Zombie Apocalypse Hacks Virginia Loh-Hagan 2019-08-01 Could you survive a zombie apocalypse? This book could save your life. With five survivalist hacks from everyday objects, zombies don't stand a chance!

Hacks are paired with a STEM connection that explains the science behind how the hack works. Written at a lower reading level with considerate text, these super engaging, high maturity books are sure to grab struggling readers. Also includes a table of contents, glossary, index, author biography, sidebars, educational matter, and activities. Leelanau Underwater Christopher Roxburgh 2021-03-08 Same as original Leelanau Underwater with minor changes to become the 2nd edition. Over 90 beautiful underwater photographs with accompanying text.

The Wreck of the Titan, Or, Futility Morgan Robertson 1912

Shipwrecks of the Dominican Republic and A Guide to Shipwreck Identification Through Recovered Artifacts Black Duck 2010-08-25 This book is for the young and the old, for the novice and the expert. It is based on research and fact. It will serve as a guide and a reference for anyone with an interest in shipwrecks, artifacts, and treasures of all kinds.

Sport Pamela Cameron 2019-04-08 In 1914 crew members of the lighthouse tender Hyacinth rescued a stray puppy from the Milwaukee River and named him Sport. For the next twelve years, this charming Newfoundland-retriever mix lived the life of a ship dog, helping the Hyacinth crew as they carried supplies to lighthouses and maintained the buoys and other safety features around Lake Michigan. Sport quickly became a valued companion to his crew and a recognizable mascot of the lake—making friends in every port. In this beautifully illustrated children's book based on historical documents and photographs, readers share in Sport's adventures while discovering the various ways lighthouse tender ships helped keep the lake safe for others. Helpful diagrams, a map, and a historical note supplement this engaging story for young readers.

The Complete Guide to Michigan Sand Dunes Jim DuFresne 2005 The first reference book to the sand dunes of Michigan that includes outdoor activities

The Michigan Eco-Traveler Sally Barber 2014-02-24 Michigan offers some of the most wonderfully diverse recreation opportunities in the country. The Michigan Eco-Traveleris for a new and growing breed of leisure traveler and adventurer—the individual seeking to experience the pleasant peninsulas responsibly by minimizing his or her eco-footprint. The book introduces readers to the importance of eco-friendly travel and highlights some of the best eco-conscience venues across the state that offer activities from golfing to skiing to sailing and much more. The book also examines environmental pressures on the state's recreational resources, revealing the critical need for joining together in conservation practices, and offers travelers helpful tips for evaluating the sustainability of their own favorite recreational spots. Whether you're a weekend traveler, extreme adventurer, or family on vacation, The Michigan Eco-Travelerlights the way to a greener getaway. Naturalists, conservationists, and hospitality experts will find the book equally helpful in responding to the ever rising demand for sustainable recreation.

The Edmund Fitzgerald Kathy-jo Wargin 2013-08-15 Leaving port from Superior, Wisconsin on a sunny November day, the crew of the Edmund Fitzgerald is looking forward to a routine crossing of deep Lake Superior. Heading for a port in Cleveland, the giant transport ship is loaded with ore that will be used to build cars. But disaster is building in the wind as a gale storm begins to track after the great ship. This suspenseful retelling of the last hours of the doomed vessel pays homage to all sailors who traverse deep waters, in fair skies and foul. Atmospheric paintings from award-winning artist Gijsbert van Frankenhuyzen bring the story to life.The author of the best-selling books The Legend of Sleeping Bear and The Legend of Mackinac Island, Kathy-jo Wargin aims to help young readers notice the most intricate details of a story by adding the nuances that create magic and wonder in a good tale. She lives in the woods of

northern Michigan with her family. The Edmund Fitzgerald is her 10th book with Sleeping Bear Press. Born in the Netherlands, Gijsbert van Frankenhuyzen, or "Nick" as he prefers to be known, studied at the Royal Academy of Arts in Holland. He immigrated to the United States in 1976. The Edmund Fitzgerald is Nick's 13th children's book with Sleeping Bear Press. The Legend of Sleeping Bear was Nick's first book and has sold more than 200,000 copies.

