Anglophone Jewish Literature Axel Stähler 2007-09-14 Anglophone Jewish literature is not traditionally numbered among the new literatures in English. Rather, Jewish literary production in English has conventionally been classified as 'hyphenated' and has therefore not yet been subjected as such to the scrutiny of scholars of literary or cultural history. The collection of essays addresses this lack and initiates the scholarly exploration of transnational and transcultural Anglophone Jewish literature as one of the New English Literatures. Without attempting to impose what would seem to be a misguided conceptual unity on the many-faceted field of Anglophone Jewish literature, the book is based on a plurality of theoretical frameworks. Alert to the productive friction between these discourses, which it aims to elicit, it confronts Jewish literary studies with postcolonial studies, cultural studies, and other contemporary theoretical frameworks. Featuring contributions from among the best-known scholars in the fields of British and American Jewish literature, including Bryan Cheyette and Emily Miller Budick, this collection transcends the borders of both nations and academic disciplines and takes into account cultural and historical affinities and differences of the Anglophone diaspora which have contributed to the formation and development of the English-language segment of Jewish literature.

A Scrap in the Blessings Jar David Bottoms 2023-10-04 A Scrap in the Blessings Jar, a volume of new and selected poems by David Bottoms, captures the evolution of the poet's spiritual quest over the past fifty

years. A native and longtime resident of Georgia, Bottoms draws inspiration from the American South, and his work examines themes related to family dynamics, the woods, animals, fishing, and music in an effort to, as he once told an interviewer, "reveal something about the hidden things of the world, the vague or shadowy relationships and connections that exist just below the surface of our daily lives." This book charts his progression from tightly wrought naturalistic narratives to works that reflect his shifting conception of the interplay between memory, the present, and the metaphysical. At heart, Bottoms remains a storyteller who employs figurative language to discover the extraordinary in the seemingly mundane, and whose poetry explores the depths of our existential condition and common humanity.

Anglo-Jewish Poetry from Isaac Rosenberg to Elaine Feinstein Peter Lawson 2006 This is the first book-length study to survey the phenomenon of twentieth-century Anglo-Jewish poetry. It proceeds by reading established Anglo-Jewish poets against the grain of conventional thinking about English verse. For example, rather than understanding Isaac Rosenberg and Siegfried Sassoon as simply First World War poets, it approaches them as minority Anglo-Jewish poets as well. A similar challenge to the notion of an undifferentiated English literature is made with respect to four other major writers: John Rodker (1894-1955), Jon Silkin (1930-97), Elaine Feinstein (1930-) and Karen Gershon (1923-93). All these poets share a peripheral relationship with English and Jewish culture, together with a common attachment to the diasporic narrative of exile and deferred return to a textually imagined homeland.

Selected Poems Jon Silkin 1988 This volume draws on Jon Silkin's nine collections of verse, beginning with "The Peaceable Kingdom" (1954).

Social Change and Political Development in Weimar Germany Jon Silkin 1988 Originally published in 1981 and comprising research and interpretation from American, German and British scholars deals with many of the most salient facets of the Weimar period, including the revolutionary events following the First World War; the development of the Reichswehr; the role of heavy industry in shaping foreign policy, and the dissolution of the bourgeois party system during the last years before 1933. Each contribution examines the inter-relationships between social and economic change on the one hand, and political developments on the other.

Flint Hills Cowboys Jim Hoy 2006-04-27 The Flint Hills are America's last tallgrass prairie, a green enclave set in the midst of the farmland of eastern Kansas. Known as the home of the Big Beef Steer, these rugged hills have produced exemplary cowboys-both the ranch and rodeo varieties-whose hard work has given them plenty of material for equally good stories. Jim Hoy grew up in the Flint Hills on a ranch at Cassoday that's been in his family for five generations and boasts roots "as deep as those of bluestem grass in black-soil bottomland." He now draws on this area's rich cowboy lore-as well as on his own experience working cattle, breaking horses, and rodeoing-to write a folk history of the Flint Hills spanning a century and a half. Hoy blends history, folklore, and memoir to conjure for readers the tallgrass prairies of his boyhood in a book that richly recalls the ranching life and the people who lived it. Here are cowboys and outlaws, rodeo stars and runaway horses, ordinary folks and the stuff of legends. Hoy introduces readers to the likes of Lou

