Faithful Witness in a Fractured World Nicole L. Johnson 2019-09-11 Christians have always looked to models within the Christian faith to guide their lives. At a time when the church is more identifiable by ugly partisan politics—what we call "crappy Christianity"—than by compassionate neighbor love, this book highlights the lives and work of seven individuals who are pursuing their Christian calling in humility and profound love for and service to others, this book highlights the lives and work of seven individuals who are pursuing their Christian calling in humility and profound love for and service to others. Their commitments have led to vocations in working with homeless women, employing refugees, lobbying on Capitol Hill for environmental protection, healing trauma in urban communities, peacemaking in Israel-Palestine, advocating for immigrants, and walking alongside people in addiction recovery. Their individual and collective witness offer compelling examples of authentic Christian life, which is marked in part by active, embodied faith in pursuit of the common good; a broad and inclusive love for all people; rightly ordered political identities and loyalties; and a commitment to work toward holistic redemption of both people and the systems that constitute our life together. In contrast to much of contemporary American Christianity, these models of faith demonstrate that Christians should focus much more on what we are for rather than what we are against.

Witness Leonard J. DeLorenzo 2016 Beginning with the apostles themselves, Christians have

practiced the art of telling their stories to bring others to faith. Leonard J. DeLorenzo, theology professor and director of Notre Dame Vision—a program designed to help youth and young adults find their true vocation—presents seven guiding principles to help you share your faith in a genuine way and teach others to do so as well. Unlike many evangelical Christians, Catholics often find it difficult to tell their faith stories. Leonard DeLorenzo has taught thousands of teens and young adults to relate their moments of grace in a way that is compelling, convincing, and free of clichés and vague generalizations. The seven guiding principles he includes in *Witness* are: Tell it as a story Begin with what happened Express it in style Modify it for your audience Ensure there is sufficient closure Embrace natural emotions and Pray and practice DeLorenzo includes literary examples of writers such as C. S. Lewis and Flannery O'Connor, the conversion stories of St. Paul and St. Augustine, and real-life accounts of grace told by young adults he's worked with. Their stories are born out of battling an anxiety disorder, struggling with a loved one's Alzheimer's disease, dealing with the effects of alcoholism, learning from people with mental disabilities, and overcoming an eating disorder. DeLorenzo teaches us that by paying close attention to particular aspects of these stories, we can attune ourselves to the surprising and specific ways that grace moved through their experiences—as it does in our own. DeLorenzo provides a model for the kind of attentiveness we should foster when crafting our own stories of grace, and lead others to do so by providing an example of God's presence in our everyday life. *Witness* is a unique resource for

faith-formation ministers and adults of all ages to appreciate the ways that grace is at work in your life, to inspire hope, and to build community by telling your own faith story.

The Community of the Spirit C. Norman Kraus 1993 A revised edition of this classic work by C. Norman Kraus. Key material from another influential book, *The Authentic Witness*, is incorporated and a new chapter is added. Repeatedly Kraus stresses the key point: the good news of the gospel is not that all will be well in the future. The good news is that the Spirit of God is among us now. He asks the church to become a dynamic "God Movement" by opening itself to this now-present Spirit.

The Flesh and the Spirit Witness Lee 1994-02-01 Two things are the key to the real experience of [the divine] life: our flesh and our spirit. On the negative side, we have to know the flesh. On the positive side, we have to experience our human spirit, which has been mingled with the divine Spirit (Rom. 8:16; 1 Cor. 6:17).

The Reluctant Witness Don Everts 2019-07-30 Don Everts grew up assuming that spiritual conversations are always painful and awkward. But his surprising—and sometimes embarrassing—stories affirm what Scripture and the latest research reveal: spiritual conversations can actually be a delight. With original research from the Barna Group on spiritual conversations in the digital age, this book offers fresh insights and best practices for how to become eager conversationalists.

