The Apocalypse Revealed, Vol. 2 of 3 Emanuel Swedenborg 2016-07-13
Excerpt from The Apocalypse Revealed, Vol. 2 of 3: Wherein Are Disclosed the Arcana There Foretold, Which Have Hitherto Remained Concealed; A New Edition Revised and Corrected The contents OF the whole chapter. Of the exploration and manifestation of the states of life of those in the reformed church, who are called learned and wise from the confirmation of faith separated from charity, and of justification and salvation by it alone; these are treated of from verse 1 - 13. Of the exploration and manifestation of those therein, who are not so learned and wise, and are in faith alone, and who live as they like; fi'om verse 13 - 20. Lastly, of those therein, who know nothing but that faith is the all by which man is saved, and not any thing besides, verses 20, 21. The Apocalypse; Or the Revelation of St. John the Divine. With a Few Notes and Reflections ... By the Rev. Joseph Jones 1853

Revelation to John'S Apocalypse Unveiled and Revealed Jim Taylor 2017-02-07 There are many people, even Christians, who will not read John's revelation letter for two reasons. First, they don't believe that it can be understood. Second, they are terrified of even thinking about reading of the deadly judgments of God that John's revelation letter portrays—that is, the appalling plagues, famines, wars, and natural disasters that John's letter discloses as having been pronounced against this present evil world, and they don't want to be any part of that, nor do they even want to be reminded of those dreadful things that they think are going to happen. Such is so sad, so very sad! One of the purposes of this book is to alleviate that fear completely, and to replace it by making

the reading of John's revelation letter a time of comfort and encouragement. That shall all be accomplished by illustrating how the deadly forces of destruction that John described in his revelation letter are not decreed against the Christians—they will never fall upon God's church—but rather, they are in fact, the very powers of God that protect his church, shelter his children, and defend the Christian faith. All of that can be established by comparing the spiritual war that John witnessed in heaven with the carnal war that was fought between the Roman Empire and the church. That comparison is not difficult to establish, because both of those wars were actually the one and the same war. Once that correlation has been confirmed, Revelation becomes a letter of comfort and security, and a letter that replaces fear with hope. Another reason that even Christians will not read John's revelation letter is because they do not think that it can be understood because it is so complicated, but God does not put books in his Bible that cannot be understood. John's revelation letter can be understood, and that is the other purpose of this book, to make it understandable.

The Apocalypse Revealed Emanuel Swedenborg 1969 Originally published in 1766, Swedenborg's complete explanation of the inner meaning of Revelation. The two volumes of Apocalypse Revealed, the only volumes on the Book of Revelation that Swedenborg published during his lifetime, covers Revelation 1-22.

The apocalypse, or Book of revelations, explained according to the spiritual sense; in which are revealed the arcana which are there predicted, and have been hitherto deeply concealed 1812

The Apocalypse Explained, in Two Series of Discourses on the Entire Book of the Revelation of St. John Benjamin SLIGHT (of Montreal.) 1855

Revelation: Book of Mystery and Majesty Dr Kelly Carr 2014-10-12 Revelation Bible Study Guide Finally, an easy to understand Bible Study Guide for the Book of Revelation, that makes it easy to teach! What are people saying about Revelation: Book of Mystery and Majesty? "Kelly Carr has written a fascinating study guide for Revelation that came out of a series of expository messages. This study guide of the book of

Revelation has that opportunity to open up great insight and illumination to the readers...and motivate them to faithfulness and to watching for His coming." Jerry Falwell "...the author has produced a sane and scholarly study that is both expository and applicational. I am pleased to recommend this helpful volume on a difficult but understandable book of the Bible by my former student, Kelly Carr." Dr. Don Campbell, President, 1986-1994 Dallas Theological Seminary "The lessons are eye-catching and easy-to-read with frequent applications to take the student from text to life. I highly recommend the work for all lay students of the Word." Dr. Lanier Burns, Chairman, Theology Department, Dallas Theological Seminary REVELATION Is Too Hard To Understand? Revelation was not intended to be unapproachable portion of Scripture. It is a wealth of information and inspiration for the believer, and a real motivation for the believer and unbeliever alike. The word, "revelation," actually means "to reveal." The book of Revelation is intended to reveal something about our Lord Jesus Christ and His plan for the future. This book is not meant to be a commentary on Revelation, though you will find it helpful in determining the meaning of the book. It is intended to be a study guide or a curriculum which will enable the Bible teacher to have an organized way to study and teach this valuable book. 26 EASY Lesson With Simple Outlines The book is organized into 26 lessons that cover the 22 chapters in the New Testament book of Revelation. Each chapter is written in an easy to follow outline style with clear explanations and real life applications. What You Will Find Inside Lesson 1 Prelude to the End Lesson 2 A Vision of Christ Lesson 3 Letters to the Churches: Part 1 Lesson 4 Letters to the Churches: Part 2 Lesson 5 The Throne Room of Heaven Lesson 6 The Worship of Heaven Lesson 7 The Unveiling of Anti-Christ Lesson 8 Opening the Seven Seals Lesson 9 God's Grace in a Day of Wrath Lesson 10 Trumpets of Judgment: Part 1 Lesson 11 Trumpets of Judgment: Part 2 Lesson 12 The Little Book (with the Big Message) Lesson 13 The Tribulation Temple Lesson 14 The Two Witnesses Lesson 15 Public Enemy #1 Lesson 16 The Mark of the Beast Lesson 17 Six Postcards from the Future Lesson 18 The Song of Victory Lesson 19 The Super Bowl Judgments Lesson 20 The Fall of World

