Two Hungry Bears Linda Jane Cornwell 2010 Big Brown Bear and Little Bear shared a cosy cave. They shared each other's company and they shared each other's food. The Snowy Day Ezra Jack Keats 2012-10-11 The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott

Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as *Un día de nieve*.) Praise for *The Snowy Day*: "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." —The Atlantic "Ezra Jack Keats's classic *The Snowy Day*, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow."—Publisher's Weekly

The Collection of Short Stories for Children and Young Adults Joseph Pagan 2013-03 I originally began creating children's stories when I was a

child myself. After I had grown up and was on a camping trip with three young children, they asked me to tell them a story. That gave rise to this book. The first five stories in this collection were written for children and with the interaction and help of children. The children suggested characters, places, and other elements that added to the completion of these stories. It is my hope that a lot of sleepyheads will enjoy them. The other six stories were written later. They are targeted for young adults and are, for the most part, adaptations of my unpublished screenplays. These I wrote while studying filmmaking in college. All the stories in this book were meant to be enjoyed and, maybe, give the readers a chuckle or two, some fun and exciting reading!

Mary Smith Andrea U'Ren 2003-08-13 Time to get up! Did you ever wonder how people woke up in time for school or work in the days before alarm clocks? In the early twentieth century, townspeople in England hired "knocker-ups" like Mary Smith for a few pence a week. Mary Smith traveled through predawn streets armed with a peashooter and a pocket watch, waking her clients at whatever hour they requested by plinking dried peas at their bedroom windows. In rollicking words and pictures, Andrea U'Ren re-creates one busy morning in the life of her intrepid true-life subject - a morning when Mary Smith helps her town start its day in timely fashion, only to receive a rude awakening when she comes home. Could it be that the knocker-up's own daughter has been sleeping in? Mary Smith is a 2004 Bank Street - Best Children's Book of the Year.
