Love Life Rob Lowe 2014-04-08 On the heels of his New York Times bestselling *Stories I Only Tell My Friends*, Rob Lowe is back with an entertaining collection that “invites readers into his world with easy charm and disarming frankness” (Kirkus Reviews). After the incredible response to his acclaimed bestseller, *Stories I Only Tell My Friends*, Rob Lowe was convinced to mine his experiences for even more stories. The result is *Love Life*, a memoir about men and women, actors and producers, art and commerce, fathers and sons, movies and TV, addiction and recovery, sex and love. Among the adventures he describes in these pages are: · His visit, as a young man, to Hugh Hefner’s Playboy Mansion, where the naïve actor made a surprising discovery in the hot tub. · The time, as a boy growing up in Malibu, he discovered a vibrator belonging to his best friend’s mother. · What it’s like to be the star and producer of a flop TV show. · How an actor prepares, for Californification, Parks and Recreation, and numerous other roles. · His hilarious account of coaching a kid’s basketball team dominated by helicopter parents. · How his great, great, great, great, great grandfather may have inspired everything from his love of *The West Wing* to his taste in classic American architecture. · His first visit to college, with his son, who is going to receive the education his father never got. · The time a major movie star stole his girlfriend. Linked by common themes and his philosophical perspective on love—and life—Lowe’s writing “is loaded with showbiz anecdotes, self-deprecating tales, and has a general sweetness” (New York Post).

Blue Mountain Susan Polis Schutz 2004 A tale of love, hardships, triumph, and success... It is the true story of Stephen Schutz and Susan Polis Schutz and their most unusual and often challenging ventures: Blue Mountain Arts greeting card company and bluemountain.com. Filled with practical business lessons... This story is a riveting account of the mistakes Susan and Stephen made, the solutions they designed, the successes they reached, and the personal and professional lessons they learned. This book gives you an excellent opportunity to learn from the Schutzes' experiences and insights. For anyone who has ever had a dream... In the late 1960's, Susan and Stephen were two idealistic, recent college graduates -- he, an artist with a Princeton Ph.D. in theoretical physics, and she, a teacher and a writer. One day, they decided to silk-screen posters that combined their art and poetry. They traveled around the country selling their posters while living out of a bright-yellow, pickup-truck camper. Thus, Blue Mountain Arts was born. About standing up and fighting for what you believe in... In the 1980's, Susan and Stephen designed the number-one-selling card line in the United States and found themselves battling one of America's largest corporations. Rather than watching their cards and company get destroyed, the Schutzes boldly went to court. The precedent-setting legal battle was dubbed by the media as the trial of David v. Goliath. An insider's look into the dot-com craze... In the late 1990's, Susan and Stephen, together with their eldest son, Jared, developed bluemountain.com -- a free Internet greeting card service that quickly grew into one of the world's most popular websites. A tender portrayal of love and life in an earlier, perhaps more innocent time... In a separate section, Susan shares her personal memories of growing up during the conservative 1950's in a small, country town. She speaks candidly about her college years, teaching, planning a commune, falling in love, and living amidst the political and philosophical turmoil of the 1960's. In heartfelt words, Susan describes her romantic relationship with Stephen and the births of their children. A business book with a soul... In sharp contrast to today's headlines of scandal and greed, this is the refreshing story of how the Schutzes followed their intuition, stayed true to their values and ideals, and created a flourishing company that has managed to stay ethical and successful at the same time. Better than fiction or fairy tale... You will laugh and cry and experience every emotion in between as you read the amazing story of Stephen and Susan Polis Schutz and Blue Mountain Arts. Book jacket.

Letters to My Son Kent Nerburn 1999 We all need advice growing up and facing the big stuff life gives us. We all need the voice of a parent or a good friend who has lived through joy and suffering and has thought deeply about it. Kent Nerburn is an extraordinary writer who can be that voice when we are lost and in need of guidance. *Letters to My Son*, written for his son, Nick, but true for all of us, shows us that life isn't always shared in all its richness with those we meet along the way. Kent shares with us what he believes, and makes us look at the hard questions, but never offers easy answers. Like a wise and gentle friend, he guides us to the truths that emerge when you approach life openly and honestly.

