**Unvarnished** Emily Carr 2021-12-31 In vibrant prose and revealing detail, Emily Carr records delightful and insightful moments and encounters from her own life history.

*When Emily Carr Met Woo* Monica Kulling 2014-04-15 Emily Carr is one strange bird. She makes paintings nobody wants, keeps a houseful of animals, and often disappears into the woods in a tiny house on wheels. But even those used to Emily's eccentricities are surprised when she comes home from a trip to buy birdseed with a small, lonely monkey. In Emily's rambunctious household, Woo the monkey is not lonely for long. She snatches at the parrot's feathers, chases the dogs and cats - and completely wins Emily's big heart. But when Woo's mischief turns dangerous, Emily fears she may lose the little friend who brings her so much joy. Will the strength of Emily's love, and Woo's own strength, be enough to save her? In *When Emily Carr Met Woo*, BC illustrator Dean Griffiths's watercolours capture the mood of the 1920's with historical details of Victoria and its surroundings. Monica Kulling, using prose as simple and expressive as Emily's own brush strokes, retells the true story of one of Canada's most beloved artists - and of her most beloved pet. The book includes historical photos throughout and concludes with a biography of Emily Carr.

**From the Forest to the Sea** Ian Dejardin 2014 Published in conjunction with the exhibition at Dulwich Picture Gallery on November 1, 2014-March 8, 2015 and Art Gallery of Ontario on April 11-July 12, 2015.

*Emily Carr and Her Dogs* Emily Carr 2009-07-01 This delightful book combines 25 stories about dogs with 16 playful drawings by famous Canadian writer, artist, and animal lover Emily Carr. She tells of her joys and tribulations raising Old English sheepdogs, from her decision to start a kennel to the sad day when she had to close it. With each story Carr brings the affectionate and loyal nature of her canine companions to life, making this book an ideal choice for any dog lover, child, or adult.

*The Art of Emily Carr* David Stacton 1950

*Hundreds and Thousands* Emily Carr 2009-12-01 Emily Carr's journals from 1927 to 1941 portray the happy, productive period when she was able to resume painting after dismal years of raising dogs and renting out rooms to pay the bills. These revealing entries convey her passionate connection with nature, her struggle to find her voice as a writer, and her vision and philosophy as a painter.

*The Complete Writings of Emily Carr* Emily Carr 1997-01-01

**Discovering Emily** Jacqueline Pearce 2004-09 At the age of eight, Emily Carr struggles to develop her artistic ability within a strict family and in a conservative time.

*Emily Carr* Kiriko Watanabe 2019 In 1911, Emily Carr returned from a sixteen-month trip to France with a new understanding of French Modernism and a radically transformed painting style that infused her later representations of Northwest Coast First Nations communities in British Columbia. *Emily Carr: Fresh Seeing?* French Modernism and the West Coast showcases this dramatic evolution by presenting works Carr produced before, during, and after her artistic explorations in France.00Exhibition: Audain Art Museum,

Whistler, Canada (21.09.2019-19.01.2020).

*When Emily Was Small* Lauren Soloy 2020-06-23 A joyful frolic through the garden helps a little girl feel powerful in this beautiful picture book that celebrates nature, inspired by the writings of revered artist Emily Carr. Emily feels small. Small when her mother tells her not to get her dress dirty, small when she's told to sit up straight, small when she has to sit still in school. But when she's in the garden, she becomes Small: a wild, fearless, curious and passionate soul, communing with nature and feeling one with herself. She knows there are secrets to be unlocked in nature, and she yearns to discover the mysteries before she has to go back to being small . . . for now. *When Emily Was Small* is at once a celebration of freedom, a playful romp through the garden and a contemplation of the mysteries of nature.

*Seven Journeys* Doris Shadbolt 2002 Distinguished art critic Doris Shadbolt has chosen 85 drawings from Carr's sketchbooks, those which particularly reveal the wellsprings of her inspiration. In an introductory essay and commentary for each of Carr's seven journeys along the British Columbia coast, Shadbolt's inspired text evokes the intimacy and immediacy of the drawings themselves, and takes us close to the heart of Emily Carr. Emily Carr (1871-1945) was an extraordinary Canadian artist and writer who has become a national cultural icon. Among the collections of Emily Carr material at the British Columbia Archives is a special cache of thirteen small drawing books. The sketches in these volumes were done quickly to catch the features of a passing scene, to note the form and rhythms of a tree, as preliminary experiments in handling complex visual material. As indicators of a part of Carr's process of making art, and as notes of several significant trips made during a turning point in her life as an artist, they are fascinating and illuminating. In that critical period, between 1927 and 1930, Carr made seven journeys -- several to isolated Native villages in coastal British Columbia, two to eastern Canada to meet fellow artists in the Group of Seven, and one metaphorical journey that was an intrinsic part of all the others -- to nature itself. On these travels and sketching trips, she used her drawings as part of the process of working out ideas, techniques and themes to develop the mature painting style that was uniquely hers.

