Return to Howliday Inn James Howe
2012-01-24 First there is the omen: A relentless

rain stops suddenly at 3:00 am and Chester shows Harold and Howie a cat carrier, open and waiting, by the front door. Chester, who has been reading avidly about the paranormal, predicts that they will soon be traveling someplace, and chances are they are not going to like it. Indeed they are not, as the very next day, with the sun shining bright and clear, the Monroes finally leave for their vacation, dropping Chester, Harold, and Howie off at the scene of some previous harrowing experiences -- Chateau Bow-Wow, the boarding kennel that Chester so aptly had dubbed "Howliday Inn." And this visit promises to be no less harrowing than the last one. The three are greeted by a whole new group of temporary residents. There's Hamlet, the Great Dane, whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up. And Bob and Linda, a pair of yuppie puppies from fashionable Upper Centerville who have been left at Chateau Bow-Wow with a more than

adequate supply of gourmet treats, also seem to have been left with a more than adequate supply of worries. Then there are Felony and Miss Demeanor, sinister sisters in crime who pride themselves as cat burglars, and The Weasel who tries almost too hard to make a good impression. Chester is certain that nothing bodes well and he is right. Unexplained voices, buried bones, a collar with the name Rosebud on it, and a secret code all make for a paranormal experience that none of the guests at Chateau Bow-Wow will ever forget.

The Misfits James Howe 2011-11-01 Kids who get called the worst names oftentimes find each other. That's how it was with us. Skeezie Tookis and Addie Carle and Joe Bunch and me. We call ourselves the Gang of Five, but there are only four of us. We do it to keep people on their toes. Make 'em wonder. Or maybe we do it because we figure that there's one more kid out there who's going to need a gang to be a part of. A misfit, like us. Skeezie, Addie, Joe, and Bobby --

they've been friends forever. They laugh together, have lunch together, and get together once a week at the Candy Kitchen to eat ice cream and talk about important issues. Life isn't always fair, but at least they have each other -- and all they really want to do is survive the seventh grade. That turns out to be more of a challenge than any of them had anticipated. Starting with Addie's refusal to say the Pledge of Allegiance and her insistence on creating a new political party to run for student council, the Gang of Five is in for the ride of their lives. Along the way they will learn about politics and popularity, love and loss, and what it means to be a misfit. After years of getting by, they are given the chance to stand up and be seen -- not as the one-word jokes their classmates have tried to reduce them to, but as the full, complicated human beings they are just beginning to discover they truly are.

Pinky and Rex and the School Play James Howe 2016-06-28 Pinky and Rex is the perfect series for early readers learning to read and navigate friendships! Pinky really wants to be an actor and is sure he'll get the lead in the school play. Rex, on the other hand, wants nothing to do with being on stage. She's afraid she'll forget her lines—or worse. Totally Joe James Howe 2011-11-01 Joe Bunch breaks down his life—and his secrets—for a school assignment in this second book of the funny, heartfelt, and beloved Misfits series by

Bunnacula author James Howe. What can I say? I'm a total original. Joe may only be twelve-going-on-thirteen, but he's known who he is from the time he was a little kid tottering around in his mother's high heels. Now in the seventh grade, he wears green high tops with pink trim, has a (secret) boyfriend, and tells it all from A to Z in the alphabiography assigned by his favorite teacher. The thing is, some of it is seriously private. It's one thing for Mr. Daly to read it, but what if it falls into the wrong hands? Will he be teased forever about those high heels...and even worse, what will happen if his secret boyfriend is no longer a secret?

Howliday Inn James Howe 2012-01-03 Harold and Chester could hardly believe it. The Monroe family was going on vacation without them. Bunnacula, the family rabbit, would be boarded with a neighbor. But they, the family's loyal dog and cat, were to be sent away with strangers; they were to spend a week at Chateau Bow-Wow. Chateau Bow-Wow, observed Chester,

soon after they arrived, could more properly be called Howliday Inn. Though what was howling, neither of them knew. Chester had his suspicions however; only a werewolf could make that chilling sound.

