*Evidence for Bible Wisdom* Sam Kneller 2021-07-30 God's Word, Biggest Dilemma & Challenge of Your Life. Why? Believe it or not, the basis of your thinking and convictions is at stake. The opening statement of God's Word poses a preposterous predicament. "In the beginning God created the heaven and the earth" Is it foolish or not? John, the Apostle, links this statement directly to Jesus Christ, "In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him;" (John 1:1-4). Can you believe in Christ and not the Creation? How do we resolve this issue? I never intended to write *Evidence for Bible Wisdom*. It started in September 2020, during the pandemic, with a blog post about Covid-19 and Quarantine. The reason was the lack of literature referring to God's Word about this subject. I immediately began writing on various difficult-

to-explain subjects in the Bible readers trip over in their quest for understanding. This book is a beginning effort to help seekers of understanding find some solid evidence in favor of God and the Bible. Bible wisdom is God's wisdom in God's Word. Most readers consider humans to be authors of the Bible. Consider this. If God is an All-Powerful Being, then He can inspire His Words, preserve and transmit those same Words down through time to reach us today. Most people have difficulty with that statement, that's the reason I wrote this book. It's not about religion, doctrine, Church orientation, or specific beliefs you must have to be in some faith. It is evidence there is wisdom in God's Word, far beyond what the human mind can conceive. It's rules, principles, wise guidance relevant to living in the 21st century to make you a better individual and to establish a more cohesive community. A primary almost unknown role of the Bible is God addresses His Word to ALL nations, worldwide. All humans are ONE race, one blood, one body, one mind... one set of rules applies to one set of people. Practical Bible wisdom has nothing to do with such cultural, scientific, and informational aspects related to nations and times, be they 1000, or 6000 years ago. Men, women, and children at all times in the history of humankind were identical to the 21st century. The Explanation is not here to skirt issues but give you answers to the big question in life. You'll learn How to Govern a Country Responsibly. The role of leaders and followers. Is there conclusive evidence for God? The meaning of living soul-nefesh chaya, what a human being is. Why light occurred on the first day while the sun and moon apparently appear on the fourth day. The principal theme of this book is Bible relevance in the 21st century. There are clear principles for handling older people, agriculture, justice, and questions about suffering. Does God condone slavery and order the wholesale killing of entire nations? What about individual and community rights in a liberal society? Practical solutions for today for all of humankind. Evidence for Bible Wisdom reveals the Bible assembles the overall puzzle of the entire story of humankind. It transcends individual points for a global view, what The Explanation calls a Godview. True theology, looking at it through God's eyes. You're a seeker of truth, and this book will put you on the right track.

*Jesus Lives* Shirley Mitchell 2009-06 Are you confident in your faith that Jesus is the Son of God? Or do you want to know Him even more? Do you want to discover new things, unveil mysteries, and deepen your understanding of your Savior? How did Jesus of Nazareth change the lives of the people He encountered and impact mankind, generation after generation, unlike no other person in history? Why did four fishermen lay down their nets and leave everything to follow Him? Why did Matthew change from a tax collector hated by Jewish society to a faithful disciple who targeted his Gospel for the Jews? How did John change from a disciple who desired greatness to a man who wouldn't write his own name in his Gospel? What was it like to hear Jesus teach or to recognize Jesus' voice? How would you have handled the night of terror in the garden, His arrest, trial, and then crucifixion? To answer these questions, *Jesus Lives* spans the life of Christ from the beginning (John 1:2) to His birth, through His life on earth as Rabbi, Miracle Worker, Storyteller, Jewish Messiah, and Passover Lamb, and that He is our Covenant Partner and Coming King, and much more. This study is for you to have a fresh revelation of Jesus, to get your identity through Christ, to develop intimacy with God, and to worship Him passionately! Join the adventure of *Jesus Lives*! This 10-week in-depth, interactive study includes daily assignments and 11 weekly video sessions, portions of which were taped in Israel and Egypt, the two countries where Jesus lived. **Wiser Together Study Guide** Bill Hybels 2014-05-27 In this five-session video-based Bible study (DVD/digital video sold separately), bestselling author and pastor Bill Hybels challenges you to make doing life together a priority, exploring from the book of Proverbs how experiencing community and growing in wisdom are inseparably linked and offering practical direction on how to experience this with others. All of us want to get better at life. Getting wiser alone, however, is not the way it works. God didn't wire us to catch onto wise and godly living through lone-ranger attempts at learning; it's something that rubs off on us when we spend time with others who have the wisdom of God living inside of them. As the proverb says, "Iron sharpens iron as one person sharpens another." This study is designed with both new and experienced group leaders in mind. For new leaders, it includes optional weekly DVD training sessions (DVD sold separately) to help them lead a fantastic, first-time small group experience. For experienced leaders, it includes a "Going Deeper" section for those ready to take this content to the next level. Sessions include: Walking with the Wise The Counsel of Community Iron Sharpens Iron The Heart of Community Faith and Friendship Designed for use with the Wiser Together Video Study 9780310820116 (sold separately).

