Shiloh and the Western Campaign of 1862 Edward Cunningham 2009-06-25 The bloody and decisive two-day battle of Shiloh (April 6-7, 1862) changed the entire course of the American Civil War. The stunning Northern victory thrust Union commander Ulysses S. Grant into the national spotlight, claimed the life of Confederate commander Albert S. Johnston, and forever buried the notion that the Civil War would be a short conflict. The conflagration at Shiloh had its roots in the strong Union advance during the winter of 1861-1862 that resulted in the capture of Forts Henry and Donelson in Tennessee. The offensive collapsed General Albert S. Johnston's advanced line in Kentucky and forced him to withdraw all the way to northern Mississippi. Anxious to attack the enemy, Johnston began concentrating Southern forces at Corinth, a major railroad center just below the Tennessee border. His bold plan called for his Army of the Mississippi to march north and destroy General Grant's Army of the Tennessee before it could link up with another Union army on the way to join him. On the morning of April 6, Johnston boasted to his subordinates, "Tonight we will water our horses in the Tennessee!" They nearly did so. Johnston's sweeping attack hit the unsuspecting Federal camps at Pittsburg Landing and routed the enemy from position after position as they fell back toward the Tennessee River. Johnston's sudden death in the Peach Orchard, however, coupled with stubborn Federal resistance, widespread confusion, and Grant's dogged determination to hold the field, saved the Union army from destruction. The arrival of General Don C. Buell's reinforcements that night turned the tide of battle. The next day, Grant seized the initiative and attacked the Confederates, driving them from the field. Shiloh was one of the bloodiest battles of the entire war, with nearly 24,000 men killed, wounded, and missing. Edward Cunningham, a young Ph.D. candidate studying under the legendary T. Harry Williams at Louisiana State University, researched and wrote *Shiloh and the Western Campaign of 1862* in 1966. Although it remained unpublished, many Shiloh experts and park rangers consider it to be the best overall examination of the battle ever written. Indeed, Shiloh historiography is just now catching up with Cunningham, who was decades ahead of modern scholarship. Western Civil War historians Gary D. Joiner and Timothy B. Smith have resurrected Cunningham's beautifully written and deeply researched manuscript from its undeserved obscurity. Fully edited and richly annotated with updated citations and observations, original maps, and a complete order of battle and table of losses, *Shiloh and the Western Campaign of 1862* will be welcomed by everyone who enjoys battle history at its finest. About the Authors: Edward Cunningham, Ph.D., studied under T. Harry Williams at Louisiana State University. He was the author of *The Port Hudson Campaign: 1862-1863* (LSU, 1963). Dr. Cunningham died in 1997. Gary D. Joiner, Ph.D., is the author of *One Damn Blunder from Beginning to End: The Red River Campaign of 1864*, winner of the 2004 Albert Castel Award and the 2005 A. M. Pate, Jr., Award, and *Through the Howling Wilderness: The 1864 Red River Campaign and Union Failure in the West*. He lives in Shreveport, Louisiana. Timothy B. Smith, Ph.D., is author of *Champion Hill: Decisive Battle for Vicksburg* (winner of the 2004 Mississippi Institute of Arts and Letters Non-fiction Award), *The Untold Story of Shiloh:*

The Battle and the Battlefield, and This Great Battlefield of Shiloh: History, Memory, and the Establishment of a Civil War National Military Park. A former ranger at Shiloh, Tim teaches history at the University of Tennessee.

