Short History of Ireland Killeen 2000-03-01

A Short History of Modern Ireland Richard Killeen 2003 This new Short History of Modern Ireland is concise, comprehensive and original in approach. It combines a strong narrative with explanation and interpretation. Locating Ireland within a European context throughout the period, it also stresses the influence of the Anglo-American world. Written in an accessible style, it assumes no previous knowledge of Irish history. It is, therefore, the perfect introduction to the subject for visitors to Ireland, and illuminating for Irish people themselves. Book jacket.

A Short History of Ireland from the Earliest Times to 1608 Patrick Weston Joyce 1893

[A Short History of the Irish Revolution, 1912 to 1927](#) Richard Killeen 2007 The most critical period in modern Irish history is covered in this authoritative, informed overview. A perfect introduction for non-specialists.

A Short History of Ireland Constantia Maxwell 1917

Ireland Thomas Bartlett 2010-06-03 Acclaimed political, social, cultural and economic history of Ireland from prehistory to the present by one of Ireland's leading historians.

[A Short History of Ireland](#) Breandán Ó hEithir 2016-03-07 A short, accessible and entertaining history from one of Ireland's best-loved writers, now updated to bring our country's story right up to date. It deals with prehistory, the Celts, Christianity, the Vikings, the Normans. The various conquests and rebellions are covered, including Cromwell, Wolfe Tone, the 1916 Rising. Linking past to present, it brings history up to date, providing an interesting account of both North and South through the 20th century, clarifying the development and intricacies of the Northern 'troubles' and the many attempts to resolve them.

Understanding and sympathetic, this little book gives a clear and stimulating grasp of Ireland, past and present.

A Short History of Ireland Sean McMahon 2010-12-01 Change is constant in human affairs and Ireland has seen its fair share over the centuries. If we are to understand Ireland's current challenges then we must grasp the complexity of its past. This concise and even-handed account describes the history of Ireland from early times. Based upon up-to-date research, the narrative covers all political, social and cultural issues of importance, right up to the autumn of 1995 with the visit of President Clinton and the end of the first year of peace in Northern Ireland.

A Short History of Ireland James Camlin Beckett 1979

Famine Cormac Ó Gráda 2021-06-08 Famine remains one of the worst calamities that can befall a society. Mass starvation--whether it is inflicted by drought or engineered by misguided or genocidal economic

policies--devastates families, weakens the social fabric, and undermines political stability. Cormac Ó Gráda, the acclaimed author who chronicled the tragic Irish famine in books like *Black '47* and *Beyond*, here traces the complete history of famine from the earliest records to today. Combining powerful storytelling with the latest evidence from economics and history, Ó Gráda explores the causes and profound consequences of famine over the past five millennia, from ancient Egypt to the killing fields of 1970s Cambodia, from the Great Famine of fourteenth-century Europe to the famine in Niger in 2005. He enriches our understanding of the most crucial and far-reaching aspects of famine, including the roles that population pressure, public policy, and human agency play in causing famine; how food markets can mitigate famine or make it worse; famine's long-term demographic consequences; and the successes and failures of globalized disaster relief. Ó Gráda demonstrates the central role famine has played in the economic and political histories of places as different as Ukraine under Stalin, 1940s Bengal, and Mao's China. And he examines the prospects of a world free of famine. This is the most comprehensive history of famine available, and is required reading for anyone concerned with issues of economic development and world poverty.

A Short History of Ireland 1843

A Short History of Ireland's Famine Ruán O'Donnell 2015-09-08 This condensed history examines why the Great Famine was so catastrophic, and explores its effect on Irish society and culture. It explains the circumstances surrounding the period and addresses issues and characteristics of the time. Aspects covered include the spread of disease, the experiences of those on public works projects and the disagreements between political leaders regarding the distribution of what little food was available. Featuring new material on the Irish Famine which has never been published before, this is an accessible and comprehensive history of the period surrounding the famine, as well as the horrors endured by the people of Ireland.

Irish History Captivating History 2021-03-19 The Emerald Island was a place of conflict that developed throughout the centuries and perhaps lingers even today.

