Churches That Make a Difference Ronald J. Sider 2002-04-01 Churches over the past generations have been weakened by a failure to

meet both the physical and spiritual needs of their communities. Many have adopted a narrow vision, focusing on only one aspect of ministry. But in today's environment of faith-based

opportunities many Christians are eager to start reaching out to their world with both Good News and good works, and therefore they are searching for appropriate ways to integrate both into their ministry. In *Churches That Make a Difference*, best-selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry--a balance of evangelism and social outreach. Illustrations and helpful organizational tips detail the how-to's of an effective holistic ministry. Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications. User-friendly tools are included as well for congregational studies, surveys, evaluations, and community assessments. The authors draw on extensive experience with church ministries and faith-based organizations as they share the life-changing vision and biblical mandate for living the whole gospel. Church leaders will be

encouraged in their process of developing and maintaining a holistic ministry, and local churches will rediscover a passion for loving the whole person the way Jesus did.

David Wilkerson Gary Wilkerson 2014-09-02 How did one man's unshakable faith shape the future of thousands struggling to break free from the grip of addiction, poverty, and sin? Join Gary Wilkerson as he shares a never-before-seen look at the incredible life and legacy of his father, bestselling author and evangelist David Wilkerson. This book tells the story of David Wilkerson, a man who refused to give up on those on the streets even when they had given up on themselves, and who saw in the eyes of drug addicts and gang members what others failed to see--the unconditional love of Jesus Christ. But who was David Wilkerson? When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets, he was a skinny, 120-pound man. After the initial publicity that brought him face

to face with some of the most dangerous young men in the city, he largely flew under the radar of the media, using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence. Wilkerson was always the real deal, full of passion and conviction, not interested in what others said was the "right" thing to do. An evangelist both in America and overseas, David authored books that inspired people to be serious about their relationship with Christ. His financial generosity reached around the globe, providing homes for the destitute and feeding programs for the hungry. When he founded the Times Square Church in 1987, his ministry impacted more lives than he ever dreamed possible. Throughout David Wilkerson, you'll be inspired by: The life-changing power of faith What it means to trust God wholeheartedly The importance of following your true, God-given calling David was a man of faith who trusted God would give him what he needed to enter a cruel

world; a man of conviction who took the dream God gave him and marched forward without ever looking back. As you come to know David's story, you'll learn to see the world the way he did--through the lens of eternity.

Mobilizing a Great Commission Church for Harvest Thomas P. Johnston 2011-05-23

Mobilizing a Great Commission Church for Harvest addresses practical aspects of evangelism in the local church, with the voices and views of nineteen current Southern Baptist professors of evangelism. They address important topics to local church evangelism, such as "Invitations with integrity" and "Preparing for Spiritual Warfare." Key leaders and professors write in their areas of expertise. For examples, Alvin Reid writes on "Mobilizing Students," David Wheeler on "Servant Evangelism," Josef Solc on "Sports Evangelism," and Darrell Robinson on "The Evangelist." In addition, the book begins and ends with two different applications of Matthew's Great

Commission. Mobilizing a Great Commission Church for Harvest is a gold mine of information for both pastor and deacon, as it is for students considering the importance of evangelism to local church ministry. It is fresh, new, and true--as all of its authors teach at SBC-affiliated schools and are grounded in the Bible as the inerrant Word of God!

The Sacrament of Evangelism Jerry Root 2011 A recent statistic suggests that 15% of the churches in America are growing but only 2.2% are growing evangelistically. Much of the church in America has lost its evangelistic zeal and forgotten how to re-ignite it; this book is an attempt to light the fuse of the powder keg so that the church, long-distracted by so many things, might return to its primary mission in the world. We do not take Christ to anyone; He is already there. We go to make explicit what we see Him doing implicitly. It is not a question of whether God is at work in His world . . . Our hope is to see more of God's people at work with

Him! Learn about why we share our faith, Christ's role in our evangelism, the deep longings in all our hearts, and how to effectively live a sacramentally evangelistic lifestyle. We are offering a way of looking at life and the world that is open to God's presence everywhere. This approach is called sacramental. And where better to experience God's presence than in His workplace? This is the Sacrament of Evangelism.