Michigan Lighthouse and Maritime Heritage Act United States. Congress. Senate. Committee on Energy and Natural Resources 2006

Sleeping Bear, Yesterday and Today George Weeks 1990

Backpacking in Michigan Pat Allen 1989 Guide to Michigan's backpacking trails

Encyclopedia of Civil War Shipwrecks W. Craig Gaines 2008-04 On the evening of February 2, 1864, Confederate Commander John Taylor Wood led 250 sailors in two launches and twelve boats to capture the USS Underwriter, a side-wheel steam gunboat anchored on the Neuse River near New Bern, North Carolina. During the ensuing fifteen-minute battle, nine Union crewmen lost their lives, twenty were wounded, and twenty-six fell into enemy hands. Six Confederates were captured and several wounded as they stripped the vessel, set it ablaze, and blew it up while under fire from Union-held Fort Anderson. The thrilling story of USS Underwriter is one of many involving the numerous shipwrecks that occupy the waters of Civil War history. Many years in the making, W. Craig Gaines's Encyclopedia of Civil War Shipwrecks is the definitive account of more than 2,000 of these American Civil War--period sunken ships. From Alabama's USS Althea, a Union steam tug lost while removing a Confederate torpedo in the Blakely River, to Wisconsin's Berlin City, a Union side-wheel steamer stranded in Oshkosh, Gaines provides detailed information about each vessel, including its final location, type, dimensions, tonnage, crew size, armament, origin, registry (Union, Confederate, United States, or other country), casualties, circumstances of loss, salvage operations, and the sources of his findings. Organized alphabetically by geographical location (state, country, or body of water), the book also includes a number of maps providing the approximate locations of many of the wrecks -- ranging from the Americas to Europe, the Arctic Ocean, and the Indian Ocean. Also noted are more than forty shipwrecks whose locations are in question. Since the 1960s, the underwater access afforded by SCUBA gear has allowed divers, historians, treasure hunters, and archaeologists to discover and explore many of the American Civil War-related shipwrecks. In a remarkable feat of historical detective work, Gaines scoured countless sources -- from government and official records to sports diver and treasure-hunting magazines -- and cross-indexes his compilation by each vessel's various names and nicknames throughout its career. An essential reference work for Civil War scholars and buffs, archaeologists, divers, and aficionados of naval history, Encyclopedia of Civil War Shipwrecks revives and preserves for posterity the little-known stories of these intriguing historical artifacts.

Shipwrecks of the Sleeping Bear Steve Harold 1984

Out of the Blue John H. Jameson 2007-04-15 While there are several books in the field of preservation and heritage protection for terrestrial archaeology, there are very few resources for archaeologists working with maritime and submerged cultural heritage. This book brings together state-of-the-art ideas, research and scholarship associated with maritime public education and interpretation. It will add to a limited body of knowledge in a field that is steadily growing.

The Odyssey Homer 1871

United States Life-Saving Service in Michigan William D. Peterson 2000 Michigan, the Great Lakes State, is full of rich maritime traditions and with these traditions comes the danger and risk of shipwreck. Author William D. Peterson has compiled in this new book a photographic history of the United States Life-Saving Service in the Great Lakes region, and immortalizes in it the men who paved the way for the U.S. Coast Guard in 1915. In 1854, the U.S. Government provided funds for lighthouses, boats, and life-saving equipment along the Atlantic seaboard to alleviate shipping disasters. These early efforts greatly reduced the number of lives and property lost to shipwrecks. In the heart of the Midwest, however, the Great Lakes alone claimed 4,500 vessels, 1,300 people, and more than 27 million dollars in monetary damages between 1855 and 1876. These staggering losses prompted Congress to pass legislation putting the United States Life-Saving Service (USLSS) into

operation in Michigan and other Great Lakes States. Pictured here in almost 200 images and detailed captions are Michigan's 38 USLSS stations and their crews along the Great Lakes, including Ottawa Point, Grand Haven, Holland, and South Manitou Island.

Shipwrecks of Lake Michigan Benjamin J. Shelak 2003 "Shipwrecks of Lake Michigan" is a comprehensive collection of information about legendary wrecks on Lake Michigan--1800 to present. Author Benjamin J. Shelak.

Swiss Family Robinson Tale #1 Shipwrecked Johann David Wyss 2008-01-01 Johann David Wyss's tale of shipwreck has been captivating readers for generations. The Short Tales Classic brings the Swiss family Robinson's courageous journey to their island to life for even the youngest audience. Blue level for transitional readers.

