**On the Eagles' Wings** EBELE P.ONWUACHU  
2014-09-08 On the Eagles' Wings is a practical book that one can easily identify with, as it exposes the practical issues that affect the outcome of decisions that people make while

they face different challenges in life. This book outlines the principles that individuals must pay attention to in order to make a wise choice in critical moments when they are faced with a difficult decision. It also exposes common pitfalls that could make situations worse if they are not carefully avoided, like making hasty decisions. When an individual is faced with dilemma, if the person is not strong in the Lord, he or she can easily be blown about by every wind of doctrine, easily deterring one from reaching his goal. On the Eagles' Wings can be used as a point of reference by anyone going through difficult times or facing having to make a life-altering decision. This book is written based on biblical facts and references, as well as on true stories shared by Christians who have lived through hard times and have now shared the experiences that helped to ground them in the Lord. People go through different challenges in life. The most important thing while going through these trials is not so much the challenge itself, but instead

how each individual tackles the situation—this is what makes the difference and grants the person victory. As Christians, we know that our faith is rooted in the Lord.

**If You Want to Soar with Eagles, Don't Hang Out with Turkeys** Lois E. Scott 2010-06-07 Lois

E. Scott has generated and collected pithy one-liners for the past 50 years, gems that her husband Fred refers to as LOISisms. These one-liners can cut through the froth to the heart of a topic with wisdom, common sense, and often humor. They may give comfort to a hurting person, or challenge a teenager as he or she struggles to deal with this world. With these gems, she has guided and instructed three sons and eleven grandchildren and their friends. She is now working on seven great-grandchildren. Friends and family have enjoyed and have been challenged by her kitchen bar stool ministry. Hopefully, these gems will give the reader a laugh or two, or as the Christian comedian Ken Davis would say, "Lighten up and live!" If you are a believer in Jesus Christ, these gems may

provide some food for thought as you live your life and raise your children. If you have not yet come to a saving relationship with the living Christ, hopefully some of these gems will challenge you to contemplate your relationship with Him, and hence your future beyond this limited time you have on this earth.

On Wings of Eagles Ken Follett 2004-12-07 #1 bestselling author Ken Follett tells the inspiring true story of the Middle East hostage crisis that began in 1978, and of the unconventional means one American used to save his countrymen. . . . When two of his employees were held hostage in a heavily guarded prison fortress in Iran, one man took matters into his own hands: businessman H. Ross Perot. His team consisted of a group of volunteers from the executive ranks of his corporation, handpicked and trained by a retired Green Beret officer. To free the imprisoned Americans, they would face incalculable odds on a mission that only true heroes would have dared. . . .

Soaring Like the Eagle Marvelous OKHAI 2019-07-19 ABOUT THE BOOK Eagle is a common name for some members of the bird family accipitridae; it belongs to several genres that are not necessarily closely related to each other; Eagles are admired the world over as living symbols of power, freedom, and transcendence. Most of the sixty species of eagles are from Eurasia and Africa. Outside this area, just eleven species can be found - two species (the bald eagle and golden eagle) in the United States and Canada, nine species in Central America and South America, and three species in Australia. To soar, an eagle needs a headwind; therefore we need to know the following in order to soar like an eagle: God Helps Us Soar Like an Eagle When God says that we can soar on wings like an eagle, He is not suggesting that we attempt unassisted aerals. He wants us to soar spiritually in our daily walk with Him. "But those who trust in the LORD will find new strength. They will soar high on wings

like eagles. They will run and not grow weary. They will walk and not faint."Isaiah 40:31Waiting on the Lord for renewed strength is often difficult. In the midst of hardships, the concept of soaring above them can seem impossible. Without God's help, it is. He reminded me, though, that all birds, even eagles, must learn to fly. With His help, we can learn to soar<sup>1</sup>. We Must Face the Headwinds"Even though I walk through the darkest valley, I will fear no evil for You are with me" Psalm 23:4Storms and difficulties are like headwinds that blow in upon our lives, sometimes with gale-forced strength. As eagles face headwinds, we must learn to face ours head-on, knowing that God is with us as we do.<sup>2</sup>. We Must Rest on God's Strength"...Be strong in the Lord and in the power of His might" - Ephesians 6:10Although we do not have literal wings, we can rest upon God. He stretched out His arms on the cross to conquer the gravitational pull of sin's curse on our behalf. We can rest secure in