*The Art of Emily Carr* Doris Shadbolt 1979 Excerpts from Carr's own writings combined with reproductions of over 200 works.

**Emily Carr** Anne Newlands 1996 Grade level: 6, 7, 8, 9, 10, 11, 12, e, i, s.

*Emily Carr. Her Paintings and Sketches. Published for the National Gallery of Canada and the Art Gallery of Toronto, Etc. [The Catalogue of an Exhibition, with Essays by Ira Dilworth and Lawren Harris, and Illustrations.]* National Gallery of Canada 1945

**Opposite Contraries** Emily Carr 2009-07-01 Collected from Emily Carr's private and public writings, these previously unpublished pieces reveal the outspoken artist at her most forthright. Expurgated sections from Carr's journals detail her anguished meditations on her spiritual mission, musings about Native culture and the white community's reaction to it, and thoughts about her family. Her groundbreaking 1913 "Lecture on Totems", her first recorded writing on Native art and people, is also included, as are some of her most fascinating letters to friends and colleagues.

*Beloved Land* Emily Carr 1996 *Beloved Land: The World of Emily Carr* celebrates the art and writing of a great artist who dedicated her life to portraying the powerful majesty of the coastal landscape, the lush rain forest and the monumental totem poles created by the native people of British Columbia. The 40 full-colour

paintings chosen for this book from the collection of the Vancouver Art Gallery are among Emily Carr's most popular, and they are accompanied by short quotations from her writing. The introduction by Robin Laurence presents revealing insights into the life of this unconventional and gifted woman.

**Growing Pains** Emily Carr 2009-12-01 This autobiography by Emily has been called "probably the finest... in a literary sense, ever written in Canada." Completed just before Emily Carr died in 1945, *Growing Pains* tells the story of Carr's life, beginning with her girlhood in pioneer Victoria and going on to her training as an artist in San Francisco, England and France. Also here is the frustration she felt at the rejection of her art by Canadians, of the years of despair when she stopped painting. She had to earn a living, and did so by running a small apartment-house, and her painful years of landladying and more joyful times raising dogs for sale, claimed all her time and energy. Then, towards the end of her life, came unexpected vindication and triumph when the Group of Seven accepted her as one of them. Throughout, the book is informed with Carr's passionate love of and connection with nature. Carr is a natural storyteller whose writing is vivid and vital, informed by wit, nostalgic charm, an artist's eye for description, a deep feeling for creatures and the foibles of humanity--all the things that made her previous books *Klee Wyck* and *Book of Small* so popular and critically acclaimed.

**The Art Room** Susan Vande Griek 2019-08 For any child who loves art, it would be the gift of a lifetime to be able to study with a great contemporary artist. This delightful story-poem recreates the wonderful world of "the art room," where famous Northwest Coast painter Emily Carr taught drawing and painting to children to support herself in the early 1900s. Filled with Carr's love of animals, her insistence on painting from life and nature, and the sense of fun and freedom that she inspired in her young students, author Susan Vande Griek provides a fascinating glimpse into the life of this extraordinarily gifted artist. It is also a book bound to inspire today's children to make an "art room" of their own. Illustrator Pascal Milelli has brilliantly accomplished the very difficult job of painting a book about a painter. His rich style is a perfect foil for the work that Carr was doing at the time. This book reminds us of what a joyous experience art can be, and can serve as an inspiration to children who love to look at the world and try to reflect its beauty in their own creations. This edition features an updated font and an author's note.

**Paintings by Emily Carr** Emily Carr 19??

**Extraordinary Canadians: Emily Carr** Lewis DeSoto 2009-02-17 Mad, bad, and dangerous to know is how Victorian society dismissed Emily Carr. Lewis DeSoto, a painter and novelist, sees Emily Carr as a woman in search of God, freedom, and the essence of art. Her quest to be an independent woman and a modern artist takes her from the studios of Paris to deep inside the remote Native villages of the West Coast forests. It is a lifetime journey of almost mythic proportions in which she struggles to define not only herself but also her country. A creator of extraordinary power, a seeker of mystical truth, a woman of unusual courage, Carr is revealed as one of those unique individuals who articulate the symbols and images by which Canada knows itself.

