Stalking the Antichrists (1940?1965) Volume 1 George E. Lowe 2013-02 It is based on the inspiring "definitions" of the word "introduction" (1651): My actions of "bringing in" a "newly" weapon (since August 1945) "brought into" the world and to its "process" of the application in "war" and with an in-depth "initiation in the knowledge" of "elementary instruction" regarding "Deterrents" and "Deterrence" thereof, which "leads to the knowledge or understanding of " the impact of both fission and fusion "nuclear weapons" on war/politics/foreign policy/strategy and the fate of the Earth/Gaia/God's Creation, thanks to my insights gained "personally" at Grove City College, the University of Chicago, U.S. Navy (Air Intelligence Officer) and State Department (Foreign Service Officer) and herewith presented as my "introduction" to the formal introduction of my halting, but determined attempts to deter a thermonuclear World War III and Armageddon too (1945-2012). Modified from "Introduction" (Shorter Oxford English Dictionary (Third Edition, 1959, p. 1036)

Troublemaker Leah Remini 2015-11-03 #1 NEW YORK TIMES BESTSELLER • An eye-opening, no-holds-barred memoir about life in the Church of Scientology, now with a new afterword by the author—the outspoken actress and star of the A&E docuseries Leah Remini: Scientology and the Aftermath Leah Remini has never been the type to hold her tongue. That willingness to speak her mind, stand her ground, and rattle the occasional cage has enabled this tough-talking girl from Brooklyn to forge an enduring and successful career in Hollywood. But being a troublemaker has come at a cost. That was never more evident than in 2013, when Remini loudly and publicly broke with the Church of Scientology. Now, in this frank, funny, poignant memoir, the former King of Queens star opens up about that experience for the first time, revealing the in-depth details of her painful split with the church and its controversial practices. Indoctrinated into the church as a child while living with her mother and sister in New York, Remini eventually moved to Los Angeles, where her dreams of becoming an actress and advancing Scientology's causes grew increasingly intertwined. As an adult, she found the success she'd worked so hard for, and with it a prominent place in the hierarchy of celebrity Scientologists alongside people such as Tom Cruise, Scientology's most high-profile adherent. Remini spent time directly with Cruise and was included among the guests at his 2006 wedding to Katie Holmes. But when she began to raise questions about some of the church's actions, she found herself a target. In the end, she was declared by the church to be a threat to their organization and therefore a "Suppressive Person," and as a result, all of her fellow parishioners—including members of her own family—were told to disconnect from her. Forever. Bold, brash, and bravely confessional, *Troublemaker* chronicles Leah Remini's remarkable journey toward emotional and spiritual freedom, both for herself and for her family. This is a memoir designed to reveal the hard-won truths of a life lived honestly—from an author unafraid of the consequences. Praise for *Troublemaker* "An aggressively honest memoir . . . *Troublemaker* is the most raw and revealing Scientology memoir to date."—*Entertainment Weekly* "Leah's story is a juicy, inside-Hollywood read, but it's more than that. It's a moving story about the value of questioning authority and how one woman survived a profound crisis of faith."—*People*

Mystery Child Shirlee McCoy 2016-06-01 TO SAVE A CHILD In the dark of night, Quinn Robertson is on the run with her little niece, desperate to bring the child to her biological father. In the Forest of Harm Sallie Bissell 2003-08-12 Newcomer Sallie Bissell ushers you into a labyrinth of psychological terror in an electrifying debut, a novel of survival and friendship as three women embark on a hellish journey through a treacherous wilderness. Assistant D.A. Mary Crow has come a long way from a tiny cabin in Little Jump Off, North Carolina. The toughest young prosecutor in Georgia, "Killer Crow" is going home, to visit her mother's grave and then to hike with her two closest friends on the wilderness trail she loved as a child. Mary knows well the dangers these beautiful mountains hold: rugged climbs, treacherous precipices, dense fog, and acres of impenetrable brambles. But there are greater threats here, ones she never anticipated. Her most recent courtroom victory made more than headlines -- it made Mary a deadly enemy. He's tracking Mary into the mountains to wreak vengeance -- and to bury a shattering secret. But he will not be the only predator who stalks the women through this merciless terrain. Here Mary and her friends will find a will to survive they never knew they possessed. Here they will find a capacity for loyalty -- and for violence -- they never dreamed possible...deep within themselves and in the forest of harm.

