The Awakening of Adam Charles Herschel Dove 2000-11
In this book, "The Awakening of Adam" there are 29 articles that reveal the 'Spiritual Adultery' that is committed by the churches of America and all organized religion. You don't believe it? Read the book and see. Why do you believe what you believe? That is an all important question. Are you sure what you believe is the truth, or are you just following a family tradition? Just because mommy and daddy believes it does not make it the Truth. This book exposes the self-righteous doctrines and the Phariseism of churches and pastors that tend to judge you by what their eyes see. The problem is: They can't see your heart. Social religion is the backbone of the modern day church. We've been duped by false doctrines and vain traditions. Why are churches so divided against each other? They have a great knowledge of the bible, but where is their love for the low, the fallen and the broken hearted who live on the streets of America? Where is their love for you when you hurt inside; and when you need someone to love you and to care for your needs? Knowledge of the bible is good. It can help you find your way home, but get this one thing and never forget it, friend. Love, I say Love is the key to the door. Only Love will open the door to the heart of God. Religion and manmade rules that has hurt and turned away many of God's young children will perish and burn with its evils, but Love will never pass away. Love will stand

forever and ever. "God is Love." "The Awakening of Adam" was written to help those true Christians who love God and who seek after Truth, but who have been rejected or put down by friends, family and church, simply for what they believe.) How can this book help you? First, it is a guide to help you find Truth, who lives in you. Second, It can comfort those who have been deeply hurt by churches that are long on religion and a little short on love. Third, It can help to set you free of all guilt and condemnation that may have been haunting you over something in your past. Even things that may have been done to you when you were a child. This book is designed to help tear down those old walls of vain religion and inveterate traditions that have kept us blinded to the Truth. This book seeks to reveal the hiding place of God. Isa. 45:15 says "Verily thou art a God that hidest thyself..." Why would God hide himself? He did it, so that carnal minded man cannot access his awesome power until man's heart is made pure again as it was before he fell into sin. In man's present state, he would subvert the power of God and use it for selfish purposes. Only those whose hearts are converted, and who have returned to true Love are allowed access to the fullness of the power of God. "The Awakening of Adam" is about man's perpetual quest for Truth, and for eternal life. It reveals some of the hindrances that have kept the children of God in darkness, thereby hiding the truth of their true identity. The children of God will eventually become as their Father, when their hearts are made pure. That is what children do, isn't it? Do they not become equal to their parents? When a boy grows to adulthood and unto perfection, he is just as much a man as his father, or if it is a daughter, she is just as much a woman as her mother. Both of them (the boy and the girl) become able to create life, i.e., they can produce children of their own, just as their father and mother once did. 1st John 4:17 says: "Herein is our love made perfect, that we may have boldness in the day of judgment: because as he is, so are we in this world." Philippians 2:5 and 6 says: "Let this mind be in you, which was also in Christ Jesus: Who, being in the form of God, thought it not robbery to be equal with God." 1st. Cor. 2:15 and 16 says: "But he that is spiritual judgeth all things, yet he himself is judged of no man. For who hath

known the mind of the Lord, that he may instruct him? But we have the mind of Christ." Do you realize the power that you

THE CHRIST LIFE Geoffrey Hodson "Every time that you find in our books a tale the reality of which seems impossible, a story which is repugnant to both reason and common sense, then be sure that the tale contains a profound allegory veiling a deeply mysterious truth; and the greater the absurdity of the letter, the

deeper the wisdom of the spirit.” — Moses Maimonides, Jewish theologian, historian, Talmudist (1135-1205 A.D.) Countless people have been provided with new insights into the Christian religion through the in-depth Biblical interpretations of Geoffrey Hodson. In his Hidden Wisdom in the Holy Bible, Volumes I, II and III, he extensively analyzed Old Testament stories, suggesting that many of them are in actuality more meaningful than is commonly supposed; that many of these stories are indeed allegorical, and that, understood from a more universal and less literal point of view, they contain much additional useful knowledge. He believes this is also true of The Christ Life from Nativity to Ascension. In this book, Hodson moves from a consideration of the Old Testament of the Holy Bible to the New Testament, interpreting the four accounts, or Gospels of the life of Christ, as put down in the King James version of the Bible. The author believes that the Bible should be considered in both its historical and its allegorical significance. He writes: “Ever must it be remembered that the wondrous story (of Jesus the Christ) was never intended to be read as a record of external events alone, but rather as a revelation of the divine within man.” As a priest in the Liberal Catholic Church, Hodson has naturally maintained an intensive interest in the Holy Bible. He is recognized throughout the world for his exceptional clairvoyant abilities, and has also carried out occult research in collaboration with physicians, physicists, anthropologists and archaeologist. He is the author of some 40 books dealing with such topics as meditation, Theosophy, the spiritual life, health and disease and, of course, Bible symbolism and interpretation.

Young, Restless, No Longer Reformed Austin Fischer 2014-01-13 Does it really matter? Does it matter if we have free will? Does it matter if Calvinism is true? And does what you think

about it matter? No and yes. No, it doesn't matter because God is who he is and does what he does regardless of what we think of him, just as the solar system keeps spinning around the sun even if we're convinced it spins around the earth. Our opinions about God will not change God, but they can change us. And so yes, it does matter because the conversations about free will and Calvinism confront us with perhaps the only question that really matters: who is God? This is a book about that question--a book about the Bible, black holes, love, sovereignty, hell, Romans 9, Jonathan Edwards, John Piper, C. S. Lewis, Karl Barth, and a little girl in a red coat. You've heard arguments, but here's a story-- Austin Fischer's story, and his journey in and out of Calvinism on a trip to the center of the universe.

