A Family Is a Family Is a Family Sara O'Leary 2020-07-10 When a teacher asks her class to think about what makes their families special, the answers are all different, but the same in one important way ... When a teacher asks the children in her class to think about what makes their families special, the answers are all different in many ways — but the same in the one way that matters most of all. One child is worried that her family is just too different to explain, but listens as her classmates talk about what makes their families special. One is raised by a grandmother, and another has two dads. One has many stepsiblings, and another has a new baby in the family. As her classmates describe who they live with and who loves them — family of every shape, size and every kind of relation — the child realizes that as long as her family is full of caring people, it is special. A warm and whimsical look at many types of families, written by award-winning author Sara O'Leary, with quirky and sweet illustrations by Qin Leng. Family Ties: a Collection of Short Stories Jessica Horton 2012-01-27 Do

you think your mom is crazy? Do you have a jealous brother or sister? Maybe you have a father that thinks he's a player? No Family Secrets Patsy Collins 2016-11-06 Perhaps Aunty Louise hadn't wanted to be told the truth about why her bum looked big in that dress. If so, she asked the wrong person; Tracie's mum never lied. Louise did ask though, that's why she was told. That's why there are questions Tracie keeps to herself. Sue's mother always tells the truth, but people don't always listen. Jemima tells lies. Well, it's either that or get a job and pay her way and she's not really suited to that sort of thing. She's much better at manipulation, although perhaps not good enough. Angela hasn't been strictly honest about the painting and Mary's mother-in-law has withheld important information. That causes upset in both their families, until the loving, honest support of their daughters-in-law put everything right. Can lies ever be a good thing? Perhaps if they're told to preserve family traditions, or to allow a sick child to benefit from the help of a superhero, they're forgivable. The made up stories Jane tells little Charlie certainly have a positive affect and not only on her son. Families, whether we're born or married into them, or choose them for ourselves all have stories to tell. This collection contains 25 of them.

Guy de Maupassant's Tales of the Family - A Collection of Short Stories Guy de Mauspassant 2016-03-30 These early works by Guy de Maupassant were originally published in the 1880's. As a collection of short stories, this represents Maupassant's tales of the family, and includes 'A Family Affair', 'My Uncle Jules', 'The Gamekeeper', 'The Story of a Farm Girl', and many other titles. Guy de Maupassant was born in 1850 at the Château de Miromesnil, near Dieppe, France. He came from a prosperous family, but when Maupassant was eleven, his mother risked social disgrace by trying to secure a legal separation from her husband. After the split, Maupassant lived with his mother till he was thirteen, and inherited her love of classical literature. In 1880, Maupassant published his first - and, according to many, his best - short story, entitled 'Boule de Suif' ('Ball of Fat'). It was an instant success. He went on to be extremely prolific during the 1880s, working methodically to produce up to four volumes of short fiction every year. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.

If I Survive You Jonathan Escoffery 2022-09-06 NOMINATED FOR THE 2023 BOOKER PRIZE AND THE 2022 NATIONAL BOOK AWARD FOR FICTION! Finalist for the 2023 Pen/Faulkner Award and the Southern Book Award. Nominated for the 2022 National Book Critics Circle John Leonard Prize, the 2023 Pen/Jean Stein Open Book Award, the 2023 Pen/Bingham Prize, the 2022 Story Prize, the 2023 Carnegie Medal for Excellence in Fiction, and the 2023 Aspen Words Literary Prize. National Bestseller. IndieNext Pick. One of The New York Times Book Review's 100 Notable Books of 2022. "If I Survive You is a collection of connected short stories that reads like a novel, that reads like real life, that reads like fiction written at the highest level." —Ann Patchett A major debut, blazing with style and heart, that follows a Jamaican family striving for

more in Miami, and introduces a generational storyteller. In the 1970s, Topper and Sanya flee to Miami as political violence consumes their native Kingston. But America, as the couple and their two children learn, is far from the promised land. Excluded from society as Black immigrants, the family pushes on through Hurricane Andrew and later the 2008 recession, living in a house so cursed that the pet fish launches itself out of its own tank rather than stay. But even as things fall apart, the family remains motivated, often to its own detriment, by what the younger son, Trelawny, calls "the exquisite, racking compulsion to survive." Masterfully constructed with heart and humor, the linked stories in Jonathan Escoffery's *If I Survive You* center on Trelawny as he struggles to carve out a place for himself amid financial disaster, racism, and flat-out bad luck. After a fight with Topper, Trelawny claws his way out of homelessness through a series of odd, often hilarious jobs. Meanwhile, his brother, Delano, attempts a disastrous cash grab to get his kids back, and his cousin Cukie looks for a father who doesn't want to be found. As each character searches for a foothold, they never forget the profound danger of climbing without a safety net. Pulsing with vibrant lyricism and inimitable style, sly commentary and contagious laughter, Escoffery's debut unravels what it means to be in between homes and cultures in a world at the mercy of capitalism and whiteness. With *If I Survive You*, Escoffery announces himself as a prodigious storyteller in a class of his own, a chronicler of American life at its most gruesome and hopeful.