Eat Your Poison, Dear James Howe 2012-01-24 Cafeteria food may be hazardous to your health. Poor Milo Groot -- he's sprawled on the cafeteria floor, his cracked glasses inches away from his white face. Could it be the apple chili dogs? Could it be poison? Kids at the middle school are dropping like flies, and Sebastian Barth suspects there's something fishier than tuna dreamboats behind the epidemic. The trouble is, too many cooks have had the chance to spoil the stew. Sebastian finds out. At least he thinks he does, but he soon discovers that whipping up a dramatic disclosure without all the ingredients is a recipe for disaster.

[A Guide for Using Bunnacula in the Classroom](#)
Amy Shore 1995 Teaching literature unit based on the popular children's story, Bunnacula, a

rabbit tale of mystery.

Bunnacula Deborah Howe 2011-12-20 This book is written by Harold. His fulltime occupation is dog. He lives with Mr. and Mrs. Monroe and their sons Toby and Pete. Also sharing the home are a cat named Chester and a rabbit named Bunnacula. It is because of Bunnacula that Harold turned to writing. Someone had to tell the full story of what happened in the Monroe household after the rabbit arrived. Was Bunnacula really a vampire? Only Bunnacula knows for sure. But the story of Chester's suspicions and their consequences makes uproarious reading. Since its first appearance in 1979, Bunnacula has been a hit with kids and their parents everywhere, selling over 8 million copies and winning numerous awards.

Big Bob, Little Bob James Howe 2016-10-11 Big Bob likes trucks and throwing balls, and Little Bob likes dolls and jingling bracelets, so they try to make their friendship last.

What Eric Knew James Howe 1985 After Eric

moves away he sends cryptic notes to Sebastian and David, who attempt to make sense of them by investigating a mysterious death.

Stage Fright Christine Poulson 2005-05-01 All is not well at Cambridge University's St. Ethelreda's College. The head of the English Department is dead, and Professor Cassandra James is appointed the task of running the department. Faced with the choice of whipping her underperforming colleagues into shape or losing the much-needed funding for the program, Cassandra resigns herself to the challenge. However, when she stumbles upon the former head's private papers and realizes that the death was no accident, Cassandra is forced to use her academic expertise of solving obscure literary puzzles for a very different purpose: tracking down a killer. "Poulson deftly keeps up the tension while manipulating the roles characters play on and off the stage: an academic cozy with attitude." - Kirkus Reviews

What a Trip, Amber Brown Paula Danziger

2011-09-01 Best friends Amber Brown and Justin Daniels are taking a vacation together! There's just one problem—Justin's little brother, Danny. He always wants to tag along. Can Amber find a way to make Danny go away so she can have Justin all to herself?

Nighty-Nightmare James Howe 2012-01-24 An overnight camping trip! Not Harold's idea of fun. Too many mosquitoes, ticks and cockleburrs. But when the Monroe family set out, their faithful dog Harold was with them, mostly because he remembered that camping could also bring s'mores and toasted marshmallows. Howie, the other family dog, and Chester the cat were also included in the trip. Only Chester thought the idea was completely insane. The woods, he informed Harold, were not only full of cockleburrs and ticks, but of spirits, evil spirits who prey on the innocent. And on this, the worst night of the year -- St. George's Eve, when all spirits are set loose -- who knew what could happen. What Harold knew was that Chester

was a well read, over-stimulated cat, full of weird ideas. He did not take Chester's worries too seriously. He had s'more to think about. But then, the Monroes set up camp near two strange men and their even stranger dog, and things began to happen that made even Harold wonder. Could Chester be right? This begins a long night, full of terrors and alarms, full of Chester's horrifying tale of how Bunnacula, the vampire bunny, was born and came to America, full of storms and a total sense of danger; and at the end came surprises that even Chester could not have predicted. Once again, the Monroe family may be the victims of evil forces or only of Chester's strange imagination. But whichever, the result is suspenseful and very, very funny.

