**Shifting Worlds, Shaping Fieldwork** Susan Ossman 2021-04-19 Reflecting on fieldwork for the twenty-first century, anthropologist and artist Susan Ossman invites readers on a journey across North Africa, Europe, the Middle East, and North America. She reveals that fieldwork today is not only about being immersed in a place or culture; instead, it is an active way of focusing attention and engendering encounters and experiences. She conceives a new kind of autoethnography, making art and ethnography equal partners to follow three "waves" of her research on media, globalization, and migration. Ossman guides the reader through diverse settings, including a colonial villa in Casablanca, a Cairo beauty salon, a California mall-turned-gallery, the Berlin Wall, and Amsterdam's Hermitage museum. She delves into the entanglements of solitary research and collective action. This book is a primer for current anthropology and an invitation to artists and scholars to work across boundaries. It vividly shows how fieldwork can shape scenes for experiments with multiple outcomes, from conceptual advances to artworks, performances to dialogue and community making.

**Footsteps to the Jungle** Penelope Worsley 2010-12-08 Born in Cairo in 1942, Penelope

married Oliver Worsley and went to live in Yorkshire, where they had four children.

**Footsteps to the Jungle** traces Penelope's earlier life, the discovery of Huntington's Disease, the death of her son Richard and what led her to set up an international charity in his memory. The Karen Hilltribes Trust is focused on helping the Karen people in the mountainous area of northwest Thailand to help themselves to build a better future. This illustrated book is a personal story that shares tragedy, illness and challenges, resulting in the huge rewards of working with others.

**Adventure Guide to Costa Rica** Bruce Conord 2002-03 Annotation Adventure Guides are the perfect travel companion for the modern explorer. Whether you're looking to backpack around your home state or boost the number of stamps in your passport by traveling overseas, these books will heighten your travel experience. Our team of knowledgeable authors offers comprehensive introductions that cover history, geography, climate, when to go, transportation, planning and culture. Region-by-region, the books then delve into the heart of the area, with driving tours and side trips to the best museums, historic sites and shops. But the focus is on activities, and you'll learn about the best spots for diving, snorkeling, horseback riding, hiking, biking, rock climbing and more. Extensive listings of recommended tour operators, too. Select places to stay and eat, as well as regional festivals and celebrations. The definitive handbook. Looks at everything, from the various cuisines and unusual history to the enduring

culture and superb beaches. Dance in the Fiesta de los Negritos, sample tapa dulce, stay in a rain forest lodge. Incredible detail on plant and animal life.

The Secret Life of Siegfried and Roy Jimmy Lavery 2008 The Secret Life of Siegfried and Roy reveals the touching, little-known story of how two youngsters founded a friendship, a franchise, and a tempestuous on-and-off love affair that would last a lifetime.

**Stained Glass Art** Yvonne Williams 2001 Includes sixteen black and white drawings of tropical plants and animals in stained glass style that can be colored with markers, then removed on perforations, matted, and displayed in front of a window or other light source.

*Art of Latin America* Marta Traba 1994-01-01 Marta Traba, one of Latin America's most controversial art critics, examines the works of over 1,000 artists from the first 80 years of the 20th century. This book is an indispensable reference for anyone interested in studying the evolution of Latin American art.

*USA by Rail* John Pitt 2008 Fully updated to take into account route and timetable changes, this is the only book specifically designed for US train travel. Rugged charm sets the train apart from more mundane means of transport and its low environmental impact is of particular current interest. Pampered by helpful attendants, you can travel from coast to coast, explore the Rocky Mountains and ride directly alongside two oceans. Less expensive than flying and more comfortable than the bus, the train keeps you relaxed and in touch with an ever-changing landscape as the world becomes a framed but moving picture.

**Double Vision** William Middleton 2018-03-27 **\*\*NAMED ONE OF THE BEST ART BOOKS OF THE DECADE BY ARTNEWS\*\*** The first and definitive biography of the celebrated collectors Dominique and John de Menil, who became one of the greatest cultural forces of the twentieth century through groundbreaking exhibits of art, artistic scholarship, the creation of innovative galleries and museums, and work with civil rights. Dominique and John de Menil created an oasis of culture in their Philip Johnson-designed house with everyone from Marlene Dietrich and René Magritte to Andy Warhol and Jasper Johns. In Houston, they built the Menil Collection, the

Rothko Chapel, the Byzantine Fresco Chapel, the Cy Twombly Gallery, and underwrote the Contemporary Arts Museum. Now, with unprecedented access to family archives, William Middleton has written a sweeping biography of this unique couple. From their ancestors in Normandy and Alsace, to their own early years in France, and their travels in South America before settling in Houston. We see them introduced to the artists in Europe and America whose works they would collect, and we see how, by the 1960s, their collection had grown to include 17,000 paintings, sculptures, drawings, photographs, rare books, and decorative objects. And here is, as well, a vivid behind-the-scenes look at the art world of the twentieth century and the enormous influence the de Menils wielded through what they collected and built and through the causes they believed in.

