The Great Tithing Scam A. Bruce Wells 2006-07 Some have said that the word scam is too strong for a book that argues against the church's most sacred cow, but scam is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us. Not only is it wrong to suggest that tithing will do what Christ died to do, such as open heaven or make one right with God, but such teaching is an insult to His sacrifice and in reality, an enemy to the Cross even as circumcision was in the early church. Our ministers have been naively leading the church back under the Old Testament Law, and its curse, with imagined tithing promises that have gone way beyond even that which Malachi promised. Under the guise of obedience, faithfulness and stewardship, we've been duped into believing we must prove ourselves without realizing that practicing the Law (tithing) blocks us from becoming sons and heirs according to Galatians 4: 5. Do you know that The book of Malachi was never intended to be instruction to the New Testament church? All the ordinances in Malachi (including tithing) were nailed to Jesus' cross, according to Colossians chapter 2? Tithing is part of the Law according to Matt. 23: 23, Malachi 3: 7, and Hebrews 7: 18? The practice of tithing, the Law, can expose you to the curse of the Law causing incurable sicknesses, debt, death, and many other problems, according to the Apostle Paul in Galatians 3: 10? The practice of tithing actually removes you from the state of grace and places you back the category of sinner? Hebrews 5: 4 Tithing causes you to frustrate the grace of God, and causes Christ to profit you nothing? Galatians 2: 21 and 5: 2 Making tithing a practice today actually causes the New Testament to become another gospel according to Paul in Galatians 1: 6? Order *The Great Tithing Scam* today and find out what else tithing will or won't do.

These and many other questions are answered here. God wants us to know how much He loves us and wants our giving and living to be an outflow of our love relationship. You will learn about: What tithing is The beginning and Biblical history of tithing Some of the misconceptions about the tithe Is it a Biblical mandate today Being cursed with a curse (Malachi 3) if we don't

pay the tithe And much more Meisha Lorraine Smith is a Bible teacher, Registered Nurse, and making her writing debut. She has had almost 20 years of ministry experience starting at the age of 16. She was a student at the College of Biblical Studies. She is the daughter of Pastor Charles and Elnora Smith, and presently lives in Houston, Texas and attends Lakewood Church. Teachings of Presidents of the Church: Brigham Young The Church of Jesus Christ of Latter-day Saints 2000 The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

The Truth about Tithing Ernst Joseph 2008-12-04 I wrote this book so that every man and woman, whether a believer or a nonbeliever, might come to the accurate knowledge of the true Gospel of Jesus Christ. About one thousand years, after the death of Moses, the Scribes and the Pharisees verbally fought Jesus Christ because of the Law of Moses. They wanted him to be killed, never realizing that Jesus Christ came to die and be resurrected that the world might know for sure that resurrection is not fiction, but fact. In this book you will surely come to the knowledge of why you are not required to commit a tenth of your income to God according to the Law of Moses, and you will definitely learn the

differences between the Ten Commandments and the Law of Moses. You will also learn how to give and how to help one another based on the true word of God through Jesus Christ and the Apostle Paul. I will accomplish this in this book by showing you in Scriptures how the true Gospel of Jesus Christ must be preached. My brothers and sisters, this book is not about me; who am I? It's not about you; who are you? It's not about the pulpit and the people in the pews; what are they? "For all have sinned, and come short of the glory of God..." (Romans 3:23). All in the context of the above line of Scripture means everyone from Adam until the return of our savior, Jesus Christ, the son of the living God. This book in its entirety is the beginning of what Jesus Christ meant in John 16:12 when he said the following to the Disciples: "I have yet many things to say unto you, but ye cannot bear them now."

Should the Church Teach Tithing? Russell Kelly, Ph.D. 2001-01-11 Following a thorough examination of every biblical text on tithing, Dr. Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving. After discussing sound biblical reasons for Christians to replace tithing, he presents God's better principles of grace. Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing. Following several chapters which discuss disputed texts relating to pastoral support, this book traces the early development of church support as found in the Church Fathers before Nicea. This book leaves no question or objection about tithing unanswered. It is a "must read" for any serious Bible student. There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing.

Why Christians Should Not Tithe James D. Quiggle 2009-08-01 The premise of Why Christians Should Not Tithe is simple: God, having freed his people from the Law through faith in Jesus Christ, does not place on them a burden from the Law. The thesis is equally as simple: Christian giving is not a tithe. Christ challenges the believer to give himself and his possessions to the gospel cause, but the tithe fixes a limit and implies nothing more is needed. Why Christians Should Not Tithe is a thorough discussion of the four tithes in Moses' Law, Jesus' comments on tithing, and the twenty-one principles of giving developed by the apostles' in Acts and the epistles. Included is a brief review of the history of tithing from post-apostolic times to the present. The book concludes with a new paradigm for giving not based on the tithe, but on the apostles' doctrine of Christian giving. Should Christians tithe to support the gospel? Here is a study that will help every Christian discover the biblical answer for him or her self.

