He Who Dwells Bob Cofield 2021-10-23 Many Christians today, even those who may be connected to small groups within the churches they attend, lack dynamic and intimate personal relationships with their Creator. Their exposure to the Scriptures is often limited to a once-a-week attendance at a worship service, and they struggle to maintain consistent and meaningful prayer and devotional lives. Already overwhelmed with life in a difficult time, many realize their spiritual lives are lacking but cannot imagine how to remedy the situation without adding even more complexity and trouble. This book provides practical answers to those willing to take a fresh look at what God has already provided to make a closer relationship possible. It is written as by one who is continuing to learn and willing to share what he has learned from the scriptures and from other authors.

New Every Morning. David A. Bolaji 2020-12-14 This book is a daily devotional prayers and uplifting messages inspired by the ways and life of our Lord Jesus Christ, His prayer life and ministry—most especially in the book of Mark, which said, “Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed” (Mark 1:35). This book has been put together and designed to help all believers out there. I understand we all keep a busy schedule in our daily lives, but still, no matter how busy we might seem to be, we should not be too busy to pray, for it is said that a busy life makes prayer life hard, but a prayerful man makes a busy life easier. God is always expecting to hear from us to give us new word as we seek Him each day, for as a good father loves to talk to his children, so also God loves to talk to His children. Having said that, with the help of God, we have been able to put together this book to help believers keep God first in our daily lives, by reading one page per day to pray and commit our day unto God’s hand. My prayer is that we receive word from God each day as we read and pray in Jesus’ name. Amen.

Seasons of Waiting Betsy Childs Howard 2016-05-13 We’re all waiting for something. It might be a spouse or a baby. It might be healing or a home. Regardless of what we’re waiting for, it’s easy to feel discontent when things aren’t going as planned and our dreams are delayed—especially when questions of “Why?” and “How long?” remain unanswered. God uses seasons of waiting to teach us patience and make us more like himself. But sanctification is not the only purpose God has in mind. When we wait faithfully with unmet longings, we become a powerful picture of the bride of Christ waiting for the day when he returns and God’s kingdom reigns.

Rainbows at the Shadows of Covid- 19 Ramsis F. Ghaly MD 2022-02-08 This is my third book written during COVID-19 pandemic where I continued to serve unceasing as a practicing Neurosurgeon, Anesthesiologist, Intensivist and Pain Specialist in the Chicago land area. Despite the extreme negative impact of COVID-19 worldwide, I kept daily diary of my thoughts, reflections and patients stories over a year since June 2021! As I kept writing, while the world is being flooded with the deadly virus and dreadful news, I saw the rainbows in the shadows of COVID-19. As in the days of Noah thousands of years ago after the deadly flood of the world and God covenant with man through the rainbow so is the current days of COVID-19, a renewal of the covenant between the Almighty God the Lord and the people. The current book shares my rainbows in the shadows of COVID-19 as follow up series of the author two books of COVID-19. The book divides into 20 sections and contains total off 194 chapters. The book designates major sections on my continuing education and wellbeing of my residents and students as well as Neurosurgical patients and inspired stories during late phases of COVID. It covers most of the ongoing thoughts and essential events from October 2020 through July 2021 during the COVID recovery phase such as Thanksgiving, Presidential Election and Inauguration, Christmas, New Year, riots and Vaccination. Another section is written to pay tribute to those sacrificed their lives and stood strong against the most horrific

virus in the front line.

Flip the Switch, Lose the Weight Robert K. Cooper 2007-03-06

Discover how easy it can be to drop those unwanted pounds by flipping the switch that revs up metabolism to maximize fat burning all day long. Could losing weight really be as simple as flipping a switch? Absolutely, says Dr. Robert Cooper, one of America's leading weight-loss researchers. The trouble with most popular diet-and-exercise programs is that they boot up the metabolic thermostat, or Meta-Stat (an area in the brain that regulates metabolism), for only short spurts. The rest of the time the body is in fat-storing mode. But if our Meta-Stat stays on 24 hours a day, we burn fat constantly—and build energy as well. In *Flip the Switch, Lose the Weight*, Dr. Cooper reveals scientifically proven strategies that enable us to turn on our Meta-Stat and maintain optimum metabolism all day long. This groundbreaking book:

- provides an easy 20-minute exercise plan that gently works the body differently on successive days for maximum fat-burning, energy-generating effect
- allows you to customize your weight-loss program based on your goals and lifestyle preferences
- provides an exclusive "Success Map" for you to chart your progress
- includes complete meal plans and more than 100 recipes, all designed to fuel the Meta-Stat for maximum fat burning

Early in His Presence Joyce A. Harris 2015-05-11 *Early in His Presence* is a devotional book designed to encourage Christians and non-Christians to devote at least two hours and forty minutes a day for reading the Bible and prayer for spiritual growth and maturity. The time mentioned was derived from the twenty-four hours a day that God gives to each of us. It's like the tithing principle: 10 percent of all your income to be given to the Lord. If God gives us twenty-four hours a day, giving Him 10 percent of our time is two hours and forty minutes a day. Don't try to do it all at once, but gradually grow into it a little at a time until you can do it. Keep track of the time you spend with the Lord, even if it's only fifteen minutes. Gradually keep adding on to it until you have accomplished your goal. These devotionals should encourage you to desire a closer walk with the Lord and to develop a closer personal relationship with Him. Before you begin your quiet time in His presence, pray and ask God to

open your heart and mind to receive what He has for you each day. I am confident you will be inspired, revived, recharged, and blessed as you spend time Early In His Presence.