The Civil War at Perryville Christopher L Kolakowski 2017-05-29 A comprehensive history of the bloody Battle of Perryville, Kentucky, featuring over sixty historic images and maps. Desperate to seize control of Union-held Kentucky, a border state, the Confederate army launched an invasion into the commonwealth in the fall of 1862. The incursion viciously culminated at an otherwise quiet Bluegrass crossroads and forever altered the landscape of the war. The Battle of Perryville lasted just one day yet produced nearly eight thousand combined casualties and losses, and some say nary a victor. The Rebel army was forced to retreat, and the United States kept its imperative grasp on Kentucky throughout the war. Famous Confederate diarist Sam Watkins, whose Company Aytch journals were featured as a major narrative thread in Ken Burns' award-winning Civil War documentary series, declared Perryville the hardest fighting that he experienced. Indeed, history would record that Perryville the second bloodiest battle of the Western Theater after Shiloh. Few know this hallowed ground like Christopher L. Kolakowski, former director of the Perryville Battlefield Preservation Association, who draws on letters, reports, memoirs and other primary sources to offer the most accessible and engaging account of the Kentucky Campaign yet, featuring over sixty historic images and maps.

The Big Book of Civil War Sites 2023-07-01 The definitive travel reference for America's most famous—and infamous—Civil War battle sites! With *The Big Book of Civil War Sites*, history-focused travelers finally have ready access to in-depth and thorough listings of all sites associated with the major battles of a devastating war that transformed the nation. Whether for exploring the Southern states or the Eastern theater, this book provides a full range of historical background information, travel and lodging options, museums, tours, and special events. Top attractions in the North include the National Civil War Museum in Harrisburg, Pennsylvania; Gettysburg National Military Park; and Harpers Ferry National Historical Park. In the Southern states—from the Outer Banks of North Carolina to the Mississippi Delta—readers will discover the fascinating and varied world of Civil War history and read detailed accounts of battles in North and South Carolina, Tennessee, Georgia, Alabama, Mississippi, Florida, and Louisiana. *The Big Book of Civil War Sites* includes: * Thorough listings of all major sites, including historical background information * Full-color photographs throughout * Special features on military and civic leaders * A glossary of Civil War terminology * Directions to hard-to-find locations * Helpful listings of restaurants, lodgings, shopping, tours, and special events

Civil War Tide-Mark Press, Limited 2003-08-01 Description: *Civil War* traces the war's crucial events with striking contemporary imagery, moving period photos, and poignant war accounts. Day-to-day listings feature factual briefs chronicling the war's major battles as well as birthdays of the war's key participants and human-interest vignettes. Notes: Each month focuses on a Civil War battle. There is a color photo of each battlefield as it appears today, a description of the battle, and a black-and-white photo taken during the war. What makes this calendar distinctive is the tremendous amount of information it offers to Civil War buffs. Days of the week list many battles and events affecting or affected by the war, as well as birthdays of major military and political figures. Pictured in the calendar this year are: JAN General James Longstreet Monument, Gettysburg Natl Military Park, PA FEB William T. Sherman Monument, The White House,

Washington, DC MAR Richard Kirkland Monument, Fredericksburg/Spotsylvania Natl Park, VA APR PresidentialBox at Ford's Theatre, Ford's Theatre Natl Park, Wash DC MAY Ohio Monument, Fredericksburg/Spotsylvania Natl Park, VA JUN Hunt's U.S. Artillery, Malvern Hill, Richmond National Battlefields, VA JUL South Carolina Beach and Surf, Charleston, SC AUG U.S. Artillery, The Peach Orchard, Shiloh National Military Park, TN SEP Dunker Church, Antietam National Battlefield, MD OCT Spangler Farm, Gettysburg National Military Park, PA NOV O.O. Howard Monument, Gettysburg Natl Military Park, PA DEC Stonewall Jackson Cemetery, Mount Hebron, Winchester, VA

A Chickamauga Memorial Timothy B. Smith 2009 This book tells the full and fascinating story of how the country's first federally preserved national military park came into being and how it paved the way for all that came afterwards, including preservation efforts today. As the author explains, most battlefield preservation and commemoration efforts before 1890 were done on a private and state level with veterans' groups and states marking unit positions on battlefields. The Chickamauga and Chattanooga National Military Park has served from bringing veterans of the Civil War together and has played host to numerous military units during the Spanish-American War as well as World War I and II. The most important aspect was the creation of historical memory of the men who fought during those wars and the memorials that followed.