Smith Wigglesworth Stanley Howard Frodsham 2014-08-03 This inspiring life story tells of Smith Wigglesworth's early years and his struggle with his faith in God. Details his recommitment to God, his ministry with his wife, his search for the Baptism of the Holy Spirit, and how he became God's tool for an incredible, world-renowned healing ministry.

Living in Bible Times Christopher J. Richmann 2020-01-09 F. F. Bosworth was the only major living link between the late-nineteenth-century divine healing movement that gave birth to Pentecostalism and the post-World-War II healing revival that brought Pentecostalism into American popular culture. At once on the fringes and in the mainstream of American Pentecostalism, Bosworth has largely been ignored by historians. Richmann demonstrates that Bosworth's story not only draws together disparate threads of the Pentecostal story but critiques traditional interpretations of speaking in tongues, Azusa Street, denominational affiliation, divine healing, the relationship to

fundamentalism, the Word of Faith movement, and eschatology. In this critique, Richmann provides a much-needed critical biography of Bosworth as well as a fresh interpretation of Pentecostalism.

Nicholas Bhekinkosi Hepworth Bhengu's Lasting Legacy

Daniel Simon Billie Lephoko 2018 This is a scholarly book that commemorates the legacy of Rev. Nicholas Bhekinkosi Hepworth Bhengu who was born on 05 September 1909 at eNtumeni, KwaZulu-Natal, South Africa. He was the founder of the Back to God Crusade in the 1950s that has become institutionalised within the Assemblies of God. He taught his church to be self-sustaining and also encouraged material independence through hard work. He died on 07 October 1985 at Groote Schuur Hospital in Cape Town, Western Cape, South Africa, leaving many people in Africa influenced by his rich legacy as an evangelist, pastor, teacher and church planter to this day. Bhengu combined evangelism

with development, which was critical for the black people who were under a repressive regime in South Africa and in sub-Saharan Africa. He was a religious revolutionary who 'planted' more than 2000 churches in South Africa and neighbouring countries by emphasising non-denominationalism without pressurising converts to discard their churches and join others. He was determined to build a movement that would be a vehicle to reach out to the continent of Africa through his churches. The book aims at providing academics and researchers with reference material of interactions between spirituality, church dynamics, socio-economic development and political environment. Its contribution to existing research with regard to the formative growth of Christianity in Africa is significant and innovative. The book's target audience includes academics in the religious fields of missiology, church history and contextual theology, specifically researchers with intent to write

scientific commentaries on the life history of Bhengu.

Women! Be Silent No More D. Min. Markland 2009-04 This book presents the case for a women's role in the ministry. It validates their right to participate fully in any area of Kingdom work. It shows that women are eligible to serve in any office of the church, including any one of the five-fold ministries (apostle, prophet, evangelist, pastor, and teacher). Were there women apostles, prophets, evangelists, pastors, and teachers in the New Testament Church? Yes. This book puts in perspective certain doctrines (the silent doctrine and headship-submission doctrines), which have been used to deny women their covenant rights to participate in the pulpit ministry as pastors and teachers. The Bible says, "There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female; for ye are all one in Christ Jesus" (Galatians 3:28). These words, by the Apostle Paul, are the greatest validation for

women's inclusion in the ministry. Dr. Delroy E. Markland, a native of Jamaica, has been in the ministry for over 36 years as a Spirit-filled evangelist, pastor, and Bible teacher. He is a graduate of Bethel Bible College (1975), Zion Bible Institute (1978), and at Southwestern Assembly of God College, he graduated Summa Cum Laude with a B.S. degree in 1979. He attended Oral Roberts University Graduate School of Theology and Seminary in 1980-1981. There he became a graduate assistant, teaching Old and New Testament Survey courses with Drs. Schatzman and Horner. He furthered his education at Christian Life School of Theology in Columbus, Georgia, where he graduated with a MTh (2004), MDiv (2006), and DMin (2007). He is listed in Who's Who in American Colleges and Universities (1979) and has radio and television experience. He currently pastors two churches. This book is a compilation of four years of in-depth study on the subject of women in ministry.

