Dare Me Samantha Chase 2022-10-04 One year ago, Arianna Donovan and Will Jameson met on a dare and spent a perfect 24 together before going their separate ways. She thought they would stay in touch, but he disappeared without a word. Arianna thought she'd moved on. But when Will shows up at a family dinner with her older—and very protective—brother, she's angry and confused. How could he possibly forget to mention that he was friends with her brother? No one knows about their past and Arianna wants to keep things that way. No matter how

tempting Will is. When he walked away a year ago, Will thought it was for the best. Staying away from Arianna was the smart thing to do, especially with how protective her older brother—his friend and fellow soldier—can be. Time and distance will work wonders when you're trying to stay away from someone. Now that he's seen her again, he forgets all about doing the smart thing. He'll just have to first convince her to let go of her anger and give him another chance. Will isn't above playing the nostalgia card, and when he challenges Arianna to a sexy game of truth or dare, she can't resist. Neither one is ready to tell the world what they're doing, but how long can they possibly keep things a secret when there are Donovans ready to meddle around every corner?

1967 - This is It Lowell Tarling 2020-05-11 A novel about a high school band by Lowell Tarling with artwork by Martin Sharp. You may finish school with no plans, no money, and no direction. But if all you want is to play guitar with your teeth, smash a Rickenbacker or grow your hair long - then being in a high school band could be the last thing you need... It is 1967. Tom is 18, and ready... This novel combines the cunning wit of Lowell Tarling with the atmospheric pop art of the iconic Martin Sharp. It is the best of times. It is the worst of times. It is the age of wisdom. It is the age of foolishness. It is the age of The Who and the Beatles. It is the time of Dylan. It is the season of Light. It is the season of Darkness. Nobody is who they think they are. Everyone is whoever they want to be. It is the autumn of despair, the winter of discontent, the spring of hope. And the

Summer of Love. We have everything before us. Everything is original. Everything borrowed. People come only in two types: those who ARE Rock and Roll and those who aint. 1967 - THIS IS IT! embraces the journey of Thomas Truscott - wannabee rock god and all round misfit as he careens from disaster to discovery in his last year of school, battling the establishment, prefects, the Vietnam war and most of all, himself.

Modern Records, Maverick Methods Samantha Bennett 2018-12-27 From the Fairlight CMI through MIDI to the digital audio workstations at the turn of the millennium, Modern Records, Maverick Methods examines a critical period in commercial popular music record production: the transformative digital age from the late 1970s until 2000. Agnes Moorehead on Radio, Stage and Television Axel Nissen 2017-10-12 In a career spanning six decades, Agnes Moorehead (1900-1974) was perhaps unique among 20th-century American actresses in making her name in four entertainment media--radio, theater, film and television--after age 40. Focusing on 25 of her most representative performances, this retrospective analyzes her work on radio serials like *Mayor of the Town* (1942-1949) and *Suspense* (1942-1962), her stage productions of *Don Juan in Hell* and *Gigi*, her television appearances on *Bewitched* and *The Twilight Zone* and her Emmy-winning appearance on *The Wild Wild West*. The author presents Moorehead's roles in the context of her personal

life, discusses her relationship with directors, producers and other performers and provides little known facts about the productions.

Tales from Daler Cottage: Unearthing the Hidden Messages within my Children's Stories Madeleine Watson 2019-03-11 The

following story is true. This book is about my children's mysteries written between the ages of 9 and 16. The years would have been 1975 to 1982. During this time, I was completely oblivious to a terrible truth about myself. I was living in Daler Cottage, the given name of my childhood home. At the age of 19, I would start a novel called The Lessons. This novel was fuelled by a burning fantasy world that was eating me up inside. For the next thirty years, I would struggle with this novel, unaware of this truth. The story of The Lessons is covered in my other book. Prior to my novel-writing phase, I was writing these mysteries as well as painting and devising plays. I kept a diary between 1977 and 1988, during which I attained a degree in Fine Art. I would continue to write and paint for many years to come. My diaries illuminate the circumstances surrounding the writing of my children's stories. Unknown to me, clues to this horrific truth have leaked into all my creations like oil bubbling up through the ground. At the

age of 51, I finally learned the truth. This book describes the decoding process to find the true meaning behind my children's mysteries. Due to the nature of this book, names and certain details have been altered in order to protect identities and I am writing under a pseudonym. With images throughout.
