Without Scrip Or Purse Or, The Mountain Evangelist, George O. Barnes William Thompson Price 1883

**Miss America Kissed Caleb** Billy C. Clark 2021-12-14 The mountain is a lonely place. Welcome to Sourwood, a small Kentucky town inhabited by men and women unique and yet eerily familiar. Among its joyful and tragic citizens we meet the crafty, spirited Caleb and his curious younger brother; Pearl, a suspected witch, and her sheltered daughter, Thanie; superstitious Eli; and the doomed orphan Girty. In Sourwood, the mountain is both a keeper of secrets and an imposing, isolating presence, shaping the lives of all who live in its shadow. Strong in both the voice and sensibilities of Appalachia, the stories in Miss America Kissed Caleb are at turns heartbreaking and hilarious. In the title story, young Caleb turns over his hard-earned dime to the war effort when he receives a coaxing kiss from Miss America, who sweeps into Sourwood by train, "pretty as a night moth." Caleb and his brother share in the thrills and uncertainties of growing up, making an accidental visit to a brothel in "Fourth of July" and taming a "high society" pooch in "The Jimson Dog." These stories invoke a place and a time that have long passed—a way of living nearly extinct—yet the beauty of the language and the truth revealed in the characters' everyday lives continue to resonate with modern readers.

**The Big Sandy Valley** William Ely 2009-05-01 Consists primarily of biographical and genealogical sketches of the families of the Kentucky counties - Boyd, Lawrence, Elliott, Morgan, Magoffin, Martin, Floyd, Johnson, Pike, Perry, and Knox. There are also some brief accounts of the communities along t

The Bibliography of Appalachia 2009-01-30 "This bibliography of books, articles, monographs, and dissertations features more than 4,700 entries, divided into twenty-four subject areas such as activism and protest; Appalachian studies; arts and crafts; community culture and folklife; education; environment; ethnicity, race and identity; health and medicine; media and stereotypes; recreation and tourism; religion; and women and gender. Two indexes conclude the bibliography"--Provided by publisher.

What My Heart Wants To Tell Verna Mae Slone 2013-04-06 "God knew that it would take brave and sturdy people to survive in these beautiful but rugged hills. So He sent us His very strongest men and women." So begins the heartwarming story of Verna Mae and her father, Isom B. ""Kitteneye"" Slone, an extradordinay personal family history set in the hills around Caney Creek in Knott County, Kentucky.

Conversations with Kentucky Writers Linda Elisabeth LaPinta 2021-11-21 Kentucky and Kentuckians are full of stories, which may be why so many present-day writers have Kentucky roots. Whether they left and returned, like Wendell Berry and Bobbie Ann Mason, or adopted Kentucky as home, like James Still and Jim Wayne Miller, or grew up and left for good, like Michael Dorris and Barbara Kingsolver, they have one connection: Kentucky has influenced their writing and their lives. L. Elisabeth Beattie explores this influence in twenty intimate interviews. Conversations with Kentucky Writers was more than three years in the making, as Beattie traveled across the state and beyond to capture oral histories on tape. Her exhaustive knowledge of these authors helped her draw out personal revelations about their work, their lives, and the nature of writing. When Still concludes his interview with "I believe I've told you more than anybody," he could be speaking for any of Beattie's subjects. Aspiring writers will learn that Mason submitted twenty stories to the New Yorker before one was accepted, and that Still wrote articles for Sunday school magazines. There's plenty of advice: Dorris tells budding authors to get real jobs, keep journals, and read everything, even cereal boxes, and Marsha Norman reminds playwrights that "it is not the business of the theater to provide writers with a living." Kingsolver advises, "Read good stuff and write bad stuff until eventually what you're writing begins to approximate what you're reading." Beattie's collection includes striking self-portraits of such writers as Sue Grafton, Leon Driskell, James Baker Hall, Fenton Johnson, George Ella Lyon, Taylor McCafferty, Ed McClanahan, Sena Naslund, Chris Offutt, Lee Pennington, and Betty Layman Receveur. What most distinguishes these moving conversations from other author interviews is their focus on creativity, on the teaching of writing, and on the authors' strong sense of place. As Wade Hall writes in his foreword, all twenty writers recognize that their works have been significantly influenced by their "Kentucky experience." This collection offers insights into Kentucky's rich and flowering literary heritage.