Evangelism and Social Concern in the

Theology of Carl F. H. Henry Jerry M. Ireland
2015-06 How do evangelism and social concern relate to one another in the mission of the church? How should the Old Testament's emphasis on social justice inform the praxis of modern believers? Does the Bible emphasize individual salvation, or does it teach a broader, more inclusive concept? Theologians, missiologists, pastors, and educators have wrestled with these questions for centuries. But especially since the early part of the twentieth century, this debate has increasingly become a point of contention among evangelical Christians, with few indications that a consensus may soon be forthcoming. Yet few have offered so thorough an answer to these questions as has Carl F. H. Henry. Henry's regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others, and offers what may be the best way forward. This book explores Henry's thoughts on this subject and sets him in dialogue with numerous others

who have written on these topics. Thus it will prove a valuable resource for all interested in this topic. "Carl F. H. Henry was a prophetic voice who offered keen insight to resolve the twentieth-century bifurcation over the missional necessity of word and deed. Jerry Ireland's work presents a renewed opportunity to see the genius of Henry. This book cannot come at a better time, as twenty-first-century American evangelicals demonstrate a continuing propensity to polarize around key missional themes." --Byron D. Klaus, President, Assemblies of God Theological Seminary, Springfield, MO Jerry M. Ireland is the director of Africa AG Care, an organization that facilitates compassionate ministries for the Assemblies of God for all of sub-Saharan Africa. He has a PhD in Theology and Apologetics (Liberty University).

Vicki Jamison-Peterson Frieda C. White
2012-03 "Frieda White has penned a loving account of a life that was poured out for others.

Frieda has captured within these pages an ordinary person whose life became extraordinary.” —Germaine Copeland, Author of Prayers that Avail Much “Through the pages of this book we may very well see ourselves and be encouraged and cautioned simultaneously. It has something for everyone and it will at times touch hearts on the deepest level.” —Dr. Jason Guerrero, Lead Pastor, Regency Christian Center, Int., Whittier, California “Frieda's previous books have been a great blessing to me, and this one is no different. I believe that as well as being fascinated by what you read in these pages, you will glean some important lessons that will aid you in finishing the race that is set before you.” —Bayless Conley, Senior Pastor, Cottonwood Church Los Alamitos, California “Vicki is a must-read for every young girl and woman who wants to live out their complete destiny in God. abrupt end because of ‘one wrong choice.’” —Debra George, Houston, Texas “Frieda White is an experienced, dynamic Bible teacher under a mandate from God to help prepare and encourage both leaders and believers to follow the leading of the Holy Spirit.” —Sandy Trice, Founding Pastor, Maranatha Church, Mont Belieu, Texas

The Acts of the Apostles James K. Crews
2017-02-03 Luke was a researcher of the highest order and he provided us with a chronology of the growth and expansion of a narrowly focused Jewish sect into a world-wide, living organism of God's love and grace -- the Church. Luke began his narrative with the ministry of Peter, a disciple of Jesus, as he explained the gospel to the people of Jerusalem following the outpouring of the Holy Spirit on the day of Pentecost. He transitioned his discussion to Philip, a gifted evangelist and deacon of the Jerusalem church, who took the gospel to the Jews in the surrounding areas of Judea and Samaria. Then