The Indwelling Life of Christ Major Ian Thomas 2006-01-16 "Christ in you, the hope of glory." —Colossians 1:27 Why do we keep failing even in our best efforts to live the Christian life? Because no one other than Jesus Christ can live it, for the simple reason that He is the Christian life! And only He can live it in our lives as well. Major W. Ian Thomas takes a refreshing look at the pure thrill of living victoriously as you embrace the living Savior's presence within you. The more you become genuinely and relentlessly available to Christ, the more He can take over so that your Christian walk becomes vibrant and effective! This inspiring devotional, along with the application questions at the end of each reading, will help you focus consistently on Jesus Himself so you can serve and enjoy Him at an entirely new level and dimension. You can try to steer clear of sin. Avoid temptation. Refuse to steal, lie, or use drugs and alcohol. You can indeed try to be sinless. But that is still you. And you are still trying. Jesus Christ was not holy because He focused His efforts on avoiding sin. Instead, "He refused to allow there to be any

possible explanation for the quality of His life but the Father, as God, dwelling in Him, as Man," writes Major W. Ian Thomas. So whom do you want dwelling in you? More of you? Or all of Christ? Story Behind the Book Major W. Ian Thomas was twelve years old when he accepted the Lord with a simple prayer. But by nineteen, "I had been reduced to spiritual exhaustion," he says, "with no hope or reason for going on." It was then that he discovered the life-transforming secret of the indwelling life of the living Lord Jesus Christ. God gave him a message through Galatians 2:20, where he learned to say, "Lord Jesus, I can't—You never said I could—but You can, and always said You would. That is all I need to know." Major Thomas came to understand it was Christ Himself living through him who would do His work. This is the message he has been passionately proclaiming all his life.

The Power of Knowing Your True Identity Volume 1 Dr. Gary M. Jefferson 2020-07-21 The need for understanding our true identity is crucial. Without it we really don't know if we are coming or going and we will never know the full benefits of our "true birthright". As you read and study these chapters you will discover the true position, purpose, power, authority and destiny given to us by God. Luke 12:32 "Fear not little flock for it is the Father's good pleasure to give you the kingdom. Knowing our true identity will bring forth the manifestation of Christ's dominion, and the ruling reigning authoritative rights of our God given inheritance on planet earth as a now reality. It's Christ's day, the day of the Lord manifesting forth in his people. A people that will allow him to open their eyes to his illuminating light of glory and understanding. God is ready to move in a generation that will reveal all of himself through Christ. And in a people unveiling mysteries and secrets or any type of ignorance (1 Cor.15:28). It is my prayer that you would travel through each chapter anticipating the destination and embracing "The True Identity" as your own divine inheritance while you maneuver through each revelation and thought in this book. This book "The Power of Knowing Your True Identity" is volume one of the Collection Trilogy "The Chronicles of the Sons of God".

Living in the Inheritance of God Dr. Audrey Drummonds PH.D. 2009-04-14 The world is undergoing a spiritual awakening, but that doesn't necessarily mean everything is getting better. Renovator's Handbook for Transforming the Christian Soul Gilda Baise 2018-10-25 Why Renovation? Do you not know that you are a temple of God and that the Spirit of God dwells in you? ~ 1Corinthians 3:16-17 Renovation is the process of working with Christ to repair the emotional damage our souls have suffered, and to remove the trash of worldly thinking that has accumulated over the years so that we may live victorious lives in Christ. What this book will teach you to do: Remove the causes of ongoing emotional pain that manifest in feelings of worthlessness, rejection, bitterness, trust issues, addictions, self-hatred, anger, fear, hopelessness and depression. Remove beliefs, values, attitudes, vows, and agreements with things opposed to God and His characteristics of love, mercy and holiness that result in sin. These things, having been set in motion at some point in our lives, continue to bear fruit today, even though we belong to Christ. Like Paul, we find ourselves doing the very things we hate. So the workmen labored, and the repair work progressed in their hands, and they restored the house of God according to its specifications and strengthened it. ~ 2Chronicles 24:13

From Hate to Love Robert Saunders 2014-04-07 Why do bad things happen to good

people? Why does God allow children to die?" This book will take you on a short journey in search of the answer to these questions. But be ready for the brutal truth. The story you are about to read is a glimpse into the brutality that exists in our culture and around the world. The intent is not to glamorize or make light of it, but allow you to see how awesome God is in the midst of it. Paul in his letter to the Romans stated that "We know that all things work together for the good of those who love God: Those who are called according to His purpose." Robert Saunders has discovered the truth of this statement first hand in his life (though it came many years later than Adam's experience in the story). Journey with Adam and Tina to find some answers to your questions. There just might be a new awakening of God's Spirit in you.

1861 Adam Goodheart 2012-02-21 A gripping and original account of how the Civil War began and a second American revolution unfolded, setting Abraham Lincoln on the path to greatness and millions of slaves on the road to freedom. An epic of courage and heroism beyond the battlefields, **1861** introduces us to a heretofore little-known cast of Civil War heroes—among them an acrobatic militia colonel, an explorer's wife, an idealistic band of German immigrants, a regiment of New York City firemen, a community of Virginia slaves, and a young college professor who would one day become president. Their stories take us from the corridors of the White House to the slums of Manhattan, from the waters of the Chesapeake to the deserts of Nevada, from Boston Common to Alcatraz Island, vividly evoking the Union at its moment of ultimate crisis and decision.

Hailed as "exhilarating....Inspiring...Irresistible..." by The New York Times Book Review, Adam Goodheart's bestseller **1861** is an important addition to the Civil War canon. Includes black-and-white photos and illustrations.