Gerald's Game Stephen King 2016-09-27 Now a Netflix movie directed by Mike Flanagan (*Oculus*, *Hush*) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... "And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone." Once again, Jessie Burlingame has been talked into submitting to her husband Gerald's kinky sex games—something that she's frankly had enough of, and they never held much charm for her to begin with. So much for a "romantic getaway" at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her...

Conspiracies and Secret Societies Brad Steiger 2022-09-27 The invisible world of influence and power revealed. Hidden agendas uncovered. An examination of over 250 current and historical conspiracies, secret cabals, and powerful groups. Claims and counterclaims. Stunning allegations. Suppressed evidence. Missing witnesses and rogue operatives. Threats, cover-ups, and assassinations. Brazen lies and startling truths. Documented connections and worrisome coincidences to even deeper intrigue. American history is replete with

warnings of hidden plots by shadowy groups and nefarious power brokers. Separating fact from fiction, this compelling work provides gripping details and presents the information without bias, including facts about hundreds of individuals, organizations, and events in which official claims and standard explanations of actions and events remain shrouded in mystery. Sifting through the evidence, weighing competing narratives in a search for the truth, *Conspiracies and Secret Societies: The Complete Dossier of Hidden Plots and Schemes* examines the many subjects discussed by conspiracy theorists, probing and analyzing the dark doings of secret societies. Bring yourself up to date with the latest research and findings into historical topics plus current issues, including: Government cover-ups—internet tracking, electronic spying, MKUltra, the John F. Kennedy and Martin Luther King Jr. assassinations, Agenda 21, Area 51, Federal Reserve System, black helicopters, Project Monarch, satellite snooping, FEMA, the CIA, the crack cocaine epidemic, and much more. Powerful secret societies and groups—Freemasons, Illuminati, Antifa, the Deep State, the Trilateral Commission, Anarchists, the Skull and Bones Society, the Family, Scientology, the Knights Templar, the Lavender Mafia, the Zionists, the Roman Catholics, the Bilderberg group, and QAnon, to name a few. Classified background on U.S. Presidents—Lincoln, Kennedy, Eisenhower, Reagan, Obama, Trump, their advisers, and more. Terrible secrets—Malaysian Airlines Flight 370, 9/11, Princess Diana, subliminal messaging, psychotronic weapons, the Matrix, Adolf Hitler, Men in Black, Barcodes, The Great Reset, Unit 731 and germ experiments, Jeffrey Epstein, Bill Gates, the Oklahoma City bombing, Fukushima, HAARP, and many more. Historical riddles—the Ark of the Covenant, Nazi UFOs, the Holy Grail, George Patton and Operation Unthinkable, the Great Pyramid, the Tonkin Gulf incident, Noah's Ark, alchemy, the true relationship between Jesus and Mary Magdalene, Atlantis, and more. Science mysteries—biochip implants, genetically modified foods, chemtrails, hallow earth, vaccines, fluoridation, Hadron Collider, AIDS/HIV, suppressed medical cures, and many, many more. Originally published in 2006, Brad and Sherry Steiger's masterwork gets an update, with more than 50 new entries, and a complete review and revision by a panel of experts to incorporate the latest developments and newly uncovered conspiracies. Whether confirming or debunking a conspiracy or secret group, *Conspiracies and Secret Societies* cites sources to let you do your own research and draw your own conclusions. This important book brings the facts to light and provides insights into conspiracies and the world of conspiracy theorists. Knowledge is our best weapon against these people, groups, and their nefarious schemes. When some of the nation's highest leaders, their wives, and followers promote—and even believe—false conspiracies, knowing which conspiracies are actually real and which you should not trust is more important than ever!

Haunted Leo Braudy 2016-10-25 An award-winning scholar and author charts four hundred years of monsters and how they reflect the culture that created them Leo Braudy, a finalist for both the National Book Award and the National Book Critics Circle Award, has won accolades for revealing the complex and constantly shifting history behind seemingly unchanging ideas of fame, war, and masculinity. Continuing his interest in the history of emotion, this book explores how fear has been shaped into images of monsters and monstrosity. From the Protestant Reformation to contemporary horror films and fiction, he explores four major types: the monster from nature (King Kong), the created monster (Frankenstein), the monster from within (Mr. Hyde), and the monster from the past (Dracula). Drawing upon deep historical and literary research, Braudy discusses the lasting presence of fearful imaginings in an age of scientific progress, viewing the detective genre as a rational riposte to the irrational world of the monstrous. *Haunted* is a compelling and incisive work by a writer at the height of his powers.