Luke concentrated his efforts to describe the work of Peter, and then to Paul the apostle of Jesus Christ, as he and his team pioneered the expansion of the church to the Gentile nations. There were many obstacles and conflicts that the church had to work through in this epic undertaking and Luke describes them accurately without spin or coating them with the false glitter of political correctness. We see the people who accomplished great things for God covered in the dust and weariness of life, but we also rejoice in their abounding success as they discovered for themselves the living truth of the Gospel of Jesus Christ. Luke makes it very clear that the work of the apostles was accomplished by means of the Holy Spirit abiding in them. They were not super-heroes of the faith; they were simply ordinary men and women who were filled with God, boldly doing what God asked them to do. Luke's gospel shows how Jesus began his ministry in the flesh; this account shows how He continued His ministry through

the Holy Spirit abiding in His disciples. Today, the baton has passed on to us, for their efforts set the standard for twenty-first century believers. Let us endeavor to experience what God can do today through His willing followers. As you use this Study Guide for LIFE you will be helped by three specific tools: 1) Explanatory notes which offer insight into difficult or controversial passages; 2) Searching questions which direct you back to the text for answers, and 3) Probing questions that expand the context and challenge you to apply the truths in this book to your own culture. Our goal is that you will know what the text says, what it means and how to apply it. Furthermore, you will discover and understand the purpose, power and passion of the Apostles. It is our hope that you will be able to use these discoveries to facilitate your own intimacy with the Lord Jesus Christ as He builds His church in and through you. The Study Guide is appropriate for the study efforts of individuals, small groups or teachers

preparing to explain this book. Whether you are a curious seeker or a professional minister, the Study Guide for LIFE will direct your studies into the efforts of the apostles as they continue the work of Christ to establish His church. May it also stir your own heart to expand the church in yourself, your circle of friends and into the uttermost parts of the earth. For in this day, Jesus is purifying the church and gathering in the last of the lost in anticipation of His soon coming to establish His Kingdom on earth.

Assembly Life Watchman Nee 2009-12-10 The purpose of God is to establish Christ—and not just the personal Christ but also the corporate Christ, which is the Church: “as the body is one, and hath many members, and all the members of the body, being many, are one body; so also is the Christ” (1 Cor. 12.12 Darby). The work of the Holy Spirit in these past two thousand years has been centered on building this body of Christ. We will fail God in seeing His purpose and fail the Holy Spirit in cooperating with His work if

we are not “holding fast the Head, from whom all the body, being supplied and knit together through the joints and bands, increaseth with the increase of God” (Col. 2.19). The body of Christ is not only most spiritual but also most practical. It is an earthly testimony as well as a heavenly body. All its spiritual principles must be and can be practiced in a local assembly. Here in these pages, therefore, we shall find that Watchman Nee shares with us the practical aspects of the assembly life. He touches on such practical matters as authority in the church, ministry in the church, church fellowship, church meetings, and the boundary of a local assembly. It is important for the reader to remember that this volume emphasizes only the practical side of the Church, and hence concentrates on the life of the local assembly. There is another side of the Church—that of the spiritual principles inherent in the Church universal—which is not the subject of this book. To maintain the right balance and to obtain the

whole concept of the Church, both the principle and the practice, both the universal and the local, must be received and kept. For it must never be forgotten that a new wine-skin is for containing the new wine; and therefore the first without the second is meaningless. May the Head of the Church find himself expressed corporately among His people.

Team Evangelism Larry A. Gilbert 1992-10 While every Christian should be a witness and should "be ready always to give an answer to every man that asketh you a reason of the hope that is in you" (1 Peter 3:15), not every Christian has a dominant gift of evangelism. TEAM Evangelism is designed to fit the 90 percent of Christians

who do not have this gift, while it acknowledges the 10 percent who do have the gift and shows how both groups can work together to reach others for Christ. TEAM Evangelism helps every church member find their place in the team and work together as a team to fulfill the Great Commission, bonding the unchurched to Christ and the local church where they can develop into mature Christians. This 160-page book presents a no-guilt, no-pressing-for-decision strategy that allows you to be yourself while influencing your loved ones for Christ. Includes one spiritual gifts inventory and one TEAM Mate booklet.

