Eat Pray Love Elizabeth Gilbert 2006-02-16 One of the most iconic, beloved, and bestselling books of our time. This beautifully written, heartfelt memoir touched a nerve among both readers and reviewers. Elizabeth Gilbert tells how she made the difficult choice to leave behind all the trappings of modern American success (marriage, house in the country, career) and find, instead, what she truly wanted from life. Setting out for a year to study three different aspects of her nature amid three different cultures, Gilbert explored the art of pleasure in Italy and the art of devotion in India, and then a balance between the two on the Indonesian island of Bali. By turns rapturous and rueful, this wise and funny author (whom Booklist calls "Anne Lamott's hip, yoga- practicing, footloose younger sister") is poised to garner yet more adoring fans.

A Better Way to Pray Andrew Wommack 2007 After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray.

Yayoi Kusama: Give Me Love Yayoi Kusama 2016-03-22 Yayoi Kusama: Give Me Love documents the artist's most recent exhibition at David Zwirner, New York, which marked the US debut of The Obliteration Room, an all-white, domestic interior that viewers are invited to cover with dot stickers of various sizes and colors. Widely recognized as one of the most popular artists in the world, Yayoi Kusama has shaped her own narrative of postwar and contemporary art. Minimalism and Pop art, abstraction and conceptualism coincide in her practice, which spans painting, sculpture, performance, room-sized and outdoor installation, the written word, films, fashion, design, and architectural interventions. Born in 1929 in Matsumoto, Japan, Yayoi Kusama briefly studied painting in Kyoto before moving to New York City in the late 1950s. In the mid-1960s, she established herself in New York as an important avant-garde artist by staging groundbreaking happenings, events, and exhibitions. Now in her late 80s, Kusama is entering one of the richest creative periods of her life. Immersed in her studio six days a week, Kusama has spoken of her renewed dedication to creating art over the past years: "[N]ew ideas come welling up every day....Now I am more keenly aware of the time that remains and more in awe of the vast scope of art." Taking The Obliteration Room as its centerpiece, this catalogue reveals, in vivid large-scale plates, the transformation of the space from a clean white interior to a stunningly saturated room, with ceilings, walls, and furniture covered in myriad multicolored stickers put there by viewers over the course of the exhibition. The catalogue also includes beautiful reproductions of Kusama's new large-format paintings from My Eternal Soul series. Ranging from bright and densely pixelated forms, to umber figures with darker blues and

-muted oranges, these paintings demonstrate the artist's striking command of color, and her exceptional control over balance and contrast. Bold brushstrokes hover between figuration and abstraction; vibrant, animated, and intense, these paintings introduce their own powerful pictorial logic, at once contemporary and universal. The catalogue continues with a selection of new, large Pumpkin sculptures, a form that Kusama has been exploring since her studies in Japan in the 1950s, and which gained prominence in the 1980s, continuing to remain an essential part of her practice. Made of shiny stainless steel and featuring painted dots or dot-shaped perforations that recall The Obliteration Room, these immersive works seem created on human scale, with the tallest measuring 70 inches (178 cm). Vibrant plates capture how color, shape, size, and surface merge in these sculptures and mesmerize the viewer. Texts include a "Hymn to Yayoi Kusama" by art critic and poet Akira Tatehata and a poem by the artist herself.

To Love as God Loves Roberta C. Bondi 1987 Being a Christian means learning to love with God's love. But God's love is not a warm feeling in the pit of the stomach. It has definite characteristics we learn in the course of our life, in the behavior and teaching of the early monastics, as we ponder over what we can say about God as God deals with us, and finally, as we model our own lives on what we have learned.

5 Things to Pray for the People You Love Rachel Jones 2015-12-01 Modern research is uncovering more and more detail of what our brain is and how it works. We are living, thinking creatures who carry around with us an amazing organic supercomputer in our heads. But what is the relationship between our brains and our minds-and ultimately our sense of identity as a person? Are we more than machines? Is free-will an illusion? Do we have a soul? Brain Imaging Scientist Sharon Dirckx lays out the current understanding of who we are from biologists, philosophers, theologians and psychologists, and points towards a bigger picture that suggests answers to the fundamental questions of our existence. Not just "What am I?", but "Who am I?"-and "Why am I?" Read this book to gain valuable insight into what modern research is telling us about ourselves, or to give a sceptical friend to challenge the idea that we are merely material beings living in a material world.

Love Letters of a Believer C.V. Bailey 2023-02-09 Love Letters of a Believer is a book from the heart of a surrendered believer. As I struggled with unforgiveness, disappointment, depression, frustration, suicidal thoughts, financial debt, and dyslexia, I began to seek and desire an everlasting relationship with God. After experiencing the power of God's healing through faith and his love for me, I trusted and believed in his Word. I knew that if he healed me in one area, he would heal me in other areas where I needed deliverance, such as wounds of dealing with everyday life's unhappiness, the brokenness, the regrets. I needed to learn how to pray through my pain, not from my pain and struggles. During my daily prayer time, I began to write letters to God. I shared everything in my heart, the good and bad. As I poured out my flesh on paper, my life as I had known it was beginning to transform. I was being delivered from my old ways the more I revealed myself to God in prayer. Over time, I have given birth to letters that became my love letters of prayer. As I share them with you, I pray that you find inner strength to share your whole heart with God. I pray that they will encourage you to seek a relationship with the father and to know that he will not fail you nor forsake you (Deuteronomy 31:6). You are not alone! If you are reading this book, there is still life to pursue purpose!

[Seeking the One Whom We Love](#) Kathleen Hughes 2016-01-15 How do you pray? Could there be a more personal question? Or one more challenging to answer? Yet, 55 Religious of the Sacred Heart-Roman Catholic sisters—took on the question with their characteristic humility, openness, courage and humor. Their answers are as different as they are. Together the essays in this book reveal not just the individuality of these women, but the beauty of their relationships with the "one whom they love." For each of us, prayer is all about a personal, individual relationship with God. Those of us who have not taken religious vows may think Catholic sisters have some secret formula for prayer, or that they have a more direct line of communication to God. What you'll find in these essays is that we all struggle with the same distractions, the same questions, the same desire for intimacy with our God. Prayer, it would seem, is not so much a skill as it is a journey. This book may not teach you how to pray. But in reading these honest, straight-forward accounts from some veteran pray-ers, you might find the encouragement and reassurance to recognize that you, too, are already on the right path. After all, the desire to be in communion with God is itself a perfect prayer.