A Popular History of Ireland Thomas D'Arcy McGee 1863

Ireland Joseph Coohill 2014-03-06 From the first prehistoric inhabitants of the island to the St Andrews Agreement and decommissioning of IRA weapons, this uniquely concise account of Ireland and its people reveals how differing interpretations of history, ancient and modern, have influenced modern Irish society. Combining factual information with a critical approach, Coohill covers all the key events, including the Great Famine, Home Rule, and the Good Friday Agreement. Updated with two new chapters expanding the discussion of pre-modern Ireland, as well as developments in the 21st century, this highly accessible and balanced account will continue to provide a valuable resource to all those wishing to acquaint themselves further with the complex identity of the Irish people.

[A Short History of Ireland, 1500-2000](#) John Gibney 2018-01-09 A brisk, concise, and readable overview of Irish history from the Protestant Reformation to the dawn of the twenty-first century. Five centuries of Irish history are explored in this informative and accessible volume. Beginning with Ireland's modern period at the dawn of the sixteenth century, John Gibney continues through to virtually the present day, offering an integrated overview of the island nation's cultural, political, and socioeconomic evolution. This succinct, scholarly study covers important historical events, including the Cromwellian conquest and settlement, the Great Famine, and the struggle for Irish independence. Along the way, it explores major themes such as

Ireland's often contentious relationship with Britain, the impact of the Protestant Reformation, the ongoing religious tensions it inspired, and the global reach of the Irish diaspora. This unique, wide-ranging work assimilates the most recent scholarship on a wide range of historical controversies, making it an essential addition to the library of any student of Irish studies.

We Don't Know Ourselves: A Personal History of Modern Ireland Fintan O'Toole 2022-03-15 "[L]ike reading a great tragicomic Irish novel." —James Wood, *The New Yorker* "Masterful . . . astonishing." —Cullen Murphy, *The Atlantic* "A landmark history . . . Leavened by the brilliance of O'Toole's insights and wit." —Claire Messud, *Harper's Winner • 2021 An Post Irish Book Award — Nonfiction Book of the Year •* from the judges: "The most remarkable Irish nonfiction book I've read in the last 10 years"; "[A] book for the ages." A celebrated Irish writer's magisterial, brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world. Fintan O'Toole was born in the year the revolution began. It was 1958, and the Irish government—in despair, because all the young people were leaving—opened the country to foreign investment and popular culture. So began a decades-long, ongoing experiment with Irish national identity. In *We Don't Know Ourselves*, O'Toole, one of the Anglophone world's most consummate stylists, weaves his own experiences into Irish social, cultural, and economic change, showing how Ireland, in just one lifetime, has gone from a reactionary "backwater" to an almost totally open society—perhaps the most astonishing national transformation in modern history. Born to a working-class family in the Dublin suburbs, O'Toole served as an altar boy and attended a Christian Brothers school, much as his forebears did. He was enthralled by American Westerns suddenly appearing on Irish television, which were not that far from his own experience, given that Ireland's main export was beef and it was still not unknown for herds of cattle to clatter down Dublin's streets. Yet the Westerns were a sign of what was to come. O'Toole narrates the once unthinkable collapse of the all-powerful Catholic Church, brought down by scandal and by the activism of ordinary Irish, women in particular. He relates the horrific violence of the Troubles in Northern Ireland, which led most Irish to reject violent nationalism. In O'Toole's telling, America became a lodestar, from John F. Kennedy's 1963 visit, when the soon-to-be martyred American president was welcomed as a native son, to the emergence of the Irish technology sector in the late 1990s, driven by American corporations, which set Ireland on the path toward particular disaster during the 2008 financial crisis. A remarkably compassionate yet exacting observer, O'Toole in coruscating prose captures the peculiar Irish habit of "deliberate unknowing," which allowed myths of national greatness to persist even as the foundations were crumbling. Forty years in the making, *We Don't Know Ourselves* is a landmark work, a memoir and a national history that ultimately reveals how the two modes are entwined for all of us.

[Short History of Ireland](#) 1901

A Short History of Ireland John Ranelagh 1994 An updated printing of John O'Beirne Ranelagh's history, covering events to September 1998.