God's Guarantees for Giving Ron Knott 2002 Many Christians are either confused or deceived about the subject of giving. This book takes a look at the Biblical view of giving to the church.

The Way of Jacob C R Kuhns 2011-11-30 Jacob was afraid. He had just seen the God of all creation. The God of all creation, whose Word is holy and trustworthy, had just spoken to him. God had promised to always bless him and never leave him, but could he really trust God? Could he simply believe in the promise of God, or should he try to do something in response? How was Jacob going to respond? He had heard about his grandfather Abraham's walk down a path in life that was simple and faith-filled. Jacob had watched his brother Esau choose a path that despised the promise of God. Was there a response Jacob could provide that would impress and please God? Possibly if he vowed to tithe, promised God a temple, and promised to make God his Lord, God would be pleased with him. Jacob decided to try this response to God. If his response is typical of our human nature, will we also walk the same

pathway that Jacob chose? Is this path of action what God desires of us and does this path truly honor Him? What does the Bible say about the path we are to choose when presented with the promise of blessing that comes through Jesus Christ? The Way of Jacob takes a look at the Word of God to see what response He requires of us. In doing so, we will explore what the Word has to say about human performance in areas such as tithing and other religious works.

Tithing and Melchizedek—The Revelation! Tracey L. Easley 2023-01-05 Tracey L. Easley spent decades tithing, sometimes faithfully and sometimes not. After reaching an age of spiritual maturity, he gave tithes even when he needed the money to pay his rent. When he heard leaders in the congregation urging members to give more, it occurred to him that others must be struggling to give their share to the church. He heard comments from the pulpit like: • Don't you want God to bless you? • You'll be cursed if you don't tithe. • Will a man rob God? These comments gave him pause, and he felt sorry for those who were struggling. He asked himself whether or not they wanted to be blessed. Seeking clarity, he went to the Lord Jesus in prayer and asked Him, "Lord, why are your people having so much trouble tithing?" Right away, the Lord responded to the author in an audible voice: "My people love to be in bondage to the law." In this book, the author shares what the Lord meant by those words, what the Bible tells us about tithing, why Melchizedek is not God's priest, and why tithing was never enforceable in the New Testament church.

Tithing in the Age of Grace Joel P. Parker 2003 This informative book on the Old Testament practice of tithing will give the reader a clear understanding of exactly what tithing was to the Israelites. This book will answer questions about what items were tithed, how often tithes were collected, whether everyone was expected to tithe, if anyone was cursed for not tithing, and of course, whether tithing is for today's Christian. Tithing in the Age of Grace contains every pertinent scripture as it relates to tithing. This book will also explain why Christians aren't required to tithe, and indeed, why they shouldn't tithe. Tithing in the Age of Grace contains chapters entitled: Tithing prior to Old Testament Law The command to tithe in the Old Testament law Tithing throughout the Old Testament (especially in the Book of Malachi) Tithing in the Gospels and book of Acts Tithing for the New Testament Christian Guidelines for giving in the New Testament age

Tithes and Offerings G. Davis Dean, Jr. 2014-10-15 Tithes and Offerings: Perspectives on Christian Giving is the result of a suggestion made to the author by a close Christian friend and consultant. His reasoning was that, although there are many books on the Christian tithes and offerings, they are overwhelmingly legalistic or moralistic. Such appeals have often been based upon the popular, though false, health-and-wealth gospel. This suggestion led the author to consider and examine not only points of conservative church doctrine as they may be applied to the subject, but to incidents in Scripture that involved the act of giving. This in turn led the author into a research and analysis of the historical and cultural context of the exchange, and the profile and life situation of the personages involved in it. The final matter to come out of all this reconstruction was to put a flesh-and-bone humanity upon personages most people only know from Scripture by their names and the deeds associated with them. But more, in regard to the act of giving, there is the considering of what the act meant to them personally; and to translate this very human meaning to Christian giving among believers even today.

The Great Tithing Debate A. Bruce Wells 2007-03-16 Finally, there's a book that uses sound, rightly divided doctrine and wisdom to answer all your tithing questions. No longer will you have to rely on opinions,