**A Dictionary of Modern and Contemporary Art** Ian Chilvers 2009 This unique and authoritative reference work contains more than 2,000 clear and concise entries on all aspects of modern and contemporary art. Its impressive range of terms includes movements, styles, techniques, artists, critics, dealers, schools, and galleries. There are biographical entries for artists worldwide from the beginning of the 20th century through to the beginning of the 21st, from the Finnish architect Alvar Aalto to the French sculptor Jacques Zwobada. With international coverage, indications of public collections and publicly sited works, and in-depth entries for key topics (for example, Cubism and abstract art), this dictionary is a fascinating and thorough guide for anyone with an interest in modern and contemporary culture, amateur or professional. Formerly the Dictionary of 20th Century Art, the text has been completely revised and updated for this major new edition. 300 entries have been added and it now contains entries on photography in modern art. With emphasis on recent art and artists, for example Damien Hirst, it has an exceptionally strong coverage of art from the 1960s, which makes it particularly ideal for contemporary art enthusiasts. Further reading is provided at entry level to assist those wishing to know more about a particular subject. In addition, this edition features recommended web links for many entries, which are accessed and kept up to date

via the Dictionary of Modern Art companion website. The perfect companion for the desk, bedside table, or gallery visits, A Dictionary of Modern and Contemporary Art is an essential A-Z reference work for art students, artists, and art lovers.

The Book of Ian Watson Ian Watson 2011-09-29 British Science Fiction award winner Ian Watson graces us here with a brilliant new collection of short stories and essays. Though he dazzles the reader with his footwork in the kaleidoscope intensity of his vision, each piece is plainly the work of a master craftsman. Whether he is dealing with a future culture where whales control us ("The Culling") or taking a hilarious poke at the matter of government funding ("The President's Not for Turning"), his concepts are clear and undeniably logical. True to the highest ideal of science fiction, Watson carries present tendencies of our society to possible conclusions in "Roof Gardens under Saturn," and points a warning finger at the consequences of alienation from the environment. In an innovative style which borders on the experimental, Watson explores in "The Pharaoh and the Mademoiselle" the horrors of fascism. Ian Watson's writing stays with us. He entertains and he makes us think. If in some future and better world politicians were to take advice from writers, Watson should be one of them.

The Rough Guide to Australia Margo Daly 2011-09-01 The Rough Guide to Australia is the indispensable travel companion to this vast, stunning, totally unique destination. Jungle Paths and Palace Treasures Mary Stickney 2001-05 When Mary Sellers' husband was offered a Foreign Service position, she was ecstatic. The couple and their children headed for India anticipating whatever might lie ahead. They found the adventure of a lifetime. In a world of fabulous palaces, temples, crowded towns and remote jungles, they coped with monsoons, stalking tigers and strange customs. There were moments of despair, moments of joy and moments of terror. They traveled thousands of miles throughout the heart of India, sometimes on tracks so impassable they had to park the jeep and walk through the jungle. As the family encountered a mysterious land, they learned from their experiences and the individuals they came to know and love. The book offers readers a chance to share the romance, beauty and surprises of a journey that changed this family's lives forever.

*Impact of Christianity on Indian and Australian*

*Societies* Ashok Rathore 2017-02-16 This book

by Professor (Dr.) Ashok Rathore compares

influence of Christianity on Australian

Dreamtime belief and Indian Hinduism (Sanatan

Dharm) religion. This is innovative work of

theology and sociology with mature

understanding of Christianity in two Indian

subcontinents and Australian continent. The

author has worked in America, Australia, and the

Philippines and interacted with people of various

faiths and religions (Jews, Christians,

freemasons, Mormons, Jehovah's Witnesses,

Buddhists, Unitarians, atheists, and numerous

movements). Being a skeptic, the author always

asked this question: where and why do we differ

and have different religions, and where do we

converge? In the world, with over two billion

Christians, why is Christianity so popular

worldwide? Why does Christianity remained

stagnant at 2.3 percent in India? Whereas

Christianity arrived in Australia only 227 years

ago from Britain and over 70 percent Aborigines

were converted to Christianity. The book evince

There is no relative superiority of one religion

over another. The world needs is a fellowship of

faiths for a common goals for a global ethic

which rejects conflict, revenge, aggression and

retaliation with the foundation of love. The book

is expected to serve as an important component

to improve relationship for theologians, biblical

scholars of different religions at an international

level in both countries so that a common set of

core values is found in the teachings and

understanding of different religions and this will

form the basis of a global ethic as recommended

by the 1993 Parliament of the World. India is

called the Land of Faith and Religion. One can

witness the Indians practicing almost all the

religions prevalent in the present world -

Hinduism, Judaism, Islam, Christianity

Buddhism, Jainism, Zoroastrianism, Sikhism and

many others (including many movements and cults). Christianity's greatest contribution to our understanding of God is, Jesus of Nazareth.
