Murder on the Aphrodite Ruth Burr Sanborn 1935

Aphrodite Kaitlin Bevis 2016-03-18 It's not easy being perfect . . . But Aphrodite is determined to prove that she's more than just a pretty face. So when she's asked to investigate strange events occurring on cruise ships, she's all over it. Little does she guess just how much this mission is going to cost her . . . The problem--demigods are mysteriously disappearing. Prepared to investigate, Aphrodite manages to charm herself into the best room on the ship. Unfortunately, the room is already taken. It belongs to the one demigod immune to her charm: Adonis.

Aphrodite doesn't know what to make of Adonis. He obviously disapproves of her . . . yet he saved her life. And he's hot! Then again, Aphrodite is still reeling from a disastrous--yet incredible--fling with Ares. Gods, these men are going to be the death of her. But then Aphrodite realizes that Adonis could be the next target, and her investigation becomes personal. Only the more she uncovers, the clearer it gets that she's in over her head. Confronted with a strange and powerful new opponent, Aphrodite realizes she might not be as immortal as she thought. And Adonis may not be the one who needs saving . . . "Everyone needs to check this book out. I can't rave enough about it. Bevis is definitely a new talent to keep an eye out for. I give this 5/5." Sarah Brown @ Head Stuck in a Book "This story will completely suck you in . . . This book is the first of a trilogy, and I can't wait to see what's in store for these amazing characters." Amazon Top Reviewer, Melissa Groeling, Author of Beauty Marks "I congratulate Kaitlin Bevis on completely fooling me with such clever plotting. I await the third book, *The Iron Queen*, with great anticipation."--Rally the Readers Review on Daughter of Earth and Sky "This is a series that has really taken me by surprise. Persephone and Hades will work their way under your skin, and their story will keep you addicted from beginning to end."--Readers Live 1000 Lives on *The Iron Queen* Kaitlin Bevis spent her childhood curled up with a book and a pen. If the ending didn't agree with her, she

rewrote it. Because she's always wanted to be a writer, she spent high school and college learning everything she could to achieve that goal. After graduating college with Masters in English, Kaitlin went on to write The Daughters of Zeus series. kaitlinbevis.com

The Aphrodite Syndrome Jessica Parker 2020-01-02 The Aphrodite Syndrome is a short collection of poetry and prose spanning from the subjects of love to heartbreak, and everything intertwined in between. By using vivid, beautiful, and sometimes grotesque imagery, The Aphrodite Syndrome, puts words to those feelings we often don't know how to describe. You may never look at moths, ghosts, and the Greek goddess of love and beauty the same.

The Aphrodite Cargo Alexander Fullerton 2018-08-02 What price for the treasures of the Aphrodite Cargo? Tom Clunker, a former wartime member of the Special Boat Squadron, is in intensive care after a savage beating. With the hospital being surveyed constantly, the watcher's interest is transferred to Mike Clunker - who from his dying father's ravings has picked up fragments of a story about a cargo of Nazi loot, lost off the Greek island of Aphos forty years previously. Knowledge of the Aphrodite cargo could leave Mike Clunker fabulously rich - or end his life... A pulsating piece of classic action storytelling, The Aphrodite Cargo is perfect for fans of Dan Brown, Clive Cusler and Chris Kuzneski.

Chasing Aphrodite Jason Felch 2011-05-24 A "thrilling, well-researched" account of years of scandal at the prestigious Getty Museum (Ulrich Boser, author of The Gardner Heist). In recent years, several of America's leading art museums have voluntarily given up their finest pieces of classical art to the governments of Italy and Greece. Why would they be moved to such unheard-of generosity? The answer lies at the Getty, one of the world's richest and most troubled museums, and scandalous revelations that it had been buying looted antiquities for decades. Drawing on a trove of confidential museum records and candid interviews, these two journalists give us a fly-on-the-wall account of the inner workings of a world-class museum, and tell a story of outlandish characters and bad behavior that could come straight from the pages of a thriller. "In an authoritative account, two reporters who led a Los

Angeles Times investigation reveal the details of the Getty Museum's illicit purchases, from smugglers and fences, of looted Greek and Roman antiquities. . . . The authors offer an excellent recap of the museum's misdeeds, brimming with tasty details of the scandal that motivated several of America's leading art museums to voluntarily return to Italy and Greece some 100 classical antiquities worth more than half a billion dollars." —Publishers Weekly, starred review "An astonishing and penetrating look into a veiled world where beauty and art are in constant competition with greed and hypocrisy. This engaging book will cast a fresh light on many of those gleaming objects you see in art museums." —Jonathan Harr, author of The Lost Painting