Born to Give David Grant 2021-08-17 How does God get the Word out to a lost and dying world? This book will inspire you to see yourself as a tool for God's kingdom. God has a ministry for everyone, and He will use what you make available to Him. Missionary-preacher David Grant's name has become synonymous in the Assemblies of God with riveting storytelling that

makes listeners laugh one minute and cry the next. Very human stories of a kid growing up in Southern parsonages mix with deeply moving stories that expose great human need around the world and the great heart of our compassionate God who cares for the neediest and exploited. In *Born to Give*, Grant tells his own riveting story, of a young boy who gave God his life in an offering pan at the invitation of a legendary missionary and became a missionary to the nations, ministering throughout Southern Asia, Europe, and Asia Pacific, and to victims of sexual slavery. Inspiring both laughter and tears, *Born to Give* is a refreshing and real story that will lead readers to place their own lives and resources in God's miracle-working hands and engage with Him to bring hope in a broken, unjust world.

Show and then Tell Kent Humphreys

2000-09-01 Sharing Christ with others is considered by most to be one of the most difficult tasks in Christianity. But we are called to share Christ with everyone in our sphere of influence. One of the main reasons why people don't share Christ is because they don't really know Him. Kent and Davidene Humphreys offer Show and Then Tell, a book not simply about evangelism, but about allowing Christ to work through us to affect those around us.

The Work We Have to Do Mark A. Noll

2002-08-08 Covering Puritans, Presbyterians, and everyone in between, this work follows the dynamic path of Protestantism in the United States, from the first English colony at Jamestown to "megachurches" and televangelism in the 21st century. 15 photos. *Evangelism Today* Scott Dawson 2009-08-01

Although the message of the Gospel never changes, our methods for communicating it need to adjust to an ever-changing audience.

Evangelism Today helps believers, whether individually or in groups, share their faith in a culturally relevant way. This book draws on insights from dozens of evangelists, church leaders, and educators to reveal present and future trends of evangelism in America. It explores whether evangelism is still needed and in what form, what the local church's role should be, and where the biggest evangelistic opportunities are emerging. Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and straightforward book.

A Light to the Nations Stanley M. Burgess

2017-03-02 The essays in this volume, which are written by friends, colleagues, and former students, are dedicated to Gary B. McGee as a memorial to his life, work, and service. As a

professor with a clear calling to teach, he modeled this passion at the Open Bible College (Des Moines, Iowa), Central Bible College (Springfield, Missouri), and the Assemblies of God Theological Seminary (Springfield, Missouri). He exuded the understanding that quality teaching, superior scholarship, a genuine Pentecostal spirituality, and an irenic spirit can and should go together. Within the title of this volume, *A Light to the Nations*, two aspects become clear. First, each person is called to be "a light to the nations," as Gary McGee modeled. Second, and foundational to the first, is the reality that Jesus Christ is the ultimate light, and our energies, study, discussions, and life in general should rely on this fact. As a reflection of Gary McGee's life and ministry, these two aspects are focused through three lenses, which are the three sections of this volume: Ecumenism, Missions, and Pentecostalism. The essays represent a diversity of subjects and denote various explorations by colleagues and

friends of Gary B. McGee.

Pentecost To The Present Book Three Jeff Oliver
2017-06-01 Without knowing the Holy Spirit's work in history, we cannot possibly understand what He is doing today, much less prepare for what He will do. In this third and final installment, the reader will learn how Charles Parham founded the modern Pentecostal baptism with speaking in tongues, how Evan Roberts gained worldwide attention through the 1904-05 Welsh revival, and how William Seymour spearheaded an international Pentecostal movement from Azusa Street in Los Angeles in 1906. The reader will learn how Pentecostalism spawned new denominations, national and international ministries, global renewal movements, and inspired innovators to take modern revivalism to a whole new level. Then when Pentecostalism penetrated American Middle-class Protestantism, many observers began speaking of a "third force" in Christianity. Meanwhile, revolutionary changes in the

Catholic Church opened the door for the Catholic Charismatic Renewal. Then, just as the charismatic movement was beginning to subside in America, it went global, as charismatic mega churches, Bible schools, and television networks took the message of renewal to the world. The twenty-first century has witnessed a dramatic shift in Christianity to the Southern Hemisphere fueled, in part, by the global rise of Pentecostalism, with many new movements on the horizon.

