Congressional Record United States. Congress 1968

Albion's Seed David Hackett Fischer 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

My Antonia (□□□□□□) Willa Cather 2011-10-15

The Last Honest Woman Nora Roberts 2020-06-02 From #1 New York Times bestselling author Nora Roberts, a cynical reporter's relentless pursuit of the truth turns into an obsession with his subject—a young widow shadowed by secrets—in *The Last Honest Woman*, the first O'Hurley novel. Abigail O'Hurley Rockwell's husband was a racing car legend behind the wheel, winning championships with a fearless skill and speed that claimed his life in a tragic and—some would say—reckless crash. Heartbroken, Abby wants nothing more than to raise her two sons in peace, but journalist Dylan Crosby is penning a book about her infamous husband's life, determined to expose the man's hidden past. But Abby is not a spoiled trophy wife Dylan can easily charm. She is a woman of integrity and mystery desperate to keep him at arm's length—even as their desires for one another are on an unalterable collision course.

Cowboy Charm School Margaret Brownley 2019 "Texas Ranger Brett Tucker hates to break up a wedding, but the groom--notorious criminal Frank Foster--is a danger to any woman. So he busts into the church, guns blazing...only to find he has the wrong Frank Foster. Bride-to-be Kate Denver is appalled by her fiancée's over-the-top reaction and calls off the whole wedding. Guilt-ridden, Brett is desperate to get them back on track--but the more time he spends with Kate, the harder he falls...and the more he wants to convince her that he's her true match in every way. this is part of "The Haywire Brides" series."--

Brave Enemies Robert Morgan 2004 "Only sixteen years old, Josie Summers murders her abusive stepfather and, wearing his clothes to disguise herself as a man, flees the family farm. Almost immediately lost in the snowy woods, she accepts a young Methodist preacher's invitation to assist in his itinerant ministry. When Joseph's true identity is revealed, the Reverend John Trethman is racked with guilt at having shared his home with a young woman and then falling in love with her. His solution is to marry Josie, performing as both minister and bridegroom. Not long after their wedding, John is kidnapped by British soldiers and forced to minister to their wounded and bury their dead. Josie again disguises herself as a man and joins the North Carolina militia to avoid being taken for a spy. On January 17, 1781, in a wooded pasture called the Cowpens, Josie is gravely wounded in the patriots' victorious battle and despairs of ever seeing John again."--BOOK JACKET.

Alan S. Milward and a Century of European Change Fernando Guirao 2012 Twenty-five scholars from various disciplines analyze and explain to the reader many of the complexities of the research output of Alan S. Milward: the role of the modern European nation-state in the social, economic and political development of Europe since the 19th century; the overall social and economic impact of the two world wars; the reconstruction of Western Europe; the rationale behind the Marshall Plan and its long-term consequences; and the multidisciplinary study of the process of the political and economic integration of Europe in a long-term perspective and the essence of his pioneering contribution to reaching a better understanding of European economic and political history in the nineteenth and twentieth centuries

Book Club Box Set Alka Joshi 2020-07-20 Featuring two REESE WITHERSPOON x HELLO SUNSHINE book club picks, this exclusive collection includes compelling debut novels that will stay with you long after the last page. *The Henna Artist* Escaping from an abusive arranged marriage, seventeen-year-old Lakshmi makes her way from her 1950s rural village to the vibrant pink city of Jaipur. There she becomes the henna artist—and confidante—most in demand to the wealthy women of the upper class. Trusted with their secrets, she can never reveal her own... *The Cactus For Susan* Green, messy emotions don't fit into the equation of her perfectly ordered life. But suddenly confronted with the loss of her mother and the news that she is about to become a mother herself, Susan's greatest fear is realized: she is losing control. As her dismantled world falls further into a tailspin, Susan might have a chance at finding real love and learning to love herself, if only she can figure out how to let go.

Shotgun Groom Kristin Morgan 2011-07-15 PROPOSITION: BABY Beth Trahan was thirty-five, single...and in desperate need of the most perfect male to father her perfect baby. And she even knew exactly the right man—but did she have the nerve to enlist his help? Jack Kincaid had been her best friend—her hero—ever since he rescued her from a school bully. But Jack was a carefree bachelor who would never go for her crazy plan. Really, marrying her tall, handsome, blue-eyed buddy to spend long, passionate nights together to create a baby? What an utterly wacky—utterly...wonderful—thought!

Power 1983

In the Time of the Butterflies Julia Alvarez 2010-01-12 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

The Reconstruction of Western Europe, 1945-51 Alan S. Milward 1984-01-01

One Soldier's Story Jim Akers 2012-03-01 A small town Soldier's account of his Military stint, primarily during his time in the Vietnam War with the 9th Infantry Division in 1968-69. Put yourself in the shoes of a young man from Small Town, USA, who found himself in the middle of the Vietnam War. Relive his experience as an American soldier in the years 1968 and 1969 with his account of his time spent in Vietnam. A short version for School age kids as an educational tool..