Exalting Jesus in Jeremiah, Lamentations Steven Smith 2019-04-01

Exalting Jesus in Jeremiah, Lamentations is part of the Christ-Centered Exposition Commentary series. Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a "Reflect & Discuss" section, making this series ideal for small group study, personal devotion, and even sermon preparation. It's not academic but rather presents an easy reading, practical and friendly commentary. The author of *Exalting Jesus in Jeremiah, Lamentations* is Steven Smith. [A Lifetime of Wisdom](#) Joni Eareckson Tada 2009-02-24 It's not what I lost. It's what I've found. I was only seventeen, just a girl, when God asked me for everything I had . . . my health, my hopes, my independence, my dreams, my freedom, and my mobility. He took it all. I was so angry with Him that I tried to push Him away. God relentlessly held me more closely. Looking back, forty years later, I understand that God has changed and healed me--my heart and my mind--in the most unexpected ways, giving me rubies of His wisdom about an unbending

faith and an experience of His mercy I can now tell you about. Was it a fair exchange, my freedom and no wheelchair for the rubies of wisdom I've been given? Absolutely. In this I have learned at the feet of the Lord Jesus, embracing the way that God heals us, even when we rage at Him in anger, fear, and despair. This book is not about what I lost in that diving accident so long ago. It's about the wisdom He's given me to live life victoriously in the face of disappointments and challenges that we all face.

Good Morning, Father! Jeannie LaBarbera 2019-04-22 Imagine if you had the opportunity to have a heart-to-heart conversation with the world's most famous author, whose words have inspired and transformed lives for thousands of years! The author of *Good Morning, Father!* met Him as a child and has studied His Word for over fifty years. She now shares her first book of conversations with Him of issues such as: "What does humble look like? Did You choose the leaders of the nations? What determines how long I will live? What do You call me? What is the belief test? Do You speak to children? How do You respond to my excuses? What if I didn't fear what others thought of me? I just can't do this anymore! I cannot ask forgiveness for that which I cannot admit. If only I could touch You. Father, today I'm thinking of being home!" Make these writings personal to you by allowing the Holy Spirit to prompt your own writing of thoughts and questions to God in the spaces designed in this book just for you. He's always listening—and His Word has amazing answers!

Those Who Wait Juggi Bhasin 2023-08-09 What happens when loyalty to country is tested by loyalty to family? Who is Samyukta? And why is it her life's mission to humiliate Kanwar Pratap Singh—the wildly successful Indian Prime Minister? And why do two decorated army men—Aseem and Ranbir Tripathi—find themselves on opposite sides of their beloved country? How does Shonali Tripathi—Ranbir's sister—get embroiled with the Maoists? Are the Chinese successful in humiliating India? *Those Who Wait* answers all these questions. The book also takes the readers on a ride that makes them a voyeur into the intimate lives of powerful individuals. It is a compelling and engaging tale that almost

forces the readers to get involved in the lives of the fictional characters. In the end, *Those Who Wait* is a book that tells the story of people who, scarily, could be real.

Good Morning Message Peggy Edwards 2010-08 This daily devotional book has been a God-led inspiration from its very start-up; from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network. Our God is so awesome! I've had people return emails to me or speak to me and ask, "How did you know that I needed that today?" or "How did you know I was going through this?" That is when I thankfully remind them that God inspired each and every one of these devotionals. I am just being faithful and following His directions. Now I'm led to put them into a year of daily devotions book to reach others. Occasionally, my emailed devotionals have colored photographs that I take as God inspired message for the day. Unfortunately, I couldn't include those in this book. I did include a photo in grayscale at the beginning of each month; the cover photo is a God-blessed look at an Alaskan sunset. I am so thankful that God is working in my life. I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others. When you feel down, just start counting each of the blessings God has touched you with in your life; and you will feel His Presence and comfort to encourage you. We are never alone; He is just a prayer away; nothing is impossible for our God. He is not done with us yet. He is asking us to be obedient in our service to Him, and He will help us grow in our faith. Trust in Him, and you will be astounded at what He has in store for you.

You will become blessed and encouraged as your fingers turn the pages of the book. You will be filled with new hope that there are second chances, and God still reaches out

to you with His love and grace. Now begin with me expecting good things for your life. God is right there walking with you every step of your journey.

Apocalypse Explained Emanuel Swedenborg 2013-11-19 This writing was left unpublished at Swedenborg's death, although it had apparently been carefully prepared for publication. Except towards the end it is almost exclusively an exposition of the spiritual sense of Scripture. Not only is every phrase in the Apocalypse (as far as covered) separately explained, but thousands of passages, gathered from all parts of the Word, are quoted and expounded. These expositions close with the tenth verse of the nineteenth chapter. Towards the end extended doctrinal discussions are introduced. Both for its exposition of passages of Scripture and for its doctrinal statements this is an exceedingly important and valuable work. It is especially instructive in its expositions of the Psalms, the Prophets, and the Gospels.

Preaching Christ from Psalms Greidanus 2016 In this final volume of his series on preaching Christ from the Old Testament, Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms. Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms -- and why they should -- Greidanus proceeds by discussing twenty-two psalms in the Revised Common Lectionary, Year A, supplying the building blocks necessary to preach from Psalms at Christmas, Easter, Pentecost, and other major days and seasons of the church year. In addition to laying out basic homiletical-theological approaches suitable for each selected psalm, these chapters also provide verse-by-verse exposition, bridges to Christ in the New Testament, and ideas for placing the psalmist's words into contemporary context.