Four Witnesses Rod Bennett 2009-09-03 What was the early Church like? Contrary to popular belief, Rod Bennett shows there is a reliable way to know. Four ancient Christian writers - four witnesses to early Christianity - left us an extensive body of documentation on this vital subject, and this book brings their fascinating testimony to life for modern believers. With all the power and drama of a gripping novel, this book is a journey of discovery of ancient and beautiful truths through the lives of four great saints of the early Church: Clement of Rome, Ignatius of Antioch, Justin Martyr, and Irenaeus of Lyons. "A treasure! The early Church and its teachings come to life in this story. Did the first Christians believe what you believe? Buy this book, read the words of the early Church

Herself, and fall in love with the historic Church that Christ Himself founded." - David Currie, Author, *Born Fundamentalist, Born Again Catholic* "Rod Bennett has immersed himself in the fascinating writings of four early Fathers of the Church and has made the discovery from reading them that sincere and attentive readers of them ought to make. The author's imaginative account of these four great Church Fathers is not only an excellent introduction to their work; it is a convincing rendering of what the early Church must really have been like. This is an important new contribution to Christian apologetics." - Kenneth Whitehead, Author, *One, Holy, Catholic and Apostolic*

I Want to Do It Right Linda M. Dillard 2013-04-08 This book was written in an attempt to show people how to witness in order to win souls for Christ, without being crude and intimidating. It is important that the souls that we are trying to win see the hope of their salvation. The grace of God is so magnificent that it will usually invite repentance. The Bible states that the Word of God is of no private interpretation and that salvation is free to all. Being afraid of going to hell is not a good enough reason for wanting to be saved. As a matter of fact, it is a pretty poor one. God wants us to serve Him in Spirit and in truth, simply because we love Him. He knows the intent of our hearts, yet, He has given us free will. We will never have true joy and peace if the only reason that we are in church is to avoid going to hell. Attendance without dedication is merely works; which according to the book of James mean nothing without faith. An effective witness will have a testimony of his or her own to share with their subject, thus, presenting a glorious invitation to the family of God. I feel that the methodology addressed in this book will be as effective to the one who is doing the witnessing, as it will be to the one who will be receiving the witness. Not everyone will have an ear to hear, so, tell those who will listen.

Witness Essentials Daniel Meyer 2012-02-27 We know the radical difference the gospel of Jesus Christ makes, and we want others to know of it. So often, though, we feel that we are inadequate to the task. The Bible studies, exercises and readings in Daniel Meyer's new book will deepen your faith and equip you to minister to others

with a new sense of confidence and calling.

The Four Crucial Elements of the Bible -- Christ, the Spirit, Life, and the Church

Witness Lee "The Bible has its kernel, its life, its center, which is constituted with the church, Christ, the Spirit, and life. These four items are the contents of the true substance of the Bible. The revelation of the Bible, particularly the New Testament, stresses these four matters: the church, Christ, the Spirit, and life. If we remove these four items from the New Testament, all that remains would merely be dead letters. These four crucial elements are also the four important items in the Lord's recovery today. Hence, we must all have a deep impression, a fresh light, and a renewed understanding concerning these four crucial elements."

The Authentic Witness C. Norman Kraus 2010-03-01 Traditional Protestant theology has long answered the question, What is the true church? by pointing to the visible church--its location, nature, and structure. The recent increase of interest in missions, however, has raised the issues of the church's role and identity--its mission in the world. It is no longer enough to use orthodoxy as the criterion for the genuineness of the church, identifying the body of Christ by organization or clerical structure, perfection in lifestyle, or ecstatic experience of the Holy Spirit. Rather, says Norman Kraus, the mark of the true church is its authenticity--its ability to remain true to its original prototype in character and purpose. Thus, the church's mission is to be the authentic community of witness to the world. The Christian community affirms each individual as a person in Christ, and its objective for the world is the same as for itself: it calls the world to peace in Christ. The church in mission, then, must be a sign to the world of the kingdom of God. As an authentic community, it is a healing community, characterized and organized around its mission of reconciling witness rather than creeds, various practices, or preaching. Following Christ as its model, its message is salvation and reconciliation.

