Francis of Assisi William R. Cook 2008-04-01 My task . . . is to rely as much as possible on both written and visual sources, although I obviously

must consider the discoveries and insights of modern scholarship, in order to present Francis of Assisi as a major figure in the mystical tradition. This means I will not be much concerned with Francis as the founder of a religious order. I will not present a detailed biography, although the first chapter provides a general overview in order to make the more detailed discussions of his spirituality more intelligible. Rather than attempt to discuss all texts by and about Francis of a mystical nature, I shall instead focus on six elements of his life and spirituality--his conversion; his relationship to the created world; the creation of the Christmas crib at Greccio; the role of learning; the relationship between the active and contemplative life; and his stigmatization at LaVerna in 1224, two years before his death. I believe that a detailed discussion and analysis of these aspects of Francis's life will best introduce the reader to Francis of Assisi.--from the Introduction

A Christmas Miracle Rose Francis 2014-09-29
Brenda's holiday season is looking pretty bleak. She hasn't spoken to her half-sister, Rachel--the only family she has left--since Rachel stole her boyfriend, and Brenda hasn't dated since. Now Rachel and the man Brenda once thought she'd marry herself are expecting a child, and Rachel keeps inviting her over to have dinner with them. Brenda has already turned down their Thanksgiving invitation, but she doesn't want to spend Christmas alone, yet she's not sure she's over her ex enough to face the two of them as a couple. But then she collides with a handsome stranger in a coffee shop and everything changes. Alex has given up on family Christmases and miracles after watching his

family slowly get wiped out, his brother the latest casualty. He has settled on living life playing the field, not trusting his luck with having people he cares about stick around. But a chance encounter with a sad-looking beauty in a coffee shop arouses his curiosity. To make up for the coffee he spilled on her, Brenda asks the handsome stranger one favor: to accompany her to her sister's Christmas dinner. He agrees on one condition: that she go out with him in the meantime until then. They both agree to end their arrangement after the dinner is over, despite mutual growing feelings of wanting more. Brenda is determined to keep her heart protected, but can Alex hold on to the scared beauty for longer than the holiday season?

The Francis Miracle John L. Allen, 2015-03-03 There is no other organization whose inner workings are more secretive than the Vatican - the spiritual and physical center - of the Catholic Church. Now, with a dynamic new leader in Pope Francis, all eyes are upon the church, as this immensely popular Pope seeks to bring the church back from the right to center, in what

can almost be described as a populist stance, blurring the lines between politics, religion and culture. With topics including women, finance, scandal, and reform at the fore, never before have so many eyes been upon the church in what could be its defining moment for modern times. Now the most respected journalist covering the Vatican and the Catholic Church today, John L. Allen, reveals the inner workings of the Vatican to display the vast machinery, and the man at the helm in a way that no other writer can. The Boston Globe has stated that John L. Allen 'is basically the reporter that bishops and cardinals call to find out what's going on within the confines of the Vatican.'

The Living Nativity Larry James Peacock
2018-09-01 Who came up with the idea of using nativity scenes to celebrate Christmas? Many might be surprised to learn that Francis of Assisi, the well-known thirteenth-century saint, is credited with creating the first nativity scene. The Living Nativity introduces readers to Saint Francis and his joyous reenactment of the birth of Jesus, complete with a manger and animals. The Living Nativity explores how nativity sets, Advent wreaths, candles, carols, Christmas cards, and other traditions help prepare our hearts for the God "who bends low to enter our world and our lives." Prayer poems for each day of the season lead readers to deepen their

spiritual journey, and the book provides a guided pattern for individuals and small groups to share reflections and experience activities that open their hearts to the Christ child. The Living Nativity provides a prayer, meditation, and reflection questions for each day of Advent. The Leader's Guide includes suggestions for worship, discussion questions focused on the readings, and guidance for a mini-retreat on a theme of the week.

The Christmas Miracle Mary Noailles Murfree 2020-03-16 'The Christmas Miracle' is a short story written by Charles Egbert Craddock, the pen name of Mary Noailles Murfree. The story follows a man named Jubal Kennedy, who was of the temperament impervious to spiritual subtleties, fain to reach conclusions with the line and rule of mathematical demonstration. Thus, all unreceptive, he looked through the mountain

gap, as through some stupendous gateway, on the splendors of autumn; the vast landscape glamorous in a transparent amethystine haze; the foliage of the dense primeval wilderness in the October richness of red and russet; the "hunter's moon," a full sphere of illuminated pearl, high in the blue east while yet the dull vermilion sun swung westering above the massive purple heights. He knew how the sap was sinking; that the growths of the year had now failed; presently all would be shrouded in snow, but only to rise again in the reassurance of vernal quickening, to glow anew in the fullness of bloom, to attain eventually the perfection of fruition. And still he was deaf to the reiterated analogy of death, and blind to the immanent obvious prophecy of resurrection and the life to come.

His Sandals Jeffrey Campbell 2009-07-01 Joseph was well prepared with the materials and tools

to craft Jesus a new pair of sandals. What he was not prepared for, as he took each step to make them, was how God would reveal to him, many of the steps Jesus would take as he walks in these sandals. His Sandals, is the heart wrenching story of the obedience Joseph had for his Father in Heaven, and the surprisingly defiant response to God in order to protect his Son and Mary from the pain that awaited both of them. 84 pages soft cover first edition

Self-representation of Medieval Religious Communities Anne Müller 2009 This book explores the medieval monastery as symbolic space (locus symbolicus) and looks at forms of self-representation in medieval monastic life. Papers focus on both the transitory nature of organised religious life, which is based on symbols, and the separate identities religious communities developed by using their own specific forms of ritual and symbolisation. Case studies treat the British Isles and the broader European context. Among the key issues explored here are rituals in internal organisation, the symbolic use of space, architecture and art, symbolism in social interactions, and symbolic constructions of the past.

Angels and Saints and the Rest of Us Melaine

Ryther 2014-10-16 G.K. Chesterton once said, "Angels can fly because they take themselves lightly." Taking that notion to heart, this collection of short articles and essays seeks to inform, inspire, but also at times amuse. Topics range from the light-hearted (coffee and baseball) to the heart-wrenching (St. Edith Stein and St. Gianna Beretta Molla). And then, of course, there are the angels. Archangels, guardian angels, angels in disguise, and angels loud and proud. They are the glue that holds this book of seemingly disparate topics together, reminding us on each page they appear that they are our friends, our protectors, our teachers, and our guides. Based on the blog of the same name, *Angels and Saints and the Rest of Us* roughly follows a year's worth of Church celebrations with teachings from the saints, actions from the angels, and a few personal anecdotes from the author. All in all, an enjoyable reading experience that even an angel would approve of.
