Gleanings in Bee Culture 1906

Bach Flower Remedies Julian Barnard 2004

"Today, disease and death control us ever more strongly with a litany of viruses, cancers, and heart disorders. The causes may be vaccinations, environmental poisons, despoliation of food, or pollution of the elements--earth, water and air. For Bach the cause was clear and it is clear today: 'It is only because we have forsaken Nature's way for man's way that we have suffered, and we have only to return to be released from our trials. In the presence of the way of Nature disease has no power; all fear, all depression, all hopelessness can be set aside. There is no disease of itself which is incurable.'"
--Julian Barnard In the 1920s, the physician and homeopath Dr. Edward Bach made his great discovery of the healing effects of various flower

essences. Intense and revelatory, his experiences in nature resulted in thirty-eight "flower remedies." He describes these as bringing courage to the fearful, peace to the anguished, and strength to the weak. But the therapeutic effects of the remedies were never limited to emotional states. They are equally effective in the treatment of physical disorders. Barnard begins the process of explaining this phenomenon. He describes how Bach made his discoveries and examines the living qualities of the plants in their context and how the remedies are actually produced. The result is remarkable. The author recounts his observations so that readers can experience, in a living way, the complex ways in which the remedy plants grow--their gestures and qualities, ecology, botany, and behavior. This exciting book is a trumpet call to attend to nature in a new way. Fully illustrated.

The Black Flower Howard Bahr 2018-04-24 A Confederate soldier confronts the horror of battle and the power of grace in this “poignant, haunting, and important” novel of the Civil War (The Tennessean, Nashville). A New York Times Notable Book and Winner of the William Boyd Award for Best Military Novel In November 1864, Gen. John Bell Hood’s Army of Tennessee prepares to launch an assault on Union forces near Franklin, Tennessee. Dirty, exhausted, and hungry, the Confederate soldiers form a line of battle across an open field. Among them stands Pvt. Bushrod Carter, a twenty-six-year-old rifleman from Cumberland, Mississippi. Against all odds, Bushrod has survived three years of war unscathed—but his luck is about to run out. Wounded in the battle, Bushrod is taken to a makeshift hospital on a nearby plantation. There, he falls under the care of Anna Hereford, who bears her own scars from years of relentless bloodshed and tragedy. In the grisly aftermath of

one of the Confederate army's most disastrous campaigns, Anna and Bushrod seek salvation and understanding in each other. Their fragile bond carries with it the hope of a life beyond the war, and the risk of a pain too devastating to endure. Written with profound empathy and meticulous attention to historical detail, *The Black Flower* brilliantly portrays the staggering human toll of America's bloodiest conflict. In his award-winning debut novel, "Howard Bahr casts a tale of war as powerful as any you'll ever find" (*Southern Living*).

There's Something About Cyrene . . . Two development teams have utterly vanished planet-side. A third is on the way to set things back on track. But ruthless mercenary "facilitator" Myles Callen and his crew are in for a surprise^{3/4}for they about to encounter a planet as magnificently strange as the vast alien artifacts

of Arthur C. Clarke or Stanislaw Lem's sentient oceans. And behind it all a new physical law so unexpected and fundamental that it may change the universe forever! New York Times best-seller James P. Hogan delivers another stunningly visionary tale in the grandest tradition of SF! At the publisher's request, this title is sold without DRM (Digital Rights Management). "Readers who like their science hard will find this one a diamond." ^{3/4} Publishers Weekly on James P. Hogan's *Mission to Minerva*.