Stage Fright James Howe 1995 First there were mysterious messages. Someone who knows a lot about movie star Michael Caraway's past is sending her unsigned notes. At first they appear to be innocent fan letters, but then they turn threatening. Next the accidents started

happening. To someone as superstitious as Michaela, it seems as if her new play is jinxed. But Sebastian Barth knows the backstage mishaps aren't accidents at all. Who's out to get the movie star? Sebastian has to find the answer, or opening night may mean the final curtain for the star.

Also Known as Elvis James Howe 2015-04-14

Skeezie Tookis navigates a pivotal summer of first crushes and tough choices in this conclusion to the bestselling and acclaimed quartet that began with *The Misfits*. Skeezie Tookis, also known as Elvis, isn't looking forward to this summer in Paintbrush Falls. While his best friends Bobby, Joe, and Addie are off on exciting adventures, he's stuck at home, taking care of his sisters and working five days a week to help out his mom. True, he gets to hang out at the Candy Kitchen with the awesome HellomynameisSteffi, but he also has to contend with Kevin Hennessey's never-ending bullying. And then there's the confusing world of girls, especially hot-and-cold Becca, his maybe-crush. And the dog that he misses terribly. And the dad who left two years before, whom Skeezie is

convinced is the cause of all his troubles. In the words of the King, Skeezie Tookis is All Shook Up. Skeezie's got the leather jacket of a tough guy, but a heart of gold--and his story, the fourth and final chapter of the beloved *Misfits* series, is brimming with life's tough choices, love in all directions, and enough sweet potato fries to go around.

Bunnicula Strikes Again! James Howe 2011-12-20 "Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnicula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen. And now, once and for all, Chester is determined to save the world from this threat. But why has Bunnicula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent

bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnacula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

Stage Fright James Howe 1993

Bunnacula Meets Edgar Allan Crow James Howe 2011-12-20 The Monroe house is going mad with excitement. Pete has just won a contest, and the prize is a school visit from none other than M. T. Graves, Pete's idol and the bestselling author of the *FleshCrawlers* series. He's even going to stay with the Monroes while he's visiting! Harold and Howie are thrilled, but Chester the cat is suspicious. Why does Graves dress all in black? Why doesn't the beady-eyed crow perched on his shoulder say anything? Why has a threatening flock of crows invaded the backyard? And most worrisome of all: In each of the *FleshCrawlers* books, why does something bad always happen to the pets? Suddenly, Graves's interest in all of

the animals -- especially Bunnacula -- looks far from innocent. It's up to Chester, Harold, and Howie to find out if M. T. Graves and Edgar Allan Crow are really devising a plot to make their beloved bunny. . . NEVERMORE.

Addie on the Inside James Howe 2012-07-24 Outspoken Addie Carle learns about love, loss, and staying true to herself as she navigates seventh grade, enjoys a visit from her grandmother, fights with her boyfriend, and endures gossip and meanness from her former best friend.

Dew Drop Dead James Howe 2012-01-24

Snooping around the mysteriously abandoned Dew Drop Inn, Sebastian Barth and his best friends, David Lepinsky and Corrie Wingate, are startled to come upon what they are certain is a dead body. Sebastian is the first to put into words what they all believe: A murder has been committed. When they return with the police, however, the body is gone! "A homeless man sleeping off a drink," is the police chief's explanation. But Sebastian and his friends are not ready to believe that. They are sure the body they saw was dead, not unconscious. As the three undertake their own further investigation, more and more questions arise: Who was the man? Was he alone? And most important of all, is there a connection between the man they saw and one or more of the homeless people Corrie's father, a minister, is trying to help? The answers to the questions do not come until the three have

made a number of discoveries, some of them more horrifying than they had expected. Dew Drop Dead is the fourth mystery in the Sebastian Barth series. Using rural Connecticut as a background, this tension-filled story is told with a unique blend of humor and seriousness, as it unravels a challenging puzzle and explores a difficult social problem.

But Patches may have her own ideas about whose cat she is.