Charles Fox Parham Larry Martin 2022-04-26
Charles Fox Parham is an absorbing and perhaps controversial biography of the founder of modern Pentecostalism. Parham was a deeply flawed individual who nevertheless was used by God to initiate and establish one of the greatest spiritual movements of the twentieth and twenty-first centuries, helping to restore the power of Pentecost to the church and being a catalyst for numerous healings and conversions. Author Dr. Larry Martin is a lifelong Pentecostal

with decades of ministry as a pastor, educator, and evangelist. He researched the life of this complicated and contradictory figure for over twenty-five years before writing this book--with a certain degree of hesitancy. By disclosing the whole truth about Parham's life--which has never fully been done before--would it give excessive ammunition to the critics of the Pentecostal and charismatic movements? Martin uncompromisingly exposes Parham's weaknesses, faulty thinking, and transgressions while disassociating his behavior from the movement as a whole, writing with an inside understanding of Pentecostalism and a thoughtful analysis of Parham's life that goes beyond the acknowledgment of human frailty to reveal the work of a sovereign God. If we don't confront the faults of our spiritual fathers, Martin says, we will fail to address the truth in the way the Bible lays bare the faults of some of our greatest biblical heroes of the faith. We must recognize and learn from the weaknesses of

others, as well as their achievements. The author of several books on the Asuza Street Revival, the history of early Pentecostals, and the Pentecostal Church of God, Martin presents a much-needed exploration of the life of one of the most influential religious figures of the twentieth century, whose impact is still widely felt today. Includes photos of Parham's life and ministry.

Your Gift from God the Holy Spirit Matters

Charles Elias Mahlangu 2016-08-22 Your Gift from God the Holy Spirit Matters (Book 1. This book is part of a 3 book series.) In Your Gift from God the Holy Spirit Matters, Charles takes the reader on a hunt to explore how the individual believer is granted a supernatural gift. He persuades and convinces the believer to discover his individual strategic gifting. He defines and illustrates the gifts and tackles the controversial. Charles says Ministry gifts were given to prepare the saints for the work of service and not to do the work of the ministry. He shows

how Pentecostal Evangelicals, Charismatic Evangelicals and Traditional Evangelicals have been uniquely gifted and what must be discovered at the individual level according to the divine strategy of God the Father, God the Son and God the Holy Spirit. Spiritual Gifts: Welcome to the church. (Book 2) In Spiritual Gifts: Welcome to the Church, Charles defines and describes each gift. He persuades the believer to connect with individual gifting, according to the will of God the Father, God the Son and God the Holy Spirit. He urges that every believer is entrusted with a gift that can be known and used to benefit many. Spiritual gifts: Church Under Siege (Book 3) In Spiritual gifts: Church Under Siege, Charles laments over how ministry gifts which were intended to prepare saints have been woefully neglected. He argues that believers are granted abilities and leaders are needed who are willing to invest in them. He moans that those with ministry gifts of the Lord Jesus Christ have behaved as if they are not

committed to training individual believers. The Black pulpit has ignored the pews in the department of gift identification and developing. He pleads with the leaders as ministers of the Lord Jesus Christ to fulfil the number one functional dynamic in this life.

The Anointing Makes the Difference Chester L. Aycock 2013-05-24 This book is a thorough introduction to the idea of being anointed: what it is, how to recognize it, what it means, and how it will help you in doing God's work. The book is clear and understandable, and it uses many examples from scripture as well as from my own life. This book reasonably establishes a voice of experience and wisdom without falling into pride or self-aggrandizement. This book teaches the principles and values of the Anointing and how one must ensure that their ministry and local church is equipped with the Anointing of Jesus Christ. After reading this powerful ministry tool, you will have a total understanding of why the

Bhengu combined evangelism with development, which was critical for the black people who were under a repressive regime in South Africa and in sub-

Saharan Africa. He was a religious revolutionary who 'planted' more than 2000 churches in South Africa and neighbouring countries by emphasising non-denominationalism without pressurising converts to discard their churches and join others. He was determined to build a movement that would be a vehicle to reach out to the continent of Africa through his churches. The book aims at providing academics and researchers with reference material of interactions between spirituality, church dynamics, socio-economic development and political environment. Its contribution to existing research with regard to the formative growth of Christianity in Africa is significant and innovative. The book's target audience includes academics in the religious fields of missiology, church history and contextual theology, specifically researchers with intent to write scientific commentaries on the life history of Bhengu.