the shadow of His wings, knowing His arms are capable of lifting us up above any problem we face.<sup>3</sup>. We Must Let God Lift Us"Humble yourselves before the Lord, and He will lift you up" - James 4:10Just as lift results from air pressure changes, God lifts us by changing our perspective in the storm, and reversing the dynamics of our situations for good. Rather than allowing the pressures of our problems to sink us, we can trust in God, who is greater. With His power and love under-girding us, we can with renewed hope and courage rise up, even when things look their bleakest.<sup>4</sup>. We Must Allow God To Sustain Us"Surely God is my help; the Lord is the one who sustains me" - Psalm 54:4Just as an eagle needs the assistance of air currents and winds to maintain altitude, we need God's help to continue soaring. With the wind of His Spirit in us, and the warmth of His love surrounding us, we can rise above any problem. We can soar. Rather than grovel in the dust of your problems, wouldn't you rather soar above them

DAZZLING DEBUT IN YA SPORTS-FICTION

What if a mountain-boy runner with failing vision wants to win a cross-country championship and his training partner is an American bald eagle? "Soaring Eagles is an inspiring tale of rising up when you have fallen-showing the power of forgiveness." - Jim Ryun, first high-schooler to break 4-minute mile, a world record holder, Olympic Medalist, and U.S. Congressman. Soaring Eagles reveals the trials and romance of seventeen-year-old Billy Cline, whose running family is persecuted for three generations in the Smoky mountain town of Rockside. As a boy, Billy rescues an eaglet in a tornado and is hailed a hero as the "Eagle Boy." For years "Victory" soars mysteriously over Billy who trains to restore his father's lost honor. Enter Jenny, a Scottish lass with a golden voice and iron will.

Cross town rivalries for love and a cross-country championship force Billy to a special boys' home run by his Pa's old coach. A new team and a lightning strike changes everything! Sabotage! Arson! A shooting! Billy's rivals challenge his team to a dangerous and secret life-or-death match race along rugged cliffs. Can Billy's band of rejected brothers use teamwork and a hopped-up wheelchair with sidecar, the Eagle 7, to survive? Will Billy and his team embrace their coach's wise advice? "To soar like eagles...take off the weight of unforgiveness." A RACE FOR... the heart of his Love, the respect of his Team, the rights of the Physically Challenged! "SOARING EAGLES DELIVERS THE GOLD!" Vin Lananna, men's US Olympic Track & Field Coach -RIO

WINNER OF THE SCHNEIDER FAMILY BOOK

AWARD A heartfelt and hopeful debut about a bird-loving autistic child whose family's special nest is in danger of falling apart. Axel loves everything about birds, especially eagles. No one worries that an eagle will fly too far and not come home—a fact Axel wishes his mother

understood. Deep down, Axel knows that his mother is like an osprey—the best of all bird mothers—but it’s hard to remember that when she worries and keeps secrets about important things. His dad is more like a wild turkey, coming and going as he pleases. His dad’s latest disappearance is the biggest mystery of all. Despite all this, Axel loves his life—especially the time he spends with his friends observing the eagles’ nest in the woods near his home. But when a tornado damages not only Axel’s home but the eagles’ nest, Axel’s life is thrown into chaos. Suddenly his dad is back to help repair the damage, and Axel has to manage his dad’s presence and his beloved birds’ absence. Plus, his mom seems to be keeping even more secrets. But Axel knows another important fact: an eagle’s instincts let it soar. Axel must trust his own instincts to help heal his family and the nest he loves. (Cover image may vary.)