The Pall Mall Budget 1887

The Rich Gal's Rented Groom Carolyn Zane 2012-07-01 THE BRUBAKER BRIDES This wealthy Texas family needs a good man to lasso their high-spirited daughter! "Call me a pampered princess and I'll swat you with my pearls." Patsy Brubaker She was the only daughter of a proud and prosperous Texas family, but poor Patsy just couldn't find a husband. Well, not in time for her high school reunion. And definitely not in time to give her those two brilliant children she'd claimed to have. Luckily, the rich gal was never without a plan. Patsy would simply convince rugged ranch foreman Justin Lassiter to pose as her weekend groom. She'd just have to be sure not to really fall in love with that marriage-resistant cowboy!

Persuaded to Sail: Book Three of Jane Austen's Fighting Men Jack Caldwell 2020-05-04 The long-awaited sequel to Jane Austen's final novel, Persuasion-After an eight-year separation and a tumultuous reunion, Anne Elliot marries the dashing Captain Frederick Wentworth. The pair looks forward to an uneventful honeymoon cruise aboard the HMS Laconia. But the bride and groom find the seas of matrimony rough. Napoleon has escaped from Elba, the country is at war with France again, and the Admiralty imposes on Wentworth a mysterious passenger on a dangerous secret mission. The good captain is caught between duty to his country and love for his wife. All eyes are trained for enemies without, but the greatest menace may already be on board...

So here's to the joyful wedding, the sensible wedding, the unbelievably fun wedding! A Practical Wedding is your complete guide to getting married with grace.

The Valley of the Mississippi Illustrated Henry Lewis 1967

Harper's Weekly John Bonner 1914

Wearing the Green Beret Jake Olafsen 2012-01-17 With the authenticity of Jarhead and Bravo Two Zero and the straight-up narrative of Contact Charlie, this military memoir describes what really goes on in the training of an elite soldier and his tours in Afghanistan. In 2004, Jake Olafsen signed up for the Royal Marines Commandos. He left everything behind at home in Canada on the basis of a spur-of-the-moment decision. The Royal Marines have the toughest and longest basic training of any infantry unit in the world. For Olafsen, this meant eight months of wet and cold in England and Wales. It was hell, but he came out with the four Commando qualities that the corps look for: courage, determination, unselfishness, cheerfulness in the face of adversity. Olafsen went on to serve for four years as a Commando in the Royal Marines, an elite military unit based in the United Kingdom. He went to Afghanistan twice: in 2006, he went to confront the Taliban in Helmand Province for six months, and in 2007, he was sent to do it all over again. His story is filled with good experiences, like the sense of accomplishment, patriotism, and camaraderie, and the opportunity to travel the world. But all good things come at a price. The sacrifices he made for the Corps are significant; he has killed the enemy and he has buried his friends. And in telling his story, Olafsen hopes that he can make sense of it all. This is an honest, gutsy story about the mud and the blood, the triumphs and the tragedies. From the Hardcover edition.

Defiance! G.H.F. Nichols 2015-08-31 George Nichols was an artillery officer serving with the 82nd Brigade, Royal Field Artillery. He was wounded in 1917, and returned to the guns in March 1918, just in time to experience the fury of the Kaiserschlacht, the great German offensive designed to knock the British army out of the war. Nichols wrote a powerful account of the Kaiser's last great offensive battle from inside the eye of the storm, and it is one of the few primary source accounts which are told from the often overlooked perspective of the British artillerymen. Nichols, with wonderful British reserve, records how the men of the Royal Field Artillery steadfastly manned their guns. Nichols

survived the onslaught and in 1919, was able to produce a full account of both the retreat and the British counter-attack which won back the lost ground. First published in 1919, while censorship was still in force, this wonderful primary source has long been out of print and it's welcome return makes for essential reading for anyone with an interest in the Great War.

American Fruit Grower 1904

The Air-Line to Seattle Kenneth S. Lynn 1984-10 In this controversial, wide-ranging, and fearlessly candid book, Kenneth S. Lynn argues that too many of our current commentators on the American past are out of touch with historical reality. His targets range from the currently fashionable but fantastic idea that the Declaration of Independence derives from a communitarian rather than individualistic philosophy to misinterpretations of the lives of Emerson, Walter Lippmann, Hemingway, and Max Perkins. In each case Lynn reveals the tendency of literary and intellectual historians to impose precooked formulas upon the evidence they profess to study.

LEAVES OF GRASS WALT WHITMAN 1892

Storm Warning Nora Roberts 2020-03-03 From #1 New York Times bestselling author Nora Roberts, Storm Warning is the thrilling novel of one woman's loving heart aroused by terrifying suspicion. Back in rural Virginia to take over her aunt's mountain inn, Autumn Gallagher is surprised to find the resort so full of guests—and shocked to discover Lucas McLean among them. A writer of extraordinary depth and talent, Lucas's way with words won Autumn's love in a passionate affair that he ended without warning. Three years later, she's still drawn to his dark intensity and desires him more than ever. But when a guest's dead body is discovered, Lucas becomes the police's prime suspect. And while Autumn still loves Lucas, she also has evidence that could convict him of murder...

