching identity. Responding to social crisis after social crisis, preachers most often lean toward the roles of pastor, prophet, or somewhere on the spectrum in between the two. Juggling between these images and their associated roles on a week-to-week basis can be exhausting. But there is an ancient image of the preacher that may help: the preacher as teacher. The image of teacher has traditionally focused on content and rhetorical aspects of preaching: the preacher is conveying information, modeling theological reasoning, or effecting a certain pulpit style. But rather than focusing on traditional concepts of teaching to determine the content, form, style, or delivery of sermons, the field of critical pedagogy (represented by notable figures such as Paulo Freire, Henry Giroux, Peter McLaren, and bell hooks) offers a way of re-envisioning the preacher-as-teacher. Recasting the preacher-as-teacher through the lens of critical pedagogy grounds the image of teacher in an ethical framework, inviting preachers to redefine their public roles, stand in relationships of solidarity with communities of faith, break the silences of taboos, tackle tough issues, and re-imagine the world in the shape of the kingdom of God.

The Homiletic Review 1885

The Authority of the Old Testament John Bright 1997 "As its title page indicates, the substance of this book]was delivered as the James A. Gray Lectures at the Divinity School of Duke University. That was in November of 1959. But the book actually had its genesis much earlier, for the problem which it treats is one that had plagued me for many years prior to that time. I suppose that it is inevitable that it should have: it is a problem that no teacher of Old Testament studies can forever evade. Certainly I was unable to do so. I had long found myself troubled by the fact that so few preachers--myself included, I fear--really seemed to know how to proceed with the Old Testament, or were guided in their preaching from it, if they preached from it at all, by any conscious hermeneutical principles...It early became clear to me that the place of

Old Testament studies in the theological curriculum was not something that could be taken for granted. I was driven to the realization that if I could not present my students with some positive position with regard to the place of the Old Testament in the Bible, and provide them with some guidance in their use of it in the pulpit, they might justifiably regard all that I was trying to teach them, however interesting it might be historically, as of questionable theological and practical importance." (from the Preface, by John Bright) "

Patterns of Preaching Ronald J. Allen 1998-01-01 This collection of sermons by noted homileticians illustrates thirty-four distinct styles of contemporary and traditional preaching.

Advent Fleming Rutledge 2018-09-04 *Advent*, says Fleming Rutledge, is not for the faint of heart. As the midnight of the Christian year, the season of Advent is rife with dark, gritty realities. In this book, with her trademark wit and wisdom, Rutledge explores Advent as a time of rich paradoxes, a season celebrating at once Christ's incarnation and his second coming, and she masterfully unfolds the ethical and future-oriented significance of Advent for the church.

How Odd of God William H. Willimon 2015-10-09 Election is a strange word when used in theology. It brings to mind old debates about what God might or might not have done before the foundation of the world. But viewed apart from that historical baggage, the word election is about a central gospel idea: that in Jesus not only does God choose to be God for us but chooses us to be for God. The calling of the disciples in the gospels is a story of election, of how God chooses to transform the world by choosing us to be messengers and agents of that transformation. So it is, says William Willimon, that election becomes not just the content of our preaching but the means as well. God chooses preachers. How unlikely how odd is it that God should entrust the proclamation of the gospel to, well, us? This unpredictable, electing God reaches out to save the world and then leaves it in the hands of preachers to get the word out? Through us, through our stammering tongues and faltering hearts, the preached word becomes the Word of God. If you wonder why you drag yourself into the pulpit every Sunday, if you worry that your

sermons aren't reaching past the front pew, then read this book and be encouraged. God chooses; God chooses preachers; God chooses you. *Púlpito* Justo L. González 2005 In this, the only book available that addresses the distinctive issues and character of preaching in the Hispanic congregation, the authors discuss important historical, theoretical, and methodological issues in Hispanic homiletics. Includes ten sermons.

Sermons of George Whitefield George Whitefield 2013-01-28 Whitefield's sermons helped launch the Great Awakening in the American colonies, from New Hampshire to Georgia. This premier collection of sermons bears witness to Whitefield's zeal for the Gospel and his God-given gift of preaching.
