**The Unknown Shore. [read  
by Gordon Griffin].** Patrick  
O'Brian 1999

*Unknown Shore* Robert Ruby  
2014-06-10 The true story of  
how the first English colony in  
the New World was lost to  
history, then found again three  
hundred years later. England's

first attempt at colonizing the New World was not at Roanoke or Jamestown, but on a mostly frozen small island in the Canadian Arctic. Queen Elizabeth I called that place Meta Incognita -- the Unknown Shore. Backed by Elizabeth I and her key advisors, including the legendary spymaster Sir Francis Walsingham and the shadowy Dr. John Dee, the erstwhile pirate Sir Martin Frobisher set out three times across the North Atlantic, in the process leading what is still the largest Arctic expedition in history. In this forbidding place, Frobisher believed he had discovered vast quantities of gold, the fabled Northwest Passage to the riches of Cathay, and a suitable place for a year-round colony. But Frobisher's dream turned into a nightmare, and his colony was lost to history for nearly three centuries. In this brilliantly conceived dual narrative, Robert Ruby interweaves Frobisher's saga with that of the nineteenth-century American Charles Francis Hall, whose

explorations of this same landscape enabled him to hear the oral history of the Inuit, passed down through generations. It was these stories that unlocked the mystery of Frobisher's lost colony. Unknown Shore is the story of two men's travels, and of what these men shared three centuries apart. Ultimately, it is a tale of men driven by greed and ambition, of the hard labor of exploration, of the Inuit and their land, and of great gambles gone wrong.

**Ali Baba in Space** Sheldon Shore 2018-09-01 Joe Dolan, raised on a farm in the back woods of Pennsylvania, wearies of the farm life and sets out to find his place in the world. While working at the Space Fleet Logistics Center at Hanford Washington, The Mars Colony declares it independence and our space fleet, desperate for pilots accepts Joe as a trainee. Several years later the rebellion has been crushed and Joe has risen to Commander of the intergalactic Space Patrol. While on a routine mission he

is ambushed by an unknown adversary, shot down and crashes on a planet with an ancient culture. The people of a small village near his crash site accept him as a wizard after he drives off a band of outlaws with his Magic wand, an antique long barreled Colt 45, left to him by his grandfather which he has carried with him for years for sentimental reasons. Joe befriends young Ali, a mischievous street urchin and, using their wits and Joe's long barreled Colt, they manage to keep the bandits at bay. Joe's unknown adversary turns out to be an alien race determined to establish a colony on the ancient planet and Joe and Ali have to devise ways to battle the aliens superior technology with cunning and ancient weapons. The Shore Unknown Coral Smith Saxe 1997 Elinor DeCortzeny hails from a world of castles, conquests, sorcerers and spells. So she has no trouble accepting the notion that a magic charm can send her to another time and place, where leather-clad demons ride

noisy beasts. Recluse Drew Ingraham has interest in little other than his Harley as he rides along the California countryside--until he sees Elinor.

*This Alien Shore* C.S. Friedman 2020-09 This lauded work of science fiction and New York Times Notable Book of the Year explores a universe where genetic mutations have allowed certain individuals to traverse the stars. It is the second stage of human colonization—the first age, humanity's initial attempt to people the stars, ended in disaster when it was discovered that Earth's original superluminal drive did permanent genetic damage to all who used it—mutating Earth's far-flung colonists in mind and body. Now, one of Earth's first colonies has given humanity back the stars, but at a high price—a monopoly over all human commerce. And when a satellite in Earth's outer orbit is viciously attacked by corporate raiders, an unusual young woman flees to a ship bound for the Up-and-Out. But her narrow escape

another, Beane and his unlikely team struggle to end the bloodshed, unlocking a terrible secret from the darkest mists of antiquity. AN UNKNOWN SHORE is a gripping horror story and psychological thriller that plunges a man into the heart of a waking nightmare where his courage, resourcefulness and his very sanity are pushed to the breaking point.

### Lost Shores, Forgotten Peoples

Lawrence H. Feldman 2000  
Long after the Aztecs and the Incas had become a fading memory, a Maya civilization still thrived in the interior of Central America. Lost Shores, Forgotten Peoples is the first collection and translation of important seventeenth-century narratives about Europeans travelling across the great "Ocean Sea" and encountering a people who had maintained an independent existence in the lowlands of Guatemala and Belize. In these narratives--primary documents written by missionaries and conquistadors--vivid details of these little known Mayan

cultures are revealed, answering how and why lowlanders were able to evade Spanish conquest while similar civilizations could not. Fascinating tales of the journey from Europe are included, involving unknown islands, lost pilots, life aboard a galleon fleet, political intrigue, cannibals, and breathtaking natural beauty. In short, these forgotten manuscripts--translations of the papers of the past--provide an unforgettable look at an understudied chapter in the age of exploration. Lost Shores, Forgotten Peoples will appeal to archaeologists, anthropologists, and historians interested in Central America, the Maya, and the Spanish Conquest.