Hart, a top hand with the Crocker Brothers from 1906 to 1910, whose poetic paean to ranch life circulated orally for fifty years before seeing print. And he tracks down the legend of Bud Gillette, considered by his neighbors the world's fastest man until he fell in with an unscrupulous promoter. He even unravels the mystery of a lone grave supposed to be that of the first cowboy in the Flint Hills. Hoy also explains why a good horse makes up for having to work with exasperating cattle—and why not all horses are created (or trained) equal. And he traces Flint Hills cattle culture from the days of the trail drive through the railroad years to today's trucking era, with most railroad stockyards torn down and only one section house left standing. Writes Hoy, "I feed on the stories of the Hills and the characters who tell them as the cattle feed on the grasses." His love of the land shines throughout a book so real that readers will swear they hear the click of horseshoes on flint rock with every turn of the page.

Love and I Fanny Howe 2019-10-01 The newest collection from "one of America's most dazzling poets" (O, The Oprah Magazine) Set in transit even as they investigate the transitory, the cinematic poems in *Love and I* move like a handheld camera through the eternal, the minds of passengers, and the landscapes of Ireland and America. From this slight remove, Fanny Howe explores the edge of "pure seeing" and the worldly griefs she encounters there, cast in an otherworldly light. These poems layer pasture and tarmac, the skies above where airline passengers are compressed with their thoughts and the ground where miseries accumulate, alongside comedies, in the figures of children in a park. Love can do little but walk with the person and suddenly vanish, and that recurrent abandonment makes it necessary for these poems to find a balance between seeing and believing. For Howe, that balance is found in the Word, spoken in language, in music, in and on the wind, as invisible and continuous lyric thinking heard by the thinker alone. These are poems animated by belief and unbelief. *Love and I* fulfills Howe's philosophy of Bewilderment.

In blue Mountain Dusk Tim McNulty 2023-05-23 In *Blue Mountain Dusk* is one of those rarest of books of poetry, containing poems that ought to have been written, rather than poems that merely could have. McNulty is a careful poet, and the pieces in this book are the hard, clean nuggets left in the gold pan after

washing and washing over and over. The love poems alone are worth the read, tender, and subtly erotic. As an observer of the natural world, this poet rates right up there with the best of the Chinese poets, or Robinson Jeffers in our own country. This is an honest poet, and these are honest poems. "McNulty's evocations of nature demonstrate an engagement that is both intense yet gracefully detached. In passionate witness, his poetry moves like the wind over the landscape, stroking every leaf and stone it passes." —THE SEATTLE TIMES "Tim McNulty's poems have a real voice moving them forward. Enriched by a love of common thought and feeling, enlivened by a musing on the wisdom tradition, and made accessible by simple and unaffected observation, his poems come to us wearing the familiar shirts and shoes poetry has always worn." —ROBERT SUND "Tim McNulty has become one of the strongest poetic voices for a huge realm that is new to history: the north Pacific, the western edge of the continent. These fresh, clear poems are full of subtle crossings from the wild to the human, from the ongoing world of forest work and life to the emergence of the new urban Northwest. Friends, family, tracks, the northern stretch, the spaces, and the cool darkness of the woods. Poems of craft and deep awareness that are graceful and hard-won." —GARY SNYDER "Tim McNulty's poems belong to the where and what of his life in a rare degree. They live in equality with moss, ferns, flakes of bark, river stones, roots, buds; their mountains are particular mountains. Reading them puts one among these things he knows with such authentic intimacy. If the tone of his evocations is more often elegaic than exultant it is because such close knowledge must involve, in our day, a great sense of mourning for the daily demise of so much; yet his love for what he evokes gives song to his images and inspires, even among those who may never see more than their outskirts, a will to cherish and defend the remaining wild places." —DENISE LEVERTOV