**Soar with the Eagles** David Amburgey 2011-06  
This is a story of triumph and tragedy, of hope and hopelessness, of power and of pain. And no matter what happened, John Amburgey walked with God. Some stories just have to be shared with the world, and this is one of those stories. See the view of the life of a Pastor, who is but a man, a normal loving father, husband, brother,

and son.

**You Can Soar Like an Eagle** Nell Mohney  
2004 But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not be weary, they will walk and not be faint.(Isaiah 40:31 KJV)The eagle is a majestic bird that represents inspiration and courage. According to my research, it is the only bird that will not try to avoid a storm. Though eagles don't seek out a storm, when one occurs, they hang on until they can soar above it.It occurs to me that some people are like eagles. It isn't that they have no storms or difficulties in their lives; all of us do. What makes them "eagle people" is their tenacious hold on hope. When a storm comes, instead of worrying, they draw upon the inner resources that come from faith to rise above the storm and soar.In this book, we will explore the resources available to us as Christians when storms suddenly appear upon our horizons. Among these resources are the Bible, the

revealed Word of God; prayer; worship; and the example and encouragement of Christian friends, family members, co-workers, and neighbors. When we use these God-given resources, we too can "soar like an eagle"!—adapted from the introductionEach chapter includes a key Scripture verse, personal stories and anecdotes, practical and spiritual insights for inspiration and encouragement in weathering the storms of life, and questions for reflection or discussion. Some chapters also include "An Eagle Challenge"—a specific suggestion for implementing a particular principle in your life.

**Soaring with the Eagles** David Amburgey  
2009-12 While riding to town one evening John had a conversation with his son David. In this conversation John said that he would like to have left a mark on this world. What had he done worthy of anything? If he had only known the lives he had touched just by living his. Some men do great things, make great inventions, or great

speeches, while others just live great lives. Greatness is measured by the impact one leaves upon this world. John Amburgey may not have walked on the moon, or even seen what he did, how many he influenced, but you will agree that he did leave quite an impression upon this world. In these pages you will see that he showed all how to rise above the storms of this often difficult life and soar with the eagles. He was a great pastor, husband, father and friend. You are invited to come and join in his life and learn how to soar with the eagles.

It's hard to soar with eagles, he would often quip, when you're surrounded by a bunch of turkeys.

*Fly, Eagle, Fly* Christopher Gregorowski  
2008-04-23 After a stormy night, a farmer, searching for his lost calf, finds a baby eagle that has been blown out of its nest. He takes it home and raises it with his chickens. When a friend comes to visit one day, he tells the farmer

that an eagle should be flying high in the sky, not staying on the ground. "But this eagle walks like a chicken, eats like a chicken, even thinks like a chicken," the farmer replies. Twice, the farmer's friend tries to get the eagle to fly, but it sees the chickens on the ground and drops down each time. At last the friend, followed by the farmer, carries the young eagle back into the mountains and places the great bird on a rocky ledge, just before sunrise. As the air is filled with golden light and the sun appears, the friend cries, "Fly, Eagle, fly!" and the eagle raises its wings and soars upward, out of sight. This simply told yet dramatic story from Africa will delight children everywhere and encourage them to "lift off and soar," as Archbishop Tutu puts it in his foreword. In lovely, expressive paintings of great beauty, sparked with touches of humor, Niki Daly, an internationally known artist, catches the essence of this powerful tale.

**Soaring Eagles** Charlotte Guillain 2013  
Presents information about the anatomy, hunting

behavior, and parental nature of eagles.  
*Soar* Joe R. Garman 2016-07-02 Within these pages, you are invited to catch a higher vision and soar with new understanding as you discover the many times God refers to His followers as mighty eagles. With such a pronouncement straight from heavenly authority, it is no wonder that man should then recognize this regal raptor as the greatest of all the birds that fill our skies today. In SOAR - THE WAY OF THE EAGLES you will read about some of the Lord's greatest Eagle Christians from the pages of Scripture, the annals of world history and through the stories of amazing Eagle Christians I know personally, having served in 48 different nations during my ministry. With each chapter paralleling the actual life stages of an eagle and the growth cycle of a Christian, you will learn how to fly in the company of God's faithful. This book was designed for use in personal inspiration and devotion as well as small group studies. I pray you will have as

much joy reading about these "Majesties in Motion" as I have had in preaching a hundred sermons about them. Look up, spread your God-given wings, take to the skies and become the Eagle Christian God designed you to be!