ONE Very Big Bear Alice Brière-Haquet 2016-10-04 As far as he can tell, Bear is the biggest thing around. He might even be a giant! It's not long before other, smaller animals set him straight in this charmingly illustrated book about counting and relative size. Together, two walruses, three foxes, and so on, are the same size as Bear, each teasing him for foolishly thinking that there is nothing bigger than he. When six sardines arrive to tell Bear that together, they are just as big as he is, Bear has had enough and gobbles them up for breakfast.

Shine/Variance Stephen Walsh 2021-07-01 "Great, beautiful little studies of unspoken fear and longing and love, told with a sure-footed delicacy rare in a debut" Sarah Moss, *Irish Times* "An exciting, original, and very welcome new voice" Donal Ryan "These are startling, adventurous and often wonderful stories. I loved this collection" Roddy Doyle A sharp and insightful debut short story collection about the pitfalls of ordinary life A wife yearns to escape the tight-fisted confines of a package holiday. A boy dreams of footballing greatness as his mother mourns a loss. A man tries to assemble an absent child's playhouse, with impossible instructions and too much beer. A woman seeks clarity from automated voices. A father is distracted from Christmas tree shopping with his son by the looming pressure of quarterly sales targets. *Shine/Variance* captures the tiny crises and wonders of daily life with warmth, wit and decisive clarity. Ordinary people - commuters, call centre workers, children and parents - struggle for stability while craving more, and the schism between expectation and reality is only rarely bridged. Yet, amidst the faltering, recognition and bright moments of hope still illuminate their days. Fresh, tender and darkly funny, these stories are a window into the longings, frustrations and painfully human connections of ordinary life from a remarkable new voice in fiction. "The most powerful new collection I've read in some years" John Boyne "Brilliantly bats, staggeringly compelling, and ferociously funny. Stephen Walsh rips the concreteness of reality straight from us and reflects back a more wobbly version of our turbulent lives... Completely unique" June Caldwell "Full of assured originality and freshness - a new writer much to be welcomed" Bernard MacLaverty

Children of the Night Gloria Naylor 1997-02-01 In 1969, Little, Brown and Company published *The Best Short Stories by Black Writers*, edited by Langston Hughes - the classic compendium of African-American short fiction from 1897 to 1967. Now, a quarter of a century later, Gloria Naylor has compiled an encore volume, *Children of the Night*, bringing

this extraordinary series up to date. Gathering together the most gifted black writers of our time - from 1967 to the present - Naylor has assembled a rich and varied collection of stories. The portrait that emerges of the African-American experience in the post-Civil Rights era is stirring, compelling, sometimes disturbing, and certainly provocative. Naylor has arranged the stories thematically so the reader focuses on a particular subject - slavery, for example, or the family. In the hands of different writers, these themes provide a wealth and variety of human experience. The stories are more than testimonies of the long battle for survival. From a young woman's struggles with her barren faith in Alice Walker's lyrical "The Diary of an African Nun" to an innocent man's involvement in a horrifying act of violence in Ann Petry's "The Witness", they are, as Naylor states in her introduction, "examples of affirmation: of memory, of history, of family, of being". They are stories for all of us "at the beginning: of mankind as a species; of America as a nation; of the African-American as a full citizen".

Family Furnishings Alice Munro 2014-11-11 From the winner of the 2013 Nobel Prize in Literature—and one of our most beloved writers—a new selection of her peerless short fiction, gathered from the collections of the last two decades, a companion volume to *Selected Stories* (1968-1994). *Family Furnishings* brings us twenty-four of Alice Munro's most accomplished, most powerfully affecting stories, many of them set in the territory she has so brilliantly made her own: the small towns and flatlands of southwestern Ontario. Subtly honed with her hallmark precision, grace, and compassion, these stories illuminate the quotidian yet extraordinary particularity in the lives of men and women, parents and children, friends and lovers as they discover sex, fall in love, part, quarrel, suffer defeat, set off into the unknown, or find a way to be in the world. Peopled with characters as real to us as we are to ourselves, Munro's stories encompass the fullness of human experience—from the wild exhilaration of first love, in "Passion," to the lengths a once-straying husband will go to make his wife happy as her memory fades, in "The Bear Came Over the Mountain." Other stories suggest the punishing consequences of leaving home ("Runaway") or leaving a marriage ("The Children Stay"). The part romantic love plays in one's existence is explored in "Too Much Happiness," based on the life of the noted nineteenth-century mathematician, Sophia Kovalevsky. And in stories that Munro has described as "closer to the truth than usual"—"Dear Life," "Working for a Living," and "Home" among them—we glimpse the author's own life. As the Nobel Prize presentation speech says in part: "Reading one of Alice Munro's texts is like watching a cat walk across a laid dinner table. A brief short story can often cover decades, summarizing a life, as she moves deftly between different periods. No wonder Alice Munro is often able to say more in thirty pages than an ordinary novelist is capable of in three hundred. She is a virtuoso of the elliptical and the master of the contemporary short story."