Graveyard of the Lakes Mark L. Thompson 2004-04-13 A historically accurate, well-rounded picture of shipwrecks on the Great Lakes.

Sleeping Bear, Yesterday and Today George Weeks 1990

T Is for Titanic Debbie Shoulders 2011 In "T is for Titanic," husband-and-wife writing team Michael and Debbie Shoulders sift through the stories, documents, and artifacts surrounding the famous ship, giving a you-are-there view to one of the greatest disaster stories.

Surviving the Hindenburg Larry Verstraete 2012-02-02 On May 6, 1937, the giant German airship the Hindenburg was destroyed by fire as it attempted to land at Lakehurst Naval Base in New Jersey. Of the 93 people on board, a remarkable 62 survived, including Werner Franz, the ship's 14-year-old cabin boy. In *Surviving the Hindenburg*, writer Larry Verstraete recounts young Werner's story of the airship's final voyage. Through Werner's memories young readers will explore the inner workings of the giant airship, marvel at the breathtaking vistas from its observation windows, and hold their breath during Werner's terrifying escape from the fiery devastation. "My mind didn't start working again until I was on the ground," Werner said later. "Then I started running." Captured in detailed, dramatic artwork, the story of the doomed airship comes alive for readers and history buffs of all ages. Larry Verstraete's book, *S is for Scientists: A Discovery Alphabet*, was named a 2011 Outstanding Science Trade Books for Students by the National Science Teachers Association. He lives in Winnipeg, Manitoba. David Geister's work has been featured in *The History Channel Magazine*. His books include *B is for Battle Cry: A Civil War Alphabet*. He lives in Minneapolis, Minnesota.

Journey of the Pale Bear Susan Fletcher 2019-10-01 "A lovely little miracle of a book." —Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan* "[A] large-hearted and riveting medieval adventure." —William Alexander, National Book Award-winning author of *Goblin Secrets* "A breathtaking adventure." —Kirby Larson, Newbery Honor-winning author of *Hattie Big Sky* A runaway boy befriends a polar bear that's being transported from Norway to London in this "stupendous coming-of-age tale stuffed with adventure" (Kirkus Reviews, starred review). The polar bear is a royal bear, a gift from the King of Norway to the King of England. The first time Arthur encounters the bear, she terrifies him. Yet, strangely, she doesn't harm him—though she has attacked anyone else who comes near. So Arthur finds himself taking care of a polar bear on a ship to England. Tasked with feeding and cleaning up after the bear, Arthur's fears slowly lessen as he begins to feel a connection to this bear, who like him, has been cut off from her family. But the journey holds many dangers, and Arthur knows his own freedom—perhaps even his life—depends on keeping the bear from harm. When pirates attack, Arthur must make a choice—does he do everything he can to save himself, or does he help the bear to find freedom? Based on the real story of a polar bear that lived in the Tower of London, this timeless adventure story thoughtfully looks at the themes of freedom, captivity, and the bond between a boy and a bear.

Instructions to Mariners in Case of Shipwreck 1881

The U.S. Life-Saving Service Ralph C. Shanks 1996 Subtitled *Heroes, Rescues and Architecture of the Early Coast Guard*, this very complete record of the people, technology, architecture and exploits of the U.S. Life-Saving Service is a large-format book illustrated with 446 photographs and maps. It is especially strong on the wonderful and regionally varied architecture of the Service's stations, of which there were more than today's mariners or beachcombers can imagine -- 41 on the New Jersey coast, 31 on Lake Michigan, 13 on Cape Cod alone. In the last half of the nineteenth century, when coasting vessels numbered in the tens of thousands, the stations and their beach patrols were a necessity, and the surfmen managed dramatic rescues, many of which are recounted here.

Backpacking in Michigan Jim DuFresne 2007 The complete and indispensable illustrated guide to long walks, overnight hikes, and wilderness treks in Michigan