A Brief History of Ireland Richard Killeen 2012-01-19 From the dawn of history to the decline of the Celtic Tiger - how Ireland has been shaped over the centuries. Ireland has been shaped by many things over the centuries: geography, war, the fight for liberty. A Brief History of Ireland is the perfect introduction to this exceptional place, its people and its culture. Ireland has been home to successive groups of settlers - Celts, Vikings, Normans, Anglo-Scots, Huguenots. It has imported huge ideas, none bigger than Christianity which it then re-exported to Europe after the fall of the Roman Empire. In the Tudor era it became the first colony of the developing English Empire. Its fraught and sometimes brutal relationship with England has dominated its modern history. Killeen argues that religion was decisive in all this: Ireland remained substantially Catholic, setting it at odds with the larger island culturally, religiously and politically. But its own culture and identity have stayed strong, most obviously in literature with a magnificent tradition of writing from the Book of Kells to the modern masters: Joyce, Yeats, Beckett and Heaney.

[The Princeton History of Modern Ireland](#) Richard Bourke 2016-01-12 An accessible and innovative look at Irish history by some of today's most exciting historians of Ireland This book brings together some of today's most exciting scholars of Irish history to chart the pivotal events in the history of modern Ireland while providing fresh perspectives on topics ranging from colonialism and nationalism to political violence, famine, emigration, and feminism. The Princeton History of Modern Ireland takes readers from the Tudor

conquest in the sixteenth century to the contemporary boom and bust of the Celtic Tiger, exploring key political developments as well as major social and cultural movements. Contributors describe how the experiences of empire and diaspora have determined Ireland's position in the wider world and analyze them alongside domestic changes ranging from the Irish language to the economy. They trace the literary and intellectual history of Ireland from Jonathan Swift to Seamus Heaney and look at important shifts in ideology and belief, delving into subjects such as religion, gender, and Fenianism. Presenting the latest cutting-edge scholarship by a new generation of historians of Ireland, *The Princeton History of Modern Ireland* features narrative chapters on Irish history followed by thematic chapters on key topics. The book highlights the global reach of the Irish experience as well as commonalities shared across Europe, and brings vividly to life an Irish past shaped by conquest, plantation, assimilation, revolution, and partition.

Ireland Joseph Coohill 2005 No Marketing Blurb

~Ae Short History of Ireland Constantia Maxwell 1914

Story of Ireland Neil Hegarty 2012-04-24 The history of Ireland has traditionally focused on the localized struggles of religious conflict, territoriality and the fight for Home Rule. But from the early Catholic missions into Europe to the embrace of the euro, the real story of Ireland has played out on the larger international stage. *Story of Ireland* presents this new take on Irish history, challenging the narrative that has been told for generations and drawing fresh conclusions about the way the Irish have lived. Revisiting the major turning points in Irish history, Neil Hegarty re-examines the accepted stories, challenging long-held myths and looking not only at the dynamics of what happened in Ireland, but also at the role of events abroad. How did Europe's 16th century religious wars inform the incredible violence inflicted on the Irish by the Elizabethans? What was the impact of the French and American revolutions on the Irish nationalist movement? What were the consequences of Ireland's policy of neutrality during the Second World War? *Story of Ireland* sets out to answer these questions and more, rejecting the introspection that has often characterized Irish history. Accompanying a landmark series coproduced by the BBC and RTE, and with an introduction by series presenter, Fergal Keane, *Story of Ireland* is an epic account of Ireland's history for an entire new generation.

Ireland Joseph Coohill 2008-07-01 This third edition of Joseph Coohill's bestselling book has been fully updated to include the St Andrews Agreement and the decommissioning of IRA weapons. Starting with the first prehistoric inhabitants of the island, the book takes us right up to the present day, covering the Great Famine, Home Rule, the Good Friday Agreement, and beyond. Clear and lucid, Coohill's writing paints an engaging picture of a people for whom history is a key part of present-day reality. Reviewing differing historical interpretations, Coohill allows the reader to come to their own conclusions. Highly accessible, yet demonstrating a sophisticated level of analysis, this book will continue to provide a valuable resource to tourists, students and all those wishing to acquaint themselves further with the complex identity of the Irish people.

A Short History of Ireland Richard Killeen 2005 Concise, comprehensive and original in approach, this revised edition includes the Belfast Agreement and the years of the Celtic Tiger. Now available in three languages: English, French and German.