The Aphrodite of Aphrodisias Lisa R. Brody 2007

The Aphrodite Project Belinda McBride 2016-05-17 In a wicked game, the God of Love falls to his own arrow, and a gentle scholar learns how dangerous knowledge can be. Aphrodite has had it. It was bad enough that her son Eros walked a fashion show in drag, but did he really have to show the entire world his wings? Desperate to rein in the impulsive young god, she recruits the scholarly muse Rees to lure him back to Olympus until the scandal dies down. After hundreds of years, Eros has finally located the reincarnation of his former love, Psyche. The only way to her heart is through fame, so the God of Love plans a daring campaign to win her back. Yet the closer he gets to Psyche, the more he's drawn to a geeky young professor who came crashing into his life. Eros drags Rees into his wicked world of high fashion and risque parties, only to expose him to danger from an unexpected source. When Rees' secrets come out, they threaten to destroy Eros' love for him. Yet when Rees is kidnapped, Eros is forced to turn to the woman who set this catastrophe in motion—his mother, Aphrodite."

Aphrodite the Beauty Joan Holub 2010-08-03 Well-researched and true to the original myths, each volume in the Goddess Girls series addresses contemporary issues like friendships and relationships from a classically accurate—and entertaining—perspective. In Aphrodite the Beauty, Aphrodite, goddessgirl of love, must deal with jealousy after giving Athena a makeover. It doesn't seem fair that the godboys pay more

attention to her friend when Aphrodite is supposed to be destined for love! She also copes with a crush from an unlikely source—the nerdy Hephaestus (god of the smith)—and learns that love comes in many forms.

Aphrodite Charles River Charles River Editors 2017-06-04 *Includes pictures *Includes ancient descriptions of the goddess and myths *Includes online resources and a bibliography for further reading "However impious the apotheosis of sexuality may seem in the light of the Christian tradition, modern sensibility can nevertheless also appreciate how in the experience of love the loved one and indeed the whole world appears transfigured and joyously intensified, making all else seem insignificant, a tremendous power is revealed, a great duty." Attempting to cover all the forms the "Goddess of Love" encapsulates is no small affair. The roles she played in romance, marriage, procreation, and all of the other desires of humanity were myriad, but the aim of this book is to paint a slightly different, perhaps more esoteric version of Aphrodite from the usual image of her in mythology books. The fact is that Aphrodite, as an ancient Greek goddess, was not the anthropomorphic personage modern aficionados see painted on canvas and hewn out of stone. In addition to that, she was also so much more, which can be a difficult concept for the modern reader to discern. In fact, it was difficult for certain ancient readers to discern too; the 5th century BCE philosopher Plato expressed disgust at the idea that his gods would debase themselves in the adulterous, murderous, and mischievous ways they were said to have in their myths. However, it is important to remember that Plato represented a very small proportion of ancient Athenian society, and the rest of the populace didn't seem to have much of a problem including the "personal" anthropomorphic aspect of the gods into their more "elemental" and "essential" beings. As the scholar Leopold Schmidt put it, "For anyone born a Greek and thinking like a Greek, the idea of a clean antithesis between unity and plurality is put aside where the supernatural beings are concerned. He has no difficulty in conceiving unity of action divorced from any unity of person." This is a very important point to remember when considering any of the ancient

Greek gods, which can help the modern reader realize the depth of "character" that Aphrodite embodied for the ancient Greeks. Hers was more than the wooing gifts, more than the marriage bed, and more than the "propriety of women." She was an elemental force and not one to be underestimated. Aphrodite: The Origins and History of the Greek Goddess of Love looks at the story of the legendary deity and the various roles she played in Greek mythology. Along with pictures depicting important people, places, and events, you will learn about Aphrodite like never before.

Aphrodite Made Me Do It Trista Mateer 2019-10-01 Bestselling and award-winning author Trista Mateer takes an imaginative approach to self-care in this new poetry and prose collection, *Aphrodite Made Me Do It*. In this empowering retelling, she uses the mythology of the goddess to weave a common thread through the past and present. By the end of this book, Aphrodite will make you believe in the possibility of your own healing.