The End of Apologetics Myron Bradley Penner 2013-07-01 The modern apologetic enterprise, according to Myron Penner, is no longer valid. It tends toward an unbiblical and unchristian form of Christian witness and does not have the

ability to attest truthfully to Christ in our postmodern context. In fact, Christians need an entirely new way of conceiving the apologetic task. This provocative text critiques modern apologetic efforts and offers a concept of faithful Christian witness that is characterized by love and grounded in God's revelation. Penner seeks to reorient the discussion of Christian belief, change a well-entrenched vocabulary that no longer works, and contextualize the enterprise of apologetics for a postmodern generation.

The Moment of Christian Witness Hans Urs von Balthasar 1994-01-01 Balthasar puts his finger on the precise origin of all those elements in modern Christianity which see the real Jesus Christ as unknowable, the Gospels as merely the confused reflections of later Christians, and Christian tradition as a perpetuation of the mythology.

Diary of a Witness Greg Daley 2005-12 "The true story of what happened to an average man who became a Christian and how, after being filled with the Holy Spirit, he began to experience a life of divine appointments and miracles in everyday situations. This book will challenge and inspire you to believe God to see His kingdom come into the everyday encounters with the people you meet in the marketplace of life."--Back cover.

The Systematic Theology, Christology, Theodicy, and Apologetics of the ORIGINAL and TRUE Christianity - Scripturally Proven Enoch The Witness 2020-04-09 The unfortunate truth is that Christianity has been the most misrepresented religion on Earth. The Original Theology has been lost to the ages; being replaced by doctrines of men, which utterly contradict the Bible in apostate and even heretical ways. What does the Bible actually teach about important matters such as the Trinity, Atonement,

Sacrifice, Baptism, Forgiveness, and Hell? The truth will shock you. This book is a methodical guide, designed to help anyone achieve full and proper understanding on the true Theology of Christianity - with each point scripturally proven. It is critical that everyone - both Christian and not Christian - learn these truths, for Christianity has been horribly disfigured and misrepresented over the last two thousand years. These theological issues have caused countless Christians to lose their faith, and countless people have refused Christianity based on a bad perception of what it teaches. Jesus told us that the End would not come until the gospel had reached all the nations. Yet the true Theology never got to reach the nations, since it was corrupted in the first centuries of Christendom. My prayer is that this book will reach the whole world, so that all mankind - both Christian and non-Christian - will receive the glorious light of the true Theology of real Christianity. All the darkness and confusion will be lifted away. Pure understanding and awareness will flow. Wisdom will blossom and fruit. I urge you to have the courage to test your beliefs in the fire of this refining wisdom. It could very well save your soul.

Christ Our Portion Witness Lee 2017-03-01
Christ is the portion of the believers. "There is nothing as vital or as basic to our Christian life and to the church life as the real, practical enjoyment of Christ. This enjoyment is not Christ in doctrine or in knowledge, but Christ in life, in the Spirit, and in reality. He is a living Person for us to deal with."

Being Apt to Teach and Holding the Mystery of the Faith Witness Lee
The chapters in this book "elucidate the true meaning of being apt to teach and of holding the mystery of the faith. They also cover a few matters concerning service, such as how to discuss church affairs, how to care for the newly saved ones, and how to receive the believers."

A Warrior's Witness Rick Willison 2008-08
Men know the value of a good coach, someone to equip, mentor, and challenge them to action. *A Warrior's Witness: Living Godly Character in Post-Modern Times* does just that. By identifying key traits that build on each other: wisdom, integrity, willingness, faith, strength, perseverance, and heart, and showing how Biblical men of God embodied those traits, former professional athlete and world-renowned evangelist Rick L. Willison leads the reader on a spiritual journey built on equal parts of prayer and power. His down-to-earth language, practical guidance, and insightful questions put muscle behind men's spiritual beliefs and prepare them to live at a higher level as a Christian in today's challenging world. The author, Rick Willison, an ordained minister of the Gospel, was a professional athlete whose life was changed when he was struck down with a debilitating eye disease called Retinitis Pigmentosa. This eye disease will cause Willison to go completely blind. Undeterred, Willison travels all around the world bringing the Good News of Jesus Christ to all who will listen. He does amazing feats of strength to help people

see the power they can have over sin through a personal relationship with Jesus Christ. Rick wrote this book to encourage men to step up in their faith, lead their families, and make a difference in their world. Christian men aren't wimps. They are warriors! This is a call to be true men of God, to stand and live for what is right, to take back what the devil has stolen and to be a Warrior's Witness!