Builder of the Spirit Greg Allen 2011-05-01 It's

time to get with the plan...God's plan for our lives! "Builder of the Spirit" is a book filled with love, laughter, and hope along with many lessons about life. Inspirational and motivational, Allen's book takes you through the construction of a house, relating it to the qualities we need to build into our lives. It includes true stories of how God has miraculously worked in people's lives and encourages us to roll up our sleeves and get to work on our own "houses." Warm and down-to-earth, "Builder of the Spirit" will challenge you to discover God's blueprint for your life and build accordingly. "Greg Allen has taken a fresh and unique approach in this book by comparing his knowledge and experience as a builder to the work that God does in our lives. It makes for a good read!" -Charles E. Hackett, Executive Dir., Assemblies of God Home Missions "From beginning to end, it is obvious that "Builder of the Spirit" is a life-message of Greg's. The parallels to issues common to anyone who has owned or cared for a house

make the book an easy read. Greg's enthusiasm to see God build Christ's character in the lives of men and their families is infectious." -Phil Stump, Youth Evangelist, Orlando, FL GREG ALLEN, native of Jamestown, Indiana, had a tumultuous adolescence, fraught with the pain of parents divorcing, bad habits, and running away. After giving his life to the Lord, he started a career as a contractor. He met his wife, Cindy, in the Air Force. Married since 1982, they are the parents of three and grandparents of two. Greg is also a syndicated columnist, songwriter, poet, and the founder of Builder of the Spirit Ministries.

The Christian Work and the Evangelist 1903 *Reformed Theology and the Style of Evangelism (Stapled Booklet)* John H. Leith 2010-07-01 The responsibility to bear witness to the gracious presence of God in Jesus Christ "in Jerusalem and in all Judea and Samaria and to the end of the earth" has been the perennial task of the Christian community from the beginning. But

the style and form of evangelism has varied according to time and place. There is no one way of evangelism, as the history of Christians witnessing and confessing their faith makes very clear. The life of the Christian community has been and is enriched by a variety of evangelistic styles and by multiple theological confessions. There is, however, a limit to possible Christian theologies, and the preeminent theological task of the church is to test its proclamation by the word of God in Jesus Christ, as attested in scripture, to see that it is within the boundary. There is also a limit to the legitimate styles of evangelism. Some styles of evangelism corrupt and others strengthen the witness, but more significantly, style always betrays the real content. "There is an intimate but seldom seen connection between a person's thought and his style, which Alfred North Whitehead defined precisely as the 'ultimate morality of mind.'" The purpose of this paper is to relate Reformed theology to the form and style

of evangelism. The paper presupposes that evangelism as shaped by Reformed theology is a valid and effective form of evangelism, but it does not presuppose that such form of evangelism is the only form that has validity or effectiveness. It is hoped that the proposal will be the occasion for self-criticism in the work of evangelism and for renewal of theological and ecclesiastical life in the Reformed tradition.

And Judas Iscariot Together with other evangelistic addresses (Start Classics) J. Wilbur Chapman 2013-10-25 The author of these sermons needs no introduction to the Christian readers of America. His fame as an author, preacher and evangelist is more than national. As Director of the evangelistic work carried on by the General Assembly's Committee of the Presbyterian Church, he has achieved distinction as a preacher of the Gospel. Under his direction simultaneous evangelistic campaigns have been held in many of the leading cities of the land, and the Christian Church and the world have

had an experience of a new, aggressive and emphatic evangelism that has stirred the Church, revived Christian service and been the means under God of turning thousands to a life of allegiance to Jesus Christ.