The Vascular Flora of Shiloh National Military Park, Hardin County, Tennessee Ronald L. Jones 2017-11-18 Excerpt from *The Vascular Flora of Shiloh National Military Park, Hardin County, Tennessee: Research/Resources Management Report No. 50 Tennessee* (fig. L). The park was established in 189h to preserve the scene of an important Civil War battlefield (battle of Shiloh, April 6-7, Although historic preservation is the park's principal purpose, important natural lands were included within its boundaries. This report is the first of a series reporting the botany and plant ecology of Shiloh (butler and White, in press; White, in preparation). An explicit aim in this series is to discuss relevant resource management issues. There are several reasons for assessing the park's vascular flora, one being the lack of previous field work in this region of Tennessee. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

A History & Guide to the Monuments of Shiloh National Park Stacy W. Reaves 2012-02-10 The events of the Battle of Shiloh are characterized by acts of bravery, sacrifice, and uncommon valor. After the Civil War, northerners and southerners alike were compelled by another sense of duty at Shiloh the duty of remembrance. Established just over three decades after the battle ended, Shiloh National Park gave veteran groups from states across the country an opportunity to memorialize their regiment's specific contributions. Each monument, like the soldiers themselves, has a story to tell. A History and Guide to the Monuments of Shiloh National Park recounts the history of the park's creation and the monuments' construction. Join former Shiloh National Park interpreter and seasonal guide Stacy W. Reeves as she charts the paths through the park's grounds and traces its fascinating history.

Civil War Battlefields David T. Gilbert 2017-03-14 Walk in the footsteps of history with this stunning volume that brings more than thirty Civil War battlefields to life. From the "First Battle of Bull Run" to Lee's surrender at Appomattox Court House four years later, this book celebrates the history and scenic beauty of these hallowed grounds in a large-format, beautifully produced volume. Explore more than thirty Civil War battlefields— from Antietam to Chancellorsville, Gettysburg to Shiloh—including the first five national battlefield parks preserved by veterans in the 1890s. Each battlefield features extensive photos of the key sites and monuments, as well as beautiful landscapes and historic archival photography. The essays enable the reader to understand each battlefield from a strategic perspective—its topography, geography, and military value—the battle's seminal moments, and its historical significance, and guide the reader on how best to tour the grounds on foot. With maps, rarely seen archival photos, and stunning contemporary photography, this photo- and information-packed book is an inspirational bucket list for Civil War and

history buffs, as well as those who wish to walk in the literal boot steps of American history.

Pilgrim Places Richard West Sellars 2005 "In the final decade of the 19th century, Congress mandated that Civil War battlefields be set aside as military parks to be preserved for the American public. Pilgrim Places offers readers a history of Antietam National Battlefield, Chickamauga and Chattanooga National Military Park, Gettysburg National Military Park, Shiloh National Military Park and Vicksburg National Military Park. Featured topics include monuments and memorials; national cemeteries; veterans' organizations and reunions; the African-American role; and Northern and Southern involvement"-- Publisher's website.

Civil War Battlefields; Lackawanna Valley; Galisteo Basin; Shiloh and Gettysburg National Military Parks; and Studies for Inclusion in the NPS United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on National Parks, Historic Preservation, and Recreation 2000

Seeing the Elephant Joseph Allan Frank 2003-02-25 One of the bloodiest battles in the Civil War, the two-day engagement near Shiloh, Tennessee, in April 1862 left more than 23,000 casualties. Fighting alongside seasoned veterans were more than 160 newly recruited regiments and other soldiers who had yet to encounter serious action. In the phrase of the time, these men came to Shiloh to "see the elephant." Drawing on the letters, diaries, and other reminiscences of these raw recruits on both sides of the conflict, "Seeing the Elephant" gives a vivid and valuable primary account of the terrible struggle. From the wide range of voices included in this volume emerges a nuanced picture of the psychology and motivations of the novice soldiers and the ways in which their attitudes toward the war were affected by their experiences at Shiloh.