Titanicat Marty Crisp 2013-08-15 Young Jim Mulholland can't believe his good luck: He has signed on as a cabin boy to the world's finest ocean liner, the Titanic, and can't wait for the history-making voyage across the sea to America. As part of his duties Jim is in charge of the ship's cat, a beautiful tortoiseshell that also appears happy to be on board. He calls the cat by the ship's construction number, 4-0-1, certain that she will bring him good luck. And he's delighted when 4-0-1 shortly gives birth to a litter of kittens. But once the ship's trial runs are completed and it's ready to launch to sea, Jim notices that 4-0-1 is nowhere to be found. He's got to find her—the Titanic can't cast off without her lucky cat. Jim is faced with a decision that will affect the rest of his life. A newspaper journalist for 30 years, Marty Crisp often writes about the animals that hold a special interest and place in her heart. She has published many award-winning books for children and adults, including *White Star*, her book about a dog on the Titanic. Marty lives in Ephrata, Pennsylvania. Robert Papp's award-winning artwork includes hundreds of illustrations for major publishers across the United States, and his first children's book, *The Scarlet Stockings Spy*, was named an IRA Teachers' Choice in 2005. His other books with Sleeping Bear Press include *The Last Brother* and *M is for Meow: A Cat Alphabet*. Robert lives in historic Bucks County, Pennsylvania.

Marooned Joseph Kelly 2018-10-30 For readers of Nathaniel Philbrick's *Mayflower*, a groundbreaking history that makes the case for replacing Plymouth Rock with Jamestown as America's founding myth. We all know the great American origin story: It begins with an exodus. Fleeing religious persecution, the hardworking, pious Pilgrims thrived in the wilds of New England, where they built their fabled "shining city on a hill." Legend goes that the colony in Jamestown was a false start, offering a cautionary tale of lazy louts hunted gold till they starved and shiftless settlers who had to be rescued by English food and the hard discipline of martial law. Neither story is true. In *Marooned*, Joseph Kelly re-examines the history of Jamestown and comes to a radically different and decidedly American interpretation of these first Virginians. In this gripping account of shipwrecks and mutiny in America's earliest settlements, Kelly argues that the colonists at Jamestown were literally and figuratively marooned, cut loose from civilization, and cast into the wilderness. The British caste system meant little on this frontier: those who wanted to survive had to learn to work and fight and intermingle with the nearby native populations. Ten years before the Mayflower Compact and decades before Hobbes and Locke, they invented the idea of government by the people. 150 years before Jefferson, the colonists discovered the truth that all men were equal. The epic origin of America was not an exodus and a fledgling theocracy. It is a tale of shipwrecked castaways of all classes marooned in the wilderness fending for themselves in any way they could—a story that illuminates who we are as a nation today.

Michigan's Haunted Lighthouses Dianna Stampfler 2019-08-26 Travel Michigan's coast—and into the state's history—with otherworldly tales of the spirits of those who sought to keep its waters safe. Michigan has more lighthouses than any other state, with more than 120 dotting its expansive Great Lakes shoreline. Many of these lighthouses lay claim to haunted happenings. Former keepers like the cigar-smoking Captain Townshend at Seul Choix Point and prankster John Herman at Waughoshance Shoal near Mackinaw City maintain their watch long after death ended their duties. At White River Light Station in Whitehall, Sarah Robinson still keeps a clean and tidy house, and a mysterious young girl at the Marquette Harbor Lighthouse seeks out other children and female companions. Countless spirits remain between Whitefish Point and Point Iroquois in an area well known for its many tragic shipwrecks. Join author and Promote Michigan founder Dianna Stampfler as she recounts the tales from Michigan's ghostly beacons. "Haunting tales of Michigan's lighthouses . . . Her stories come from lighthouse museums, friends and family."—Great Lakes Echo

The Last Pirate of New York Rich Cohen 2020-06-02 Was he New York City's last pirate . . . or its first gangster? This is the true story of the bloodthirsty underworld legend who conquered Manhattan, dock by dock—for fans of *Gangs of New York* and *Boardwalk Empire*. "History at its best . . . I highly recommend this remarkable book."—Douglas Preston, #1 New York Times bestselling author of *The Lost City of the Monkey God* Handsome and charismatic, Albert Hicks had long been known in the dive bars and gin joints of the Five Points, the most dangerous neighborhood in maritime Manhattan. For years, he operated