Augury Eric Pankey 2017-11-14 From award-winning poet and author of *Crow-Work*, a collection exploring the presence of the divine in the seemingly ordinary. The ancient Romans practiced augury, reading omens in bird's flight patterns. In the poems of *Augury*, revelation is found in nature's smallest details: a lizard's quick movements, a tree scarred by lightning, the white curve of a snail's shell. Here the sensory world and the imagined one collide in unexpected and wonderful ways, as Pankey scrutinizes the physical for meaning, and that meaning for truth. With uncommon grace, each of Pankey's precise lyrics advances our shared ontological questions and expresses our deepest contradictions. In a world of mystery, should we focus on finding meaning or creating it? How can the known—and the unknown—be captured in language? *Augury* is a masterful and magical collection from a poet of stirring intelligence, "a book of stones unstitched from the wolf's belly." Praise for *Augury* "A darkly luminous book by a poet at the height of his considerable poetic power." —Kathy Fagan, author of *Moving & St. Rage* "This is a book I will keep close at hand, alongside the best work of Montale, Dickinson, Celan, and Stevens. This is a book one will turn to again and again." —Rebecca Dunham, author of *Cold Pastoral* "Each ethereal image he weaves into his work is delicately curated, whittled down through his attention to sound. . . . Pankey's poems destabilize as they straddle time and place, and he looks askance at the narrow way in which language is often viewed." —Publishers Weekly

Braided Creek Jim Harrison 2012-12-18 *Braided Creek* contains more than 300 poems exchanged in this longstanding correspondence. Wise, wry, and penetrating, the poems touch upon numerous subjects, from the natural world to the nature of time. Harrison and Kooser decided to remain silent over who wrote which poem, allowing their voices, ideas, and images to swirl and merge into this remarkable suite of lyrics. Each time I go outside the world is different. This has happened all my life. * The moon put her hand over my mouth and told me to shut up and watch. * A nephew rubs the sore feet of his aunt, and the rope that lifts

us all toward grace creaks on the pulley. * Under the storyteller's hat are many heads, all troubled. Jim Harrison, one of America's best-loved writers, is author of two dozen books of poetry, fiction, essays, food criticism, and memoir. He is best known for a collection of novellas, *Legends of the Fall*, and the epic novel *Dalva*. He lives in western Montana and southern Arizona. Ted Kooser is the author of eight collections of poetry and a prose memoir. His poetry appears regularly in *The Atlantic Monthly*, *The New Yorker*, *Poetry*, and *The Nation*. He lives in Nebraska.

Complete Poems Jon Silken 2015-02-01 Complete Poems brings together the published and unpublished work of one of the most significant poets of the late twentieth century; the founding editor of Standand of the Northern House imprint. As well as reprinting all the poems included in Silkin's books, (from *The Portrait and Other Poems* in 1950 to *Making a Republic* in 2002), it includes significant poems previously unpublished or published only in a wide variety of journals, and work transcribed from manuscripts. 'Complete Poems enjoys a new perception of Silkin's language and concerns, the breadth of his passionately humane interrogation of war and the Holocaust, and his scrutiny of nature and humankind.'

Beyond Marginality Efraim Sicher 2012-02-01 In a unique study of Anglo-Jewish writers in the post-war period, Dr. Sicher traces through their works the story of the rise of the Jewish community from slum poverty to suburban affluence. This period is one of crucial social change in Britain. At the same time, Dr. Sicher raises serious questions about the modern writer's cultural and ethnic identity. In this process, Dr. Sicher advances the thesis that, under the impetus of the Holocaust, the more traditional conflict between Jewish roots and assimilation has been succeeded by a reassessment of identity and morality. Dr. Sicher's perspective on this particular period of literature is a highly original one and it should provoke creative reconsideration of other contexts and times as well.