**Emily Carr** Lisa Baldissera 2021-10-29 Emily Carr (1871--1945) is one of Canada's most beloved artists. An independent woman and a Westerner who gained prominence at a time when female painters were not recognized internationally, her life and work reflect a profound commitment to the land she knew and loved. Carr's sensitive evocations reveal an artist grappling with spiritual questions inspired by the Canadian sea, land, and people. Although more than half a century has passed since her death, any artist who engages with the West Coast must contend with her legacy. Her paintings continue to inspire generations of artists. Along with the Group of Seven, Carr became a leading figure in Canadian modern art in the early twentieth century. *Emily Carr: Life & Work* traces the artist's trajectory from her life in Victoria, where she struggled to receive acceptance, to her status as one of Canada's most influential painters. With insight and intelligence, author Lisa Baldissera explores how although during Carr's life she endured hardship, personal isolation, and rejection, she persevered to create an iconic vision for the nation. This book explores how Carr travelled extensively, learning from European, American, and Indigenous forms and receiving formal training at art academies as well as from private tutors. In doing so, she continued to grow in artistic power as a result of her own intense observation and of her vigorous experimentation with a variety of methods and media, reflecting the fusion of wide-ranging influences. Baldissera reveals why Carr's art remains relevant today and its legacy interests many contemporary West

Coast artists.

**The Emily Carr Collection** Emily Carr 2002

**Emily Carr** Maria Tippett 1994 *Emily Carr: A Biography* is a remarkable portrait of one of Canada's most celebrated artists.

**Pause** Emily Carr 2022-08-16 DigiCat Publishing presents to you this special edition of "Pause" (A Sketch Book) by Emily Carr. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Emily Carr and Raven** Catherine Wilson 2021-07

**Carr, O'Keeffe, Kahlo** Sharyn Rohlfen Udall 2000-01-01 Carr, a Canadian, O'Keeffe, an American, and Kahlo, a Mexican, were not close during their lives, but Udall (an independent art historian in Santa Fe, New Mexico), in this carefully reasoned and illuminating study, effectively brings many aspects of the artists' works together to demonstrate a kind of zeitgeist they shared as women developing often surprisingly similar, non-traditional themes in the 1920s. Links between their works are developed in the areas of nationalism, identity, gender, nature, and self through discussion of their paintings, psychology, and artistic influences. Annotation copyrighted by Book News Inc., Portland, OR

**Emily Carr** Cat Klerks 2015-10-06 This is the story of a rebellious girl from British Columbia who travelled the world in pursuit of her calling only to find her true inspiration in the Canadian landscape she'd left behind. Both a prolific painter and an accomplished writer, Carr was more comfortable in the raw wilderness than in the tea rooms of London, and more at home with her unique pets than with the people around her. Despite numerous setbacks and disappointments, she persevered to become the West Coast's most celebrated artist—and a Canadian icon. Her story is a testament to individuality and an inspiration to all.

**Emily Carr As I Knew Her** Carol Pearson 2016-05 An intimate and heartwarming collection of memories that puts one of Canada's most beloved and iconic artists into a whole new light. In 1916, Emily Carr wasn't famous. She was poor, and she taught art classes to children. One of her students was seven-year-old Carol Pearson. Pearson spent hours every day with Carr: they painted together at the water's edge, and she helped care for the dogs, birds, monkey and other animals that Carr kept as pets. They grew very close, and at the age of 14, Carol moved in with Carr. Emily nicknamed Carol "Baboo," and Carol called her "Mom." The two were "mother-and-daughter" for twenty-five years, up until Carr passed away. This touching tribute to Carr illustrates a gentleness and sensitivity not seen in other biographies. Originally published in 1954, this very unique biography reveals Carr's personality more fully than any other.

**M.E.; a Portrayal of Emily Carr** Edythe Hembroff-Schleicher 1969 Biographical account of an artist's struggle against despair and loneliness.

**Emily Carr** Kate Braid 2001-01-01 As a child she was "contrary," as a young woman she defied convention to choose art over marriage, and as a middle-aged woman she was considered a full-blown eccentric. Listening to her own inner voice, Emily Carr created an art unique to British Columbia.