Religion Lesson 21 Commercial Babylon Destroyed Lesson 22 The Second Coming Lesson 23 The Millenium Lesson 24 The Great White Throne Judgment Lesson 25 The New Jerusalem Lesson 26 God's Last Invitation Six helpful charts Appendix #1 God's Timeline for Humanity Appendix #2 Revelation: Book of Mystery and Majesty Appendix #3 The Seven "Beatitudes" of Revelation Appendix #4 The Seven Churches of Revelation Appendix #5 Premillennial Views of the Rapture Appendix #6 Three Major Views of the Millennium Get Your Own Copy Today! Teach the Bible to your church or class with Revelation: Book of Mystery and Majesty. Let Dr. Carr help you.

Apocalypse Revealed, Vol. 2 : Revelation 14-22 Emanuel Swedenborg 1997 In Apocalypse Revealed, Swedish scientist-turned-seer Emanuel Swedenborg (1688-1772) takes the reader verse by verse through the Book of Revelation, explaining the spiritual meaning behind the literal words of the biblical text. The second volume deals specifically with Revelation 14-22. This edition is a reprint, with revisions, of a 1928 translation by John Whitehead.

The Residues, Part Two Stephen Barber 2021-02-01 "Beginning in 1993 with Artaud: Blows and Bombs, Stephen Barber has quietly, independently forged one of the most singular and enriching bodies of work in contemporary writing." -David Peace Over the three decades since 1990, Stephen Barber has written many essays and experimental writings around film and digital arts. For the first time, this collection in two parts assembles all of those writings, many otherwise unavailable, over seventy in all. Many of those writings explore unknown elements of vital bodies of work that remain inspirational for contemporary art, writing and film. Others interrogate the transmutations of cities - especially those of Europe and of Japan - across those three decades, anatomizing their urban futures. These writings are often residues from, or accompaniments to, Stephen Barber's thirty books, short writings which possess their own distinctive and accumulating presence, and can display the interrogative resilience to explore preoccupations with greater intensity and pointedness than an entire book. THE RESIDUES, PART TWO collects 30 writings on subjects including JG Ballard, Pier

Paolo Pasolini, Donald Richie, and much more.

The Apocalypse Explained Jimmie I. Chapman 2015-08-19 The word apocalypse comes from the Greek word, apokalupsis, which means to disclose, uncover or reveal; hence we get the name, Revelation, the last book of the Bible. The book of the Revelation is given to uncover or disclose the meaning of some of the great mysteries of the Bible. The Apocalypse Explained uncovers many of those mysteries by using the Bible itself to find their meaning. This is the most accurate way of interpreting biblical prophecies. The purpose of The Apocalypse Explained is to connect the prophecies throughout the Bible with our present and with our future. In fact, the very first verse of the Revelation of Christ reveals its purpose; "to show unto his servants things which must shortly come to pass." The majority of the book is for the last days; the time the Bible calls the great tribulation. The fulfillment of the Apocalypse is much closer to a reality than most people believe. Are you ready?

The Book of Revelation For Dummies Richard Wagner 2008-04-21 Decode one of the most complex books in the Bible! Are you baffled by the Book of Revelation? Revelation (Baker Exegetical Commentary on the New Testament) Grant R. Osborne 2002-11-01 The Book of Revelation contains some of the most difficult passages in Scripture. Grant Osborne's commentary on Revelation begins with a thorough introduction and the many difficulties involved in its interpretation. He also examines elements that complicate

the interpretation of apocalyptic literature. As with all volumes published in the BECNT series, Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective.