Encyclopedia of Women and Religion in North America, Set Rosemary Skinner Keller 2006-04-19 A fundamental and well-illustrated reference collection for anyone interested in the role of women in North American religious life. *From Bible Belt to Sunbelt: Plain-Folk Religion, Grassroots Politics, and the Rise of Evangelical Conservatism* Darren Dochuk 2010-12-13 A sweeping, five-decade history of the evangelical movement in southern California that explains an epochal realignment of American politics. *From Bible Belt to Sun Belt* tells the dramatic and largely unknown story of "plain-folk" religious migrants: hardworking men and women from Oklahoma, Texas, and Arkansas who fled the Depression and came to California for military jobs during World War II.

Investigating this fiercely pious community at a grassroots level, Darren Dochuk uses the stories of religious leaders, including Billy Graham, as well as many colorful, lesser-known figures to explain how evangelicals organized a powerful political machine. This machine made its mark with Barry Goldwater, inspired Richard Nixon's "Southern Solution," and achieved its greatest triumph with the victories of Ronald Reagan. Based on entirely new research, the manuscript has already won the prestigious Allan Nevins Prize from the Society of American Historians. The judges wrote, "Dochuk offers a rich and multidimensional perspective on the origins of one of the most far-ranging developments of the second half of the twentieth century: the rise of the New Right and modern conservatism." *Smith Wigglesworth* Stanley Howard Frodsham 2014-08-05 I can never recollect a time when I did not long for God. Smith Wigglesworth If your heart hungers for a closer relationship with God, this thrilling biography of beloved 1900s

evangelist Smith Wigglesworth will ignite a renewed passion for Pentecost in your life. Written by one of his closest friends, it illustrates his illiterate and impoverished childhood, his early days in ministry, and his relentless search for the baptism in the Holy Spirit. From this foundation, an unassuming plumber began to experience the miraculous as God used him to minister in a world-renowned healing ministry. His timeless story of living in love with God will inspire you to listen for God's voice and embrace His will in your life.

F.F. Bosworth Roscoe Barnes III 2009-05-05 When the Pentecostal movement exploded in 1906 in Zion City, Ill., Fred Francis Bosworth was present. When the Assemblies of God was being formed, Bosworth served as one of its leaders. He also was present as a mentor to the tent revivalists in the 1940s and 1950s. This book is about the life and ministry of Bosworth (1877-1958), a Pentecostal pioneer, musician, famous healing evangelist, and the author of

Christ the Healer. He reportedly led over a million people to Christ, and was considered by scholars and ministers alike to be one of the most successful healing evangelists of his era. His writings on divine healing influenced many church leaders of his day, as well many who claim healing ministries today. While many people are familiar with his book, Christ the Healer, few know much about the man behind the book. F.F. Bosworth is the first book to offer a critical analysis of Bosworth's life and ministry from the beginning to the end. The purpose of this work is to explore his life and ministry in order to identify and analyze some of the factors that contributed to his success as a famous healing evangelist.

Eyewitness Evangelism Emily Shanklin
2007-09 Author Emily Shanklin never had any problem finding books that told her how to share her faith in Christ, but she could never find any that showed her how. In her innovative religious guide, Eyewitness Evangelism, Shanklin takes a

how-to approach to demonstrate the right way to lead someone to Jesus Christ as their Lord and Savior. Each chapter centers on an evangelist who encounters a different person or persons from another walk of life. This gives you the opportunity to see how the evangelist opens a conversation, moves it to the spiritual realm, and attempts to bring the individuals to the point where they're ready to receive Christ. The evangelist uses the same underlying method with every venture, which is a combination of many techniques popular today. Shanklin facilitates an understanding of the process by answering the following questions: How did the evangelist start the dialogue? How did the evangelist create a spiritual dialogue? How did the evangelist urge people to receive Jesus Christ? Was timely information revealed that affects Christ's kingdom? Eyewitness Evangelism will enable you to step out in confident trust and fulfill the Lord's great commission to "make disciples of all nations."