**Artist Emily Carr and the Spirit of the Land** Phyllis Marie Jensen 2015-12-14 Emily Carr, often called Canada's Van Gogh, was a post-impressionist explorer, artist and writer. In *Artist Emily Carr and the Spirit of the Land* Phyllis Marie Jensen draws on analytical psychology and the theories of feminism and social constructionism for insights into Carr's life in the late Victorian period and early twentieth century. Presented in two parts, the book introduces Carr's émigré English family and childhood on the "edge of nowhere" and her art education in San Francisco, London and Paris. Travels in the wilderness introduced her to the totem art of the Pacific Northwest coast at a time Aboriginal art was undervalued and believed to be disappearing. Carr vowed to document it before turning to spirited landscapes of forest, sea and sky. The second part of the book presents a Jungian portrait of Carr, including typology, psychological complexes, and archetypal features of personality. An examination the individuation process and Carr's embracement of transcendental philosophy reveals the richness of her personality and artistic genius. *Artist Emily Carr and the Spirit of the Land* provides captivating reading for analytical psychologists, academics and students of Jungian studies, art history, health, gender and women's studies.

**Sister and I in Alaska** Emily Carr 2014 Full of humor and delight, with a playful text and whimsical full color illustrations, *Sister and I in Alaska* documents Emily and Alice's trip to Skidegate, Juneau, and places beyond, an adventure that proved seminal in the development of Carr as one of the foremost painters of the last century.

Emily Carr Jo Ellen Bogart 2003-09-23 Shortlisted for the 2005-2006 Red Cedar Book Award, Nonfiction Selected as Honour Book by the Children's Literature Roundtable Information Book of the Year The brilliant artist Emily Carr lived at the edge. When she was born, in 1871, Victoria, British Columbia was a small, insular place. She was at the edge of a society that expected well-bred young ladies to marry. For years, she was at the edge of the world of artists she longed to join. Emily Carr's life was not an easy one. She struggled against a family that did not approve of her art and against poor health. She found her pleasures in her many pets - a Javanese monkey named Woo, parrots, and many beloved dogs. Later, she would meet the artists of the Group of Seven and among them find her soul mates. When illness put a stop to her painting, she found expression and comfort in her writing. Her book *Klee Wyck* received Canada's highest literary honor - the Governor General's Award. *Emily Carr: At the Edge of the World* is an introduction to this remarkable artist and her paintings.

**The Art Room** Susan Vande Griek 2019-08-01 The Art Room delights readers with a glimpse into the world of artistic expression, fun and freedom that renowned Northwest Coast artist Emily Carr created for her students. For any child who loves art, it would be the gift of a lifetime to be able to study with a great contemporary artist. This delightful story-poem recreates the wonderful world of "the art room," where famous Northwest Coast painter Emily Carr taught drawing and painting to children to support herself in the early 1900s. Filled with Carr's love of animals, her insistence on painting from life and nature, and the sense of fun and freedom that she inspired in her young students, author Susan Vande Griek provides a fascinating glimpse into the life of this extraordinarily gifted artist. It is also a book bound to inspire today's children to make an "art room" of their own. Illustrator Pascal Milelli has brilliantly accomplished the very difficult job of painting a book about a painter. His rich style is a perfect foil for the work that Carr was doing at the time. This book reminds us of what a joyous experience art can be, and can serve as an inspiration to children who love to look at the world and try to reflect its beauty in their own creations. This edition features an updated font and an author's note. Key Text Features biographical note Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.1.7 Use illustrations and details in a story to describe its characters, setting, or events. CCSS.ELA-LITERACY.RL.2.4 Describe how words and phrases (e.g., regular beats, alliteration, rhymes, repeated lines) supply rhythm and meaning in a story, poem, or song.

*Four Pictures by Emily Carr* Nicolas Debon 2006-12 A biography of Canadian painter Emily Carr.

*The House of All Sorts* Emily Carr 2022-06-03 Emily Carr in this book talks about her challenging days as a landlady with the parade of tenants causing distractions on her passion as a painter. The Canadian painter and writer reiterate how the building she purchased for living in pursuit of her passion became a place where she cleaned up other people's mess. Filled with over 40 incredible stories that both the old and young will learn from.

*This and That* Emily Carr 2011-02-01 Once available and appreciated only by researchers, these stories remained buried in the British Columbia Archives until 2007. Finally, readers are given a new glimpse into Emily Carr's life with this collection.. Carr began to write these stories in the last two years of her life. She wrote of the project: ... they are too small each to be taken singly, but each, complete in itself, serves to ornament life which would be a drab affair without the little things we do not even notice or think of at the time but which old age memory magnifies. This collection illuminates her life and is available to all in *This and That: The Lost Stories of Emily Carr*. Enter Emily's world with stories like *Father's Temper*, *The First Snow and Smoking with the Cow*, stories in which she reveals details of her family life, school days, her fascination with nature, animals she loved and how she learned to smoke.
