The Little Red Patient Louise Wren 2015-08-24

When Louise Wren spotted a tiny animal moving in the gutter as she was driving near her

home one night, she screeched to a halt to find it was a fox cub, just a few weeks old, which had been hit by car. Louise has become something of an expert on foxes, having made friends with a whole family of them in her back garden, so she rescued it. The cub's hind legs appeared lame.

Would it have to be put down or would Maddie, as she called the cub, survive with the specialist care of a vet's family who had other rescued foxes living with them? This is her story.

Lady Into Fox David Garnett

2022-05-10T02:16:55Z A newly-married couple are taking a leisurely walk through the woods in England when, without warning, the woman suddenly transforms into a fox. The grief-stricken husband does his best to look after his

transformed wife after this astonishing change. That's the unlikely premise of *Lady Into Fox*. Other than the mysterious transformation of the woman, this short work is otherwise completely realistic, placing it in the category of contemporary fantasy or magic realism. Published in 1922, the book quickly attracted critical attention and praise. It won both the James Tait Black Memorial Prize and the Hawthornden Prize, and was included by the writer Rebecca West in a list of the "best imaginative productions" of the 1920s alongside Virginia Woolf's *Orlando*. *Lady Into Fox* was turned into a ballet in 1939 by the choreographer Andrée Howard, with music based on piano pieces by Arthur Hoenegger. Performed by Ballet Rambert, it was apparently a success. In 1960, a French writer using the pseudonym "Vercours" wrote a novel titled *Sylva* directly inspired by Garnett's novel, in which the reverse transformation occurs: a fox on the run from a hunt is transformed into a naked young

woman, who is taken in and cared for by the owner of a nearby manor. This novel, translated into English, was nominated for Best Novel in the Hugo Awards presented by the World Science Fiction Convention in 1963. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Interview with the Vixen (Archie Horror,

Book 2) Rebecca Barrow 2020-07-07 High

school bites -- especially when you want to kill your classmates. Check out this original horror novel featuring Archie Comics characters!

Everyone knows the characters from Riverdale: popular Archie Andrews, sophisticated Veronica Lodge, girl-next-door Betty Cooper, and angsty Jughead Jones. But this is not the Riverdale you know and love. Something twisted has awoken in the town with pep. Inspired by the iconic Archie Horror comics, this reimagined universe takes the grittiness of the TV show and adds a paranormal twist. Everyone thinks that Veronica

Lodge has it all: the rich parents and the big house. The popular jock crush. The perfect best friend. But all that changes when she's bitten by an ancient vampire named Theodore Finch. Theodore is turning all of Riverdale's most powerful citizens into vampires -- including Veronica's parents. But that's only the beginning of what he has planned... Veronica escapes from becoming one of Theodore's minions, but the lives of the entire town are at stake. Veronica can't defeat him alone. With some help from her friends, Veronica discovers how to turn everyone back to normal -- including herself. All they have to do is kill Theodore. But Veronica's bloodlust is getting harder to control. Can Betty, Archie, Dilton, and Cheryl figure out how to stop Theodore -- and save Veronica -- before it's too late? The Archie Horror series contains all-new, original stories that fans of horror AND fans of Riverdale will die for!

The Pirate's Willing Captive Anne Herries

2014-10-15 Kept for the pirate's pleasure!

Instinct told her that Captain Justin Sylvester was a man she could trust. But how could this pirate, who had just stormed her ship, be a true man of honour? Captive on the high seas, with nowhere to run, curiously Maribel Sanchez had never felt more free. If she returned to rigid society she'd become an old man's unwilling wife. If she stayed with Justin he'd made it abundantly clear she would become his more than willing mistress...

To Tame a Vixen Anne Hampson 1979 Ten years before, Chad Barret had put Beth across his knee and spanked her with her own leather sandal! The fact that she deserved it didn't alter her feelings.

Records of the Chase and Memories of Celebrated Sportsmen Cecil 2017-08-25 This vintage book contains a detailed account of English fox hunting in the nineteenth century, with information on popular locations, notable

figures, important developments, and more. A fascinating insight into English fox hunting, this volume is highly recommended for those with an interest in the history of the sport, and would make for a fantastic addition to collections of allied literature. Contents include: "The Origin of Hunting", "The First Foxhounds", "Masters and Privileges", "The Origin of Hounds", "Instinct and Foxes", "The Fame of Leicestershire", "The Shires", "Beaufort and Badminton", "Cheltenham and V.W.H.", "Sporting Shropshire", "Hampshire", "Staghounds", "Railways and Hunting", et cetera. Many vintage books such as this are increasingly scarce and expensive. This volume was originally published in 1922 and is being republished now in an affordable, high-quality edition complete with a specially commissioned new introduction on the history of fox hunting.

Thesaurus of Traditional English Metaphors P.R. Wilkinson 2003-09-02 This fascinating collection of traditional metaphors and figures of

speech, groups expressions according to theme. The second edition includes over 1,500 new entries, more information on first known usages, a new introduction and two expanded indexes. It will appeal to those interested in cultural history and the English language.