Early Motion Pictures Library of Congress. Motion Picture, Broadcasting, and Recorded Sound Division 1985

Conundrums, Riddles and Puzzles Dean Rivers 1910

Composed of more than 600 objects dating from 1740 to 1945.

Musketry ...: Machine guns and their uses John Young (solicitor, of Edinburgh.) 1917

Remarks Bill Nye 1891

Aurora Floyd M E Braddon 2021-01-26 Mr. John Mellish reserved to himself one room upon the ground-floor of his house: a cheerful, airy apartment, with French windows opening upon the lawn; windows that were sheltered from the sun by a verandah overhung with jessamine and roses. It was altogether a pleasant room for the summer season, the floor being covered with an India matting instead of a carpet, and many of the chairs being made of light basket-work. Over the chimney-piece hung a portrait of John's father, and opposite to this work of art there was the likeness of the deceased gentleman's favourite hunter, surmounted by a pair of brightly polished spurs, the glistening rowels of which had often pierced the sides of that faithful steed. In this chamber Mr. Mellish kept his whips, canes, foils, single-sticks, boxing-gloves, spurs, guns, pistols, powder and shot flasks, fishing-tackle, boots, and tops; and many happy mornings were spent by the master of Mellish Park in the pleasing occupation of polishing, repairing, inspecting, and otherwise setting in order, these possessions. He had as many pairs of hunting-boots as would have supplied half Leicestershire with tops to match. He had whips enough for all the Melton Hunt. Surrounded by these treasures, as it were in a temple sacred to the deities of the race-course and the hunting-field, Mr. John Mellish used to hold solemn audiences with his trainer and his head-groom upon the business of the stable. It was Aurora's custom to peep into this chamber perpetually, very much to the delight and distraction of her adoring husband, who found the black eyes of his divinity a terrible hindrance to business; except, indeed, when he could induce Mrs. Mellish to join in the discussion upon hand, and lend the assistance of her powerful intellect to the little conclave. I believe that John thought she could have handicapped the horses for the Chester Cup as well as Mr. Topham himself. She was such a brilliant creature, that every little smattering of knowledge she possessed appeared to such good account as to make her seem an adept in any subject of which she spoke; and the simple Yorkshireman believed in her as the wisest as well as the noblest and fairest of women.
Dearborn Independent 1926

The Political Economy of Transitions to Peace Galia Press-Barnathan 2009-07 Much attention has focused on the ongoing role of economics in the prevention of armed conflict and the deterioration of relations. In *The Political Economy of Transitions to Peace*, Galia Press-Barnathan focuses on the importance of economics in initiating and sustaining peaceful relations after conflict. Press-Barnathan provides in-depth case studies of several key relationships in the post-World War II era: Israel and Egypt; Israel and Jordan; Japan, the Philippines, and Indonesia; Japan and South Korea; Germany and France; and Germany and Poland. She creates an analytical framework through which to view each of these cases based on three factors: the domestic balance between winners and losers from transition to peace; the economic disparity between former enemies; and the impact of third parties on stimulating new cooperative economic initiatives. Her approach provides both a regional and cross-regional comparative analysis of the degree of success in maintaining and advancing peace, of the challenges faced by many nations in negotiating peace after conflict, and of the unique role of economic factors in this highly political process. Press-Barnathan employs both liberal and realist theory to examine the motivations of these states and the societies they represent. She also weighs their power relations to see how these factor into economic interdependence and the peace process. She reveals the predominant role of the state and big business in the initial transition phase ("cold" peace), but also identifies an equally vital need for a subsequent broader societal coalition in the second, normalizing phase ("warm" peace). Both levels of engagement, Press-Barnathan argues, are essential to a durable peace. Finally, she points to the complex role that third parties can play in these transitions, and the limited long-term impact of direct economic side-payments to the parties.

Motion Pictures From The Library of Congress Paper Print Collection 1894-1912

The Princess Predicament Lisa Childs 2013-03-01 Passion, peril and a princess in hiding Forced into hiding after a threat to her life, Princess Gabriella St. Pierre must protect both herself and her unborn child. Working at an orphanage, the princess tries to suppress memories of a passionate night long ago with Whit Howell—her father's royal bodyguard and a man she never thought she'd see again. When an attempted abduction occurs as Princess Gabriella is leaving the orphanage, Whit rescues her and vows to keep her safe. But how can he shepherd the princess back to her country without knowing who is orchestrating these attacks...and why? It is the most important mission of his life—and he'd risk everything to save the one woman he can't live without.

Snaketrack Frank Bonham 1994

Persecuted Lisa Childs 2007-04-01 Elena Jones thinks that her dream-visions are why her life has been a living nightmare. She would do anything to stop them—anything to give her daughter a normal life. But when her dreams show her long-lost sisters in danger, Elena has the chance to transform her curse into a gift. To stop death, before it strikes. Joseph Dolce is her grandmother's right-hand man, with violence in his past and darkness in his soul. Elena dreams of him, too—sweeter dreams, but just as dangerous. Joseph doesn't want to be her knight in shining armor. But his generous lovemaking and selflessly heroic actions cause Elena to have a change of heart. Now, instead of seeing unwanted visions, she'll do everything in her power to make a special one come true....
