A Dragon's Mage Cecilia Lietz 2014-06-23 My name is Samson Drake

Slayer. I'm twenty years old, a Chicago cop-and a dragon's mage. It's been two years since high school graduation-two unbelievable years of building my new life and running from what I really am. I have Connie, the girl of my dreams. I'm a cop, the job of my dreams. Everything seems to be in order, but I know that it is all just an illusion. Ten years ago, things started happening that no one would believe-the Mage Uprising-and now they're happening again. Warriors are preparing for battle, plots are hatching everywhere I look (and some places I never expected), and the only thing that stands between order and sanity is my girlfriend and her dragon. I'm also the first mage ever to befriend a dragon, and that's made me some pretty brutal enemies along the way. When you try to run from your problems, you may end up running into them all over again. But how long do you have to run until you realize you're only running from yourself?

stranger from her distant past calls Colette out and threatens to take all that she holds precious, will the "Dragon's Tear" alone be enough to protect Amy from Colette's hunters? With the help of a few unique friends, Colette must try to destroy the past that hunts her, and save Amy's future.

And Ivy, three-year-old daughter of King Dor and Queen Irene, as lost in the jungles south of the Gap. Then a fierce storm strikes the neighborhood and, overnight, all of Chestnut Circle is transported to an enchanted realm unlike anything its residents have ever known. The sky is suddenly a different color, an ancient forest surrounds their homes—and a sword-wielding army advances upon them. Summoned by awesome mystical forces for reasons unknown to them, Nick and his neighbors are thrust into the center of a dire sorcerous conflict between two warring wizards for control of an immortal, all-powerful dragon. Stanley S. Dragon Olivia L. Wadsworth 2010-11-15 I hope you enjoyed my first book. You will be seeing a lot more Stanley Stories in the years to come. I suspect that you are wondering if you should believe that dragons ever existed. There is evidence that shows that dragon like creatures did roam the earth and science is still uncovering many artifacts that show that there might have been many different species. Whether some consider them flying or roaming dinosaurs or if they were actually dragons is a matter of expert opinion. I became interested in dragons when a good friend and I were talking about them when I was in the 4th grade. From there I started studying scientific data and collecting stuffed replicas. Now I enjoy sharing what I have learned and putting a personality on my characters.

Dragon Waking Craig Shaw Gardner 2015-12-26 In Dragon Sleeping, bestselling author Craig Shaw Gardner began an unforgettable adventure that stretched from the everyday reality of 1967 to stunning vistas beyond the imagination where a mighty dragon slept, and two warring brothers struggled to control it. Now, the spellbinding saga of The Dragon Circle continues, Craig Shaw Gardner's most ambitious and stunning work to date. The people of Chestnut Circle know what it means to fight. The wizard brothers, Nunn and Obar, have brought them from their quiet suburban homes into a world of magnificent magic and devastating war. Now, with loyalties formed and friendships shattered, neighbors battle neighbors. And seventeen-year-old Nick Blake must once again shed blood for his friends and family. But as they are all about to learn, the struggle between Nunn and Obar is no longer a simple choice between good and evil. There are many choices, each with its own consequences. And Nick Blake must fight to keep what he holds dear as everything he knows is torn apart. As the ultimate power stirs beneath him—the power that can cleanse the world with flame, and destroy them

all. The dragon has awakened. Epic in scope, brilliant in its depth and originality, *The Dragon Circle: Dragon Waking* is a magnificent adventure that launches Craig Shaw Gardner into the front ranks of the fantasy field.

Stanley, the Stalwart Dragon Trisha Sugarek 2009-10-30 Stanley, a young dragon has run away from home. He feels that he is a failure. As dragons go, he probably is. He's kind, soft spoken, a good friend and cannot, for the life of him, breathe FIRE! Emma, an earthling girl, plays in the woodland forest next to her farm. The loveable villain is a raven named City Slick, the Third. A lady bug, named Persnickety is Stanley's best friend and side kick. Thomas, the sea turtle, and Cheets, the elf, are just a few of Stanley's new friends. Slick lures Stanley away from the forest and sells him to a circus. It is Donald, a faerie, and Emma's quest to find Stanley and rescue him. The fable addresses bigotry and kindness

to others even though they might be different from us. While this is an adventure story and full of laughter, it teaches children that no matter what, it is never a good idea to run away from home and is frequently very dangerous.

Other books in the original series are also available such as STEPHEN STANLEY'S PUZZLE BODY and STEPHEN STANLEY'S PUZZLE ANIMALS.

So You Want To Be A Dragon Slayer... Michael Kingswood 2017-03-13 Eighty-two light years away on Alcor Five, great flying beasts called Reptus Volans, which closely resemble the dragons of European legend, sit at the top of the food chain. They are so dangerous and exist in such great numbers that the Colonial Allocation Committee forbade colonization of Alcor Five by humans. Thus the planet went untouched and largely ignored until entrepreneurs formed Dragon Safaris, Inc. Using state of the art space portal technology, Dragon Safaris transports hunters and adventurers, along with specially trained guides, to Alcor Five. There they do battle with the great beasts, seeking to earn the title Dragon Slayer. When I saw Dragon Safaris' commercial on late night television, it rekindled the sense of magic and adventure I used to have when I was younger. I could not resist. I needed to go on this journey and pit myself against these dragons. I convinced my two oldest friends, Vinnie and Carl, to come along. This is our story. So You Want To Be A Dragon Slayer... is a 10,700 word (about 43 printed pages) novelette. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; text-indent: 28.8px; font: 12.0px 'Times New Roman'}