Attack at Daylight and Whip Them Gregory A. Mertz 2017-03-15 This Civil War history and guide presents an engaging chronicle of the Battle of Shiloh with information and insights about the Tennessee battlefield. The Union Army of the Tennessee, commanded by Major General Ulysses S. Grant, had gathered on the banks of its namesake river at a spot called Pittsburg Landing, ready to strike deep into the heart of Tennessee Confederates, commanded by General Albert Sidney Johnston. Johnston's troops were reeling from setbacks earlier in the year and had decided to reverse their fortunes by taking the fight to the Federals. Johnston planned to attack them at daylight and drive them into the river. As a brutal fight ensued, Grant gathered reinforcements and planned a counteroffensive. On the morning of April 7, he initiated his own bloody daybreak attack. The horrors of this two-day battle exceeded anything America had ever known in its history. Historian Greg Mertz grew up on the Shiloh battlefield, hiking its trails and exploring its fields. *Attack at Daylight and Whip Them* taps into five decades of intimate familiarity with a battle that rewrote America's notions of war.

Shiloh National Military Park Brian K. McCutchen 2012 Shiloh National Military Park, established on December 27, 1894, commemorates and preserves the site of the April 1862 Battle of Shiloh, one of the

first major engagements of the Civil War. With 23,746 casualties, Shiloh served not only as a wake-up call for the North and South but also provided important strategic gains for the North. Prior to the park's establishment, a small national cemetery had been the only preservation and commemoration at the site for decades, but the arrival of the commission to build the park changed the isolated area to a memorial visited by hundreds of thousands annually. Originally governed by the War Department, Shiloh is now under the auspices of the National Park Service, which continues to preserve, commemorate, interpret, and educate the public about the Battle of Shiloh and the Civil War.

Civil War 150 Civil War Trust 2011-05-17 The year 2011 marks the sesquicentennial of the Civil War, and so the time is right for this indispensable collection of 150 key places to see and things to do to remember and to honor the sacrifices made during America's epic struggle. Covering dozens of states and the District of Columbia, this easy-to-use guide provides a concise text description and one or more images for each entry, as well as directions to all sites.

Wisconsin at Shiloh Wisconsin. Shiloh Monument Commission 1909

Shiloh Mark Grimsley 2006-01-01 A comprehensive guide to Shiloh, one of the key battlefields of the Civil War, provides precise directions to all the important locations on the battlefield, along with more than forty detailed maps, vivid descriptions of the battle, and an analysis of the events of the engagement, key personalities involved, and the ultimate ramifications of the conflict. Original.

Civil War Battlegrounds Richard Sauers 2013-04-25 "First published in 2005 by The Reader's Digest Association as America's Battlegrounds."

Bicycling Gettysburg National Military Park Sue Thibodeau 2019-03-11 Take a 23.8-mile ride back in time and learn the three-day story of the Battle of Gettysburg (July 1-3, 1863) from the perspective of a bicyclist using the guidebook, *Bicycling Gettysburg National Military Park*. Written for history buffs and bicyclists alike, the book is packed with 34 color maps and hundreds of photos and GPS points.

Shiloh National Military Park, Tennessee United States. National Park Service 1941

Guide to the Battle of Shiloh Jay Luvaas 1996 One of the bloodiest and most bitterly fought battles of the Civil War took place at Shiloh Church (and Pittsburg Landing) on April 6-7, 1862. The Union, led by Ulysses S. Grant and William Tecumseh Sherman, held off a massive Confederate offensive led by Albert Sidney Johnston and P. G. T. Beauregard, paving the way for Union control of the Western Theater. When the fighting ended, nearly 20,000 soldiers were either dead or wounded, and the South had lost one of its ablest commanders in Johnston. *Guide to the Battle of Shiloh* combines eyewitness accounts of this Tennessee battle with explicit details about advances and retreats, leadership strategies, obstacles, achievements, and tactical blunders. In addition, it provides directions to key points on the battlefield as well as maps depicting the action and details of troop positions, roads, rivers, elevations, and tree lines as they were 130 years ago.