Things My Son Needs to Know about the World Fredrik Backman 2019-05-07 The #1 New York Times bestselling author of *A Man Called Ove* shares an irresistible and moving collection of heartfelt, humorous essays about fatherhood, providing his newborn son with the perspective and tools he'll need to make his way in the world. *Things My Son Needs to Know About the World* collects the personal dispatches from the front lines of one of the most daunting experiences any man can experience: fatherhood. As he conveys his profound awe at experiencing all the “firsts” that fill him with wonder and catch him completely unprepared, Fredrik Backman doesn't shy away from revealing his own false steps and fatherly flaws, tackling issues both great and small, from masculinity and mid-life crises to practical jokes and poop. In between the sleep-deprived lows and wonderful highs, Backman takes a step back to share

the true story of falling in love with a woman who is his complete opposite, and learning to live a life that revolves around the people you care about unconditionally. Alternating between humorous side notes and longer essays offering his son advice as he grows up and ventures out into the world, Backman relays the big and small lessons in life, including: -How to find the team you belong to -Why airports explain everything about religion and war -The reason starting a band is crucial to cultivating and keeping friendships -How to beat Monkey Island 3 - Why, sometimes, a dad might hold onto his son's hand just a little too tight This is an irresistible and insightful collection, perfect for new parents and fans of Backman's "unparalleled understanding of human nature" (Shelf Awareness). As he eloquently reminds us, "You can be whatever you want to be, but that's nowhere near as important as knowing that you can be exactly who you are."

To Siri with Love Judith Newman 2017-08-22 A NEW YORK TIMES NOTABLE BOOK OF 2017 From the author of the viral New York Times op-ed column "To Siri with Love" comes a collection of touching, hilarious, and illuminating stories about life with a thirteen-year-old boy with autism that hold insights and revelations for us all. When Judith Newman shared the story of how Apple's electronic personal assistant, Siri, helped Gus, her son who has autism, she received widespread media attention and an outpouring of affection from readers around the world. Basking in the afterglow of media attention, Gus told anyone who would listen, "I'm a movie star." Judith's story of her son and his bond with Siri was an unusual tribute to technology. While many worry that our electronic gadgets are dumbing us down, she revealed how they can give voice to others, including children with autism like Gus—a boy who has trouble looking people in the eye, hops when he's happy, and connects with inanimate objects on an empathetic level. To Siri with Love is a collection of funny, poignant, and uplifting stories about living with an extraordinary child who has helped a parent see and experience the world differently. From the charming (Gus weeping with sympathy over the buses that would lie unused while the bus drivers were on strike) to the painful (paying \$22,000 for a behaviorist in Manhattan to teach Gus to use a urinal) to the humorous (Gus's insistence on getting naked during all meals, whether at home or not, because he does not want to get his clothes dirty) to the profound (how an automated "assistant" helped a boy learn how to communicate with the rest of the world), the stories in To Siri with Love open our eyes to the magic and challenges of a life beyond the ordinary.

Operating Instructions Anne Lamott 2011-02-09 With the same brilliant combination of humor and warmth she brought to bestseller *Bird by Bird*, Anne Lamott gives us a smart, funny, and comforting chronicle of single motherhood. It's not like she's the only woman to ever have a baby. At thirty-five. On her own. But Anne Lamott makes it all fresh in her now-classic account of how she and her son and numerous friends and neighbors and some strangers survived and thrived in that all important first year. From finding out that her baby is a boy (and getting used to the idea) to finding out that her best friend and greatest supporter Pam will die of cancer (and not getting used to that idea), with a generous amount of wit and faith (but very little piety), Lamott narrates the great and small events that make up a woman's life. "Lamott has a conversational style that perfectly conveys her friendly, self-deprecating humor." -- Los Angeles Times Book Review "Lamott is a wonderfully lithe writer Anyone who has ever had a hard time facing a perfectly

ordinary day will identify." -- Chicago Tribune

For the Love of My Son Margaret Davis 2011-09-15 This is the story of an ordinary woman whose grief - and love - for her only son compelled her to do something extraordinary. When Margaret Davis's beloved son Steven was murdered by his own wife, a Philippino former prostitute, she travelled across continents to track down her son's killers and bring them to justice, and to rescue her grandchildren. Based on Margaret's own diaries, notes and emails, this tells not only the awful but utterly compelling story of her perilous journey, but also of how she has dealt with her crippling grief, and how she has striven to save and protect two small children caught up in the violent crossfire of their parents' failing marriage. It is a tale of two cultures that clashed, with terrible results. And it is a tale of how one mother, faced with her worst nightmare, has fought for justice for her son and some kind of healing for herself and the others left behind after his appalling death.

Love in a Blue Time Hanif Kureishi 1999-03-12 This provocative collection of short stories charts the growth of a generation from the liberating irreverence of the late 1970s to the dilemmas of responsibility and fidelity of the 1990s. The stories resonate with Hanif Kureishi's dead-on observations of human passion and folly, his brilliant depiction of seedy locales and magical characters, and his original, wicked sense of humor.