*Where Eagles Soar* Jamie Buckingham 2014-12-25 Have you ever watched an eagle soar? Picture one now, gliding motionless on the thermal winds, far above the gusts that whip the surface of the earth. His movement is most graceful when he yields to the flow of the currents and lets them carry him. That's the way it is with Christians, says Jamie Buckingham, when we relinquish our lives to the movement of God's Spirit. With biblical examples like Moses, Joshua, and David, and with graphic testimony of his own experiences, Jamie Buckingham shows the consequence of resisting God's presence in

the innermost recesses of our lives . . . and the almost indescribable changes that come when we yield to Him. Here is a book that shows you how your life with Christ can move beyond just being a memory of a salvation experience. If you let Him, God can and will lift you from your present existence and start you on a venture Where Eagles Soar. Jamie Buckingham (1932-1992) was one of the most widely read Christian authors of his time. He served in various editorial capacities with Guideposts, Logos Journal, Charisma and Ministries Today magazines. He authored over 45 books included some for well-known public figures such as Kathryn Kuhlman, Corrie ten Boom, Pat Robertson, and others. Buckingham was a leading figure in the Charismatic Movement of the '70s and '80s. He was senior pastor of the interdenominational Tabernacle Church in Melbourne, FL.

**One Eagle Soaring** Robert Budd 2018-04-07  
Following on the success of their bestselling

board book Hello Humpback!, the celebrated and award-winning authors Roy Henry Vickers and Robert Budd are back with One Eagle Soaring, the second volume in their exciting new series, First West Coast Books. One Eagle Soaring, a "first numbers" book, explores counting and numbers with the help of West Coast animals--from a single eagle aloft, to a pair of swimming whales, as well as leaping frogs, honey-hungry bears and a group of ten dozing marmots. Combining Roy Henry Vickers' vivid illustrations, a glossy tactile finish and a simple yet catchy text, this sturdy board book introduces babies and toddlers to the spectacular scenery and wildlife of British Columbia.

*where eagles soar* Michael R. Sherrill  
To Soar with the Eagles Sidney Bolick 2002 To Soar With The Eagles is the sequel to the author's first book, Mama's Boarding House, picking up where Mama's Boarding House leaves off. His new book follows his training as a

pilot in the Royal Canadian Air Force in 1941, and his World War II service in Europe with both the Royal Air Force and the United States Army Eighth Air Force from 1942 through 1944. Returning to the United States in November of 1944, after having been shot down on a bombing mission over Germany, being interned in Switzerland and escaping from there, he ends the war in the Air Transport Command, flying four-engine transport planes on the run from California to Hawaii and the Central Pacific Islands. This book is not about heroes, although there are certainly some heroes in it. Rather, it is about ordinary young men like the author, who, when thrust into the maelstrom of war, somehow found the courage and fortitude to face and overcome the dangers and challenges that confronted them. Students of World War II, and those simply curious about it, will find that it was not all fighting and bloodshed. For every minute spent in actual combat, there were hours and days of training and preparation. Some of

the most interesting parts of this book are the author's descriptions of his training, from learning to march in step, to preparing for his first solo flight in a little Tiger Moth biplane. Reading almost like a diary, *To Soar With The Eagles*, follows the author's footsteps from the afternoon in June of 1941 when he steps down from the Greyhound Bus in Ottawa, Canada, until he is discharged from the United States Air Force in nineteen forty-six - an old veteran at the age of twenty-two.