The Battle of Shiloh and the Organizations Engaged United States. Shiloh National Military Park Commission 1903

Civil War Battlefields David J. Eicher 2005-03-14 This new edition of a popular travel guide provides a detailed accurate and modern approach to touring these national treasures.

Shiloh Timothy B. Smith 2014 The most comprehensive and most readable account of the Battle of Shiloh.

Bicycling Chickamauga Battlefield Sue Thibodeau 2021-12-14 Learn about the Confederate victory at the Battle of Chickamauga from the perspective of a bicyclist who studies geography, family farms, roads, monuments, and the impact of the U.S. Civil War on both citizens and soldiers.

This Great Battlefield of Shiloh Timothy B. Smith 2006-09 Around the turn of the last century, feelings of patriotism, nationalism, and sectional reconciliation swept the United States and led to a nationwide memorialization of American military history in general and the Civil War in particular. The 1894 establishment of the Shiloh National Military Park, for example, grew out of an effort by veterans themselves to preserve and protect the site of one of the Civil War's most important engagements. Returning to the Pittsburg Landing battlefield, Shiloh veterans organized themselves to push the Federal government into establishing a park to honor both the living participants in the battle and those who died there. In a larger sense, these veterans also contributed to the contemporaneous reconciliation of the North and the South by focusing on the honor, courage, and bravery of Civil War soldiers instead of continuing

divisive debates on slavery and race. This Great Battlefield of Shiloh tells the story of their efforts from the end of the battle to the park's incorporation within the National Park Service in 1933. The War Department appointed a park commission made up of veterans of the battle. This commission surveyed and mapped the field, purchased land, opened roads, marked troop positions, and established the historical interpretation of the early April 1862 battle. Many aged veterans literally gave the remainder of their lives in the effort to plan, build, and maintain Shiloh National Military Park for all veterans. By studying the establishment and administration of parks such as the one at Shiloh, the modern scholar can learn much about the mindsets of both veterans and their civilian contemporaries regarding the Civil War. This book represents an important addition to the growing body of work on the history of national remembrance.

Shiloh, 1862 Winston Groom 2012-03-20 A main selection in History Book-of-the-Month Club and alternate selection in Military Book-of-the-Month Club. In the spring of 1862, many Americans still believed that the Civil War, "would be over by Christmas." The previous summer in Virginia, Bull Run, with nearly 5,000 casualties, had been shocking, but suddenly came word from a far away place in the wildernesses of Southwest Tennessee of an appalling battle costing 23,000 casualties, most of them during a single day. It was more than had resulted from the entire American Revolution. As author Winston Groom reveals in this dramatic, heart-rending account, the Battle of Shiloh would singlehandedly change the psyche of the military, politicians, and American people--North and South--about what they had unleashed by creating a Civil War. In this gripping telling of the first "great and terrible" battle of the Civil War, Groom describes the dramatic events of April 6 and 7, 1862, when a bold surprise attack on Ulysses S. Grant's encamped troops and the bloody battle that ensued would alter the timbre of the war. The Southerners struck at dawn on April 6th, and Groom vividly recounts the battle that raged for two days over the densely wooded and poorly mapped terrain. Driven back on the first day, Grant regrouped and mounted a fierce attack the second, and aided by the timely arrival of reinforcements managed to salvage an encouraging victory for the Federals. Groom's deft prose reveals how the bitter fighting would test the mettle of the motley soldiers assembled on both sides, and offer a rehabilitation of sorts for Union General William Sherman, who would go on from the victory at Shiloh to become one of the great generals of the war. But perhaps the most alarming outcome, Groom poignantly reveals, was the realization that for all its horror, the Battle of Shiloh had solved nothing, gained nothing, proved nothing, and the thousands of maimed and slain were merely wretched symbols of things to come. With a novelist's eye for telling and a historian's passion for detail, context, and meaning, Groom brings the key characters and moments of battle to life. Shiloh is an epic tale, deftly told by a masterful storyteller.