2022-11-15 by guest*

Unknown points movingly to the many relationships that moored Bishop, keeping her together even as life—and her own self-destructive tendencies—threatened to split her apart.” —The Wall Street Journal Elizabeth Bishop's friend James Merrill once observed that "Elizabeth had more talent for life—and for poetry—than anyone else I've known." This new biography reveals just how she learned to marry her talent for life with her talent for writing in order to create a brilliant array of poems, prose, and letters—a remarkable body of work that would make her one of America's most beloved and celebrated poets. In *Love Unknown*, Thomas Travisano, founding president of the Elizabeth Bishop Society, tells the story of the famous poet and traveler's life. Bishop moved through extraordinary mid-twentieth century worlds with relationships among an extensive international array of literati, visual artists, musicians, scholars, and politicians—along with a

cosmopolitan gay underground that was then nearly invisible to the dominant culture. Drawing on fresh interviews and newly discovered manuscript materials, Travisano illuminates that the "art of losing" that Bishop celebrated with such poignant irony in her poem, "One Art," perhaps her most famous, was linked in equal part to an "art of finding," that Bishop's art and life was devoted to the sort of encounters and epiphanies that so often appear in her work.

*Unknown Journey* Allen Smuckler 2013-04-17 *Unknown Journey* is a book of poetry with many varied conceptions; soothing, warming, and cooling on one hand, chaotic, fearful, and desolate on the other. It strides aside me on occasion in the inner counsel of evermore, healing my wounds and motivating me to be more ... see more ... do more ... This book of poetry ... progresses from youthful hopefulness, crawls through the land of discovery and spans the decades from the tumultuous

60's to the tenuous present not just for Boomers, but for all to read." —Becky Corinne Strukamp, freelance writer and poet "This book is like walking with you hand in hand on a journey. Thinking back ... being here ... then casting a look to the future. Allen's writing will touch your heart, as it always does mine ..." —Lily Mae O'Connor, poet and author "Allen passes the dreams of his generation to the next souls in our line, that they may carry with them his enduring love for a life, sweet, gentle and divine." —Tate Morgan, poet and author

**The Unknown Shore 1800  
Memoir, Historical and  
Political, on the Northwest  
Coast of North America, and  
the Adjacent Territories**

Robert Greenhow 1840

**The Unknown Shore** Patrick O'Brian 1996-10-17 An immediate precursor to Patrick O'Brian's acclaimed Aubrey/Maturin series, displaying all the splendid prose and attention to detail that O'Brian's readers expect. Patrick O'Brian's first novel about the sea, *The Golden Ocean*, took inspiration from Commodore George Anson's fateful circumnavigation of the globe in 1740. In *The Unknown Shore*, O'Brian returns to this rich source and mines it brilliantly for another, quite different tale of exploration and adventure. The *Wager* was parted from Anson's squadron in the fierce storms off Cape Horn and struggled alone up the coast of Chile until she was driven against the rocks and sank. The survivors were soon involved in trouble of every kind. A surplus of rum, a disappearing stock of food, and a hard, detested captain soon drove them into drunkenness, mutiny, and bloodshed. After many months of privation, a handful of men made their way northward under the guidance

*Downloaded from  
[beautifulordinary.com](http://beautifulordinary.com) on  
2022-11-15 by guest*

of a band of Indians, at last finding safety in Valparaiso. This saga of survival is the background to the adventures of two young men aboard the Wager: midshipman Jack Byron and his friend Tobias Barrow, an alarmingly naive surgeon's mate. Patrick O'Brian's many devoted readers will take particular interest in this story, as Jack and Toby form a kind of blueprint for Jack Aubrey and Stephen Maturin, the famed heroes of the great Aubrey/Maturin series to come.

*The Sacred Shore* Janette Oke 2000-02 A historical epic brings together a group of banished French Acadians, a lonely British nobleman, and a couple on the verge of separation

### Journeys to the Other Shore

Roxanne L. Euben 2008-07-01 The contemporary world is increasingly defined by dizzying flows of people and ideas. But while Western travel is associated with a pioneering spirit of discovery, the dominant image of Muslim mobility is the jihadi who travels not to learn but to

destroy. Journeys to the Other Shore challenges these stereotypes by charting the common ways in which Muslim and Western travelers negotiate the dislocation of travel to unfamiliar and strange worlds. In Roxanne Euben's groundbreaking excursion across cultures, geography, history, genre, and genders, travel signifies not only a physical movement across lands and cultures, but also an imaginative journey in which wonder about those who live differently makes it possible to see the world differently. In the book we meet not only Herodotus but also Ibn Battuta, the fourteenth-century Moroccan traveler. Tocqueville's journeys are set against a five-year sojourn in nineteenth-century Paris by the Egyptian writer and translator Rifa'a Rafi' al-Tahtawi, and Montesquieu's novel *Persian Letters* meets with the memoir of an East African princess, Sayyida Salme. This extraordinary book shows that curiosity about the unknown, the quest to