Bearing False Witness Leon D. Brathwaite
2016-09-17 A cancer is metastasizing within Christianity, and the traditionalists in our faith are nourishing its malignancy. The works of these disciples of deception began more than fifteen hundred years ago, and you know them not. To this day, the cancer lives. However, the misdeeds of the traditionalists, when uncovered, shine light upon the bearing of false witness. Our Creator has granted us tools, tools that can guide our works of interpretation. Many in our faith, however, ignore them. The answers to these questions will challenge the teachings in our faith.* Will our Creator burn the nonbelievers in hell?* Will only the selected few live in His kingdom?* Christianity hinges on the interpretation of Malachi 4:5 and Matthew 11:14. Did the Creator regenerate the spirit of Elijah in the body of John the Baptist?* Did He grant us one lifetime and one opportunity to overcome the weaknesses of the flesh?* Did Jesus Christ die on the cross for us?* Did He narrow the definition of regeneration, a word that appears twice within the Scriptures?* Is the practice of communion remembrance of Jesus Christ or a ritual with a history soaked in barbarism?* What was the sacrifice? Faith without reason misdirects us into a body of irrationality that can't withstand the scrutiny of the tools of interpretation. However, the glory and power of the four tools can extract truth from our Sacred Text. Through their use, we develop interpretations; we find meaning. We must excommunicate the dogmas. A literalism of convenience cannot supply interpretations of the Scriptures with a consistency that promotes spirituality. Only the tools can clear away the falsehoods now plaguing Christianity. Read any verse of the Bible, shine the light of the tools upon it. God will reveal meaning. In summary, however, our Creator did not leave us at the mercy of the commandments of men. He

provided tools that can extract meaning from His Words. Christianity must again search its soul and reconfigure its teachings to find the spirituality that God intended. Understanding the tools can pave the way.

Pilgrim Holiness Joshua J. Whitfield 2009-08-01
limited but vital description of the present within the various and unpredictable arenas of living, suffering, and dying. That is to say, martyrdom is not the tragic conclusion of some fatal ideological conflict but a momentary truthful glimpse of present circumstances. Martyrdom reveals, clarifies, and illumines what we take for the real. Martyrs are therefore significant for the church today because they exhibit the sort of truthful living that refuses the claims of history and power without Christ; they show the sort of living and dying that returns forgiveness upon murder, and patience beyond domination. Meditating primarily on the second-century martyrdoms in Lyons and Vienne, France, Pilgrim Holiness offers a view of Christian martyrdom that challenges prevalent misunderstandings about what martyrs are doing in sacrificing their lives, Joshua J. Whitfield argues that martyrdom is a moment of truthful disclosure and thus a moment of forgiveness and peace---gifts for which we are in desperate need. "In a time when critics of Christianity, and religion in general, point to the practices of martyrs as examples of the inherently irrational, violent, and dangerous character of religious devotion, Whitfield challenges Christians to reconsider Christ's call to "take up one's cross" by suspending our suspicions and listening to the stories of the martyrs in conversation with contemporary theological voices such as Rowan Williams, Stanley Hauerwas, Sam Wells, and others."---J. Warren Smith, Duke University. "We are not superior or inferior to those who came before us, we are simply in the same situation as them: called to bear witness---in our lives and perhaps in our deaths---to the nonviolent truth embodied by Jesus Christ. This book, which is steeped in the patristic martyr narratives, unpacks this simple statement in skillful dialogue with contemporary thought. Its goal is to show that the hoped for unity of Christians has no other plausible basis than peaceful limitation of Christ."---Charles K. Bellinger, Brite Divinity

School "Joshua Whitfield has concocted a perceptive and important antidote to the secular politics of death-making . Insisting that martyrs die for love of truth armed only with the power of description. Whitfield stands against the acrimonious caricatures du jour by uncoupling Christian martyrdom from power but not from truth. This book is clarion call to any church tht has brokered an unholy trade-off in producing members who would more readily kill than die."-