Shiloh and Corinth: Sentinels of Stone Photographs that capture the landscapes and monuments of two Civil War battlefields

Gettysburg to Vicksburg Herman Hattaway 2001 This is a pictorial history of the first five Civil War battlefield parks; Gettysburg, Chickamauga-Chattanooga, Shiloh, Antietam, and Vicksburg.

Rethinking Shiloh Timothy B. Smith 2013-05-30 Ulysses S. Grant once remarked that the Battle of Shiloh "has been perhaps less understood, or, to state the case more accurately, more persistently misunderstood, than any other engagement . . . during the entire rebellion." In *Rethinking Shiloh*, Timothy B. Smith seeks to rectify these persistent myths and misunderstandings, arguing that some of Shiloh's story is either not fully examined or has been the result of a limited and narrow collective memory established decades ago. Continuing the work he began in *The Untold Story of Shiloh*, Smith delves even further into the story of Shiloh and examines in detail how the battle has been treated in historiography and public opinion. The nine essays in this collection uncover new details about the battle, correct some of the myths surrounding it, and reveal new avenues of exploration. The topics range from a compelling analysis and description of the last hours of General Albert Sidney Johnston to the effect of the New Deal on Shiloh National Military Park and, subsequently, our understanding of the battle. Smith's careful analyses and research bring attention to the many relatively unexplored parts of Shiloh such as the terrain, the actual route of Lew Wallace's march, and post-battle developments that affect currently held perceptions of that famed clash between Union and Confederate armies in West Tennessee. Studying Shiloh should alert readers and historians to the likelihood of misconceptions in other campaigns and wars—including today's military conflicts. By reevaluating aspects of the Battle of Shiloh often ignored by military historians, Smith's book

makes significant steps toward a more complete understanding and appreciation of the Shiloh campaign in all of its ramifications. Timothy B. Smith teaches history at the University of Tennessee, Martin. His most recent books include *The Golden Age of Battlefield Preservation: The Decade of the 1890s* and *The Establishment of America's First Five Military Parks*, *Mississippi in the Civil War: The Home Front*, and *Corinth 1862: Siege, Battle, Occupation*.

The Battle of Shiloh and the Organizations Engaged United States. Shiloh National Military Park Commission 1913

The Untold Story of Shiloh Timothy B. Smith 2008-03 At the mention of Shiloh, most tend to think of two particularly bloody and crucial days in April 1862. The complete story, however, encompasses much more history than that of the battle itself. While several accounts have taken a comprehensive approach to Shiloh, significant gaps still remain in the collective understanding of the battle and battlefield. In *The Untold Story of Shiloh*, Timothy B. Smith fills in those gaps, looking beyond two days of battle and offering unique insight into the history of unexplored periods and topics concerning the Battle of Shiloh and the Shiloh National Military Park. This collection of essays, some previously unpublished, tackles a diverse range of subjects, including Shiloh's historiography, the myths about the battle that were created, and the mindsets that were established after the battle. The book reveals neglected military aspects of the battle, such as the naval contribution, the climax of the Shiloh campaign at Corinth, and the soldiers' views of the battle. The essays also focus on the Shiloh National Military Park's establishment and continuation with particular emphasis on those who played key roles in its creation. Taken together, the essays tell the overall story of Shiloh in greater detail than ever before. General readers and historians alike will discover that *The Untold Story of Shiloh* is an important contribution to their understanding of this crucial episode in the Civil War. Timothy B. Smith is on staff at the Shiloh National Military Park. He is author of *Champion Hill: Decisive Battle for Vicksburg* and *This Great Battlefield of Shiloh: History, Memory, and the Establishment of a Civil War National Military Park*.