[The Aphrodite Sisters Book Two, Toni's Secret](#) Mary Oldham 2022-11-20 *Aphrodite* James M. Guhier 2010-08-18 THE APHRODITE OF MELOS (VENUS DE MILO), THE LARGE MARBLE STATUE OF THE GODDESS OF LOVE, CARVED IN THE 1ST OR 2ND CENTURY B.C., NOW IN THE LOUVRE, HAS BEEN THE MOST FAMOUS WOMAN IN THE WORLD SINCE SHE WAS DUG UP IN GREECE IN 1820. Ben Hastings, an American art history professor, thinks she holds deep secrets that he can discover if he lives alone with a full-sized copy of the statue. But three women won't let him alone. Helen, his wife; Silvia, a curvaceous young blonde; and Xenia, a dark-haired woman with a mysterious past, try to divert him from his obsession with Aphrodite and possess him for themselves. Do they succeed? Or does the power of the goddess prevail? Ben considers her to be the essence of woman, but she is replete with contradictions: whore or nurturing mother; a fragmented figure that yet forms a magnificent work of art; an iconic female but carved by a man. Although fast-paced and comical in tone, the play investigates many of the issues pondered by the ancient Greeks: the ideal vs. the real; sacred vs. profane love; one vs. many (which is more fundamental?). Is woman

forever to be a mystery? Is the truth knowable? Are there some things we should not know? Read the play and decide if Ben finds out what he is searching for.

The Aphrodite Jones Show J R Simons 2021-09-13 She is the Prophetess of Love. Aphrodite Jones is the newest daytime talk show sensation. She has brought her crew here to tape a show on Love right in your presence. But it seems that love just isn't enough. There are angry feelings of hatred afoot and in the end, someone's going to get it. Who will it be? And who will do it? Will it be the talk show hostess? The cameraman? The Producer? The Publicity Director?

The Aphrodite Conspiracy Michael J. Lawrence 2007 Mathew Palmer's world is about to be shot to pieces - literally. The thirtysomething, free and single entrepreneur has sold up in the UK, purchased a forty foot motor cruiser and followed a long held dream to run his own diving charter service in the land of Aphrodite. The days are filled with the hot Cyprus sun and warm sea - the nights with... Well, life just doesn't get any better. A chance meeting with the beautiful and elusive Katherina at a resort hotel piques Matthew's curiosity and has him following her two miles out to sea and one hundred and fifty feet down into one of the world's most dangerous wrecks in the dead of night. Barely surviving an attack by barracuda and then having to rescue the trapped girl from the depths of the dead leviathan draws on every ounce of skill and reserve yet plunges Mathew headlong into a bloody conspiracy of extortion, kidnapping and murder. Bereft of everything he holds dear but his life and deported as a suspect, he returns to the UK to hunt down the source of his humiliation. Under the tanned and easygoing exterior Mathew's need for revenge festers like an unexploded grenade; at thirty thousand

feet over the French Alps on the night flight home, a would-be assassin pulls the pin...

The Flight of the Aphrodite S J Morden 2022-03-17 A thrilling standalone science fiction space adventure from Philip K. Dick award-winning author S.J. Morden Strange radio signals are coming from Jupiter's largest moons. A natural phenomenon, or something else? Commander Mariucci and his hand-picked research team know they will have to muster all of their expertise, creativity and teamwork to survive the very harshest of conditions in orbit around the king of planets. But when they intercept a peculiar radio transmission, they have to investigate. Nothing should work in these impossible conditions, so what is sending the signal . . . and why? With a degrading ship and crew at breaking point, there's every chance they will tear themselves apart before they ever find the answer to the ultimate question - are we alone in the universe? And more importantly - what do we do if we aren't?

Aphrodite Aphrodite 2021-01-01 On the heels of Bilitis, Pierre Louys published his first novel, Aphrodite in 1896. It was a bestseller, selling 350,000 copies, sealing Louys' reputation as a popular author of erotic literature. Set in Ptolemaic Alexandria, Louys' decadent, sensual vision of Egypt in classical times tells a story of transgressive love. The sculptor Demetrios, the favorite of Queen Berenice, falls for a well-to-do courtesan, Chrysis. Much of the story is set in the world of the courtesans, a realm of beauty, luxury, sapphic indulgence, and some dark shadows as well.