Witness of God's Voice Angelika Mitikas
 2023-03-04 The authenticity of "God's Nurturing of a Prophetic Call" can only be conveyed with brutal honesty. "Witness of God's Voice" invites you on a lifelong journey in the heart of God as

He intensely, severely, yet intimately nurtures a life unworthy and inadequate for an end times prophetic ministry. God demands perfect obedience from His prophets, and will not tolerate anything less. For years, Angelika's rebellious heart struggled with God's demand peculiar to His prophetic call. Then one day in His presence, she saw a vision of God's hand holding a crown that burst into flames. God then spoke to her in His commanding voice: "In the fire of affliction and judgment will your heart be broken." God's spanking rod He had used in His love to fulfill His forewarning, He also used intricately as a catalyst to proper her into arenas as His training grounds, to orchestrate her career and life, and to draw her closer to Himself. From growing up in the South Bronx of New York City, through years as a labor union rep working in an industrial chemical plant--and beyond--Angelika's life story is a witness of God's willingness to nurture anyone for His purpose. It demonstrates God's grace and power through losses and hardships, through trials and adversities, through betrayals in battles and triumphs in wars, all for the praise, honor and glory of the Lord Jesus Christ.

Witness Protection! Richard Bennett
 2011-02-25 WILL WE REALLY BE PROTECTED? DOES GOD HAVE A SPIRITUAL SAFE HOUSE? HISTORICALLY, our nation has provided a program to protect witnesses in critical court cases. Such cases often hinge on the testimony of individuals who have personal, eyewitness accounts of criminal activity. The threat of not having justice served on a known criminal (e.g., Satan or unrepentant people) puts all at risk for potential danger. GOD HAS A SIMILAR PROGRAM for those who come out of the shadows to serve as a witness against Satan. THESE ARE SOME OF THE INSIGHTS REVEALED: • The Day God Trusted Us into Battle— decisions at the crossroad • Struggles and Penalties of a Witness— football by comparison • Satan's Desire to Sift the Witness— the culinary experience • We Are Employed by God to Witness— on our secular jobs • Trust the Program— no prenuptial agreement required Since God establishes all spiritual events in the fullness of time, we can rest assured of the role we must play and the manner in which it plays out. This type of

lifestyle demands a walk by faith, not by sight. The Christian agenda has been described in many ways, but above all, we are expected to be a witness. This study will show that it's the safest place on Earth, for it comes with divine Witness Protection!

Dogmatic Constitution on Divine Revelation

Pope Paul VI. 1965 This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

The Catechist's Backpack Joe Paprocki 2015 Catechists spend their time guiding children and adults in deepening their Catholic faith. But who's guiding the catechists on their spiritual journey? This book gives catechists the resources that speak to the spiritual dimensions of their call to share the Catholic faith. --Book cover.

The stories of LGBT+ Christians are not untold, but have often been unheard by faith leaders and communities. While so much of the conversation about LGBT+ inclusion has focused on theology and ideology, few have actually interacted with the raw, real stories and experiences of LGBT+ Christians. In this volume, LGBT+ Christian activist and theologian Brandan Robertson has brought together stories of LGBT+ Christians from around the world combined with his theological insights to create a powerful book that will challenge, convict, and inspire readers from all theological backgrounds to examine their posture and message toward the LGBT+ community and embrace the revival that the Holy Spirit is igniting among queer Christians around the world.

Witness of Charity J F Rodrigo 2020-12-08 As a Christian, are we a witness to something or of something? Alternately, are we a witness to someone or of someone? The way we answer these questions will determine our worldview. Here, we will study these questions from a true Christian perspective. In this study we will look at the following: What is Christian charity? What is Christian love? Are we justified by our works or by our faith? Does the law and its commandments apply to us? What does it mean to love our neighbour? What does it mean to love our enemy? What is Christian mercy? And, what is the Ultimate source of love? Once we know and understand the answers, we will ask and answer another: As a Christian, how do we now live our life accordingly?
