District of Columbia Appropriations for 1952 United States. Congress. House. Appropriations 1951

Gathering Crowds Paul Hensler 2021-04-28 When baseball's reserve clause was struck down in late 1975 and ushered in free agency, club owners feared it would ruin the game; instead, there seemed to be no end to the "baseball fever" that would grip America. In *Gathering Crowds: Catching Baseball Fever in the New Era of Free Agency*, Paul Hensler details how baseball grew and evolved from the late 1970s through the 1980s. Trepidation that without the reserve clause only wealthy teams would succeed diminished when small-market clubs in Minnesota, Kansas City, and Boston found their way to pennants and World Series titles. The proliferation of games broadcast on cable and satellite systems seemed to create a thirst for more baseball rather than discourage fans from going to the ballpark. And as fans clicked the turnstiles and purchased more and more team-licensed products, the national pastime proved it could survive and thrive even as other professional sports leagues vied for the public's attention. By the end of the 1980s, baseball had positioned itself to progress into the future stronger and more popular than ever. *Gathering Crowds* reveals how the national pastime moved beyond the grasp of the reserve clause to endure a lengthy strike and drug scandals and then prosper as it never had before. The book also offers insight into how societal issues influenced baseball in this new era, from women in the clubhouses and minorities finally named as managers to a gay player's debut at the big-league level. *Gathering Crowds* is a fascinating examination of baseball's transformation during this unprecedented era.

The Short Writings of Nelson Algren Richard F. Bales 2022-09-08 Nelson Algren was a renowned Chicago writer known for his social commentary and his novels like *The Man with the Golden Arm* and *A Walk on the Wild Side*. Although he continues to be remembered almost exclusively for his novels, this book aims to highlight the value and influence of his short form works. Before he died in 1981, Algren had amassed a genre-defying body of work, including short stories, articles, poems and book reviews. The present book features a comprehensive analysis and discussion of Algren's lost literature, including everything but his novels. One of the pieces covered is a masterpiece of race relations written in 1950, more than 60 years before the galvanization of the Black Lives Matter movement. Another is a scathing poem about Algren's transatlantic love affair with Simone de Beauvoir. Both items are reprinted in the book courtesy of the Algren estate. This book also includes references to Algren's works that have yet to be studied by Algren scholars.

The Armchair Companion to Chicago Sports Richard Lindberg 1997 A fun-filled book that brings together for the first time the significant events in Chicago sports history. In addition to baseball, football, basketball, and hockey, it covers such minor"" sports as tennis, ice-skating, golf, bowling, horseracing, running, and sailing. This is a look at the athletes, their accomplishments, and the games they played.""

The Armchair Economist Steven E. Landsburg 2012-05-10 Air bags cause accidents, because well-protected drivers take more risks. This well-documented truth comes as a surprise to most people, but not to

economists, who have learned to take seriously the proposition that people respond to incentives. In *The Armchair Economist*, Steven E. Landsburg shows how the laws of economics reveal themselves in everyday experience and illuminate the entire range of human behavior. Why does popcorn cost so much at the cinema? The 'obvious' answer is that the owner has a monopoly, but if that were the whole story, there would also be a monopoly price to use the toilet. When a sudden frost destroys much of the Florida orange crop and prices skyrocket, journalists point to the 'obvious' exercise of monopoly power. Economists see just the opposite: If growers had monopoly power, they'd have raised prices before the frost. Why don't concert promoters raise ticket prices even when they are sure they will sell out months in advance? Why are some goods sold at auction and others at pre-announced prices? Why do boxes at the football sell out before the standard seats do? Why are bank buildings fancier than supermarkets? Why do corporations confer huge pensions on failed executives? Why don't firms require workers to buy their jobs? Landsburg explains why the obvious answers are wrong, reveals better answers, and illuminates the fundamental laws of human behavior along the way. This is a book of surprises: a guided tour of the familiar, filtered through a decidedly unfamiliar lens. This is economics for the sheer intellectual joy of it.

Jerome Holtzman on Baseball Jerome Holtzman 2005 Sportswriter Jerome Holtzman has been around the game of baseball for more than 60 years. During that span he has met and worked alongside most of the greatest writers American sports has ever known. In his sixth book, entitled Jerome Holtzman on Baseball, he tells colorfully in-depth stories about the life and times of such legendary scribes as Grantland Rice, Red Smith, Jimmy Canon, Shirley Povich, and many others. Enveloped inside these personality sketches are heretofore hidden tales about baseball's greatest players.

2 Chairs Bob Beaudine 2016-08-23 In this inspiring book, Bob Beaudine helps you live a life guided by your relationship with God by asking three critical questions. In this world you will have trouble. Count on it! It might be something small or something big, but you know you don't have an answer. You've come to a realization there is a limit to what you can do alone. For such times as these, 2 Chairs asks three vital questions: Does God know your situation? Is it too hard for Him to handle? Does He have a good plan for you? Following these questions, Bob Beaudine offers seven practical steps to walk courageously, faithfully, and cheerfully through your trouble whether it is a minor issue or a major crisis.

The Library Journal 1997 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.
