Black Fox Barbara Sjöholm 2017-10-10 In 1904 a young Danish woman met a Sami wolf hunter on a train in Sweden. This chance encounter transformed the lives of artist Emilie Demant and the hunter, Johan Turi. In 1907-8 Demant went to live with Sami families in their tents and on migrations, later writing a lively account of her experiences. She collaborated with Turi on his book about his people. On her own and later with her husband Gudmund Hatt, she roamed on foot through Sami regions as an ethnographer and folklorist. As an artist, she created many striking paintings with Sami motifs. Her exceptional life and relationships come alive in this first English-language biography. In recounting Demant Hatt's fascinating life, Barbara Sjöholm investigates the boundaries and influences between ethnographers and sources, the nature of authorship and visual representation, and the state of anthropology, racial biology, and politics in Scandinavia during the first half of the twentieth century.

Within These Lines Stephanie Morrill 2019-03-05 "Within These Lines is a moving story of love, hope, and family set against the dark history of Japanese internment in America. This book had me captivated!"

—Maureen McQuerry, YALSA award-winning author of *The Peculiars* Evalina Cassano's life in an Italian-American family in 1941 is quiet and ordinary ... until she falls in love with Taichi Hamasaki, the son of Japanese immigrants. Despite the scandal it would cause and the fact that interracial marriage is illegal in California, Evalina and Taichi vow they will find a way to be together. But anti-Japanese feelings erupt across the country after the attack on Pearl Harbor, and Taichi and his family are forced to give up their farm and are incarcerated in a Japanese internment camp. Degrading treatment at Manzanar Relocation Center is so difficult, Taichi doubts he will ever leave the camp alive. Treasured letters from Evalina are his sole connection to the outside world. Embracing the boldest action she can to help Taichi, Evalina begins to radically speak out at school and at home, shining a light on this dark and shameful racial injustice. With their future together on the line, Evalina and Taichi can only hold true to their values and believe in their love against all odds to have any hope of making it back to one another. Within These Lines is: A historical

YA novel set against the backdrop of WWII and the shameful era of American injustice surrounding Japanese internment camps Told from the dual points of view of an Italian-American woman and Japanese-American man brought together by love then separated by war, injustice, and hatred As haunting and unflinching as it is hope-filled and love-driven Perfect for fans of Monica Hesse, Ruta Sepetys, and Elizabeth Wein

Naked and Alone Lawrence Lariar 2019-04-02 Johnny Amsterdam, Manhattan's toughest private dick, takes it hard when his favorite nightclub chanteuse books a playdate with murder. When popular cartoonist Lawrence Lariar decided to moonlight as a mystery writer, creating comic book artist turned amateur sleuth Homer Bull was a natural. From the 1940s through the 1960s, Lariar continued to switch from sketching caricatures to sketchy characters, writing hardboiled crime fiction under his own name as well as the pseudonyms Michael Stark, Adam Knight, Michael Lawrence, and Marston La France, and creating a series of memorable gumshoes. Now his classic whodunits are available as ebooks. Working out of Times Square, PI Johnny Amsterdam has met a lot of endangered hard-luck souls. Warbler Kay Randall wasn't one of them. With the looks and voice of an angel, she didn't deserve a knife in the heart as a swan song. Only when Amsterdam sets out to find her killer, does he realize the sweet recording star might have had a flip side. How else can he explain such a bevy of gal-pals? Like Jordice, a swinging hat check girl who could be bringing out the worst in any number of men; Serena, a kinky, hopped-up, trigger-happy nightmare in black lace who likes to play rough; and Norma—freaky, painted like a doll, perpetually pickled, and dancing with death, she digs morticians. From grungy Greenwich Village pads to the dicey Brooklyn piers, lone wolf Johnny Amsterdam is on the prowl. But this is New York after dark. He's also the prey. Naked and Alone is the 1st book in the PI Johnny Amsterdam Mysteries, but you may enjoy reading the series in any order.

Until Friday Night Abbi Glines 2015-08-25 A #1 New York Times bestseller and the first novel in a brand-new series—from bestselling author Abbi Glines—about a small Southern town filled with cute boys in pickup trucks, Friday night football games, and crazy parties that stir up some major drama. To everyone who knows him, West Ashby has always been that guy: the cocky, popular, way-too-handsome-for-his-own-good football god who led Lawton High to the state championships. But while West may be Big Man on Campus on the outside, on the inside he's battling the grief that comes with watching his father slowly die of cancer. Two years ago, Maggie Carleton's life fell apart when her father murdered her mother. And after she told the police what happened, she stopped speaking and hasn't spoken since. Even the move to Lawton, Alabama, couldn't draw Maggie back out. So she stayed quiet, keeping her sorrow and her

fractured heart hidden away. As West's pain becomes too much to handle, he knows he needs to talk to someone about his father—so in the dark shadows of a post-game party, he opens up to the one girl who he knows won't tell anyone else. West expected that talking about his dad would bring some relief, or at least a flood of emotions he couldn't control. But he never expected the quiet new girl to reply, to reveal a pain even deeper than his own—or for them to form a connection so strong that he couldn't ever let her go...

The Testimonies of Slaves Work Projects Administration 2020-12-17 Musaicum Books presents to you this meticulously collection of hundreds of life stories, recorded interviews and incredible vivid testimonies of former slaves from the American southern states, including photos of the people being interviewed and their extraordinary narratives. After the end of Civil War in 1865, more than four million slaves were set free. There were several efforts to record the remembrances of the former slaves. The Federal Writers' Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves. The resulting collection preserved hundreds of life stories from 17 U.S. states that would otherwise have been lost in din of modernity and America's eagerness to deliberately forget the blot on its recent past.