The Golden Age of Battlefield Preservation Timothy B. Smith 2008 The 1890s, argues Timothy B. Smith in his new book, represented the climax of battlefield preservation in America. But what makes this decade so important? This decade was the perfect time for the establishment of these national parks. Five Civil War battlegrounds--at Gettysburg, Chickamauga and Chattanooga, Shiloh, Antietam, and Vicksburg--were commemorated as national sites during this time. Just past the bitterness and racial tensions of Reconstruction and prior to the explosive growth brought on by the Second Industrial Revolution, the time was right for the war's veterans from both sides to come together, in a spirit of reconciliation and brotherhood, to lead the efforts to open the parks. As yet unmarred by development, these battlefield sites were preserved mostly intact, just how the veterans would have remembered them. To date, they represent the country's finest preserved battlefields. Smith's book is the first to look at the process of battlefield reservation as a whole. He focuses on how each of these sites was established and the important individuals--the congressmen, the former soldiers, the veteran commissioners--who were the catalysts for the creation of these parks. *The Golden Age of Battlefield Preservation* is a watershed book about an essential period in the history of battlefield preservation and will be of interest to any reader who wishes to have a better understanding how such preservation efforts were initiated. Timothy B. Smith is the author of *This Great Battlefield of Shiloh: History, Memory, and the Establishment of a Civil War National Military Park* and *The Untold Story of Shiloh: The Battle and the Battlefield*. He is a former park ranger at the Shiloh National Military Park and now teaches at the University of Tennessee at Martin.

Staff Ride Handbook for the Battle of Shiloh, 6-7 April 1862

Shiloh National Military Park, General Management Plan (GMP) and Development Concept Plan 1981

[The Shiloh Campaign](#) Steven E. Woodworth 2009-04-21 Some 100,000 soldiers fought in the April 1862 battle of Shiloh, and nearly 20,000 men were killed or wounded; more Americans died on that Tennessee battlefield than had died in all the nation's previous wars combined. In the first book in his new series, Steven E. Woodworth has brought together a group of superb historians to reassess this significant battle and provide in-depth analyses of key aspects of the campaign and its aftermath. The eight talented contributors dissect the campaign's fundamental events, many of which have not received adequate attention before now. John R. Lundberg examines the role of Albert Sidney Johnston, the prized

Confederate commander who recovered impressively after a less-than-stellar performance at forts Henry and Donelson only to die at Shiloh; Alexander Mendoza analyzes the crucial, and perhaps decisive, struggle to defend the Union's left; Timothy B. Smith investigates the persistent legend that the Hornet's Nest was the spot of the hottest fighting at Shiloh; Steven E. Woodworth follows Lew Wallace's controversial march to the battlefield and shows why Ulysses S. Grant never forgave him; Gary D. Joiner provides the deepest analysis available of action by the Union gunboats; Grady McWhiney describes P. G. T. Beauregard's decision to stop the first day's attack and takes issue with his claim of victory; and Charles D. Grear shows the battle's impact on Confederate soldiers, many of whom did not consider the battle a defeat for their side. In the final chapter, Brooks D. Simpson analyzes how command relationships--specifically the interactions among Grant, Henry Halleck, William T. Sherman, and Abraham Lincoln--affected the campaign and debunks commonly held beliefs about Grant's reactions to Shiloh's aftermath. The Shiloh Campaign will enhance readers' understanding of a pivotal battle that helped unlock the western theater to Union conquest. It is sure to inspire further study of and debate about one of the American Civil War's momentous campaigns.

Shiloh National Military Park Civil War Battlefield Series ebook download or read online. In today digital age, eBooks have become a staple for both leisure and learning. The convenience of accessing Shiloh National Military Park Civil War Battlefield Series and various genres has transformed the way we consume literature. FAQs About Finding Shiloh National Military Park Civil War Battlefield Series eBooks

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice.

Are free eBooks of good quality?

Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.

Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks?

To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks?

Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