Home-Grown Terror Patrick Gorman 2013-12-27 Peter Maynard is an English mobile telecoms engineer, and happily married to his Filipina wife of some three years. Peter takes on a 3 month contract in Riyadh, Saudi Arabia. It is at this time whilst the engineer is carrying out his work on a rooftop site, one Friday morning that he makes a sinister discovery. Whilst looking in one of the three rooftop outbuildings for spare parts, the engineer discovers something very sinister, a terrorist sleeper cell. Apart from weaponry, concealed with a blanket, and other suspicious objects, he discovers a manual with disturbing data. There are names of prominent MP's (POLITICIANS?), addresses, dates, newspaper cuttings, and what appears to be, planned attacks for some time into the near future, in the Kingdom of Saudi Arabia, the UK and USA. Peter hurriedly takes the manual back to his hotel, where he photocopies some of the pages, as evidence for the British security authorities. On his return to the rooftop site, he finds it impossible to replace the book, as the four occupants of the outbuilding have returned. He therefore, has to conceal the book, and he returns to the radio room. The terrorists soon discover their precious manual missing, and over the course of time, the engineer, under suspicion, is followed, spied upon, hounded, and gradually, matters go from bad to worse, with unexpected twists and turns along the way... Throughout the book there is a thread of tragedy, sorrow, emotion, humour, and in some cases a spiritual element. The reader is kept in suspense as to what will happen next, with an unexpected outcome!

Kolchak the Night Stalker Joe Gentile 2008-07-30 Before the X-Files, there was Carl Kolchak, TV's first paranormal investigator (played with style and pinache by Darren McGavin)! This volume collects the sold out stories: "Eve of Terror" and "Lambs to the Slaughter". "Eve of Terror" is an adapted/added-to script that was left over from the TV show, but never filmed! Government conspiracies, unexplained deaths, secret

scientific experiments, and a modern day miracle, all wrapped up in one "racing against the clock" tale! "In "Lambs to the Slaughter", Kolchak has to find a series of missing teenagers in the cesspool of downtown Hollywood. What does a wealthy industrialist and his genetic manipulation dreams of having a son have to do with it? And is there a mythical monster lying in wait for these kids, as well as for Kolchak? Against all spine-tingling odds, it's up to Kolchak to find out, and survive long enough to let the truth be known!

Hide Kiersten White 2022-05-24 NATIONAL BESTSELLER • A high-stakes hide-and-seek competition turns deadly in this "marvelously creepy thrill ride of a book that keeps twisting until the very end" (Karen M. McManus, author of *One of Us Is Lying*) "The suspenseful plot combines elements of Thomas Tryon's classic *Harvest Home*, Netflix's *Squid Game*, and the social commentary of Jordan Peele's film oeuvre and mixes these with a revelatory pacing reminiscent of Spielberg's *Jaws*."—Booklist The challenge: Spend a week hiding in an abandoned amusement park and don't get caught. The prize: enough money to change everything. Even though everyone is desperate to win—to seize a dream future or escape a haunting past—Mack is sure she can beat her competitors. All she has to do is hide, and she's an expert at that. It's the reason she's alive and her family isn't. But as the people around her begin disappearing one by one, Mack realizes that this competition is even more sinister than she imagined, and that together might be the only way to survive. Fourteen competitors. Seven days. Everywhere to hide but nowhere to run. Come out, come out, wherever you are.

Ambush at Corellia: Star Wars Legends (The Corellian Trilogy)

Roger MacBride Allen 1995-02-02 A trade summit on Corellia brings Han Solo back to the home world he left many years before. Arriving on the distant planet with Leia, their children and Chewbacca, Han finds Corellia overrun with agents of the New Republic Intelligence and finds himself part of a deceptive plan whose aim not even he understands. One thing is clear: the five inhabited worlds of the sector are on the brink of civil war and the once peaceful coexistence of the three leading races -- human, Selonian, and Drallan -- has come to an end.

Nowhere Shane Christopher 2007-05-01 Detective David Rodriguez and reporter Mari Kinsella met in the shadow of horror. Though their relationship survived the terrible things they experienced, they both still struggle to put those memories behind them. But that's not to be. For a vicious serial killer is stalking the streets of New York. A killer who comes out of nowhere, kills in ways that echo the twisted crimes of murderers past—and then seemingly vanishes. So far, nobody has come close to capturing him. Once again, David and Mari must stop a madman. And to do so, they must follow a strange and deadly path, one that will lead them to the brink of the unimaginable—and beyond.