out of the public eye, rambling from crime to crime, working on the water in ships, sleeping in the nickel-a-night flops, drinking in barrooms where rat-baiting and bear-baiting were great entertainments. His criminal career reached its peak in 1860, when he was hired, under an alias, as a hand on an oyster sloop. His plan was to rob the ship and flee, disappearing into the teeming streets of lower Manhattan, as he'd done numerous times before, eventually finding his way back to his nearsighted Irish immigrant wife (who, like him, had been disowned by her family) and their infant son. But the plan went awry—the ship was found listing and unmanned in the foggy straits of Coney Island—and the voyage that was to enrich him instead led to his last desperate flight. Long fascinated by gangster legends, Rich Cohen tells the story of this notorious underworld figure, from his humble origins to the wild, globe-crossing, bacchanalian crime spree that forged his ruthlessness and his reputation, to his ultimate incarnation as a demon who terrorized lower Manhattan, at a time when pirates anchored off 14th Street. Advance praise for *The Last Pirate of New York* "A remarkable work of scholarship about old New York, combined with a skillfully told, edge-of-your-seat adventure story—I could not put it down."—Ian Frazier, author of *Travels in Siberia* "With its wise and erudite storytelling, Rich Cohen's *The Last Pirate of New York* takes the reader on an exciting nonfiction narrative journey that transforms a grisly nineteenth-century murder into a shrewd portent of modern life. Totally unique, totally compelling, I enjoyed every page."—Howard Blum, New York Times bestselling author of *Gangland* and *American Lightning*

Riverman Ben McGrath 2022-04-05 "This quietly profound book belongs on the shelf next to Jon Krakauer's *Into the Wild*." —The New York Times The riveting true story of Dick Conant, an American folk hero who, over the course of more than twenty years, canoed solo thousands of miles of American rivers—and then disappeared near the Outer Banks of North Carolina. This book "contains everything: adventure, mystery, travelogue, and unforgettable characters" (David Grann, best-selling author of *Killers of the Flower Moon*). For decades, Dick Conant paddled the rivers of America, covering the Mississippi, Yellowstone, Ohio, Hudson, as well as innumerable smaller tributaries. These solo excursions were epic feats of planning, perseverance, and physical courage. At the same time, Conant collected people wherever he went, creating a vast network of friends and acquaintances who would forever remember this brilliant and charming man even after a single meeting. Ben McGrath, a staff writer at *The New Yorker*, was one of those people. In 2014 he met Conant by chance just north of New York City as Conant paddled down the Hudson, headed for Florida. McGrath wrote a widely read article about their encounter, and when Conant's canoe washed up a few months later, without any sign of his body, McGrath set out to find the people whose lives Conant had touched—to capture a remarkable life lived far outside the staid confines of modern existence. *Riverman* is a moving portrait of a complex and fascinating man who was as troubled as he was charismatic, who struggled with mental illness and self-doubt, and was ultimately unable to fashion a stable life for himself; who traveled alone and yet thrived on connection and brought countless people together in his wake. It is also a portrait of an America we rarely see: a nation of unconventional characters, small river towns, and long-forgotten waterways.

The Night Ship Jess Kidd 2022-10-04 Based on a true story, an epic historical novel from the award-winning author of *Things in Jars* that illuminates the lives of two characters: a girl shipwrecked on an island off Western Australia and, three hundred years later, a boy finding a home with his grandfather on the very same island. 1629: A newly orphaned young girl named Mayken is bound for the Dutch East Indies on the *Batavia*, one of the greatest ships of the Dutch Golden Age. Curious and mischievous, Mayken spends the long journey going on misadventures above and below the deck, searching for a mythical monster. But the true monsters might be closer than she thinks. 1989: A lonely boy named Gil is sent to live off the coast of Western Australia among the seasonal fishing community where his late mother once resided. There, on the tiny reef-shrouded island, he discovers the story of an infamous shipwreck... With her trademark "thrilling, mysterious, twisted, but more than anything, beautifully written" (Graham Norton, New York Times bestselling author) storytelling, Jess Kidd weaves "a true work of magic" (V.E. Schwab, author of *The Invisible Life of Addie LaRue*) about friendship, sacrifice, brutality, and forgiveness. *Sleeping Bear, Yesterday and Today* George Weeks 2005 Updated and revised, *Sleeping Bear: Yesterday and Today* has everything you need to know about this spectacular national park in northwestern Michigan—practically from the formation of the planet to the present, with some

ruminations about the future of the great dunes. Using over 250 illustrations and photographs, the author presents regional folklore, prehistory, and history of this beautiful area. The volume provides insight into the native peoples who inhabited the region before the Europeans, to the European explorers and the white settlements that followed. *Sleeping Bear: Yesterday and Today* is a fascinating account of the land of the dunes and the people who've lived there, wrapped in an often-gripping story. Originally published in 1990.