The Aphrodite David Chandler 1977

Pablo Picasso Dr Enrique Mallen 2019-11-14 As early as the ancient Greeks, goddesses served as Muses for artistic creation. In essence, a creatively charged energy inspired the artist, leaving a unique and recognizable mark on the artwork. Picassos relationships with the women in his life was deeply formative, and he often represented them as Muses. He was particularly unabashed in the declaration of his feelings to one of them, Marie-Therese Walter, his youthful mistress of 1927. But at that point Picasso was still married to Olga Khokhlova, thus forced to practice the utmost discretion. His marriage to Olga made him

increasingly frustrated with her imposed bourgeois expectations. As a release from this marital burden, Marie-Therese was ever present in his work, often portrayed as Aphrodite with a wreath in her hair, a basket of flowers and fruits by her side. Marie-Therese was the Dream the Muse. This fertile period coincided with the strong influence of surrealism which helped liberate Picassos psyche from the straitjacket that Olgas lifestyle imposed on him. By 1935, however, the model and mistress became a mother to Maya, radically changing the role she previously had. The following year Picasso was introduced to a new woman, Dora Maar, an encounter that signalled the beginning of the end of Marie-Thereses exclusive claim on Picassos affections and the closing of an artistic period clearly marked by fertility. The Aphrodite Period (1924-1936) provides new insights and analysis of Picassos life as recently uncovered through the research of the Online Picasso Project. This time-span is one of the most illustrative periods of Picassos career in that it clearly demonstrates the close interdependence between sexuality and artistic creativity that characterize Picasso's entire output.

Olympians: Aphrodite George O'Connor 2014-10-07 In volume six of Olympians, graphic novel author/artist George O'Connor turns the spotlight on Aphrodite, the goddess of love. Look for the same thoroughly researched and wonderfully accessible comics storytelling as O'Connor tackles the story of the Aphrodite from her dramatic birth (emerging from sea-foam) to her role in the Trojan War. O'Connor has outdone himself with this volume: the story is riveting and the artwork is beyond compare. Greek mythology has never been so vivid! This title has Common Core connections. A Neal Porter Book

The Aphrodite Sisters, Book One Sage's Redemption Mary Oldham 2022-10-17

The Aphrodite Brigade Hakim Dream 2013-07 Billy, Jed and Ivory are back with a vengeance... The cure to save the male population for the future has been lost and it's up to Dr. Ivory Patella to get it back. Jed and Odessa run for their lives from being captured by human traffickers in the back water swamplands of Louisiana. Billy and Doc fight amongst each other while going head to head, again, against the evil Villagers of

Emakville. And the sadistic Governor Leopold Ticino teenage son, Tony Ticino, rebels against his father and steals the governor's prized personal fighter jet for a joy ride of mayhem. All this and more in the thrilling second book of the Aphrodite Agenda saga.

Aphrodite Pierre Louÿs 1999-01-01

The Pink Rose Raymond C. Woods 2015-04-28 The Pink Rose is a modern day version of the mythical tale of the creation of the pink rose by Aphrodite in Ancient Greece. The Pink Rose, the first of three books of the Aphrodite Chronicles' series, is a romantic novel set in the late 1960's and early 1970's that shows that true love can be timeless. Thomas Roberts is now an eighteen year old student and since the second grade, Pam Collins, now seventeen, has always been a distant part of his life. It took ten years for them to finally come to terms with the unexplainable feelings they shared with each other. For a year, they were seen as the perfect couple until the day that Thomas makes a decision based on what he perceives as the right choice; however, Thomas must get Pam to fall out of love with him. When this does not happen, Thomas does the most desperate thing he can do to, and then he disappears. When Thomas finally returns home, it is not the wounds from battle that he suffers from. Thomas has fought too long to keep his love for Pam inside of him, yet now, as his life is slowing being drained from him, his will to hold on is all but over. There is only one person who might save him, but Pam must forgive him first, yet she has lost the ability to love. Her heart is filled with too much hatred and anger caused by what Thomas did to her; however, with some heavenly intervention by two angels, Pam slowly begins to understand what she is actually feeling. *Aphrodite* Monica S. Cyrino 2012-06-25 Aphrodite explores the many myths and meanings of the Greek goddess of love, sex and beauty. One of the most widely worshipped and popular deities in Greek antiquity, Aphrodite emerges from the imaginations of the ancient Greek writers and artists as a multifaceted, powerful and charismatic figure. This volume explores the importance of Aphrodite for the ancient Greeks, as well as her enduring influence as a symbol of beauty, adornment, love and sexuality in contemporary culture. In a wide-ranging investigation of

the universality of Aphrodite's power and significance, this volume illuminates the numerous intricate levels of divinity embodied by the alluring figure of Aphrodite. Aphrodite offers new insights into the ancient texts and artistic representations of the goddess, as well as a comprehensive survey of the current scholarship about the origins and interpretations of Aphrodite, whilst also highlighting her eternal popular appeal across cultures and generations. A goddess of love who is not afraid to enter the battlefield; a goddess of bodily adornment who is the first to appear totally nude; a goddess born of the sea who emerges into the open sky: Aphrodite is a polyvalent deity, plural in nature, function and significance.