A Short History of Ireland John O'Beirne Ranelagh 2012-10-11 This third edition of John O'Beirne Ranelagh's classic history of Ireland incorporates contemporary political and economic events as well as the latest archaeological and DNA discoveries. Comprehensively revised and updated throughout, it considers Irish history from the earliest times through the Celts, Cromwell, plantations, famine, Independence, the Omagh bomb, peace initiatives, and financial collapse. It profiles the key players in Irish history from Diarmuid MacMurrough to Gerry Adams and casts new light on the events, North and South, that have shaped Ireland today. Ireland's place in the modern world and its relationship with Britain, the USA and Europe is also examined with a fresh and original eye. Worldwide interest in Ireland continues to increase, but whereas it once focused on violence in Northern Ireland, the tumultuous financial events in the South have opened fresh debates and drawn fresh interest. This is a new history for a new era.

[A Short History of Irish Traditional Music](#) Gearóid Ó hAllmhuráin 2017-05-08 The history of Irish traditional music, song and dance from the mythological harp of the Dagda right up to Riverdance and beyond. Exploring an abundant spectrum of historical sources, music and folklore, this guide uncovers the

contribution of the Normans to Irish dancing, the role of the music maker in Penal Ireland, as well as the popularity of dance tunes and set dancing from the end of the 18th century. It also follows the music of the Irish diaspora from as far apart as Newfoundland and the music halls of vaudeville to the musical tapestry of Irish America today.

A Short History of Ireland Martin Wallace 1996

A Short History of Ireland James Camlin Beckett 1973

A Short History of Irish Literature Seamus Deane 1994 Seamus Deane, one of Ireland's most important critics, assesses here the place of literature in "a colonial or neo-colonial culture like ours, where the naming of the territory has always been ... a politically charged act". The force of Deane's *A Short History of Irish Literature* derives precisely from his naming of the territory. With insight, erudition, and a razor-keen style, he locates Irish writers within the island's traumatic history. His aim is to show how literature has been inescapably allied with historical interpretation and with political allegiance.

Ireland and the Irish Karl S. Bottigheimer 1982 -- Choice

Modern Ireland: A Very Short Introduction Senia Pasetta 2003-03-27 Drawing on new research on the history of Ireland since 1800 this new look at modern Ireland challenges some of the assumptions which underpin this research. It explores the notion of the 'Irish Question' and argues that there were in fact many Irish Questions which were continually articulated and reassessed according to the particular social, political, and economic conditions in which they developed.

Life in Ireland Conor W. O'Brien 2021-04-22 This is the story of life in Ireland - a story half a billion years in the making. With its castles, crannogs and passage tombs, Ireland is a land where history looms large, but the saga of life on this island dates back millions of years before the first people set foot here. In *Life in Ireland*, Conor O'Brien guides the reader on a journey around the island to explore the history of natural life here, from the Jurassic Coast of Antrim to the great Ice Age bone-beds of Cork. Along the way, we'll meet some of the astonishing creatures to have called Ireland home through the ages: shelled monsters; huge marine lizards; armoured dinosaurs; giant deer; mighty mammoths. Vital strands in the story of life on Earth have left their mark here, including some of the first creatures to crawl onto land or take to the wing. This epic journey will take us from the first fossils to the present day, to see how our wildlife has adapted to the human age and explore what the future might hold for life in Ireland.

The Concise History of Ireland Seán Duffy 2005 Appealing to the specialist and general reader alike, this handsomely presented book tells the story of Ireland from earliest times to the present, using a combination of words, maps, photographs and illustrations.

A Pocket History of Ireland Joseph McCullough 2010 From prehistoric times to the present day this comprehensive history presents the story of Ireland in bite-size chunks. With illustrations throughout this is an attractive and practical guide to Ireland's colorful history.

A History of Ireland in 250 Episodes Jonathan Bardon 2008 "Jonathan Bardon covers all the obvious things: the invasions, battles, development of towns and cities, the Reformation, the Georgian era, the Famine, rebellions and resistance, the difference of Ulster, partition, the twentieth century. What makes his book so valuable, however, are the quirky subjects he chooses to illustrate how history really works: the great winter freeze of 1740 and the famine that followed; crime and duelling; an emigrant voyage; evictions. These episodes get behind the historical headlines to give a glimpse of past realities that might otherwise be lost to view." "The author has retained the original episodic structure of the radio programmes. The result is a marvellous mosaic of the Irish past, delivered with clarity and narrative skill." --Book Jacket.

Short History Of Ireland ebook download or read online. In today digital age, eBooks have become a staple for both leisure and learning.