Downloaded from  
[beautifulordinary.com](http://beautifulordinary.com) on  
2022-11-15 by guest

understand foreign cultures, critical distance from one's own world, and the desire to remake the foreign into the familiar are not the monopoly of any single civilization or epoch. Euben demonstrates that the fluidity of identities, cultures, and borders associated with our postcolonial, globalized world has a long history--one shaped not only by Western power but also by an Islamic ethos of travel in search of knowledge.

### **To an Unknown Shore**

Theodore Enslin 2017

Theodore Enslin (1925-2011) is widely regarded as one of the most musical of American avant-garde poets. He said, "I like to be considered as a composer who happens to use words instead of notes." Enslin moved to Maine in 1960 and its landscape forms an integral part of his poetry. *To an Unknown Shore* contains his final poems.

### **Documents of the Senate of the State of New York**

New York (State). Legislature. Senate 1911

### **No Far Shore** Anne-Marie

Fyfe 2019 *No Far Shore* is a rich exploration of various coastlines across England, Wales, Ireland, Canada and the US, in the form of travel writing, narrative non-fiction, memoir and poetry. In it poet Anne-Marie Fyfe visits the meeting place of land and sea, and takes in the maps, waves, lighthouses, islands, north, journeys, boats and fishermen which mark this changing boundary. She looks too at the work of a number of writers for whom the coast has been influential (and who in some cases have a surprising link to her hometown of Cushenden in Northern Ireland). They include Elizabeth Bishop, Herman Melville, Eavan Boland, Moira O'Neill, Robinson Jeffers, George Mackay Brown, C.P. Cavafy and Louis MacNeice. In addition, Fyfe also travels into her past, and that of her family, and charting her own relationship with a number of coasts and the way that they have shaped her life and those of others. Living next to the sea brings almost as many subjects

**Kafka on the Shore** Haruki Murakami 2005-01-18  
NATIONAL BESTSELLER • From the New York Times bestselling author of *The Wind-Up Bird Chronicle* and one of the world's greatest storytellers comes "an insistently metaphysical mind-bender" (*The New Yorker*) about a teenager on the run and an aging simpleton. Here

we meet 15-year-old runaway Kafka Tamura and the elderly Nakata, who is drawn to Kafka for reasons that he cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly remarkable journey. "As powerful as *The Wind-Up Bird Chronicle*.... Reading Murakami ... is a striking experience in consciousness expansion." —*The Chicago Tribune*

**At the Beach** Jean-Didier Urbain 2003 Around the world, when people think of vacation it's the beach they want—even when long distances must be traversed, the seashore is the place to escape the rigors of modern life. How did this come to be, and what does our ongoing love affair with the beach mean? How do shore vacations differ from traditional tourism, and what does this tell us about our fears and dreams? In *At the Beach*,

*Downloaded from*  
[beautifulordinary.com](http://beautifulordinary.com) on  
2022-11-15 by guest

Jean-Didier Urbain offers witty and insightful answers to these questions. Urbain traces the transformation of the beach from a place of mythological threats and a demanding workplace fraught with danger to a destination for medical treatment and the pursuit of pleasure. He looks to the emergence of the modern vacation in the nineteenth century, examines representations of beachgoing in literature and the arts, and shows the transgressive side of beach culture--from nudism to hedonism to various "scandals" about costume, behavior, and sexuality that make the beach the site of social spectacle as well as leisure. Urbain's ultimate focus is the paradoxical enterprise of the residential seaside vacationer, who travels in order to stay in one place and who leaves the everyday world behind to reconstruct an idealized version of it at the shore. He argues that unlike tourists, who move from place to place, beach vacationers are not seeking to explore nature, to

discover other cultures, or even to "get away from it all"; rather, they are attempting to re-create their own identities through a simplified community they can no longer find elsewhere. Blending history with social observation, Urbain presents an original, incisive, and entertaining account of this enduring ritual of escape and recreation. Shore Leave Ryan Mungia 2016 For the thousands of US sailors bound for the Pacific theatre of World War II, the Hawaiian Islands were the staging ground for an unknown fate. Their perception of Honolulu as a tropical paradise quickly deflated upon their arrival. Classic 1940s images of Hawaiian hula girls complement scrapbook photos of jaunty, uniformed sailors touring the island on a motorcycle or playing pool. Young women masquerading as bonafide hula girls pose with sailors in photobooth arcades, a ritual that for many would be the last human embrace before being deposited onto the battlefield.