This Fox of Mine K. L. Waggoner 2012-12 How do you outfox a fox? K.L.Waggoner has been raising, training, and breeding pet foxes for more than twenty years. *This Fox of Mine: An Entertaining Look into Life at Fox Hollow* tells her remarkable true story. The book begins with her most ornery fox, Rascal, and describes his pranks and the things she learned while trying to outfox her fox. She got her first pet fox in 1992, and had to learn everything about raising and training it. The book continues through the lives of ten foxes she has had as pets and each one's personality. "They have all amazed me with their ability to adapt and learn, as well as teach me to connect with them on their level. The fox is a very playful animal that requires special

consideration if you want to have one as a pet," she says. *This Fox of Mine* shows what a truly unique and special animal a fox is. "The book finishes with the death of one of my older foxes and how it affects the others, then finalizes with my thoughts about having a fox as a pet."

A Lifetime of Mammals Derek Warren
2018-01-09 A comprehensive description of the UK's mammal population. Fully illustrated from the author's extensive photographic collection. This book is the result of over fifty years of studying and photographing the mammals of the UK in their natural environment. It consists of full descriptions of our native mammals and the landscapes in which they live. It concentrates on the larger mammals such as the badger and foxes, but also all the smaller mammals such as stoats, weasels and polecats, and rodents including squirrels, voles and various mouse species. Finally it also describes some

introduced animals both long established, such as the rabbit and brown hare, as well as briefer descriptions of the more recently introduced ones such as the mink. The book deals with how some of the mammals, such as the badger, have had their profiles raised through the work of the author together with Dr Ernest Neal. It was the combined work of various badger experts, including Derek Warren and Dr. Neal, and several MPs that resulted in the two badger bills being presented to parliament. The book contains a chapter by Adrian Middleton, a retired veterinary surgeon, on colour variations in mammals where these variations are described in detail. All of these descriptions within the book are accompanied by photographs of the various mammals taken by the author.

Taming His Tutor Natalie Anderson

2014-08-25 A sexy category romance from Entangled publishing's Brazen imprint... When the bedroom becomes the classroom... Computer guru Abbi Hayes needs to kick her sex life into overdrive—and she's designing the perfect App

to make it happen. Thanks to all of the self-help bedroom tips she's accumulating, she'll be able to go from boring and passive to own-him-now vixen with a couple of swipes of a touch screen. And when former NBA basketball star Joe Burns offers to help her test out her 'product,' how can she say no? Joe can't quite believe this temptress-in-training is his formerly shy, geeky ex-math tutor. If Abbi wants to discover her inner vamp, he'll happily be her how-to guide. But it only takes few face-to-face lessons to realize that underneath the talk, there's a truly passionate woman begging to be claimed by someone strong. Someone like him. Maybe it's time to teach his former teen fantasy a few tricks of his own...

Vixen G. Willow Wilson 2009 As Vixen, Mari McCabe can mimic the abilities of any animal on Earth. Lion, falcon, rhino, there is no beast she cannot tame. And though she has traveled the world as a fashion model and explored the universe as a member of the Justice League,

Africa is her home, and home to much trouble. Vixen has returned to the nation of Zambesi to investigate new details surrounding the murder of her long-dead mother. But when she discovers that the killer has ties to the super-villainous Intergang, she must set aside her revenge in order to save her besieged country.

The Sporting magazine; or Monthly calendar of the transactions of the turf, the chase, and every other diversion interesting to the man of pleasure and enterprize

Introducing the Medieval Fox Paul Wackers 2023-02-15 This book is an entertaining, informative and enchanting introduction to its subject - just as those medieval banes of the farmyard, the Fox and the Vixen, were enchanting in escapades from fables and funny tales, from beastly epic poems and bestiaries, and from medieval material culture (in Danish wall-paintings and Dutch manuscript illustrations and statues, stained-glass and Italian mosaics). There exist books on medieval

fox stories and on the animal's iconography, which are important themes in this study, but this book is the first holistic approach to all types of manifestations of foxes in medieval culture - from medical recipes and fur trade, to Bible commentaries and hunting manuals.

Country Gentleman, the Magazine of Better Farming 1913

The Countryman 1964

Catching the Vixen Kristen Strassel When I crashed a bachelor auction for *The Real Werewives of Alaska*, the producers immediately offered me a contract for the show. Problem is, my parents are already contestants, and that hot quarterback I placed the winning bid for? He's my dad's protégé. Those producers want me to do something outrageous to get the viewers' attention, and I plan to deliver. All my dad's grumbling won't keep me away from lion shifter Tyler Jones. The lion thing could pose a problem because I'm half-human, half-fox, and all wild child. My plan is to play with the big cat and

move on. That is, until I shift for the very first time. Now my animal wants something more. Like forever. I thought dealing with my dad's disapproval was an issue, but if I'm going to play for keeps with Tyler, I need to win his family over first. Whoever said being a vixen was easy? Find out what happens when fate brings these star-crossed lovers together!

The Viking's Woman Heather Graham

2010-09-22 Her wild spirit made him crave her . . . Her firebrand—hair blazed as glorious as a sunrise. Her long limbs promised the sweet mysteries of the night. Rhiannon, King Alfred's favorite niece, was enraged when her uncle sealed an alliance of war by pledging her to Eric, the towering golden-haired prince whose blue eyes penetrated her with a glacial stare. But the more she fought the marriage . . . the man . . . the more she became inflamed by the fire that lay beneath his Viking ice. His passion pierced her heart . . . His broad shoulders as hard as the steel of his sword, Eric bowed to no man. The

only battle he feared losing was with Rhiannon. For she had reached into the savage recesses of his heart. No campaign on the field, no treason from within, would he fight as fiercely—or with such desire . . . as the war he waged to possess what was his.