Women Make Horror Alison Peirse 2020-09-17 Women Make Horror studies women practitioners in the film industry and sets right the assumptions about women and the horror genre. It explores narrative and experimental cinema, short, anthology and feature-filmmaking, and offers case studies of North American, Latin American, European, East Asian and Australian filmmakers, films and festivals. With this book we can transform how we think about women filmmakers and genre.

Recreational Terror Isabel Cristina Pinedo 2016-02-24 Challenges the conventional wisdom that violent horror films can only degrade women and incite violence.

Saving the Jews Mordecai Paldiel 2000 The author has collected the most amazing stories of people who secretly saved Jewish lives from 1933 to 1945 and arranged them chronologically and geographically to show us that there will always be a few righteous souls who have made a greater difference in favour of human goodness.

The Alpha Species WW Mortensen 2021-04-27 The electrifying sequel to the WW Mortensen bestseller, *EIGHT*. 2,000 years ago, something mysterious stalked the jungles of the Congo. In Antarctica, a stunning discovery is made in 2,000-year-old ice. Deep in the Amazon, two months have passed since the incident that nearly cost entomologist Rebecca Riley her life. Separated from her companions and still dealing with the fallout, she struggles to heal and to forget, finding solace in her work. But when her research is seized, including evidence of the greatest discovery her field has ever seen, she is lured to the States and a top-secret military facility somewhere in Nevada. There, she uncovers a horrifying truth. They've brought something back. Something she hasn't seen before. Something terrifying. A new species... a strange, new energy source... and a secret that will change human history. A secret others will kill for. When the facility goes offline, overrun by a force of mercenaries hell-bent on sabotaging the project, Rebecca again finds herself in a desperate fight for survival... and a race to save the future.

She'll need help from old friends, because the jungle had been hiding something... and now it's coming for them all. **TERROR HAS ADAPTED. AND ALL HELL IS ABOUT TO BREAK LOOSE.**

The Lair Norman Manea 2012-04-24 Norman Manea, Romania's most famous contemporary author, twice has survived the grip of totalitarian regimes. No stranger to exile, he mines its complexities and disorientations in this extraordinarily compelling novel, *The Lair*. Exile in the motherland and away from it is the shared plight of his protagonists. Nowhere at home, they move through their lives in a continuous, ever-elusive quest for national and individual identity. Manea's characters seek a place and a voice in America, only to discover that the shackles of their native totalitarian and nationalist ideologies are impossible to break. Manea's themes and narrative approach are intricate: his style fluctuates in correspondence with the instability of his characters' lives, his story is encased within an elaborate network of allusions and paradoxes. Yet in the midst of the novel's overriding disorientation, the author establishes intersections and uncovers the universal. Through the predicaments of his perpetual outsiders, he offers a poignant assessment of the conflicts of the individual in the age of globalization. He writes with unmatched intensity and a unique sensitivity to the human tragicomedy.

Minnesota's Hidden Alphabet David LaRochelle 2010-11 Illustrates the letters of the alphabet through close-up photographs of the plants and animals of Minnesota.

The Haunted House on Film Paul Meehan 2019-12-09 A popular phenomenon since antiquity, the image of the haunted house is one that has translated elegantly into the modern medium of film. The haunted house transcends genre, appearing in mysteries, gothic romances, comedies and horror films. This book is the first comprehensive historical and critical study of themes surrounding haunted houses in film.

Covering more than 100 films, it spans from the *Mystery House* thrillers of the silent era to the high-tech, big budget productions of the 21st Century. Included are the works of such acclaimed directors as D.W. Griffith, Robert Wise, Mario Bava, Alfred Hitchcock, Stanley Kubrick, Tim Burton and Guillermo Del Toro. The book also covers the real-life "haunted house" phenomenon and movies based on paranormal case files, including those featured in films like the *Conjuring* series.

The Terror Dan Simmons 2007-03-08 The "masterfully chilling" novel that inspired the hit AMC series (Entertainment Weekly). The men on board the HMS Terror — part of the 1845 Franklin Expedition, the first steam-powered vessels ever to search for the legendary Northwest Passage — are entering a second summer in the Arctic Circle without a thaw, stranded in a nightmarish landscape of encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal supply, and ships buckling in the grip of crushing ice. But their real enemy is even more terrifying. There is something out there in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. "The best and most unusual historical novel I have read in years." —Katherine A. Powers, Boston Globe