**The Epworth Herald** 1901

**The Secret Life of the Lawman's Wife** Barbara J. Alderman 2006-11-30 During an era when many women concentrated on hearth and home, thousands of women quietly and without pay served in law enforcement. They organized, administered, presented reports to county commissioners, prepared for inspections, comforted victims, disciplined unruly inmates, fought with escapees, rode shotgun with their husbands as backup, and raised children, tended gardens, and kept house. They risked their lives every day and some paid the ultimate price. This is their story. The office of county sheriff has existed in America since 1634. Between 1800 and 1960, families of the sheriff lived in or near the jail. All family members, young and old, worked alongside the lawman to fulfill the required duties, without additional pay. The mom and pop jail was truly a family business. After the middle of the 20th century, fewer families carried on this tradition as counties modernized and jails became professionalized.

*The Eyes of Midnight* Robert Wilson 2016-04-05 More than 120 years after the White Caps terrorized Sevier County in East Tennessee, longtime residents still wont talk about the lawless band of vigilantes. But veteran journalist Robert Wilson shines a spotlight on the group with this detailed history. Relying on a primary source--The White Caps: A History of the Organization in Sevier County, distributed in 1899 by the publisher of the City Directory of Knoxville--as well as his own research, he presents the most complete account to date of why the White Caps were so feared. Wilson has retrieved details from multiple sources and uncovered shocking details about the dark, faceless members who would disguise themselves with a full-body covering of white fabric with holes cut for the eyes. Though the description may summon images of the Ku Klux Klan, the White Caps focused their wrath on what they perceived as immoral behavior--although some of their activity targeted blacks and Jews, among others. However, what started out as a fairly mild enforcement of Victorian values in an isolated, God-fearing community became much, much more. Find out how far the group went in *The Eyes of Midnight*.

*Chief Justice Fred M. Vinson of Kentucky* James E. St. Clair 2021-12-14 Fred M. Vinson, the thirteenth Chief Justice of the United States, started his political career as a small-town Kentucky lawyer and rose to positions of power in all three branches of federal government. Born in Louisa, Kentucky, Vinson earned undergraduate and law degrees from Centre College in Danville. He served 12 years in the U.S. House of Representatives, where he achieved acclaim as a tax and fiscal expert. President Roosevelt appointed him to the U.S. Circuit Court of Appeals for the District of Columbia and later named him to key executive-branch positions. President Truman appointed him Secretary of the Treasury and then Chief Justice. The Vinson court was embroiled in critical issues affecting racial discrimination and individual rights during the cold war. *Chief Justice Fred M. Vinson of Kentucky: A Political Biography* offers a wealth of insight into one of the most significant and highly regarded political figures to emerge from Kentucky.

*What Might Have Been* F. L. Murnahan, Jr. 2009-05-13 I thought about Beth's words concerning Melissa as well as going straight home. I'd never been unfaithful and it bothered me that Beth maintained such thoughts in her mind. As for Melissa, there'd been a time not too far past when I'd had deep hopes and dreams about the two of us getting married; sharing our lives as we watched our children grow, and yes, even having a child together. But those dreams had been shattered in a matter of seconds like a piece of glass and it seemed senseless to dwell on what might have been; but I couldn't refrain from thinking that it should have been Melissa giving birth to our first child instead of Beth.

*Appalachia* 1971

*The Kentucky Anthology* Wade Hall 2010-09-12 Long before the official establishment of the Commonwealth, intrepid pioneers ventured west of the Allegheny Mountains into an expansive, alluring wilderness that they began to call Kentucky. After blazing trails, clearing plots, and surviving innumerable challenges, a few adventurers found time to pen celebratory tributes to their new homeland. In the two centuries that followed, many of the world's finest writers, both native Kentuckians and visitors, have paid homage to the Bluegrass State with the written word. In *The Kentucky Anthology*, acclaimed author and literary historian Wade Hall has assembled an unprecedented and comprehensive compilation of writings pertaining to Kentucky and its land, people, and culture. Hall's introductions to each author frame both popular and lesser-known selections in a historical context. He examines the major cultural and political developments in the history of the Commonwealth, finding both parallels and marked distinctions between

Kentucky and the rest of the United States. While honoring the heritage of Kentucky in all its glory, Hall does not blithely turn away from the state's most troubling episodes and institutions such as racism, slavery, and war. Hall also builds the argument, bolstered by the strength and significance of the collected writings, that Kentucky's best writers compare favorably with the finest in the world. Many of the authors presented here remain universally renowned and beloved, while others have faded into the tides of time, waiting for rediscovery. Together, they guide the reader on a literary tour of Kentucky, from the mines to the rivers and from the deepest hollows to the highest peaks. *The Kentucky Anthology* traces the interests and aspirations, the achievements and failures and the comedies and tragedies that have filled the lives of generations of Kentuckians. These diaries, letters, speeches, essays, poems, and stories bring history brilliantly to life. Jesse Stuart once wrote, "If these United States can be called a body, Kentucky can be called its heart." *The Kentucky Anthology* captures the rhythm and spirit of that heart in the words of its most remarkable chroniclers.