The Aphrodite and Adonis Touch Rosemary Gemmell 2018-11-24 THREE APHRODITE AND ADONIS NOVELLAS IN ONE VOLUME. The mischievous goddess of love, Aphrodite, and her lover, Adonis, play a game with tourists to their Mediterranean island of Cyprus each spring and summer. They aim to bring prospective lovers closer together, overcoming inhibitions, or anything holding them back from commitment. But which couple might benefit from their special kind of assistance? Follow the stories of Jamie and Carla in *The Aphrodite Touch*; Katie and Mike in the *Adonis Touch*; Bryony and Richard in *The Aphrodite Assignment*. Aphrodite and Adonis meet for only two seasons each year before being parted again and must make the most of their time together - until Aphrodite is recalled to Olympus. Enjoy the beautiful setting of Cyprus for this mythological and contemporary romance collection! REVIEWS: "Guaranteed to put you in the mood for summer... combines elements of romance, fantasy and suspense in the sensuous setting of Cyprus." Reader "Really lovely story - different, like a fairy tale for lovers. I'd recommend this highly." S. Jones "A delightful mix of reality and myth against a beautiful Cyprian background. Ms. Gemmell describes the scenery so well one can almost feel the heat and taste the

fruit as one relaxes on the beach watching the story play out." B Wilson "Read as you relax at the end of a long day and want to unwind. You will finish with a smile on your face and dreaming of Cyprus in Spring!" G Slavinsky/Southern Yankee Book Reviews

Aphrodite George O'Connor 2013-12-31 Retells in graphic novel format stories from Greek mythology about the exploits of Aphrodite, including her birth from the sea foam and her role in the Trojan War.

The Aphrodite of Knidos and Her Successors Christine Mitchell Havelock 2007 Christine Mitchell Havelock's book takes a much-needed new look at some of the most famous icons of Western art: the nude statues that the Greeks produced to represent Aphrodite. The Aphrodite of Knidos, by master sculptor Praxiteles, is the leading example of this form. Other statues include the Capitoline and Medici Venuses, the Crouching Aphrodite and the Aphrodite of Melos--all of them indebted to Praxiteles. The author analyzes the meaning of the pose of the Aphrodite of Knidos, the significance of her nudity, and her architectural setting. A survey of the statue's reception and interpretation in Greek, Roman, and modern times offers an entirely new perspective on this major work of art. Among topics examined are Praxiteles' reported use of his mistress Phryne as his model, the "pudica gesture," and the importance of small-scale versions of statues for dating the larger sculptures. The author also considers the function and religious significance of the small statues, and she includes the cultural context offered by the erotic poetry of Propertius and Ovid, two Roman poets who were fascinated by the robing and disrobing of their mistresses. The Aphrodite of Knidos is a highly readable, broad-based volume of interest to anyone familiar with classical art and the ancient world. Christine Mitchell Havelock is Professor Emerita of Art History and Curator of the Classical Art Collection at Vassar College. She has written and lectured widely on Greek art.

The Aphrodite Diet Artemis P. Simopoulos 1999

Venus and Aphrodite Bettany Hughes 2020-09-22 A cultural history of the goddess of love, from a New York Times bestselling and award-winning historian. Aphrodite was said to have been born from the sea,

rising out of a froth of white foam. But long before the Ancient Greeks conceived of this voluptuous blonde, she existed as an early spirit of fertility on the shores of Cyprus -- and thousands of years before that, as a ferocious warrior-goddess in the Middle East. Proving that this fabled figure is so much more than an avatar of commercialized romance, historian Bettany Hughes reveals the remarkable lifestory of one of antiquity's most potent myths. Venus and Aphrodite brings together ancient art, mythology, and archaeological revelations to tell the story of human desire. From Mesopotamia to modern-day London, from Botticelli to Beyoncé, Hughes explains why this immortal goddess continues to entrance us today -- and how we trivialize her power at our peril.

Murder by Jury / Murder on the Aphrodite Ruth Burr Sanborn
2020-05-18 In 'Murder by Jury', a jury convenes to deliberate over a murder case, when one of the jurors is struck down. In 'Murder on the Aphrodite, ' a houseboat party finds their hostess is the target of a cold-blooded killer
