**The Welsh Life of Saint David** D. Simon Evans 2016 This scholarly edition of The Welsh Life of St David presents the medieval text of the Life of one of the early Christian missionaries of west Wales. More than one recension of the Latin Life written by Rhigyfarch was produced between the end of the eleventh century and the emergence of the abridged version in Welsh written by an unknown author at the start of the fourteenth century. The present annotated text of the Welsh Life is based on that found in the Book of the Anchorite of Llanddewibrefi (c.1350), and contains a detailed comparison with the earlier Latin version. The comprehensive introduction by D. Simon Evans considers early references to David alongside valid information relating to the Saint in the sixth century, in order clearly to identify the historical David and to outline his significance in an early period of Welsh history. The Welsh Life of St David was first published by the University of Wales Press in 1988 --

*Life of Saint David* A. W. Wade-Evans 2013-06-06 THE earliest mention of St. David comes from Ireland. It occurs in a short treatise, the Catalogue of the Saints of Ireland, drawn up about A.D. 730. According to this there were "Three Orders" of Irish saints between 432 and 665 ; the "Second Order" began and ended in the sixth century, and we are told that it received a mode of celebrating mass "from holy men of Britain, to wit, from St. David and St. Gildas and St. Docus," or, as another version has it, "from Bishop David, and Gildas, and Docus, Britons." Thus we have early reliable evidence, not only that there was

such a man as David, but that he was a notable British saint and bishop, who with two other religious men of Britain, including the celebrated St. Gildas, had agreed upon a form of celebrating Holy Communion, which was widely received among the foremost saints of Ireland in the sixth century. It is therefore more probable than not, that these three Britons, David, Gildas, and Docus, were already men of renown before the middle of that century. From Ireland, too, we have evidence, not quite so early but no less reliable, that St. David's chief monastery was in Mynyw or Menevia, and that his festival fell on the first day of March, for in The Martyrology of Oengus, which is now agreed by all scholars to have been compiled about the year 800, we find under March 1st, "David of the monastery of Mynyw."

Volume 2 of the International Dictionary of Historical Places covers Northern Europe (British Isles to Russia), out of a set of five. The dictionary spans from Aachen to Ypres and includes an index by country. This five-volume set presents some 1,000 comprehensive and fully illustrated histories of the most famous sites in the world. Entries include location, description, and site details, and a 3,000- to 4,000-word essay that provides a full history of the site and its condition today. An annotated further reading list of books and articles about the site completes each entry.

**St. David of Dewisland** Nona Rees 2008-01-01 Deals with the lore and legend of the patron saint of Wales - his cult in early times and the traditions that surround him. This work also describes how the stories about St David relate to the peninsula of Dewisland in west Wales - where, so it is said, the saint was born, lived, worked and died - and to the Norman Cathedral.

**Dewi Sant** J.B. Midgley 2012 MARCH 1ST is St David's Day, the national day of Wales and has been celebrated as such since the twelfth century. So who was St David (or Dewi Sant in Welsh)? Much of what we know about St David comes from a biography written around 1090 by Rhygyfarch, a clerk of St David's. Born on a cliff top near Capel Non (Non's chapel) on the South-West Wales coast during a fierce storm, both his parents were descended from Welsh royalty. An ascetic who ate only bread, herbs and vegetables and who drank only water, David became known as Aquaticus or Dewi Ddyfrwr (the water drinker) in Welsh. As a missionary David travelled throughout Wales and Britain and even made a pilgrimage to Jerusalem, where he was consecrated bishop. He founded many monasteries, including one at St David's, which he made his episcopal seat. He was named Archbishop of Wales at the Synod of Brevi (Llandewi Brefi) in 550. St David died in Menevia on 1 March 589 AD, believed to be over 100 years old. This new book traces the background and heritage of this Apostle of Wales, still relevant for the new evangelisation today.

**Soulfaring** Cintra Pemberton 1999-10 Pilgrimage-going to ancient holy sites in search of God-has become increasingly popular for people seeking to deepen their relationship with the Holy. Sister Cintra Pemberton seeks to enrich the experiences of today's pilgrims by helping them draw on the history of pilgrimage itself, as well as by suggesting particularly rich sites to visit. Part One of Soulfaring explores the history of pilgrimage, beginning in Celtic times, and moving through the early Christian period, the Middle Ages, and even the revival of pilgrimage today. Part Two explores fifteen sites in Wales, Ireland, Scotland, and the Isle of Man. Each of the descriptions of the various sites includes not only suggestions of what may be seen there, but the author's personal meditations on the experience of the Holy in each place.
