The Princess Chronicles Happily Ever After: a Journey to Love

Mary Lewis 2021-02-20 "And they lived happily ever after" seemed so "easy" to obtain. As a young girl, I was convinced that in 90 to 120 minutes the stars aligned, and love magically happened. I wanted this fairytale love affair. I deserved this type of love. You know the stories of the handsome and valiant prince, the ballgown-inspired wedding dress, the diamond tiara, the princess cut diamond ring, AND the castle. I WANTED IT ALL! If you are reading this book, I'm sure that you want it all too. What shaped my beliefs and ideas about love, relationships, and dating? I was surprised to conclude that I was profoundly impacted by the princess movies that I loved watching. Surely, I was not alone in my quest to love and be loved. I realized the stories that I loved were much more complex than the handsome and strapping prince rescuing the beautiful damsel from imminent peril. These stories were about heartbreak, love gained, love lost, disappointment, unforgiveness, bitterness, joy, pain, a fight for independence, the pursuit of purpose, abandonment, rejection, comparison, jealousy, and fear. The complexities in each of their stories lead our princesses to a triumphant journey of self-discovery. It is at this point of discovery that they are truly ready for a happily ever after. This book is about healing, forgiveness, and wholeness. You are invited to join me! Put on your favorite pair of comfy PJs, pour a cup (or glass) filled with your favorite beverage, grab a blanket, a journal and pen, and a box of tissue. Let's laugh together, cry together, act like schoolgirls, and let's grow together in love, confidence, and strength. I hope that after reading "The Princess Chronicles, Happily Ever After, A Journey to Love" you will discover (rediscover) the princess that is within you, and begin the journey to a whole, fulfilled, and happy life - YOUR HAPPILY EVERY AFTER.

The last thing Tulip wants is to rule the mer kingdom. First, she can barely swim. Second, she's packing more than her fair share of her father's genes. Third, what is a landlocked princess supposed to do with an aquatic kingdom? If she gets her way, nothing. Add in her dirty little serial killing secret, and she's an international disaster waiting to happen. There's just one small problem: her father's bodyguard tempts her in ways no one should, and if she isn't careful, he'll uncover her secrets, domesticate her, and infect her with a severe case of normality.
