On Being Prayerful Isabella
2010-07-29 The selected poems of this volume pose that with prayer as our anchor, we can live our lives joyfully and triumphantly. They ring with the ecstasy of life's wonders, while honoring God as Creator and the singular force of our lives through His Son Jesus Christ. Imbued with some of the most recognizable bible stories, the long poems and affirmations wrestle with some of life's biggest challenges. The Grandeur of the Rose and Things Happen, proclaim that catastrophic illnesses such as cancer and heart disease are not beyond God's grace. The Table comforts families who have lost sons, daughters, and other relatives in Iraq. "Go

Down, Death" is a fiery proclamation against the deadly seductiveness of the drug culture, especially for our youth. Yet, each of the long poems urges that with hope as our wings, we can live expectantly. The short poems express almost in one breath the hope of the longer poems: love, faith, humility, obedience, integrity, forgiveness, trust, and patience. They can be recalled quickly throughout the day as one copes with living joyfully and expectantly.

Each day's entry includes a Biblically informed message, a Scripture-based prayer, and a suggested Bible reading. WORKBOOK - Imagine waking up every single day convinced that the twenty-four hours ahead of you are a precious gift to be used wisely. Now imagine that you know exactly how to spend them to be a force for God's good. All too often we wander through life without appreciating the gift of every moment we've been given. The result? An unsatisfying life, missed opportunities to experience the joy of being in sync with God, and days marked with apathy instead of passion. Our time on earth is measured. We should want to make every moment count—not only because we aren't guaranteed the next one, but also because this is exactly how our Savior spent His time here. How, then, do we walk out unwavering joy-filled faith

every day, determined to let go of the things that keep us from experiencing abundant life and fulfilling the plans God has for us? The answers are found in following the footsteps of the One who lived fully, because He was determined that we might do the same. In this six-week study of Luke, we will follow the life and ministry of Jesus as we consider the choices He made on His way to the cross. We'll intimately connect with a Savior who remained laser-focused on His mission to love the world. In return, we'll receive a model for intentional living that we can replicate to ensure we are living each day to the fullest and making a difference for God's kingdom. And together we'll determine to embrace the abundant life we are promised in Jesus. It's time to stop wandering and start living!

The Little Book of Prayers

David Schiller 2013-09-10 The perfect gift for seekers, the curious, and the spiritually hungry, The Little Book of Prayers now has a stunning new cover and a more prayer

book-like format. Gathered from holy books and prayer books, from songs and spirituals, spoken traditions and poets, it is an unexpectedly approachable collection of common and uncommon prayers from around the world. The entries, one per page or spread, are chosen for their depth of feeling, beauty of expression, spiritual intensity, and sense of the universal. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes—one by authorship, and the other by topic—make it immediately accessible. There are familiar prayers, like the Lord's Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You'll find prayers unfamiliar to many in the West, such as the "Opener" from the Koran or the four vows of the Boddhisattva, chanted every evening in Zen monasteries around the world. And the surprising—from the "Prayer of the Unknown Confederate Soldier" to the blues of

Wild at Heart John Eldredge 2011-03-22 John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be—dangerous, passionate, alive, and free.

God-Inspired Short Prayers and Inspirational Quotes

Gary Meeke 2021-03-14 The inspiration for this prayer book came at a time when I was in desperate need of prayer myself laying in my hospital bed very poorly with Covid. Being a member of my church prayer team myself, as well as a daily prayer warrior for a long list of people in need, weather it's praying for hope,

love, finances, or serious illness my commitment and faith in God for praying for other people is my calling from God and I am very blessed and privileged to have such an important and sometimes lifesaving role. The spirit of God has placed a multi book series on my heart, but I have been told to start with this simple prayer book of short personal prayers to show people a way, along with some Inspirational statements and a few special scriptures so that you can say read and pray quietly to yourself each day, or be bolder and read them out loud. There will be one very special prayer right towards the end of this book which is probably the most important and powerful prayer that you can ever say, but I will leave that as a surprise and give you an explanation beforehand. My main focus is on God, love, honesty, hope, peace, healing and faith but I may add a few extra short prayers as they will all be spirit led from God at the time of writing. On the subject of honesty, this is my first ever

book. I'm not an educated man and have no idea even how to write a book, put a picture on the front cover, or even publish a book, but God has placed this on my heart and I trust in Him fully without question and know he will lay the path down before me to follow, so if you are now reading this, then God showed me a way, and Gods message is available for all to read. I truly hope and pray that you find this prayer book helpful in your own journey, and it gives you the strength and confidence to say your own prayers to our Mighty God each day. Love and Blessings to you all. Gary Meeke
