Pathetic Literature Eileen Myles 2022-11-15
An utterly unique collection composed by the

award-winning poet and writer, a global anthology of pieces from lesser-known classics by luminaries like Franz Kafka, Samuel R. Delany, and Gwendolyn Brooks to up-and-coming writers that examine pathos and feeling, giving a well-timed rehab to the word “pathetic” “Literature is pathetic.” So claims Eileen Myles in their provocative and robust introduction to *Pathetic Literature*, a breathtaking mishmash of pieces ranging from poems to theater scripts to prose to anything in between, all exploring the so-called “pathetic” or awkwardly-felt moments and revelations around which lives are both built and undone. Myles first reclaimed the word for a seminar they taught at the University of California San Diego in the early 2000s, rescuing it from the derision into which it had slipped and restoring its original meaning of inspiring emotion or feeling, from the Ancient Greek rhetorical method *pathos*. Their identification of “pathetic” as ripe for reinvention forms the need for this anthology, which includes a hearty 106

contributors, encompassing canonical global stars like Robert Walser, Jorge Luis Borges, Rumi, and Gwendolyn Brooks, literary libertines like Dodie Bellamy, Samuel R. Delany, and Bob Flanagan, as well as extraordinary writers on the rise, including Nicole Wallace, Precious Okoyomon, and Will Farris. Wrenching and discomfiting prose by Karla Cornejo Villavicencio, Jack Halberstam, and Porochista Khakpour rubs shoulders with poems by Natalie Diaz, Victoria Chang, Lucille Clifton, and Ariana Reines, and butts up against fiction from Chester Himes, Djuna Barnes, Chris Kraus, and Qiu Miaojin, among so many others, including Myles’s own opening salvo of their 1992 presidential campaign. The result is a completely anomalous and uplifting anthology that encourages a fresh political discourse on literature, as well as supplying an essential compendium of pained, awkward, queer, trans, gleeful, and ever-jarring ways to think differently and live pathetically on a polarized and fearful

planet.

Teaching Secondary English Daniel Sheridan
2013-03-07 This new edition of Teaching Secondary English is thoroughly revised, but its purpose has not changed. Like the popular first edition, it balances content knowledge with

Short Talk On The Work Teaching And Vibrations Work Poems

methodology, theory with practice, and problem-posing with suggested solutions. The tone and format are inviting, while addressing student-readers on a professional level. Rather than attempting to cover everything, the text provides a framework and materials for teaching a secondary English methods course, while allowing considerable choice for the instructor. The focus is on teaching literature, writing, and language--the basics of the profession. Attention is given to the issues that arise as one seeks to explore what it means to "teach English." The problems and tensions of becoming a teacher are discussed frankly, in a manner that helps students figure out their own attitudes and solutions. Features: * Focuses on a few central concepts in the teaching of secondary English * Provides an anthology of 22 readable and challenging essays on key topics--allowing students to hear a variety of voices and opinions * Includes an applications section for each reading that extends the discussion and asks

students to explore problems and grapple with important issues related to the articles * Offers short writing assignments in questions that follow the readings and in brief writing tasks in the applications, and a longer writing assignment at the end of each chapter * Addresses student readers directly without talking down to them New in the Second Edition: * This edition is shorter, tighter, and easier to use. * The opening and concluding chapters more directly address the concerns of new teachers. * The anthology is substantially updated (of the 22 articles included, 14 are new to this edition). * Each essay is preceded by a brief introduction and followed by questions for further thought. * There are fewer applications, but these are more extensive and more fully integrated within the text. * A writing assignment is provided at the end of each chapter. * Interviews with college students--before and after student teaching--are included in Chapters 1 and 6. * The bibliographies at the

end of each chapter are fully updated.

Homie Danez Smith 2020-01-21 Danez Smith is our president Homie is Danez Smith's magnificent anthem about the saving grace of friendship. Rooted in the loss of one of Smith's

close friends, this book comes out of the search for joy and intimacy within a nation where both can seem scarce and getting scarcer. In poems of rare power and generosity, Smith acknowledges that in a country overrun by violence, xenophobia, and disparity, and in a body defined by race, queerness, and diagnosis, it can be hard to survive, even harder to remember reasons for living. But then the phone lights up, or a shout comes up to the window, and family—blood and chosen—arrives with just the right food and some redemption. Part friendship diary, part bright elegy, part war cry, Homie is the exuberant new book written for Danez and for Danez's friends and for you and for yours.

Teaching and Learning Design and Technology John Eggleston 2004-12-30 Here is an increasingly wide agreement among teachers, researchers, inspectors, advisers and policy-makers that both teaching and research will benefit from being brought closer together. But how can this be achieved? Hard-pressed practitioners cannot be expected to review a constant flow of conference papers, journals and other publications, even if such items were accessible and clearly understood. This unique book synthesizes relevant research findings for the professional practitioner and highlights their implications for the quality of teaching and learning. Whether you are a teacher looking to improve your practice through applying the latest thinking in your subject, or a researcher looking for a concise review of the literature, this book will prove to be a valuable acquisition.

The Village Blacksmith Henry Wadsworth Longfellow 2020-05-12 A contemporary envisioning of a nineteenth-century poem pairs artwork by G. Brian Karas with the Henry Wadsworth Longfellow classic. His brow is wet with honest sweat; He earns whate'er he can, And looks the whole world in the face, For he owes not any man. The neighborhood blacksmith is a quiet and unassuming presence, tucked in his smithy under the chestnut tree. Sturdy, generous, and with sadness of his own, he toils through the day, passing on the tools of his trade, and come evening, takes a well-deserved rest. Longfellow's timeless poem is enhanced by G. Brian Karas's thoughtful and contemporary art in this modern retelling of the tender tale of a humble craftsman. An afterword about the

tools and the trade of blacksmithing will draw readers curious about this age-honored endeavor, which has seen renewed interest in developed countries and continues to be plied around the world.