Readings come from Old and New Testament texts. These daily readings prepare us for the 13 lessons in Adult Bible Studies. God Daily readings in this unit help us discern what "Godness" is. They help us understand the Lord as the divine initiator of the cosmos and as the creator of humankind, and they remind us that God is not limited to what we can know of or imagine about God. They encourage us to appreciate the fact that mystery and wisdom are essential qualities of God's nature. Finally, they invite us to consider Christ's role with God in the world's creation. In God's Image Readings in this unit focus on the human condition. They remind us of the chasm sin imposes between us and our Creator. They guide us toward penitence that asks God to bridge the breach caused by sin. They recall for us how Jesus provides entry into the kingdom of God and challenge us to consider what the redeemed life looks like. Worship Readings in this unit challenge us to think about "objects of worship," with "objects" meaning not worship aids, such as candles and paraments, but those things we place ahead of God. They remind us of the place of God in our worship and the related instruction to love God with all that we are and to make that an essential part of our daily lives. They offer us the opportunity to think about why we may deliberately choose to worship that which is not God. They stress that nothing we worship other

than God can impart life, and they invite us to understand that the worship impulse is only satisfied when it is directed toward God. This ongoing day-by-day Bible study series is a great companion to Adult Bible Studies but can also be used as a standalone study for anyone wanting daily time with God. It is presented in quarterly segments. Bible-based, Christ-focused, and United Methodist-approved, this resource helps individuals develop the discipline of studying the Bible every day and coordinates with the lesson themes of Adult Bible Studies. Each lesson includes a one-page Bible study for each day of the quarter, along with introductory reflection questions and commentary on the daily Scripture passage, life application, and a concluding prayer. **mytwocents** Dr. Steve Edge 2022-03-16 Whether you are a new believer or have been a Christian for many years, mytwocents is designed to assist you in your walk with Christ. One of the indispensable keys to spiritual growth is time spent studying the Bible. Scripture gives us sound instruction on how to live our lives as well as how to enjoy the love, joy, and peace that come from a personal relationship with Jesus. Section 1. The Christian life is the Spirit-filled life! When we are saved, we receive the Holy Spirit of God. In short, this means that the presence of God resides in the life of every born-again believer in Jesus Christ. What the world cannot boast about, Christians can, namely that we belong to God, know God, and live in the power of His presence. When we belong to Christ, this power is ours to enjoy and use for the building up of the kingdom of God. Section 2. Proverbs is an excellent source for wisdom as it provides us with timeless principles for life. Like the entirety of God's Word, spending time in the Proverbs opens up opportunities for God to speak to us and continue to shape our lives. Carve out some time to read an entire chapter of Proverbs daily. This will allow you to read through the book in a month. Each day, we will focus on just one portion from each chapter. This book can be used as a personal daily devotional or a group Bible study. Whether it is the examination of one specific passage or a walk through an entire book of the Bible, these studies will bring biblical insight, allowing for a deeper understanding of God's Word. May God richly bless you as you make the study of Scripture a priority in your life!

**The A to Z of the Seventh-Day Adventists** Gary Land 2009-07-16 Covering the Millerite movement of the 1830s and 1840s, sabbatarian Adventism prior to organization of the denomination, and the Seventh-day Adventist Church since its organization in 1861-63, this volume provides a comprehensive history of the denomination. The first major element of the book is a chronology of Adventist history that begins with William Miller's conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002-04. The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening, describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form, and examines the denomination's geographical expansion from a small North American sect to a global church. The dictionary entries that constitute the bulk of the volume address individuals, organizations, institutions, and doctrines that have been important in the history of the church, including dissident movements and individuals who have emerged as critics of the denomination and its beliefs. Second, there are entries on the development and current situation of Adventism in many individual countries. Finally, thematic entries on such subjects as art, music, literature, health care, and women address other elements important to

understanding church life. The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination, commercial and academic presses, and individuals and organizations.