clichés, wishful thinking, passed down deceptions, legalism, or plain ole foolishness just to know what is required of you and where you stand with God. The Bible is very clear for those who want to know. All of your questions are thoroughly answered in THE GREAT TITHING DEBATE. The huge list of tithing questions, compiled over years of waiting for tithing to finally work, hinges on an exhaustive knowledge, or lack thereof, concerning exactly what Jesus fully accomplished at the cross. When the reality of redemption is properly understood, most questions disappear and the once shaky believer finds that, not only is he now standing on solid rock, but has actually become part of that rock. When redemption is fully understood, one realizes that the act of tithing to “open heaven” or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross. Yes, tithing worked in the Old Covenant as a part of the total Law, but has absolutely no place in the New Covenant that provides everything (Romans 8:32) through the blood of Christ. Peter counted such teaching as “tempting the Holy Spirit” in Acts 15. Paul obviously had the same opinion in most of his writings, for those who will read them without wearing their tithing glasses. We may call it an “act of faith,” “obedience,” “doing the Word,” “good stewardship,” or what ever we want, but at the end of the day it is nothing more than an obsolete, Old Testament ordinance that will only “frustrate the grace of God,” as Paul taught in Galatians. As circumcision became “nothing” under the NT, likewise, tithing is no longer obligatory. Wouldn’t it be wonderful to actually have your prayers easily answered because of Jesus’ finished work and the Name He gave us to use? Would you like to know that God is going to say “yes” to His promises without you having to wonder if all your church ducks are in a row? And finally, wouldn’t it be nice to have a royal ring put on your finger, a kingly robe put on your back, and a big hug of approval without having to sleep in the bunk house as a “servant” until it’s decided that you can be trusted? So, this is a book about salvation; something that the church seems to know little about. Beyond forgiveness of sins, today’s church seems to be unaware and uninterested in understanding redemption. This vacuum has left us open to a myriad of opinions, questionable doctrines, and even deception. This book endeavors to fill some of that vacuum. You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy. Examine the free preview below and “taste and see that the Lord is good,” even much better than we’ve been taught. Hopefully, pride, a rampant byproduct of legalism and performance, won’t keep you from hearing. As You Tithe, So You Prosper L. E. Meyer 2012-12-17 Many professing Christians believe that tithing was an institution of the Mosaic law, that it was intended for the ancient Hebrews but not for people of the present age. These individuals object to tithing, saying that we are no longer under the law of Moses but that through faith in Jesus Christ we are under grace and truth. Their contention is that we have no right to teach tithing now, as it belonged to the old dispensation and is not of the new.

It is true that under the law of Moses a tenth part of all the increase of the flocks, of the land (fruit, grains), of all income was to be given into the Lord's treasury. Tithing however did not begin with the Mosaic law. Long before Moses' day Melchizedek, king of Salem, blessed Abraham saying: "Blessed be Abram of God Most High, possessor of heaven and earth: and blessed be God Most High, who hath delivered thine enemies into thy hand." In response to this blessing Abraham gave to Melchizedek tithes of all he possessed.

Sabbath, Circumcision, and Tithing Michael Morrison 2002-06-01 Some Christians keep the seventh-day Sabbath, but not other Old Testament laws. Some Christians teach tithing, but not other Old Testament laws. Some Christians keep more, some less. Why one and not another? Anyone who wants to make sense out of the Old Testament needs to learn how to discern the difference between obsolete and current. In this book, the guidelines given by the Bible itself are examined and applied. Written at a level any lay Christian can understand, because the author is convinced that all Christians can and should understand this part of the Christian Bible.

Gospelbound Collin Hansen 2021-04-06 A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. “Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope.”—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it’s needed most for Christ’s glory and the common good. But there’s another story unfolding too—if you know where to look. In Gospelbound, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven’t heard the whole story. And that’s good news.

Tithing to Giving to Kingdom Living Apostle D. Sampson 2022-11-03 What are the true kingdom principles that Jesus Christ taught? Why are so many churches failing our communities and the world? If you are searching for the answer to these questions, this book has them. Many churches have abandoned the true principles of the Kingdom. So many religious leaders today have become lovers of money, the world and of themselves, rather than of the people that they are supposed to be helping. Because of this, people have lost faith in the Church. This book was written to address and to correct those issues. It teaches the true principles of the Kingdom of God, while exposing the error, ignorance, and many false teachings of the Church—particularly tithing. It reveals the truth about what the Lord will do concerning his true Church and your life. This book highlights many issues that the Church has created by not teaching the truth to the people, while giving you the keys to living a full and blessed life. Kingdom Principles are what the world needs—not more scandals, not more church politics, not more organizations, and certainly not more traditions. God knows what he’s doing. So if you apply his principles to your life, they will work. And he will show you exactly what Kingdom Living is all about. It doesn’t matter if you worship God in a building or in your home. What matters is what he sees when he looks into your heart! And that is what this book is designed to do: change your heart! But it will also change your life. For you shall know the truth and the truth will set you free.

Perspectives on Tithing David A. Croteau 2011-04-14 Was the tithe just for Israel, or is it also applicable to Christians? Must a tithe go only to your local church, or can it be received by any Christian organization? Do we tithe on the net or the gross amount? Perspectives on Tithing presents in point-counterpoint format the most common views about how Christians are to give of their financial resources, addressing the myriad of questions that surround the complex issue. Ken Hemphill (Empowering Kingdom Growth) and Bobby Eklund (Eklund Stewardship Ministries) contribute "The Foundations of Giving" while the book's

editor, David A. Croteau (Liberty University), writes "The Post-Tithing View: Giving in the New Covenant." A chapter by Reggie Kidd (Reformed Theological Seminary) is called "Tithing in the New Covenant? 'Yes' as Principle, 'No' as Casuistry." Finally, Gary North (Institute for Christian Economics) looks directly at "The Covenantal Tithe," and Scott Preissler (Southwestern Baptist Theological Seminary) provides the epilogue.
