Boston's Twentieth-century Bicycling Renaissance Lorenz J. Finison 2019 At the end of the nineteenth century, cycling's popularity surged in the Boston area, but by 1900, the trend faded. Within the next few decades, automobiles became commonplace and roads were refashioned to serve them. Lorenz J. Finison argues that bicycling witnessed a renaissance in the 1970s as concerns over physical and environmental health coalesced. Whether cyclists hit the roads on their way to work or to work out, went off-road in the mountains or to race via cyclocross and BMX, or took part in charity rides, biking was back in a major way. Finison traces the city's cycling history, chronicling the activities of environmental and social justice activists, stories of women breaking into male-dominated professions by becoming bike messengers and mechanics, and challenges faced by African American cyclists. Making use of newspaper archives, newly discovered records of local biking organizations, and interviews with Boston-area bicyclists and bike builders, Boston's Twentieth-Century Bicycling Renaissance brings these voices and battles back to life.

Mountain Bike America Jeff Cutler 2000-03 Featuring more than 25 of the greatest variety of off-road riding opportunities available to those living in or visiting the Greater Boston Area.

Best Bike Paths of New England Wendy Williams 1996-04-04 Cycling the open road has its pleasures but it can also be intimidating, especially for the novice or the parent with young children. Fortunately, there's another option for those cyclist who have something a little more peaceful and recreational in mind: the paved bike path. Free of cars, red lights, and exhaust fumes, recreational paths are popping up everywhere. In *The Best Bike Paths of New England*, Wendy Williams has done you the favor of finding them in advance. Organized by state, *The Best Bike Paths of New England* is the only comprehensive listing of these community treasures, describing forty-five paths and detailing everything you'll need to know about each one: -- A map of each state showing you where the path is -- A detailed description of the path, including mileage -- General background, including the history of the path and any useful tourist information -- The level of difficulty, type of scenery, and condition of pavement -- Availability of food and bathrooms -- Directions, including the most accessible parking area Whether you want to coast alongside the sand dunes of Nantucket and Martha's Vineyard, climb the White Mountains of New Hampshire, or explore Maine's Acadia National Park, there's a bike path waiting for you. So fill your water baffle, pack a lunch, pump up your tires, and prepare for a great ride

Bikeways in Massachusetts Gustave D. Olson 1975

Massachusetts & Western Connecticut Adventure Guide Elizabeth Dugger 2009 "I bought this travel guide out of curiosity when I went back home to visit my parents. I grew up in N.H., went to school at UCONN, and spent a lot of time in Massachusetts - so I am familiar with the area. Sometimes, when you live in a place, however, you take your home for granted and don't see the sights in your back yard. Traveling 1500 miles back home, however, I felt like I needed to get my moneys worth (the sure sign of a native east coaster). This book led me to some incredible old towns and restaurants and shops that I had missed while living there. I highly recommend the book. It was great to have it on my laptop because after

work, I was able plan the remainder of my day in a snap." -- Amazon reviewer. "I've been toting Elizabeth L. Dugger's new *Adventure Guide to Massachusetts & Western Connecticut* around for about a month now, ever since I received it. I had all the best intentions of being the first reviewer to publish my commentary on the travel guide, but with one project after another eating up my hours, I'm not sure that I can claim that honor. I have, however, really bulked up my biceps by lugging the *Adventure Guide* around! In a word, the book is "massive," and before I ever lifted the cover, I was perplexed as to how Dugger could possibly have found enough bungee jumping-, cliff diving-, and vine swinging-type adventures in the stately and somewhat subdued states of Massachusetts and Connecticut to fill 496 pages! When I opened to page 113 to find a section on "Antique Shopping on Cape Cod," I was surprised and delighted to realize that the range of adventures Dugger suggests includes those that pose great danger only to my credit card balance. In the book's introduction, Dugger explains that adventure travel "doesn't have to mean hanging from a cliff by your fingernails." Her enormous catalog of exciting escapes includes family-friendly ideas, outdoor fun for people of all ages and abilities, out-of-the-ordinary sightseeing suggestions, and, of course, the full complement of hiking, biking, fishing, boating, and other recreational opportunities in central New England. "Adventure travel makes you feel alive, wakes you up to yourself as well as to your surroundings," Dugger explains. "Just being in open lands or along the coast, most of the time, can give you that get-away feeling. ...Adventure travel gets the blood flowing, the heart pumping." Also the author of the *Adventure Guide to New Hampshire* and the *Adventure Guide to Vermont*, Dugger quickly debunks the notion that Massachusetts is a tamer, less challenging playground than its mountainous northern neighbors. After a brief introductory section that includes a short history of Massachusetts, a map of and information on getting to the region, road rules, and safety information on such important topics as "avoiding bears," the book is broken up into six regional chapters: the Seacoast Region, Boston and Nearby Adventures, Central Massachusetts, the Pioneer Valley, the Berkshires, and the Litchfield Hills of Connecticut. Within each geographic section, adventures are organized in category groupings: On Foot, On Horseback, On Wheels, On Water, On Snow & Ice, and In the Air. Each chapter has information on Eco-Travel and where to Stay & Eat, as well. While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers, it is actually one of the most comprehensive and delightful guides to the region available. While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue, the *Adventure Guide to Massachusetts & Western Connecticut* artfully leads the traveler to those awe-inspiring, stimulating, and unique excursions that are likely to make for a most memorable trip. Detailed maps, black and white photos, cute graphics, and sidebars on special events, kid-friendly and accessible spots, recommended reading, and mor