Emanuel Swedenborg \[by William Hill\] and Revised by the Translator of the Arcana Cœlestia \[i.e. John Clowes\]. \(To which is Subjoined a Summary Exposition of the Internal Sense of the Prophetical Books of the Word of the Old Testament, and of the Psalms of David.\) \[With the Text.\]](#) 1812

Four Views on the Book of Revelation Zondervan, 2010-08-03 Of all the books of the Bible, few are as fascinating or as intimidating as Revelation. Four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, the "mark of the beast." It's no wonder that these images have gripped the imagination of so many--and

have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet. Is the book of Revelation a blueprint for the future? A book of powerful symbolic imagery with warnings for the church? Is it essentially an imaginative depiction of historical events in the first century? Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse: Preterist - a historical interpretation, arguing that most of John's prophecies occurred in the first century, soon after his writing of them. Idealist - a spiritual or symbolic interpretation, arguing that the events in Revelation are not literal, and that apocalyptic literature requires a different approach than the Gospels or Epistles. Classical dispensationalism - a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history. Progressive dispensationalism - a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

The Apocalypse Revealed Emanuel Swedenborg 1836

Revelations Elaine Pagels 2012-03-06 A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after

what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Letters from Prison, Part Two Vincent Smiles 2019-10-07 Letters from Prison, Part Two provides an in-depth investigation of Paul's letters to the Colossians and Ephesians, two letters with a great deal in common. Besides being written from prison, both letters address Gentile communities learning to live faithful Christian lives. Exploring themes such as God's eternal plan, the unity of the church, and the fullness of life in Christ, these letters offer a sweeping and still relevant vision of faith in Christ and the church as his body.

The Apocalypse Explained According to the Spiritual Sense

[Theological Works: Miscellaneous works: \[pt. 1\] Final judgment; \[pt. 2\] The white horse; \[pt. 3\] Earths in the universe; \[pt. 4\] Summary exposition](#) Emanuel Swedenborg 1907

[Revelation 12-22](#) Peter J. Leithart 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament, and its only apocalyptic document, though there are short apocalyptic passages in various places in the gospels and the epistles. This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of

the book. Revelation brings together the worlds of heaven, earth and hell in a final confrontation between the forces of good and evil. Its characters and images are both real and symbolic, spiritual and material, and it is frequently difficult to know the difference between them, Revelation's cryptic nature has ensure that it would always be a source of controversy. This commentary focuses on the theological content, gleaning the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths. Scholarship on the book of Revelation has nonetheless not only endured, but even captured the imagination of generations of Bible students, both professionals and laypeople alike. Through its focus on the message of the book through scholarly analysis, this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement, though not slavish repetition.

Apocalypse Now Volume 4 Matthew A. Petti 2013-02-24 Apocalypse, translated literally from Greek, is a disclosure of knowledge, hidden from humanity in an era dominated by falsehood and misconception, i.e., a lifting of the veil or revelation, although this sense did not enter English until the 14th century. In religious contexts it is usually a disclosure of something hidden. In the Revelation of John, the last book of the New Testament, the revelation which John receives is that of the ultimate victory of good over evil and the end of the present age, and that is the primary meaning of the term, one that dates to 1175. Today, it is commonly (and erroneously) used in reference to any prophetic End Time scenario or to the end of the world in general. The key to the cryptic message in the book of Revelation is in the Metaphysics of Truth - THE TRUTH IS ALWAYS TRYING TO REVEAL ITSELF TO US. The Apocalypse Now Series is a new perspective on Revelation's prophecy and reading the first volume is paramount to understanding this new perspective. The Christ Principle Part II, continues to demonstrate Jesus Christ as a man who DISCOVERED the hidden potentials that exist in every human being. Once we understand Jesus Christ as a man who was dedicated to an unknown purpose and destiny, we begin to unlock the secrets to his ministry. Here we find an alternative view concerning his

final temptations and the significance of the Power bestowed upon him during his final quest to understand his purpose. Only by understanding his TRUE purpose could he make the CHOICE, which would grant immunity to EVERYONE who lived on earth before and after him. What did he discover? What has modern-day Christianity missed in the interpretation of this important message? Learn why Christ's body COULD NOT have taken part in the resurrection and why this misconception will present itself in the final conflict of humanity. Discover the mysteries of Revelation's prophecy as the secrets continue to unfold in Volume 4 of the Apocalypse Now Series.
