**Your Iowa Grandmother's Recipe Book** Rachael Gatling 2014-05-06 Every recipe has a story and every story has a secret. For folks in Tatatonka, Iowa, the best recipes in town, and therefore the best secrets, have long been kept in the coveted recipe book of local cooking legend Trudie Melody. When Trudie becomes ill, her granddaughter, successful (at least by Tatatonka standards) garden gnome maker Margot, decides it's no time to be timid and boldly asks for the recipe book. Thinking she's secured the book for herself, Margot's life goes into a tailspin

when, after her grandma's death, a crooked probate lawyer determines the book will go to Sheryl, Margot's shrewd first cousin, who needs the book to bail out her flailing career. Margot's only recourse is to sue Sheryl before she can take possession of the treasured book. The courtroom takes on a voyeuristic and carnival-like atmosphere when the Judge rules to have the recipe book read aloud in order to determine the rightful owner

**Nobody Will Tell You This But Me** Bess Kalb 2021-04-20 NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: VOGUE • FORBES • BOOKPAGE • NEW YORK POST • WIRED "I have not been as profoundly moved by a book in years." —Jodi Picoult Even after she left home for Hollywood, Emmy-nominated TV writer Bess Kalb saved every voicemail her grandmother Bobby Bell ever left her. Bobby was a force—irrepressible, glamorous, unapologetically opinionated. Bobby doted on Bess; Bess adored Bobby. Then, at ninety, Bobby died. But in this debut memoir, Bobby is speaking to Bess once more, in a voice as passionate as it ever was in life. Recounting both family lore and family secrets, Bobby brings us four generations of indomitable women and the men who loved them. There's Bobby's mother, who traveled solo from Belarus to America in the 1880s to escape the pogroms, and Bess's mother, a 1970s rebel who always fought against convention. But it was Bobby and Bess who always had the most powerful bond: Bobby her granddaughter's fiercest supporter, giving Bess unequivocal love, even if sometimes of the toughest kind. *Nobody Will Tell You This But Me* marks the creation of a totally new, virtuosic form of memoir: a reconstruction of a beloved grandmother's words and wisdom to tell her family's story with equal parts poignancy and hilarity.

**My Grandmother's Hands** Resmaa Menakem 2017-08-21 A NATIONAL BESTSELLER "My Grandmother's Hands will change the direction of the movement for racial justice."— Robin DiAngelo, New York Times bestselling author of *White Fragility* In this groundbreaking book, therapist Resmaa Menakem examines the damage caused by racism in America from the perspective of trauma and body-centered psychology. The body is where our instincts reside and where we fight, flee, or freeze, and it endures the trauma inflicted by the ills that plague society. Menakem argues this destruction will continue until Americans learn to heal the generational anguish of white supremacy, which is deeply embedded in all our bodies. Our collective agony doesn't just affect African Americans. White Americans suffer their own secondary trauma as well. So do blue Americans—our police. *My Grandmother's Hands* is a call to action for all of us to recognize that racism is not only about the head, but about the body, and introduces an alternative view of what we can do to grow beyond our entrenched racialized divide. Paves the way for a new, body-centered understanding of white supremacy—how it is literally in our blood and our nervous system. Offers a step-by-step healing process based on the latest neuroscience and somatic healing methods, in addition to incisive social commentary. Resmaa Menakem, MSW, LICSW, is a therapist with decades of experience currently in private practice in Minneapolis, MN, specializing in trauma, body-centered psychotherapy, and violence prevention. He has appeared on

the Oprah Winfrey Show and Dr. Phil as an expert on conflict and violence. Menakem has studied with bestselling authors Dr. David Schnarch (Passionate Marriage) and Dr. Bessel van der Kolk (The Body Keeps the Score). He also trained at Peter Levine's Somatic Experiencing Trauma Institute.

**Becoming Grandma** Lesley Stahl 2017-04-04 The New York Times Bestseller From one of the country's most recognizable journalists, Lesley Stahl of CBS's 60 Minutes: How becoming a grandmother transforms a woman's life. After four decades as a reporter, Lesley Stahl's most vivid and transformative experience of her life was not covering the White House, interviewing heads of state, or researching stories at 60 Minutes. It was becoming a grandmother. She was hit with a jolt of joy so intense and unexpected, she wanted to "investigate" it—as though it were a news flash. And so, using her 60 Minutes skills, she explored how grandmothers change a woman's life, interviewing friends like Whoopi Goldberg, colleagues like Diane Sawyer (and grandfathers, including Tom Brokaw), as well as the proverbial woman next door. Along with these personal accounts, Stahl speaks with scientists and doctors about physiological changes that occur in women when they have grandchildren; anthropologists about why there are grandmothers, in evolutionary terms; and psychiatrists about the therapeutic effects of grandchildren on both grandmothers and grandfathers. Throughout *Becoming Grandma*, Stahl shares stories about

her own life with granddaughters Jordan and Chloe, about how her relationship with her daughter, Taylor, has changed, and about how being a grandfather has affected her husband, Aaron. In an era when baby boomers are becoming grandparents in droves and when young parents need all the help they can get raising their children, Stahl's book is a timely and affecting read that redefines a cherished relationship.

His grandmother has been telling Max that he is an inept, clueless weakling since he was a child and she'd spend the day sitting in the back of his classroom to be sure he came to no harm.
