Me 'N' Alvin Thad Box 2001-11-26 Essayist and poet Thad Box experienced poverty first hand as a small boy living on a tenant farm. His poems present a child's eye view of one of our country's major events. The Great Depression spawned a social and economic upheaval in American culture as great as the revolution that formed this country. With the possible exception of the Civil War, no event in our nation's history has been as significant. The people who lived through the Depression become fewer with each passing year. Most who were adults at the beginning of the depression are gone. Box's poems make history live through the tales of children. "Me 'n' Alvin" describes the joys and disappointments of a ten-year-old boy during the time between the stock market crash of 1929 and the attack on Pearl Harbor. Although it is about sharecropper children in the Central Texas Hill Country, it captures the hopes and dreams of poor kids everywhere who do not consider themselves poor. Box tells the stories through a series of narrative poems written in the vernacular, yet poetic voice of Hill Country people. He describes life of subsistence farmers and the heartbreak of being displaced by well meaning New Deal government programs. Games played by children, the wonder of becoming "rich" when the make-work dam construction pays 40 cents an hour, Sunday dinners, and celebrations are told through his eyes and with the voice of a precocious child.: Doing what hound dogs do or finding out about birds and bees are woven into the poems. Learning the facts of life was not just about sex. It often involved becoming aware of the problems of grownups: the lack of money, the stress of being put off the farm, the knowledge that the family was poor. But the joys of a child exploring his poverty cocoon, the love of his parents, the thrill of learning all become part of understanding the facts of life. A child's curiosity about sex is not ignored. The boys knew about billy goats, Maltese jacks, and roosters because their function on the farm was part of the natural process. But making the transition from understanding animal breeding to girls was an unending mystery. The book covers the time from

shortly after Franklin Roosevelt's election in the 1930s until the attack on Pearl Harbor. It was a time when many farm families were moving to California in search of a better life. Hobos and gypsies traveled from town to town in search of food. Soup kitchens filled less than basic needs of major cities. Obituaries of people who lived through these times fill newspapers across this land. This book is unique in that it captures a child's view of one of the major social changes of our country. The poems teach history with a smile.

One Night in Miami... Kemp Powers 2021-09-23 25 February 1964: 22-year-old Cassius Clay, soon to be Muhammad Ali, has just won the world heavyweight boxing title. Instead of hitting the town, he chooses to celebrate in a Miami hotel room with three close friends - activist Malcolm X, singer Sam Cooke and American football star Jim Brown. This fictional account of a real night imagines what might have happened in that tiny hotel room. As the Civil Rights movement stirs outside, and the melody of 'A Change is Gonna Come' hangs in the air, four men will emerge from that one night ready to define a new world. Kemp Powers' award-winning debut play *One Night in Miami...* deftly combines the personal and the political at a pivotal moment in history; it received the Ted Schmitt Award 2013 for its world premiere, and went on to be adapted into a critically acclaimed film directed by Regina King in 2020. It is published here in Methuen Drama's Modern Classics series with a brand new introduction by Matthew Xia.

It Was Me All Along Andie Mitchell 2015-01-06 A yet heartbreakingly honest, endearing memoir of incredible weight loss by a young food blogger who battles body image issues and overcomes food addiction to find self-acceptance. All her life, Andie Mitchell had eaten lustily and mindlessly. Food was her babysitter, her best friend, her confidant, and it provided a refuge from her fractured family. But when she stepped on the scale on her twentieth birthday and it registered a shocking 268 pounds, she knew she had to change the way she thought about food and herself; that her life was at stake. *It Was Me All Along* takes Andie from working class Boston to the romantic streets of Rome, from morbidly obese to half her size, from seeking comfort in anything that came cream-filled and two-to-a-pack to finding balance in exquisite (but modest) bowls of handmade pasta. This story is about much more than a woman who loves food and abhors her body. It is about someone who made changes when her situation seemed too far gone and how she discovered balance in an off-kilter world. More than anything, though, it is the story of her finding beauty in acceptance and learning to love all parts of herself.

Ava's Man Rick Bragg 2010-01-20 NATIONAL BESTSELLER • With the same emotional generosity and effortlessly compelling storytelling that made *All Over But the Shoutin'* a beloved bestseller, Rick Bragg continues his personal history of the Deep South. This time he's writing about his grandfather Charlie Bundrum, a man who died before Bragg was born but left an indelible imprint on the people who loved him. Drawing on their memories, Bragg reconstructs the life of an unlettered roofer who kept food on his family's table through the worst of the Great Depression; a moonshiner who drank exactly one pint for every gallon he sold; an unregenerate brawler, who could sit for hours with a baby in the crook of his arm. In telling Charlie's story, Bragg conjures up the backwoods hamlets of Georgia and Alabama in the years when the roads were still dirt and real men never cussed in front of ladies. A masterly family chronicle and a human portrait so vivid you can smell the cornbread and whiskey, *Ava's Man* is unforgettable.

Words That Work Dr. Frank Luntz 2007-01-02 The nation's premier communications expert shares his wisdom on how the words we choose can change the course of business, of politics, and of life in this country. In *Words That Work*, Luntz offers a behind-the-scenes look at how the tactical use of words and phrases affects what we buy, who we vote for, and even what we believe in. With chapters like "The Ten Rules of Successful Communication" and "The 21 Words and Phrases for the 21st Century," he examines how choosing the right words is essential. Nobody is in a better position to explain than Frank Luntz: He has used his knowledge of words to help more than two dozen Fortune 500 companies grow. Hell tell us why Rupert Murdoch's six-billion-dollar decision to buy DirectTV was smart because satellite was more cutting edge than "digital cable," and why pharmaceutical companies transitioned their message from "treatment" to "prevention" and "wellness." If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise, this book's for you.

Switched on Pop Nate Sloan 2019-12-13 Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? *Switched on Pop* is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In

1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. *Switched on Pop* gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, *Switched on Pop* brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in *Switched on Pop*.

The Teacher's Funeral Richard Peck 2006-11-21 If your teacher has to die, August isn't a bad time of year for it," begins Richard Peck's latest novel, a book full of his signature wit and sass. Russell Culver is fifteen in 1904, and he's raring to leave his tiny Indiana farm town for the endless sky of the Dakotas. To him, school has been nothing but a chain holding him back from his dreams. Maybe now that his teacher has passed on, they'll shut the school down entirely and leave him free to roam. No such luck. Russell has a particularly eventful season of schooling ahead of him, led by a teacher he never could have predicted-

perhaps the only teacher equipped to control the likes of him: his sister Tansy. Despite stolen supplies, a privy fire, and more than any classroom's share of snakes, Tansy will manage to keep that school alive and maybe, just maybe, set her brother on a new, wiser course.

Home to My Village H. R. Barley 2016-07-15 In *Home to My Village*, H. R. Barley, a pastor and master storyteller, takes us to the delightful small-town world of Pastor Karl Gerste. He and his friends, "Slappy" Klahr, "Howdy" Hiester, Ray "The Phantom" Lycans, "Hootie" Helsel, and "Wink" Barlow, have known one another since they were little boys. When they were young, they dealt with the problems of boyhood. Now, they are adults and must contend with such serious concerns as the possibility of raccoons making a home in the chimney, evil elves playing tricks, a hobby that always goes awry, and the grim realities of middle age. Their attempts to find meaning in these and other struggles of their lives are sometimes humorous, sometimes poignant, and always have subtle undertones of the values that make life bearable--family, friendship and faith.
